WHY **ASUS**

ASUS is passionate about technology and driven by innovation. We dream, we dare, and we strive to create an effortless and joyful digital life for everyone.

We're always in search of incredible ideas and experiences, and we aspire to deliver the incredible in everything we do.

FORTUNE WORLD'S MOST ADMIRABLE COMPANIES[®] 2021

Fortune has praised us as one of the World's most admired companies for 5 years. They rated us as one of the top leading companies in the tech industry.

Forbes

Forbes has named ASUS among the Top Regarded Companies annual survey that evaluates companies on topics such as trustworthiness, social conduct, performance of the company's product or service and the company as an employer.

Interbrand

We have topped Interbrand's annual brand survey for the past several years. We have been ranked as Taiwan's most valuable brand for 8 years.

2018 THOMSON REUTERS TOP 100 GLOBAL TECH LEADER

ASUS has been named as a Top 100 Global Technology Leader by Thomson Reuters. The program identifies the tech industry's most operationally sound and financially successful organizations with excellent products and services.

INCREDIBLE ASUS STORIES

The durability of ASUS products has been tested — and proven — in some of the most challenging environments imaginable. Below are just a few incredible, real-life ASUS stories.

Outperforming competitors through 600 days in outer space

R & K, a major supplier of computers and electronic equipment for aeronautical missions to outer space, provided MIR Space Station astronauts with two ASUS notebooks for their 600-day stint in space. "The ASUS notebooks never overheated like some of the devices made by other companies," said Russian cosmonaut Sergei Avdeev.

First to reach the tallest peak in Antarctica

On December 16, 2003, acclaimed mountaineers Shi Wang and Jian Liu embarked on an expedition to the summit of Mount Vinson — the tallest peak in Antarctica — where temperatures are known to drop below minus 100 degrees Fahrenheit. The device they chose to take with them was an ASUS S200N notebook.

First To Reach The Top Of Mount Everest

For a Mount Everest expedition, a mountaineering team selected a series of ASUS notebooks—the ASUS U5, ASUS S6, ASUS W7 and ASUS U1—as their devices of choice. At the base camp elevation of 5,000m above sea level, other notebooks failed to boot up, due to extremely low ambient temperature; however, the ASUS notebooks functioned without incident. Expedition team leader, Captain Wang Yongfong, took an ASUS U5 notebook with him to the peak: At 8,848m above sea level, an ASUS notebook became the first in the world to reach the top of Mount Everest.

WORLDWIDE ACHIEVEMENT

- No.1 consumer notebook company in Asia-Pacific
* (Excluding China and Japan)
 - Top 2 consumer notebook company in China
 - Top 3 consumer notebook company in the world

The Best Notebook Choice

Motherboard Brand In The World

Global Recognition

No. 1 motherboard brand in the world

ASUS makes the world's best-selling, most award-winning motherboards, shipping over 550 million units since 1989. They also form the reliable heart of every ASUS laptop.

One of the world's most admired companies

ASUS has been named as one of the top 10 World's Most Admired Companies by Fortune Magazine in 2021, for its contribution to the computer industry.

57,156 Awards Won Since 2001

From 2001, ASUS earned 57,156 awards from some of the most prestigious international organizations and media groups around the world.

ASUS earned 69,965 green certification in 2020 alone

ASUS was the first global IT company in the world to achieve EU Ecolabel certification for laptops, and achieved 69,965 similar labels globally in 2020.

Most valuable international brand from Taiwan

ASUS is ranked as the most valuable international brand from Taiwan for the eighth year in the 2021 Taiwan Global Brands Survey, conducted by world-leading brand consultancy Interbrand.

Top 100 Global Technology Leader

ASUS has been named as a 2019 Top 100 Global Technology Leader by Thomson Reuters, reaffirming the company's position as a top technology brand.

Top 100 Global Innovator

Facing fierce competition among 14,000 other organizations, ASUS entered the esteemed echelons of the Derwent Top 100 Global Innovators 2021 report.

WORLDWIDE ACHIEVEMENT

1st
Mother Board

We've achieved over **1/3 of the global market share** and the best selling and most-award winning motherboard brand. Since 1989, we have shipped over **550 million MB**. Placed End to end, they would form a chain long Enough to **circle the globe more than 4 times!**

1st
Graphic Card

ASUS is the **best-selling** graphic card brand since 2005 and the **most award-winning** brand which is well-known for high quality and performance.

1st
Consumer Laptops

ASUS is the **No.1** consumer notebook brand in Asia-Pacific, **No.2** in China, Central and Eastern Europe, and **No.3** in worldwide sales, which brings innovative, ultraportable, and stylish laptops.

1st
Gaming Laptops

ASUS gaming notebooks account for the highest market share, around 19%, making them **No.1** worldwide.

1st
Gaming Monitors

ASUS and ROG gaming monitors have dominated the worldwide market for four consecutive years and continue to be the **No.1** choice for gamers!

57,156 AWARDS WON SINCE 2001

Since 2001, ASUS has earned a total of 57,156 awards from some of the most prestigious international organizations and media groups around the world. Each award is a testament to our relentless quest and commitment to creating solutions designed for everyone to joy.

<p>205 awards</p>	<p>154 awards</p>	<p>150 awards</p>	<p>715 awards</p>	<p>143 awards</p>	<p>94 awards</p>

THE WORLD'S BEST LAPTOP BRAND

Laptop

Best Laptop
Brand
Winner 2020

Best Laptop Brand of 2020

ASUS was crowned by Laptop Mag as the world's best laptop brand of 2020, with the highest scores and across-the-board praise for innovation, design, value and selection. The publication commented that "ASUS is a laptop maker that is known for state-of-the-art innovation.". The exceptional results of both the innovation and design awards reflect the strong commitment of ASUS to providing users with leading-edge solutions and exceptional designs.

Best Business Choice Laptop Winner 2021

ASUS also triumphed in the annual PCMag reader survey, beating all other competitors to be elected the winner of the Best Choice 2021 award for laptops running Windows. Readers of the respected publication voted ASUS their favorite Windows laptop brand across multiple categories, including for cost, reliability, ease, battery life, support and overall satisfaction. ASUS was also the Windows laptop brand that the readers were most likely to recommend to others.

ASUS BUSINESS SOLUTION READY

Modern Office

ASUS values its relationship with businesses, no matter what their size. Micro-businesses with limited IT budgets; large enterprises that require simplified remote management; sales operations that require rapid mobility and security; or designers and engineers seeking high performance computing — all these customers can rely on ASUS to provide comprehensive solutions tailored to their unique technology requirements.

Retail & Service

In the highly competitive consumer market, it is vital to use technology to improve communication with customers, while focusing limited manpower on providing customer service. Therefore, the use of integrated information technology equipment and information services to help improve customer satisfaction — while promoting customer loyalty and repeat purchases — is the key to survival in the retail and services sector.

Education

We are here to help you cultivate the minds of the next generation with a total solution for progressive and innovative learning. Education is what countries are built on. For society to progress and nations to sharpen their competitive edge, education must constantly innovate. At ASUS, we look into the future with your current needs in mind to design the ideal education experience. We believe that with technology, every student can benefit from an individualized learning experience that is as effective as it is engaging. Because in today's digital age, learning does not need to be confined to the classroom — it can be accomplished anytime, anywhere with the help of mobile technology and the cloud. Unsurprisingly, forward-looking schools are attaching increasing importance to their on-campus information infrastructure. And we are here to provide you with the total education solution.

