### Daily Cleaning

All surfaces and equipment are wiped down and disinfected throughout the program day and at the end of each program day. All sports equipment will be disinfected daily and in between group use.

### Daily Hygiene

Everyone is required to wash their hands frequently with soap and water for at least 20 seconds. All staff and children are required to wash their hands and/or use hand sanitizer upon arrival to the program, when entering activity areas, before and after meals or snacks, after outdoor play, after going to the bathroom and prior to leaving for home.

### Attendance & Updating Information

Parents are asked to notify the program supervisor if a participant is going to be absent or on vacation. Registered participants are expected to attend the program on a regular basis. Continuous lack of attendance may result in the child being classified as inactive. Once inactive, parents must request reinstatement in the program contingent on available space.

Parents must update their personal information when their address or telephone number changes. When information is not current, staff may be unable to contact a parent in case of emergency.

### Proper Attire

Children are required to dress in appropriate clothing needed for recreation style activities for both indoor and outdoor active play. Tennis shoes or rubber-soled shoes are required (for your child's safety, bare feet or open-toed shoes are not permitted). Crocs, flip flops, slides and sandals are not permitted.

### Illness & Injuries

Children who are running a fever, vomiting or complaining of pain or other symptoms will not be allowed to attend the program. If a child becomes ill during program hours, parent/guardian must make arrangements for the child to be picked up as soon as possible. An ill child will be separated from their group until a parent arrives. If a child is severely injured or ill (when more than simple first aid is needed), staff will attempt to contact a parent/guardian first or at least one person on the emergency contact list if a parent/guardian cannot be reached. If warranted, staff will call emergency services to attend to the injured/ill child. The City does not provide medical insurance for participants. In the event of an illness or injury requiring treatment, hospitalization, and/or surgery, the family's medical insurance must be used.

### Medications

Staff are not permitted to administer medication. If your child needs medication during the time period that he/she attends the program, the parent must arrange with an administrator to bring the medication for their child. If the child is required to have medication with them in case of emergencies (i.e., inhalers, epi-pen), the child may have it at the recreation program. Medication must be labeled and in its original packaging. No expired medication will be accepted. The medication will be stored in a clear Ziploc bag and labeled with the child's name. The medication will accompany the Medication Authorization Form and Medication Log. All medications will be secured in a red Medical Bag and accessible by any staff member in an emergency.

### Special Activities

Occasionally, the program will host activities with other agencies and organizations in a special program or activity for the registered participants. In this situation, a permission slip may be required. If a signed permission slip is not returned, the participant is not eligible to participate in the special activity.

## Discipline

Discipline shall be constructive in nature to include using limits that are fair, consistent and appropriate; to provide reasons for limits; and to use positive word directions. No child will be forced to assume an uncomfortable position; be restricted in movement; be enclosed in a confined space; or be assigned exercise.

In the best interest of the program and its participants, staff members reserve the right to enforce restrictive actions on a participant who is causing a disturbance in the program. Restrictive action may include meetings with parents, temporary exclusion from activities, or suspension from current and/or subsequent programs. In severe cases, there may be cause to suspend privileges. For a suspension period of more than three days, the parent will receive notification by the Deputy Director of Recreation Services regarding the status of their child in all city recreation programs.

Failure to abide by prescribed restriction on the part of the participant will result in progressive restrictions up to and including suspension of all recreation privileges.

## Field Trips

Field trips are typically scheduled during program hours. Transportation will be provided by Alexandria City Public School buses or City vehicles to and from field trip locations. Participants who do not have a signed permission slip or have not paid the fee by the required date will not be allowed to attend the trip.
