BLANKET DROP-OFF POLICY

- Blankets leave here on Monday morning and return the following Monday, with the exception of a few Monday holidays. Please feel free to call us at 282-2998 to confirm that your blanket has been returned.
- PLEASE bring your yellow stub with you when you come to retrieve your blanket. It helps us confirm that we are giving you the right blanket.
- Generally, we DO NOT CALL you when blankets are returned.
- Blankets that aren't picked up within a month will incur an additional \$5 fee per month.
- If blankets haven't been picked up after three months, we reserve the right to sell them.
- Sorry, we don't send blankets out with your feed delivery. The guys already have a lot to remember!