WHY ASUS EXPERT SERIES

Designed with ever-changing business needs and priorities in mind, ASUS realized the importance of portability, reliability, and security in today's competitive environment. That's why at ASUS, we never stop innovating and striving for the better.

With your business in mind, ASUS Expert Series is created and designed to provide you with the best experiences. With the best devices for businesses of any size and premium enterprise service, ASUS Business has the perfect solution for you.

THE CORE VALUE OF ASUS EXPERT SERIES

- Quality That Exceeds Industry Standards
- Enterprise Grade Security
- Business-class Manageability
- Built With The Environment In Mind
- Global 3-year Warranty
- Maximum Support, Minimal Effort

QUALITY THAT EXCEEDS INDUSTRY STANDARDS

Business and enterprise users demand higher quality and greater reliability than consumers, so all ASUS Business PCs undergo rigorous quality testing to much higher standards than mainstream models. They offer proven reliability in all aspects, and be extraordinarily tough enough to tested with industry-leading military-grade MIL-STD-810H durability standards.

All 2021 ASUS commercial models and onwards will be tested according to the demanding MIL-STD 810H military-grade standard to ensure maximum reliability and durability.

Durability Testing

ASUS Expert Series is built to last, even after continuous daily use. All units are put through extreme tests to ensure the display, hinge, structure and ports are built to last.

Panel Resistance Test

Panel resistance tests ensure that the display can endure unexpected bumps or pressure.

Port Test

Port tests ensure that contacts and plugs are durable even in environments where devices are frequently connected and disconnected.

Strong Hinge Test

Vigorous testing with over 50,000 open / close cycles helps ensure exceptional hinge strength.

Keyboard Durability Test

To ensure ultimate keyboard durability, specially designed ASUS robots test individual keys with millions of keystrokes.

Impact Testing

Expert Series PCs are tested to be tough enough to keep working after sudden impacts, so there's no need to worry about everyday knocks and bumps.

Drop Test

Drop tests check the resistance of the chassis and internal components to damage from unexpected drops.

Shock Test

Shock tests ensure a laptop can withstand unexpected impacts such as accidental bumps, or jarring movements during shipping.

Twist Test

Twist tests confirm that the chassis is strong enough to retain structural integrity even when uneven pressures applied.

Vibration Test

Extensive vibration testing ensures that the chassis and internal components can withstand even the most extreme travel conditions.

Environment Testing

ASUS Expert Series PCs are built to withstand the most extreme environmental conditions and are designed to work anywhere in the world, no matter where you are.

Altitude Test

This tests the ability to survive extremes of altitude encountered in shipping by air or air travel.

Temperature Test

Extremely high or low temperatures tests ensure PCs' functions consistently for users everywhere.

Acoustic Test

PCs undergo fan, hard drive, and power-supply noise tests to ensure the quietest performance possible.

EMC Test

This ensures that ASUS PCs perform well in internal or external electromagnetic fields.

ENTERPRISE GRADE SECURITY

Modern IT threats can strike businesses from any place and from all angles. Security needs to cover every entry point with multiple layers of protection, so ASUS Expert Series products provide total security using multiple hardware and software layers, ranging from physical hardware protection to identity security to protect your data from unauthorized access. ASUS also offers a series of asset-management solutions for IT managers.

IT Management

It allows Management Information System (MIS) staff to remotely control and manage company assets, making sure all digital data is safe and sound

Intel vPro

The intel vPro platform support hardware-based data encryption at the file, folder, and drive levels. Accelerate encryption and protect keys directly within the hardware.

ASUS Control Center

A centralized IT management software that supports Windows® Active Directory authentication, registry editor and USB storage disabling, to ensure that all data and information is controlled and secured.

Storage Security Control

MIS can enable/disable external USB devices or optical drives writing or reading data to restrict user's access right to get confidential data or reduce virus infection.

Identity Security

Identity security protection helps prevent attacks by hackers looking to capture passwords and encryption keys for sensitive data

Biometric Authentication

Provide the fast and secure log-in options with the integrated fingerprint sensor and the facial recognition IR camera.

Near Field Communication

The NFC reader integrated into touchpad means logging in to ExpertBook can be a simple, swift and secure as the swipe of an authorized card.

Smart card reader

Dual identity log-in option with the built-in smart card reader for confidential scenarios.

Trusted Platform Module (TPM2.0)

A TPM chip securely stores the authentication information (such as passwords or encryption keys) used by software to protect important data and transactions.

Hardware Protection

Hardware-based protection ensures robust physical security for your PCs and notebooks

Kensington Security Slot & Padlock

The Kensington type locks are useful to prevent quick grab-and-run thefts of equipment from casually supervised locations.

Chassis Intrusion Alert

The chassis intrusion alert would show on BIOS during next boot once your PC case had been opened.

BUSINESS-CLASS MANAGEABILITY

ASUS Expert Series simplifies asset-management processes for MIS staff, as well as for end users.

ASUS Control Center

Comprehensive Centralized IT Management

ASUS Control Center is centralized IT management software that provides efficient, intuitive and secure solutions. The software is capable of monitoring and controlling servers, workstations, laptops, desktops, and digital signage to deal with the demands of challenging IT environments.

- 
Hardware & Software Monitoring
 System administrators can easily monitor hardware status, software utilization, services, and inventory.
- 
Advanced Search and Grouping
 The unique Metadata Management lets you tag devices with custom information.
- 
Task Scheduler
 Once the Task Scheduler is setup, it automatically runs routine tasks such as turning devices on and off and dispatching software.
- 
Efficient Energy Control
 Integrate ASUS ASMB & Intel® Data Center Manager (Intel DCM) technology to provide real-time power consumption data.
- 
Enhanced Security
 ASUS Control Center supports Windows® Active Directory authentication, registry editor and USB storage disabling.
- 
Intuitive User Interface
 The HTML5 web-based console provides intuitive dashboard, enabling you to manage your IT environment from different types of devices anytime and anywhere.

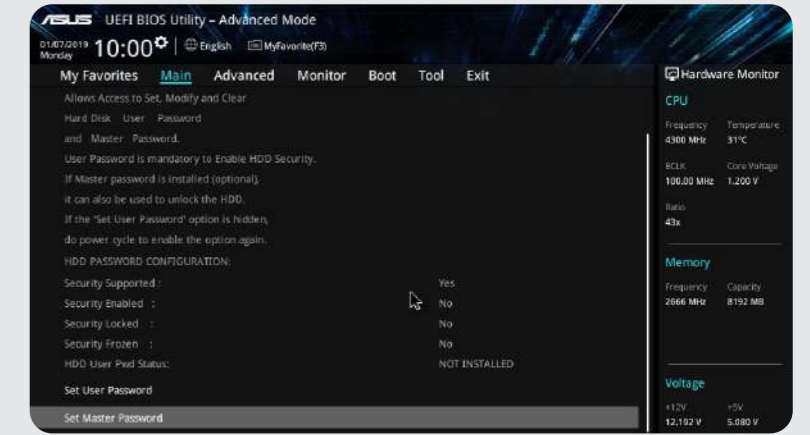

ASUS Business Manager

Easy Individual PC Management

ASUS Business Manager is a PC-based platform that consists of hardware, software, and firmware to provide unique security and productivity capabilities.

- 
System Backtrack
 Establishes a checkpoint to restore the system to its optimal status.
- 
Secure Drive
 Allows creation of an encrypted virtual partition in your local drive (such as the C: drive) where you can save your important data.
- 
Device lock
 Device lock controls read/write access to USB storage devices, card readers, and optical drives.
- 
System restriction
 The system restriction setting allows an administrator to control access to data, system registry editing and system settings.
- 
File Shredder
 For complete and secure file deletion. The settings pass US Army AR380-95, DoD 5220.22-M and DoD 5220.22-M(E) standards.

