UTILITY WORK NOTICE – AUGUST 2024

100 Block of W. Reed Ave, 3800 Block of Edison St, and Dale St.

This notice is to inform City of Alexandria Residents in the immediate proximity of the 100 block of W. Reed Ave., the Edison St. Cul-de-Sac and along Dale St. that utility test pit work is scheduled to be performed in the area to support Flood Action Alexandria capital improvement projects to help mitigate flooding in the project areas.

The City has hired a contractor to collect information on the City's utility systems in support of the two projects 1) W. Reed Ave. and Dale St. Drainage Improvements and 2) Edison St. Drainage Improvements.

The utility test pit work is scheduled to begin in early August and complete before the end of the month. Work will occur during standard allowable construction work hours and is expected to take no more than five full workdays. The contractor crews will operate drilling equipment to confirm the depth and location of utility mains within the proposed work areas. The contractor operation's will not take place outside of existing City noise and construction ordinances that require:

Construction work in the City of Alexandria is permitted from 7:00AM to 6:00PM Monday – Friday, and 9:00AM – 5:00PM on Saturday. No construction activity is permitted on Sundays.

No disturbances or impacts will be made to your private property.

Parking lane closures and traffic pattern adjustments are scheduled along and around work areas. Access to residential driveways within the work area will be maintained; however, street parking within the work area will be restricted for the duration of work. Parking restriction signs will be posted 72 hours before operations begin and removed as soon as possible following the completion of work. Please relocate any street parked vehicles prior to the start of work.

As always, please be mindful of contractor crews working in or alongside the roadway.
