GENERAL MEMORANDUM NO. 113 – 24

To: Distribution List
From: Acting Governor of American Samoa
Subject: Flying of Flags in Honor of Peace Officers Memorial Day

Pursuant to the Proclamation by the President of the United States, the flag of the United States and the flag of American Samoa shall be flown at half-staff on Wednesday, May 15, 2024, as a mark of respect for the federal, state and local officers killed or disabled in the line of duty.

On Peace Officers Memorial Day, we honor the memories of those lives lost and we reflect on the resilience of America's Police Forces. As we reflect on the loss of life and the impact on the affected survivors and their families, let us take a moment to be grateful for the Lord's continued protection and blessings on our Territory.