ASUS UEFI BIOS

Media-acclaimed BIOS

This helps with team device identification and enables easier management of individual PCs.

- 
Safe BIOS Updates
- 
Energy Saver
- 
Exclusive Mouse Control
- 
User Friendly Interface

BUILT WITH THE ENVIRONMENT IN MIND

ASUS is one of the member in RE100, a global renewable energy initiative, to achieve 100% renewable energy. ASUS has set to achieve:

100% renewable energy usage in Taiwan-based operations centers by 2030, and in global operations centers by 2035

50% carbon emissions reduction from global operations centers by 2030

30% above Energy Star standard efficiency from key products

30% reduction in carbon intensity rates from key suppliers

RE100

CLIMATE GROUP

CDP

PRODUCING

Since 2013, ASUS introduced postconsumer recycled plastic as mechanical housing in commercial notebook.

Achievement :

Using post-consumer recycled plastic, at least 20% estimated reduction of carbon emission in manufacturing phase can be expected by replacing conventional materials.

PACKAGING

ASUS continuously designs exclusive technologies that raise energy efficiency on hardware and software.

Achievement :

In 2012, 100% of our new laptop computers were Energy Star qualified products. Moreover, the average power consumption of ASUS NBs is 45% lower than Energy Star standard.

1 2
3 4

USING

Since 2012, packaging design department improved the folding structure of the packaging materials, this method received relevant patents.

Achievement :

The volume of the packaging for 15 inches notebook was 39% smaller than the old one.

RETIRING

Galvanized support for recycling programs and ensures that charitable organizations benefit from these initiatives.

Achievement :

Eliminates harmful substances from the production process and uses recyclable packaging materials.

Meet the industry's highest environmental certifications

In 2020 alone, ASUS earned 69,965 green certification from some of the most prestigious international organizations around the world.

69,965

UPGRADE TO PREMIUM SERVICE

ASUS Premium Care

Upgrade your standard warranty with ASUS Premium Care and keep your ASUS products in tip-top condition with an extra year of protection! ASUS Premium Care has several levels of cover to suit your needs, so you can create a tailor-made package to fully protect your ASUS products. ASUS Premium Care includes a wide range of benefits, including:

What to Purchase

- Extended warranty period
- Accidental Damage Protection (ADP)
- Defective HDD Retention (DHR)

How to Purchase

- Open the Windows Start Menu and click the MyASUS icon. Once opened select My Product Warranty.
- Go to <https://serviceshop.asus.com> (Service is not available in all markets. Please check with your local supplier for exact offers)
- Contact your local service center for more details

When to Purchase

- ASUS Premium Care must be purchased and activated within 180 days of your ASUS product purchase date.

MAXIMUM SUPPORT, MINIMAL EFFORT

The ASUS Business Service Package offers an enhanced range of solutions that go beyond the standard warranty to meet the needs of business-critical IT environments. The extended offerings protect your business — not just the hardware, but also customized service solutions that best meet your needs.

Benefits:

- Minimize downtime by leveraging ASUS scale and skills.
- Improve efficiency via door-to-door service with highly trained experts.
- Manage all your assets with a tailor-made service package including all your support needs.

Ready for business, ready for all you need

Comprehensive 24x7 Support
24x7 priority access to hardware and software experts.

3-Year International Warranty
100% free of charge, with no hidden costs. Covers over 83 countries.
* Laptops only

Pick Up & Return Service
Enjoy a door-to-door service including pick up, repair and return of supported hardware.

Onsite Service
Our IT technicians can come to your premises, so there's no need to leave your business.

MyASUS App
This exclusive app lets you get in touch with customer service, know your device's repair status, access product instruction manuals, etc.

Warranty Extension (ASUS Premium Care)
This allows customers to extend service coverage of products to match the expected length of time they will be used.

Next Business Day Onsite Response
This provides a faster response time for customers who want to minimize business risk on units experiencing technical problems.

Accidental Damage Protection
This helps avoid repair or replacement costs due to mishaps that occur during normal operation of devices.

Defective HDD Retention
DHR allows customers to retain their malfunctioning hard drive while their defective drive is replaced.

* Must be purchased and activated within 90 days of your ASUS product purchase date.

* Service and warranty coverage may vary depending on country and territory and may change without notice. Please check with your supplier for exact offers. * Service may not be available in all markets.

4 Steps for ASUS Pick-up & Return Service

1 CALL 
Call _____ to request for the Pick Up & Return Service.

2 CSR 
A Customer Service Representative (CSR) will provide you with a Service Request number.

3 RECEIVE 
You will receive a confirmation email, please print out the Delivery Docket form attached in the email.

4 PICKUP 
Paste the deliver docket form on the box and wait for the courier to collect the device from you.

4 Steps for ASUS Onsite Service

1 CALL 
Call _____ to request for the Pick Up & Return Service.

2 CSR 
A Customer Service Representative (CSR) will provide you with a Service Request number.

3 RECEIVE 
A CSR will give you a confirmation call to arrange for the next available service timeslot

4 WAIT 
Wait for an onsite technician to service your Desktop or AIO.

* Service and warranty coverage may vary depending on country and territory and may change without notice. Please check with your supplier for exact offers. * Service may not be available in all markets.

SUCCESS STORIES

Power Construction Group Guizhou Engineering Co., Ltd

China | ExpertBook P5440

"I need a powerful computer, since I have to use rendering and data analysis. P5440 is a great fit for my everyday usage; I opened the CAD or MATLAB within 10 seconds only, comparing with my old laptop that took me 3 minutes."

"P5440, a lightweight commercial laptop with dust-proof, helps me accomplish various tasks in the strict environment."

"P5440 has long battery life and reliable performance for me to handle with various tasks in any circumstance, such as looking over the real-time status of the wind energy in the wilderness."

Maritime Pilot in Tangshan Port

China | ExpertBook P5440

"P5440 has anti-glare display, bringing pleasant viewing experience, when I was on a deck under strong sunlight. Besides, the touchpad is responsive to zoom in/out."

"Each journey took over 6 hours from departure to boat mooring and I much appreciated that P5440 long battery life help me to complete each mission."

"Thanks to P5440's fast boot time and stable connection, I was able to load real-time information, such as speed, status, route, etc., to deal with any situation during each voyage."

Kaohsiung City Police Department

Taiwan | ExpertCenter D830MT and D630MT

Kaohsiung City Police Department was looking for high performance, easy maintenance and reliability in order to process "Advanced video recognition system", helping them to identify suspects and analyze criminal behavior.

Now, Kaohsiung City Police Department has equipped its centers with ExpertCenter D830MT and D630MT powered by Intel® 7th gen Core™ Processors & vPro™ Platform — not only quipped ultimate performance, but also projected the real-time status to three 4K/2K displays.

La Salle College Antipolo

Philippines | ExpertCenter D320MT

"I think this partnership with ExpertCenter is very timely because we really need to be at par with the technological stability of other schools."

"We should make sure that we are with a company that's highly reliable. We also want to make sure that the after support that is provided to our students and our teachers will be fully maximized also."

Bangpakong Hospital

Thailand | ExpertCenter S340MC

"ASUS S340MC desktop computer was our impressive assistant. Because the processing is faster, stronger, and the most impressive is the built-in WiFi that exceeds expectations and has never been found on any desktop computer from other brand before"

ASUS EXPERTBOOK

Future of Mobility

In our fast-paced world, work is no longer confined solely to the office. ExpertBook laptops are designed to focus on take-anywhere mobility, crafted with lightness, power, and toughness, while prove that business laptops can also be stylish, sophisticated and elegant, helping your business to project a truly professional outlook. Along with the robust security features, you're allowed to get things done fast, securely, and intelligently, anytime and anywhere.

