

# Alexandria Sheriff's Office Bulletin

## JULY 2024

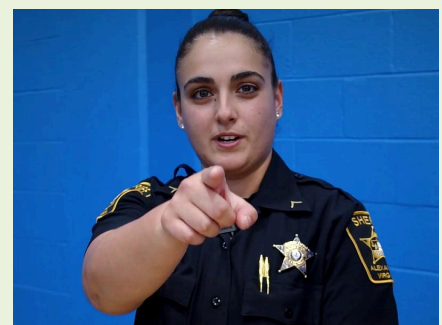

### Deputy Graduates with Honors from Academy

Congratulations to Deputy Pasley on her recent [graduation from the Rappahannock Regional Criminal Justice Academy!](#) Deputy Pasley excelled throughout the eight-week Jail Officer Basic Training and was selected by her classmates as the class leader. Sheriff Sean Casey and several members of his command staff attended the June 26 graduation in Fredericksburg. During the ceremony, Deputy Pasley received the award for top academic achievement and she was also recognized for earning second place for overall achievement. Since graduation, Deputy Pasley has been in field training at the Adult Detention Center.

### New ASO Recruiting Video Puts Focus on Women

In our efforts to recruit and hire more deputies, ASO released a [new video highlighting our Office as an excellent place for women to work.](#) One-third of our sworn ranks are women, and female deputies serve at all levels and capacities, from recruits to second in command. New deputies start at \$60,767 and earn more than \$6,000 annually in built-in overtime, and deputies who serve in the Detention Center work just 15 days a month. It's a great place for men to work, too, so check us out at [www.JoinASO.com](http://www.JoinASO.com).

## Apply Now for Fall Community Academy

The Sheriff's Office is now [accepting applications for the Fall Session of the Sheriff's Community Academy!](#) This is an ideal opportunity for Alexandrians interested in learning more about the Sheriff's Office and our role in the criminal justice system. Participants will tour the jail and courthouse, see demonstrations, take part in hands-on activities, and talk with deputies and professional staff about their responsibilities. This session will be held on four consecutive Saturday mornings beginning September 14. Space is limited and applications are due by August 30.

## Deputy Morgante Named Employee of the Quarter

Congratulations to Deputy Morgante on being selected as our newest Employee of the Quarter! Deputy Morgante serves in the Field Operations Section and was selected for his involvement in the arrest of an individual sought by another law enforcement agency. In his nomination, Sergeant Mauck specifically cited Deputy Morgante's quick actions, situational awareness, excellent communication skills, and exceptional attention to officer safety that resulted in Deputy Morgante's apprehension of a wanted felon.

## Youth Engagement among July Outreach Highlights

This [summer has been full of rewarding community connections](#), especially with children and young adults. Thanks to the Summer Youth Employment Program (SYEP), ASO has had Alexandria City High student Kayvon working part-time in our office, and Sheriff Casey also recently hosted another SYEP participant and an intern with the Concerned Citizens Network of Alexandria. These young men are learning firsthand about public service and leadership and we are proud to be part of that experience. Deputies also spent time with families at the Presidential Greens summer celebration and this week, deputies provided a security presence and greeted Samuel W. Tucker students on their first day of school.

## Hang Up on Deputy Imposters and Stop Scams

[Scammers are still calling potential victims and impersonating deputies, police officers and court officials](#) to try to intimidate victims into giving them money. This happens in Alexandria, throughout the region and across the country and if it happens to you, hang up immediately! No real law enforcement agency or court will ever call you and demand money. Please talk about this with friends and family who are not active online so they are aware. Encourage them to hang up, even if the caller sounds convincing or threatens them with arrest. If you have been a victim, be sure to report it to local police.
