

2021-2022 PREA ANNUAL REPORT ALEXANDRIA SHERIFF'S OFFICE

BACKGROUND

The Prison Rape Elimination Act (PREA) was passed by Congress and signed into law by President George W. Bush in 2003 to prevent, detect and respond to sexual abuse that occurs in confinement settings. On June 20, 2012, the Department of Justice (DOJ) published national standards for helping to reduce prison rapes that were developed by the National Prison Rape Elimination Commission. PREA applies to adult prisons and jails, juvenile confinement facilities, lockups, and community confinement facilities.

Implementation of these PREA standards to combat sexual abuse in confinement facilities will be contingent upon effective agency and facility leadership, and the development of an agency's principles prioritizing efforts to combat sexual abuse. The Alexandria Sheriff's Office (ASO) has a zero tolerance for any incidence of rape, sexual assault, or sexual misconduct.

PURPOSE

Pursuant to PREA standard §115.87 data must be collected, aggregated, and reviewed regarding reports of sexual abuse incidents. The standard requires each agency to report and publish their data annually. The purpose of this report is to assess and improve the effectiveness of the agency's sexual abuse prevention, detection, and response policies, practices, and training. This report presents data collection findings for the William G. Truesdale Adult Detention Center, Alexandria, Virginia. This report has been approved by Sheriff Sean Casey and is available on our website: <https://www.alexandriava.gov/Sheriff>

Staff members who are made aware of allegations of sexual misconduct by staff against inmates or inmates against other inmates will immediately report the incident to a supervisor, regardless if the offense occurred in our facility or another correctional institution. It

is further the policy of the Alexandria Sheriff's Office that all allegations of staff on inmate and inmate on inmate sexual misconduct be immediately reported and investigated.

In line with the PREA standards the Alexandria Sheriff's Office requires all ASO staff, contractors and volunteers to attend mandatory PREA training specific to zero tolerance, prevention, detection and reporting. The Alexandria Sheriff's Office efforts include but are not limited to:

- Surveillance system upgrades – 415 camera streams installed within the detention center

DEFINITIONS

Once a report of sexual abuse has been initiated and investigated, the incident is assigned a number and entered into a database maintained by the PREA coordinator. The incident will be classified using one of the following findings:

- **SUBSTANTIATED** – An allegation that was investigated and determined to have occurred.
- **UNSUBSTANTIATED** – An allegation that was investigated and the investigation produced insufficient evidence to make a final determination as to whether the event occurred.
- **UNFOUNDED** – An allegation that was investigated and determined not to have occurred.

PREA Standard §115.6 specifically defines sexual abuse in terms of inmate-on-inmate, staff-on-inmate, along with sexual harassment and voyeurism. The Alexandria Sheriffs' Office utilizes the PREA definitions:

- **INMATE-ON-INMATE** – sexual abuse of an inmate, detainee, or resident by another inmate, detainee, or resident includes any of the following acts, if the victim does not consent, is coerced into such act by overt or implied threats of violence, or is unable to consent or refuse: (1) Contact between the penis and the vulva or the penis and the anus, including penetration, however slight; (2) Contact between the mouth and the penis,

vulva, or anus; (3) Penetration of the anal or genital opening of another person, however slight, by a hand, finger, object, or other instrument; and (4) Any other intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh, or the buttocks of another person, excluding contact incidental to a physical altercation.

- **VOYEURISM** – means an invasion of privacy of an inmate, detainee, or resident by staff for reasons unrelated to official duties, such as peering at an inmate who is using a toilet in his or her cell to perform bodily functions; requiring an inmate to expose his or her buttocks, genitals, or breasts; or taking images of all or part of an inmate's naked body or of an inmate performing bodily functions.

SEXUAL ABUSE REPORTING

Inmates have multiple internal ways to report sexual abuse and sexual harassment, retaliation by other inmates or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents. An inmate may report such incidents to any employee, including chaplains, medical, mental health or counseling staff, security staff or command staff. Staff shall accept reports made verbally, in writing, anonymously, and from third parties and shall promptly document any verbal reports.

Inmates may also report sexual abuse or sexual harassment by calling the Department of Emergency and Customer Communications at 703.746.4444, or by calling the Alexandria Sheriff's Office Investigations, Policy, and Oversight Section at 703.746.5008, or in writing using an inmate request form or grievance. The Department of Emergency and Customer Communications is not part of the Alexandria Sheriff's Office.

The following PREA data captures reported allegations of sexual abuse and sexual harassment from January 1, 2021 to December 31, 2022.

Thorough and systematic investigations of sexual victimization are always conducted by the Alexandria Sheriff's Office. Investigations that are determined to be unsubstantiated or founded are subject to an incident review which incorporates incident review criteria pursuant with PREA standard §115.86 to include:

1. Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse;
2. Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics within the Alexandria Sheriff's Office.

¹ This incident was classified as sexual harassment and was handled pursuant to PREA standard §115.76.

3. Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;
4. Assess the adequacy of staffing levels in that area during different shifts;
5. Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and
6. Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to this section, and any recommendations for improvement and submit such report to the Sheriff.

Pursuant with §115.76 disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member's disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.

For all sexual abuse allegations during 2021 and 2022, no change in policy or practice was required, no physical barriers were identified and there were adequate staffing levels. We continue to use our sexual abuse incident review team (SAIRT), composed of upper-level management, front line supervisors, investigators, and medical and mental health practitioners. All sexual abuse investigations comply with PREA standard §115.86. The Alexandria Sheriff's Office will continue to make appropriate changes where necessary to ensure a safe, secure environment for inmates, staff, and the community.
