REVISION 2

August 27, 2004

Dear Sir or Madam:

The staff of the Air Resources Board (ARB) will hold a public workshop to discuss ARB's regulatory and non-regulatory fuel related activities. This workshop will be the fifth meeting to discuss this year's fuels regulatory and non-regulatory activities. In addition, staff will present two regulatory proposals tentatively scheduled for the Board's consideration at the November 18-19, 2004 public hearing.

Topics may include, but are not limited to, issues relating to the implementation of the California Phase 3 Reformulated Gasoline regulations, evaluation of potential future revisions to the California Reformulated Gasoline specifications, and consideration of specifications for bio-diesel. In addition, staff will present a regulatory proposal to extend the CARB diesel fuel regulations to intrastate locomotives and commercial harbor craft and technical changes to the California Phase 3 Reformulated Gasoline regulations. For more information regarding California's fuel programs you may visit the Fuels Program web page at <http://www.arb.ca.gov/fuels/fuels.htm>.

The time and place of the public workshop are shown below:

Date: September 29, 2004, Wednesday
Time: 1:30 p.m. to 4:00 p.m.
Location: California Air Resources Board
1927 13th St. –
Conference Room MLD-North,
Sacramento – CA 95814

If you have a disability-related accommodation need, please go to <http://www.arb.ca.gov/html/ada/ada.htm> for assistance or contact the ADA Coordinator at (916) 323-4916. If you are a person who needs assistance in a language other than English, please go to <http://inside.arb.ca.gov/as/eo/languageaccess.htm> or contact the Bilingual Coordinator at (916) 324-5049.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