UNRIVALED MOBILITY

To Keep Up with You Anytime and Anywhere

Stamina-packed power, high capacity, and seamless connectivity — all the power mobile business life needs is all contained in an incredibly light, compact and tough body. Crafted with lightweight materials, slim bezels, and rock-solid construction, ExpertBook series can always keep up with you through the busiest working day. Also, its precision-crafted chassis is finished in elegantly classic gray and black, creating a truly professional impression wherever you go.

ASUS Mobility: Light, Tough, Productive and Truly Elegant.

Ultralight and ultratough¹

Selected ExpertBook utilizes advanced materials such as lightweight magnesium alloy — an advanced material widely used in automotive and aerospace applications that's incredibly rigid and tough, with high corrosion resistance and good heat dissipation, but is 30% lighter than standard aluminum alloy.

Rock-solid construction²

The solid chassis construction for selected laptops incorporates features that provide extra structural rigidity to cope with all the rigors of everyday business life.

- 1 Reinforced I/O connectors**
I/O connectors are mounted with screws that provide extra structural rigidity to cope with everyday insertion.
- 2 Reinforced hinge connection**
The steel brackets connected with hinge are firmly mounted on the bottom case to strengthen the hinge
- 3 Steel support brace**
The keyboard is mounted on light steel plates that resist the physical pressure that may damage the hardware inside.

Larger display, more compact size

The slim-bezel NanoEdge display provides more screen in less space, for an incredibly compact footprint and lightweight portability. Business travel with a large-screen laptop has never been easier.

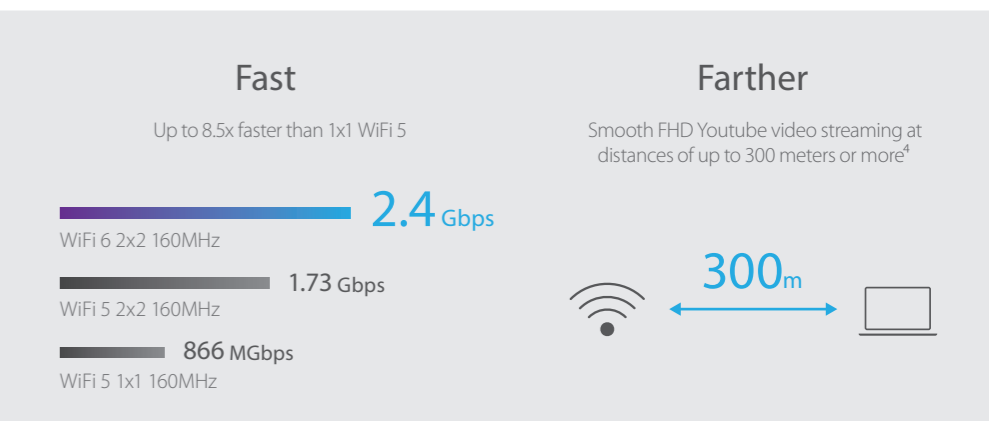

RAID technology

Many of the ExpertBook now offers RAID technology as your storage option, providing superior performance for improved security by mirroring two copies of exact data for easy recovery and twice the speed.

All-day stamina, anywhere

Not to let you down during the meetings or extended journeys, all ExpertBook offers at least 10 hours³ battery life — a full working day — on a single charge, so you can stay productive for longer when you're far away from power outlets.

Internet without bounds

With optimized placement of WiFi antenna and the dual-band WiFi 6 with the highest specification (WiFi 6 2x2 160MHz) in ExpertBook, you'll enjoy faster and more reliable WiFi connections.

1. Please check the detailed specification of each products. The image is derived from ExpertBook B9440 for reference.
 2. Please check the detailed specification of each products. The image is derived from ExpertBook P3540 for reference.
 3. Tested with MobileMark 2014. Maximum battery life varies according to configuration, settings, wireless functionality, usage, and environmental factors.
 4. Unless otherwise stated, all performance claims are based on theoretical performance. Actual figures may vary in real-world situations.

US MILITARY GRADE RELIABILITY

Heavy duty robustness even during travel

All ASUS ExpertBook is extraordinarily tough enough to be tested with industry-leading military-grade MIL-STD-810H durability standards for reliability and durability, undergoing a punishing test regime that includes extended tests for operation in harsh environments like extreme altitudes, temperatures and humidity to potential accidents like drops, knocks, and spills. It has also passed ASUS internal laptop tests that far exceed the standards set by the industry.

Drop Test

120cm drop while powered on to mimic desk accident

Shock Test

Withstand 18 harsh shocks at the speed of 40G/11ms with power on

Vibration Test

Withstand 10-500Hz physical vibrations for 60 min

Hinge Test

Subjects the laptop to up to 50,000 open-and-closed cycles

High Temperature Test

Endure 32°C~49°C for 3 x 24 hr. cycles with power on

Low Temperature Test

Endure -37°C~ -46°C for 3 x 24 hr. cycles with power on

Altitude Test

Handle extreme 15,000-ft heights, with power on

Humidity Test

Tolerate 95% relative humidity at temperatures of 30°C and 60°C

Spill-resistant keyboard Test

Cope with liquid spills of up to 66cc without harm

Keyboard Durability Test

Designed for up to 10 million keystroke lifespan

Port Durability Test

5,000 insertion-and-removal cycles to ensure the physical durability of I/O ports

Panel Pressure Test

Endure 30kg force on lid and bottom without LCD panel damage

* The testing data includes the requirements of both military-grade standards and ASUS quality tests.

BUSINESS-FOCUSED DESIGN

The best user experience

Business PCs are often used for long periods, day after day, so their design needs to pay more attention to the details. We understand the needs of businesses, and we design our products around needs of users. We offer slimmer, lighter, yet tougher notebooks with comfortable keyboards and easy-to-service chassis to upgrade easily.

180° lay-flat hinge

- Versatile use scenario
- Flexible viewing angle

The robust lay-flat hinge has a full 180° of movement for maximum versatility and comfortable viewing angles in any environment, such as operation in industrial locations, or for easy screen sharing in meetings.

Enhanced keyboard

- Repels accidental spills
- Working in dark environments
- Responsive and comfortable typing

For a comfortable feel, the sculpted keycaps have a long travel distance for responsiveness and full size key pitch. The keyboard is backlit and spill-resistant, able to be used in dark environment with lightening keys and work as usual after accidental spills.

ErgoLift hinge

- Enhanced typing position
- Optimized cooling system
- Improve audio performance

The unique ErgoLift hinge automatically tilts the keyboard when the notebook is opened. The space created under the chassis also enhances cooling and sound quality.

Anti-glare display

- Clear viewing outdoors
- Reduced eye strain after hours of use

All ExpertBook comes with anti-glare display that has a special matte coating that ensures fewer unwanted reflections and improved color and sharpness, helping reduce long-term eye strain and provide clearer viewing in bright offices or outdoors.

NumberPad

- LED-illuminated numeric keypad
- One tap to switch on/off

ASUS NumberPad is an LED-illuminated numeric keypad that's perfect for crunching numbers. Tap the NumberPad icon on the top right of the touchpad to turn it on, and tap the icon on the left to toggle between two brightness settings. Clever software lets you control the cursor, even when the NumberPad is activated.

