AMERICAN SAMOA GOVERNMENT**

February 28, 2022

GENERAL MEMORANDUM NO. 029 – 22

To: Secretary of Samoan Affairs, CEOs, Presidents and Executive Directors of Authorities, Directors, Agency and Office Heads

From: Governor

Subject: ASG Vaccination Status Update

With the increasing number of positive COVID-19 cases, we as government leaders must take necessary action to ensure the safety of our workforce as well as the public that we serve. Precautionary measures and safety protocols must be in full effect in order to minimize the spread of COVID-19.

Per CDC guidelines, the most effective preventative measure against COVID-19 is vaccination.

Therefore, we request that each Department, Agency, and Office submit an updated vaccination record to the Department of Human Resources no later than Friday, March 4, 2022. Updating the vaccination status of your personnel is critical to our response efforts and will inform our next course of action.

As public servants, it is incumbent upon us to be exemplars of the safety guidelines set by CDC and promote best practices that minimize transmission, prevent infection, and save lives.

Your full support and cooperation are crucial in keeping our Territory safe.
