Mental Health First Aid Training

Youth Mental Health First Aid is an 8 hour training and certification on skills to teach parents, family members, caregivers, teachers, school staff, peers, neighbors, health and human services workers and other caring residents how to help an adolescent (age 12-18) who is experiencing a mental health or addictions challenge or is in crisis. Not recommended for mental health professionals.

The course teaches risk factors, warning signs and symptoms of mental health and substance use disorders, the effects of the illnesses, an overview of treatments and a five-step action plan for helping.

Youth Mental Health First Aid Training:

Thursday, June 22, 9 a.m. - 5:30 p.m. at Charles Houston
Recreational Center. 901 Wythe St.