SECURE AND SAFE SOLUTIONS

Innovative security for the evolving workforce

As professionals, we know your data is important. That's why we provide secure and safe solutions for ExpertBook, giving you seamless protection of your data assets, passwords and files wherever you're working — whether it's an office, an exhibition, a retail store, an airport, or a café.

IR Camera

Log-in faster with the with facial recognition or use it as a secure 2nd identity check-point.

Trusted Platform Module (TPM) version 2.0

This hardware-based security module helps repel attacks by hackers looking to capture passwords and encryption keys to sensitive data. The TPM chip allows laptops to run applications more securely, and enables more trustworthy transactions and communications.

ASUS Private View

Keeping the confidential information safe from prying eyes by blocking the views from eyesight outside of 45 degree with a built-in privacy screen.

Finger Print Sensor

Fingerprint scanning takes data-access authorization and protection to a higher level. A radio-frequency (RF) electronic scanner reads fingerprint patterns, using sensors that are less affected by skin surface conditions — such as dry, dirty, or oily skin — which may impair the ability of other sensor technologies to accurately detect fingerprints.

Webcam privacy shield

For extra peace of mind when working in sensitive environments, the webcam has an integrated privacy shield that simply slides over the lens to stop it being used.

Premium Series

ASUS ExpertBook B9 (B9400CBA)

The world's lightest 14" business laptop¹

Ultrathin and light

Enterprise-grade security

Up to 12th Gen Intel® Core™ vPro® i7 processor

Military-grade toughness

ASUS ExpertBook B9 is crafted for premium perfection, empowering business executives to take charge of the business world in style. Its sleek, minimalist and precision-machined chassis pushes the limits of lightness for ultimate portability, with a magnesium alloy design that delivers luxury and toughness without equal. It's built for serious travel with an amazing all-day battery life, and is engineered with many cutting-edge technologies to improve your on-the-go work efficiency and provide enterprise-grade security to keep your confidential data safe. Extremely portable, powerful and tough, ExpertBook B9 is your ideal partner in the corporate world — and the new benchmark for elite business laptops.

Lighter, stronger and more portable

Encased in a premium and durable magnesium alloy chassis, ExpertBook B9 is an upliftingly featherlight 880 g². Superslim bezels enable a 14-inch display to fit the 13-inch-class chassis, making ExpertBook B9 extremely compact. Slip it into briefcase or bag, and you're ready for productivity in or out of the office.

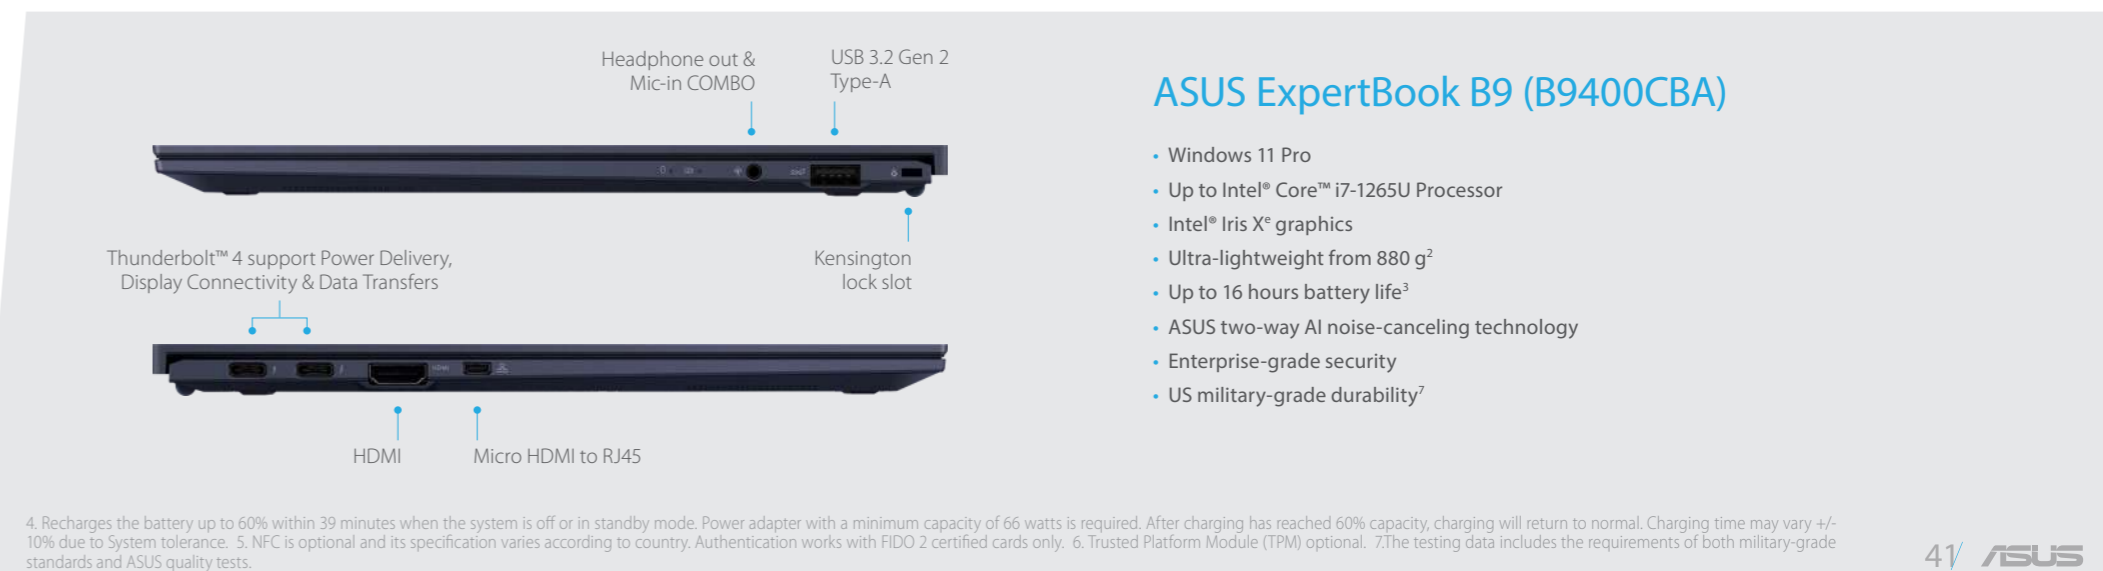

Lasts longer, charges faster

ExpertBook B9 will never let you down throughout the business day or a long-haul flight. It provides up to 16 hours battery life³ on a single charge. On top of that, fast-charge technology lets you accelerate battery capacity up to 60% in as little as 44 minutes⁴, so you're up and running in no time.

Enterprise-grade security

Engineered with robust features that include NFC⁵ login, face login, TPM 2.0⁶ security, a Kensington lock slot, physical webcam shield and a fingerprint sensor, ExpertBook B9 delivers security that's fit for business — offering serious safety and protection for your premium device and priceless data. You can store your confidential files in ExpertBook B9 without worry.

ASUS ExpertBook B9 (B9400CBA)

- Windows 11 Pro
- Up to Intel® Core™ i7-1265U Processor
- Intel® Iris X^e graphics
- Ultra-lightweight from 880 g²
- Up to 16 hours battery life³
- ASUS two-way AI noise-canceling technology
- Enterprise-grade security
- US military-grade durability⁷

4. Recharges the battery up to 60% within 39 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 66 watts is required. After charging has reached 60% capacity, charging will return to normal. Charging time may vary +/- 10% due to System tolerance. 5. NFC is optional and its specification varies according to country. Authentication works with FIDO 2 certified cards only. 6. Trusted Platform Module (TPM) optional. 7. The testing data includes the requirements of both military-grade standards and ASUS quality tests.

