SERVICES FOR MEMBERS OF THE MILITARY, VETERANS AND THEIR FAMILIES

The City of Alexandria Department of Community and Human Services and the Arlington County Community Services Board have joined forces to assist service members, veterans and their families. Connect with DCHS to access behavioral healthcare services for you and your loved ones.

“Freedom makes a huge requirement of every human being. With freedom comes responsibility.”
- Eleanor Roosevelt

- ☑ Services provided include care coordination, resource navigation, and connections to medical, legal, behavioral health, veterans' benefits, educational financial management, housing and employment assistance.
- ☑ Clinical referrals can also be made for support in crises, military trauma, deployment/transition, relationships, conflict resolution, physical health, substance use and mental health concerns.
