**Explanation of Variable Rates:** If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and may have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the billing period. The Daily Periodic Rate (DPR) is 1/365th of the APR, rounded to the nearest one ten-thousandth of a percentage point. Variable APRs will not exceed 29.99%.

Also, we may choose not to charge interest on certain types of charges.

# **Claims Resolution**

Most customer concerns can be resolved by calling our Customer Service Department at the number listed on the back of your card. In the event Customer Service is unable to resolve a complaint to your satisfaction, this section explains how claims can be resolved through mediation, arbitration or litigation. It includes an arbitration provision. You may reject the arbitration provision by sending us written notice within 45 days after your first card purchase. See Your Right to Reject Arbitration below.

For this section, you and us includes any corporate parents, subsidiaries, affiliates or related persons or entities. Claim means any current or future claim, dispute or controversy relating to your Account(s), this Agreement, or any agreement or relationship you have or had with us, except for the validity, enforceability or scope of the Arbitration provision. Claim includes but is not limited to: (1) initial claims, counterclaims, crossclaims and third-party claims; (2) claims based upon contract, tort, fraud, statute, regulation, common law and equity; (3) claims by or against any third party using or providing any product, service or benefit in connection with any account; and (4) claims that arise from or relate to (a) any account created under any of the agreements, or any balances on any such account, (b) advertisements, promotions or statements related to any accounts, goods or services financed under any accounts or terms of financing, (c) benefits and services related to card membership (including fee-based or free benefit programs, enrollment services and rewards programs) and (d) your application for any account. You may not sell, assign or transfer a claim.

#### Sending a Claim Notice

Before beginning a lawsuit, mediation or arbitration, you and we agree to send a written notice (a *claim notice*) to each party against whom a claim is asserted, in order to provide an opportunity to resolve the claim informally or through mediation. Go to american express.com/ claim for a sample claim notice. The claim notice must describe the claim and state the specific relief demanded. Notice to you may be provided by your billing statement or sent to your billing address. Notice to us must include your name, address and Account number and be sent to American Express ADR c/o CT Corporation System, 28 Liberty Street, New York, New York 10005. If the claim proceeds to arbitration, the amount of any relief demanded in a claim notice will not be disclosed to the arbitrator until after the arbitrator rules.

#### **Mediation**

In mediation, a neutral mediator helps parties resolve a claim. The mediator does not decide the claim but helps parties reach agreement.

Before beginning mediation, you or we must first send a claim notice. Within 30 days after

sending or receiving a claim notice, you or we may submit the claim to JAMS (1-800-352-5267, jamsadr.com) or the American Arbitration Association ("AAA") (1-800-778-7879, adr.org) for mediation. We will pay the fees of the mediator.

All mediation-related communications are confidential, inadmissible in court and not subject to discovery.

All applicable statutes of limitation will be tolled from the date you or we send the claim notice until termination of the mediation. Either you or we may terminate the mediation at any time. The submission or failure to submit a claim to mediation will not affect your or our right to elect arbitration.

#### **Arbitration**

You or we may elect to resolve any claim by individual arbitration. Claims are decided by a neutral arbitrator.

If arbitration is chosen by any party, neither you nor we will have the right to litigate that claim in court or have a jury trial on that claim. Further, you and we will not have the right to participate in a representative capacity or as a member of any class pertaining to any claim subject to arbitration. Arbitration procedures are generally simpler than the rules that apply in court, and discovery is more limited. The arbitrator's authority is limited to claims between you and us alone. Claims may not be joined or consolidated unless you and we agree in writing. An arbitration award and any judgment confirming it will apply only to the specific case and cannot be used in any other case except to enforce the award. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a court. Except as set forth below, the arbitrator's decision will be final and binding. Other rights you or we would have in court may also not be available in arbitration.

#### Initiating Arbitration

Before beginning arbitration, you or we must first send a claim notice. Claims will be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration provision and the selected organization's rules in effect when the claim is filed, except where those rules conflict with this Agreement. If we choose the organization, you may select the other within 30 days after receiving notice of our selection. Contact JAMS or AAA to begin an arbitration or for other information. Claims also may be referred to another arbitration organization if you and we agree in writing or to an arbitrator appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (FAA). We will not elect arbitration for any claim you file in small claims court, so long as the claim is

Page 6 of 7

individual and pending only in that court. You or we may otherwise elect to arbitrate any claim at any time unless it has been filed in court and trial has begun or final judgment has been entered.

Either you or we may delay enforcing or not exercise rights under this Arbitration provision, including the right to arbitrate a claim, without waiving the right to exercise or enforce those rights.

#### Limitations on Arbitration

If either party elects to resolve a claim by arbitration, that claim will be arbitrated on an individual basis. There will be no right or authority for any claims to be arbitrated on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of the general public, other cardmembers or other persons similarly situated.

Notwithstanding any other provision and without waiving the right to appeal such decision, if any portion of these *Limitations on Arbitration* is deemed invalid or unenforceable, then the entire Arbitration provision (other than this sentence) will not apply.

### **Arbitration Procedures**

This Arbitration provision is governed by the FAA. The arbitrator will apply applicable substantive law, statutes of limitations and privileges. The arbitrator will not apply any federal or state rules of civil procedure or evidence in matters relating to evidence or discovery. Subject to the Limitations on Arbitration, the arbitrator may otherwise award any relief available in court. You and we agree that the arbitration will be confidential. You and we agree that we will not disclose the content of the arbitration proceeding or its outcome to anyone, but you or we may notify any government authority of the claim as permitted or required by law. If your claim is for \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents, through a telephonic hearing, or by an inperson hearing. At any party's request, the arbitrator will provide a brief written explanation of the award. The arbitrator's award will be final and binding, subject to each party's right to appeal as stated in this section and/or to challenge or appeal an arbitration award pursuant to the FAA. To initiate an appeal, a party must notify the arbitration organization and all parties in writing within 35 days after the arbitrator's award is issued. The arbitration organization will appoint a threearbitrator panel to decide anew, by majority vote based on written submissions, any aspect of the decision objected to. The appeal will otherwise proceed pursuant to the arbitration organization's appellate rules. Judgment

upon any award may be entered in any court having jurisdiction. At your election, arbitration hearings will take place in the federal judicial district of your residence.

#### **Arbitration Fees and Costs**

You will be responsible for paying your share of any *arbitration fees* (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in court. We will be responsible for any additional arbitration fees. At your written request, we will consider in good faith making a temporary advance of your share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

#### Additional Arbitration Awards

If the arbitrator rules in your favor for an amount greater than any final offer we made before the final hearing in arbitration, the arbitrator's award will include: (1) any money to which you are entitled, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees.

#### Your Right to Reject Arbitration

You may reject this Arbitration provision by sending a written *rejection notice* to us at: American Express, P.O. Box 981556, El Paso, TX 79998. If any portion of this Claims Resolution section, except as otherwise provided in the *Limitations* on Arbitration subsection, is deemed invalid or unenforceable, it will not invalidate the remaining portions of this Claims Resolution section.