1. As of Jan. 7th, 2022. Based on internal ASUS market analysis comparing the size and weight of ExpertBook B9 to competitor products from vendors including LG, HP, Dell, and Lenovo. Actual weight may vary by specifications. 2. Weight may vary according to configuration. 3. Battery tests conducted by ASUS in March, 2022 using the MobileMark® 2018 Office Productivity scenario. Battery life test configuration: Intel® Core™ i5-1235U, 8 GB RAM, FHD display, 1 TB PCIe® 4.0 x4 SSD, 66 Whr. Test settings: WiFi enabled, BT off, the display brightness set to 200 cd/m2, NumberPad off, backlit keyboard off. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.

Premium Series

ASUS ExpertBook B7 Flip (B7402)

Work unbounded, with 5G connectivity

-  5G Connectivity
-  Steppless Hinge
-  16:10 panel
-  ASUS Private View

ASUS ExpertBook B7 Flip is an enterprise-level, 5G-enabled premium laptop that's designed to accelerate your business¹. Working on the go is easier than ever with a lightning-fast data connection and your own personal secure network. The 360°-flippable design removes any limitations on how you work, and you can enjoy an immersive work environment for all your business needs thanks to its user-status indicator light, ASUS Private View², personalized hotkeys with ASUS ExpertWidget³, and enterprise-grade security. The versatile and manageable ExpertBook B7 Flip is ready to power your business to the next level.

1. 5G is an optional feature on selected models. 5G speeds vary, contact your network operator for information on availability.
 2. ASUS Private View is available only on FHD displays. See website for more details
 3. Designated software required to have full functionality on ASUS ExpertWidget.

Faster speeds, safer connections

ExpertBook B7 Flip supports 5G cellular data networks¹, giving you faster speeds and safer connections anywhere you work. The increased bandwidth also means data-intensive activities — such as conference calls — can enjoy higher quality with fewer interruptions. By connecting to the 5G network, there's less need to use public WiFi networks, thus increasing on-the-go security.

Your work, your style

Give yourself more freedom with ExpertBook B7 Flip's 360-degree hinge and optional ASUS Pen⁴. Whether you prefer to write or type, in tablet or laptop mode, ExpertBook B7 Flip lets you work how you like, whenever you like. The handy tent, stand and tablet modes allow instant collaboration, easy content-sharing or effective presentations.

Bigger 16:10 screen for less scrolling

The 16:10 aspect ratio provides larger visual workspace compared to a standard 16:9 display, making it easier to read articles, view websites, or work on spreadsheets. The anti-glare touchscreen is covered with tough Corning® glass, and ExpertBook B7 Flip also features ASUS Private View² screen privacy, so your eyes and your sensitive information are all protected.

ASUS ExpertBook B7 Flip (B7402FBA)

- Windows 11 Pro
- Up to Intel® Core™ i7-1270P processor
- Up to 2 TB M.2 NVMe™ PCIe® 4.0 Performance SSD
- Up to 64 GB dual DDR5 4800MHz memory
- Up to 14" QHD+ touch display
- vPro platform optional
- MPP2.0 stylus (optional)
- Starting from 1.47 kg⁵
- Up to 11 hours battery life⁶
- ASUS two-way AI noise-canceling technology
- US military-grade durability

4. MPP2.0 ASUS Pen sold separately
 5. Weight may vary according to configuration.
 6. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.

Premium Series

ASUS ExpertBook B6 Flip (B6602F)

Work strong, stay flexible

- 12th Gen Intel® Core™ HX processor
- NVIDIA® Quadro RTX A2000 graphics
- Advanced thermals
- ISV certified

ExpertBook B6 Flip maxes out computing power with the latest up to 12th Gen Intel Core i9 HX processor², NVIDIA® Quadro RTX™ A2000 professional graphics, support for up to 128 GB of dual-channel DDR5-4800 MHz memory, and up to 4 TB of ultra-fast M.2 storage — delivering the ultimate performance for 3D design, machine learning and more. It's also incredibly versatile, with a flippable 4K UHD 15.6-inch display with up to 500-nits brightness, enable the flexibility to work anywhere, and in any way. All this empowers designers, creators, engineers and other pros to amplify their productivity in the era of hybrid work.

Elevate your craft with NVIDIA® graphics

ExpertBook B6 Flip is engineered with professional-grade NVIDIA® RTX™ A2000 graphics equipped with the NVIDIA Ampere™ architecture to help you elevate your craft — whether it's creating short online videos or full-length features, generating animations or 3D models. Ampere features new ray-tracing and Tensor cores with support for sparsity, DLSS 2.0 AI super-resolution technology, and streaming multiprocessors that deliver massively improved performance.

It's cool to be quiet

Keeping a powerhouse like ExpertBook B6 Flip cool is vital for top performance. We've optimized the cooling system to dissipate 135 watts of total TDP¹ in Performance mode. Also, with NVIDIA Max-Q Dynamic Boost's support, power users can push performance even further. With the 3D-curved dual 98-blade fans that increase airflow by 17%², the three heat pipes and seven intelligent sensors, we ensure optimum cooling performance while keeping everything quiet.

ISV certified

For creatives, software is key. That's why ASUS tests and invests in comprehensive certification processes with independent software vendors (ISVs) — ensuring ExpertBook B6 Flip works as expected with professional applications from the world's leading software companies.

ASUS ExpertBook B6 Flip (B6602F)

- Windows 11 Pro
- Up to Intel® Core™ i9-12950HX vPro® processor
- Up to 128 GB dual DDR5 4800MHz memory
- Up to 4TB Dual M.2 NVMe PCIe® Gen 4 (Support OPAL)
- 16:10 QHD with IPS (2560*1600) display
- WiFi 6E
- AI noise-canceling technology
- Quad 360° far-field microphones
- Energet star 7.0, EPEAT Gold, RoHS certification

1. Thermal performance will vary depending on application workload and the specific hardware and software configurations.
2. TPM 2.0 is an optional feature.

ASUS ExpertBook B5 (B5602C)

Portable power for business on the go

-  Up to Core™ i7 12th Gen Intel® CPU
-  Intel A350M discrete graphics¹
-  Lightweight and lasting
-  16:10 OLED display²

ASUS ExpertBook B5 is built for business success in style, with a precision-crafted lightweight chassis and a stunning OLED² display. It's set for serious travel with amazing all-day battery life and is engineered with many cutting-edge technologies to improve your on-the-go work efficiency. These include a 12th Gen Intel® Core™ processor with Intel® Arc™ A350M discrete graphics¹, AI noise cancellation, and dual-SSD RAID support. It's also packed with features to protect your privacy and business data, including Intel® vPro platform support, a built-in fingerprint sensor, and TPM 2.0 chip². Peppared with thoughtful and professional design choices, ExpertBook B5 is your perfect portable, powerful partner for the corporate world.

Get the job done, effortlessly

To make light work of all your business tasks, ExpertBook B5 is powered by an up to 12th Gen Intel® Core™ i7 vPro® processor with the option of the Intel® Arc™ A350M discrete graphics. It also features two SSDs to provide huge up to 2 TB capacity and supports the RAID technology for improved data reliability or faster operation. In addition, with its dual-fan design, the ExpertBook B5 delivers quiet, cool and powerful computing and graphical performance with enterprise-grade manageability.

Lasts longer, charges faster

ExpertBook B5 is designed to be your best portable partner. Crafted with magnesium-aluminum alloy and pure aluminum, this 16-inch³ laptop weighs only 1.4 kg³ while providing long hours of battery life on a single charge. With ExpertBook B5 Flip OLED's long battery life and fast-charging design, you'll be ready for productivity in or out of the office.

Bigger workspace, greater efficiency

ExpertBook B5 offers a glorious 16-inch OLED display² and a 16:10 aspect ratio that provides a larger visual workspace compared to a standard 16:9 display. This makes it easier to read articles, view websites, work on spreadsheets — or anything else that needs just that little extra room.

ASUS ExpertBook B5 (B5602C)

- Windows 11 Pro
- Up to Intel® Core™ i7-1270P vPro® processor
- Up to 2 TB dual SSD, support RAID technology
- Upgradable system memory up to 40 GB DDR5
- Up to 16" WQXGA OLED² display
- Intel® Arc™ A350M discrete graphics
- Dual fan cooling system
- lightweight from 1.4kg³
- ASUS two-way AI noise-canceling technology
- Fingerprint sensor and optional TPM2.0² for security credentials
- US military-grade durability

1. Intel® Arc® A350M discrete graphics only available on B6502CBN.
 2. Optional specification. Availability varies by country and region.
 3. Weight may vary according to configuration.

Peppared with thoughtful and professional design choices, ExpertBook B5 Flip is your perfect portable, powerful partner for the corporate world.

1. Weight may vary according to configuration. 2. Optional specification. 3. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery. 4. The same device will offer differing levels of available storage depending on the chosen RAID level. If RAID 0 is used, the system combines the capacity of all SSDs in order to enhance data-transfer speeds. The available storage will equal the combined physical capacity of all the SSDs on the device. However, if the device is configured with RAID 1, two copies of the data are saved simultaneously in order to protect your data if one SSD fails. As a result, the available storage capacity will be half of the combined physical storage capacity, as half the storage is used for backup copies. For example, a device with two 1 TB SSDs in a RAID 0 configuration will have 2 TB of available storage capacity, but with RAID 1 the available storage capacity will be 1 TB.

360° hinge

With a 360°-flippable hinge, ExpertBook B5 Flip can be used in a multitude of ways, including both tent and tablet modes, making it easier for instant collaboration, content-sharing and presentations.

Lasts longer, charges faster

ExpertBook B5 Flip has the endurance to power through every business day or long-haul flight. It provides up to 11 hours battery life³ on a single charge, aided by energy-efficient Panel Self-Refresh technology. With ExpertBook B5 Flip's long battery life and fast charging design, you'll be up and ready in no time, ready for a long day of productivity.

Get the job done, effortlessly

ExpertBook B5 Flip is powered by an up to 12th Gen Intel Core i7 processor with Iris® X^e graphics. It also features up to two SSDs to provide huge up to 2 TB capacity, and supports RAID technology⁴ for improved data reliability or faster operation.

ASUS ExpertBook B5 Flip (B5302F)

- Windows 11 Pro
- Up to Intel® Core™ i7-1265U processor
- Up to 1TB+1TB Gen 4 SSD with RAID technology support
- Upgradable system memory up to 40 GB
- 13.3" FHD display
- 360° flip design
- light weight from 1.2kg¹
- Up to 11 hours battery life³
- Stylus support
- ASUS two-way AI noise-canceling technology
- Fingerprint sensor and optional TPM2.0 for security credentials
- US military-grade durability

Essential Series

ASUS ExpertBook B3 Flip (B3402)

Achieve more, anytime, anywhere

- Versatile 360° hinge design
- Antibacterial Guard Treatment
- Two-way AI Noise-Canceling Technology
- 4G LTE

ASUS ExpertBook B3 Flip is built to embrace the new normal — hybrid working and learning. With a versatile, tough design, studying or working everywhere is no longer a dream. It's equipped with a 360° hinge, a world-facing camera¹, and a garaged stylus² to ensure ultimate productivity. B3 Flip is filled with many cunning protection features, including ASUS Antibacterial Guard³ and a TÜV Rheinland-certified display. It also supports up to WiFi 6E and 4G LTE⁴ for fast and portable connectivity, along with two-way AI-powered noise-cancellation technology and noise-reducing cameras for excellent remote learning and conferencing. With ExpertBook B3 Flip in your bag, all your worlds are just one twist away.

Versatility for the new normal

ExpertBook B3 Flip offers a 360° hinge that allows it to be positioned in tent mode, laptop mode, tablet mode, and stand mode. Flip it into different modes to ensure the ultimate productivity and overcome every challenge. ExpertBook B3 Flip also includes a garaged stylus² for taking notes, drawing, and marking up documents. The built-in stylus holder keeps the pen close at hand and reduces the risk of losing it. With a 15-second charge giving enough power for 45 minutes of use, you'll never be left waiting.

All-round speed and reliability

ExpertBook B3 Flip has built-in 4G LTE⁴ for safe, secure and speedy mobile connectivity wherever you go, enabling you to learn and work everywhere. It also offers up to the latest WiFi 6E technology to deliver ultrafast and stable speeds for online learning and super-smooth business meetings. Plus, with ASUS WiFi Master⁵ technology, you'll enjoy faster and more reliable WiFi connections at greater distances than ever before.

Two cameras, twice the inspiration

ExpertBook B3 Flip includes a standard webcam along with a special 13 MP world-facing high-resolution camera¹ located just above the keyboard — an ideal position that allows you to capture photos and videos in tablet and tent mode. This empowers students to explore and learn in totally new ways, and permits professionals and workers to multitask in more efficient ways.

ASUS ExpertBook B3 Flip (B3402)

- Windows 11 Pro
- Up to 12th Gen Intel® Core™ i7-1255U processor with Iris X® graphic
- Up to 2TB SSD
- Upgradable system memory up to 40 GB
- 360° flip design with optional garaged MPP 2.0 stylus²
- An user-facing camera with 13 MP world-facing camera¹
- WiFi 6E speedy connectivity and 4G LTE⁴
- ASUS Antibacterial Guard protection³
- TÜV Rheinland certified eyes protection display
- US military-grade durability⁶

4. 4G LTE is optional. MicroSD card reader + nano SIM combo is only for LTE SKU.
 5. WiFi Master test configuration: under controlled test conditions, streaming Full HD YouTube videos, and AP set with one antenna at 802.11g. Actual WiFi range and performance may be affected by environmental factors. Interference from USB 3 devices may vary according to the device. Range comparisons refer to standard laptop with all-metal chassis design.
 6. The testing data includes the requirements of both military-grade standards and ASUS quality tests.

Essential Series

ASUS ExpertBook B3 Detachable (B3000)

Learn. Perform. Transform.

- Detachable design
- Vertical mode
- Garaged stylus
- Snapdragon 7c Gen 2 Compute Platform

Designed for education, and built for business, ASUS ExpertBook B3 Detachable is the perfect 2-in-1 portable companion for uninterrupted remote learning and working. With a detachable design, extensive dual-orientation stand cover¹, and a 16:10 multitouch screen, B3 Detachable adapts so you can use it both horizontally and vertically, as a tablet or as a laptop. From taking notes with the garaged stylus² during class to entering numbers in business spreadsheets, B3 Detachable is ready for it all. And with Snapdragon® 7c Gen 2 Compute Platform, it offers a long battery life — so you can work and learn without worry, wherever you go.

* Snapdragon, and Qualcomm Adreno are products of Qualcomm Technologies, Inc. and/or its subsidiaries. 1. ASUS ExpertStand is optional. 2. The garaged stylus is optional. 3. ASUS ExpertBoard is optional. 4. Full ASUS ExpertWidget functionality requires designated software to be installed. 5. The antibacterial treatment is tested by an independent third-party laboratory according to the ISO 22196 standard (measurement of antibacterial activity on plastics and other non-porous surfaces), using bacterial cultures that include Escherichia coli and Staphylococcus aureus, with an antibacterial activity (R) result of R > 2. R = 2 indicates a 99% reduction in bacterial activity compared to an untreated surface.

Instant elevated efficiency

Constructed for ultimate productivity, ExpertBook B3 Detachable has an optional garaged stylus² and detachable keyboard³, allowing users the choices of writing and typing. With a sturdy magnetic design, the optional ExpertBoard³ connects or disconnects in an instant. When you need ExpertBook B3 Detachable to perform as a laptop, just bring ExpertBoard³ toward the screen and it'll attach automatically — perfect for remote learning or working. Furthermore, the ExpertBoard³ is built with smart designs such as ErgoLift, Antibacterial Guard, and ExpertWidget⁴ to provide elevated experiences.

Versatile viewing modes for better experience

ExpertBook B3 Detachable comes with the option of ExpertStand¹, a robust, easy-connect cover — so it's ready for anything you need to do. Detachable, magnetic and stain-repellent, the ExpertStand¹ cover doubles as a dual-orientation prop, allowing users to watch videos or use as a laptop with the horizontal mode, and view or present longer files with the vertical mode.

Fast to charge, quick to work

With a garaged stylus² included, ExpertBook B3 Detachable helps you get every detail just right when drawing, taking notes or marking documents. The built-in holder keeps the pen close at hand and minimizes the chance of it being misplaced. And, with a 15-second charge providing enough power for 45 minutes of use, you'll never be left waiting.

ASUS ExpertBook B3 Detachable (B3000)

- Windows 11 Pro
- Powered by Snapdragon® 7c Gen 2 Compute Platform*
- Qualcomm® Adreno™ GPU 618 graphics*
- Detachable ExpertBoard keyboard³
- Dual-orientation ExpertStand cover¹
- Fast-charging garaged stylus²
- AI noise-canceling technology
- ASUS Antibacterial Guard protection^{5,6}
- TÜV Rheinland certified eyes protection display
- US military-grade durability⁷

6. The antibacterial treatment is registered by the U.S. EPA and authorized under EU BPR. 7. The testing data includes the requirements of both military-grade standards and ASUS quality tests.

Essential Series

ASUS ExpertBook B2 (B2402C/B2502C)

Your strong, flexible partner

- Up to Core™ i7 12th Gen Intel CPU
- 5G connectivity
- Comprehensive I/O ports
- Backlit with SensePoint

ASUS ExpertBook B2 is your powerful partner for everyday office tasks and on-the-go business use — and with flexible configuration options to meet any need. It packs the latest 12th Generation up to Intel® i7 CPU, ultrafast 5G connectivity and a full complement of I/O ports. It's also incredibly configurable, with a backlit keyboard, integrated SensePoint control, dual-storage with one HDD optional and one SSD design for high capacity and rapid data access, and an IR camera for fast face login. ExpertBook B2 even has the option of a smart card reader for two-factor authentication, enabling enterprise-grade security that's fit for even the most sensitive settings.

Ergonomic keyboard and SensePoint pointing nub

Designed with comfort in mind, ExpertBook B2 features a backlit keyboard for a more responsive typing experience in dark environments, from dimly-lit offices to aircraft cabins. And the SensePoint pointing nub located in the middle of the keyboard lets you easily control the onscreen cursor.

Two-way AI noise-canceling audio technology for business

To level up professional conferencing, ExpertBook B2 has two-way AI noise-canceling technology that employs sophisticated machine-learning techniques. The technology includes both an upstream function to filter noise around the speaker, and a downstream function to eliminate noise from the person at the other end of the conversation.

Enterprise-grade security and privacy protection

ExpertBook B2 is packed with technology to provide strong data security and privacy protection. This includes a physical webcam shield for instant privacy, and an integrated IR camera for fast, secure face login. It also includes a fingerprint sensor for one-touch security, and a built-in smart card reader for easy two-factor authentication.

ASUS ExpertBook B2 (B2402C/ B2502C)

- Windows 11 Pro for business
- Up to Intel® Core™ i7-1270P processor 2.2 GHz
- Dual storage up to 2TB SSD and 2TB HDD
- Dual SO-DIMM upgradeable up to 64 GB
- Optional 5G support
- Optional Physical HD Camera & HD+IR Camera
- Optional Backlit Keyboard with SensePoint & non-backlit keyboard without SensePoint
- ASUS two-way AI noise-canceling technology
- Fingerprint sensor and optional TPM2.0 for security credentials
- US military-grade durability

Essential Series

ASUS ExpertBook B2 Flip (B2402F/B2502F)

Your strong, flexible partner

- Up to Core™ i7 12th Gen Intel CPU
- 5G connectivity
- Comprehensive I/O ports
- Backlit with SensePoint

ASUS ExpertBook B2 Flip is your powerful partner for everyday office tasks and on-the-go business use — and with a 360°-flippable design for the ultimate versatility. It packs the latest 12th Generation up to Intel® i7 CPU, ultrafast 5G connectivity and a full complement of I/O ports. It's also incredibly configurable, with a backlit keyboard, integrated SensePoint control, dual SO-DIMM memory for rapid data loading. ExpertBook B2 Flip even has the option of a smart card reader for two-factor authentication, enabling enterprise-grade security that's fit for even the most sensitive settings.

Rotate your vision

The 360°-flippable display is an outstanding feature of ExpertBook B2 Flip. This durable, rotatable Full HD touchscreen is perfect for tablet-style use or traditional laptop tasks — or any angle in between. And the TÜV certification for low blue-light emissions provides an assurance your eyes will be protected and comfortable for longer.

Ergonomic keyboard and convenient SensePoint pointing nub

Designed with comfort in mind, ExpertBook B2 Flip features a backlit keyboard for a more responsive typing experience in dark environments, from dimly-lit offices to aircraft cabins. And the SensePoint pointing nub located in the middle of the keyboard lets you easily control the onscreen cursor.

Two-way AI noise-canceling audio technology for business

To level up professional conferencing, ExpertBook B2 Flip has two-way AI noise-canceling technology that employs sophisticated machine-learning techniques. The technology includes both an upstream function to filter noise around the speaker, and a downstream function to eliminate noise from the person at the other end of the conversation.

Crystal-clear conferencing audio

With the increase of remote work and video conferences, we implemented the ASUS AI noise-canceling technology to ensure the best experience. Innovative ASUS AI noise-canceling technology enables superior calls. The AI Noise-Canceling Speaker feature filters out all ambient noise apart from human speech — so you'll hear what everyone else is saying.

Strong data security and privacy

ExpertBook B1 has a fingerprint sensor³ integrated into the power button and an IR camera, so all you need to do to log in is tap button or look at your laptop. Goodbye passwords. Hello, Windows Hello. With the biometric security in Windows Hello your fingerprint replaces the use of a password or PIN to log in, unlock apps, or make in-app purchases.

ASUS ExpertBook B1 (B1400C/ B1500C)

- Up to Intel® Core i7-1255U Processor
- Up to Intel Iris X® Graphics
- Upgradable system memory up to 48 GB
- Storage: Up to 1TB SSD + Up to 2TB HDD
- ASUS AI noise-canceling technology stops unwanted sounds
- 1 x Thunderbolt™ 4.0 (support Power Delivery/Display Port), 2 x USB3.2 Gen2 Type A, 1 x USB 2.0, 1 x HDMI, 1 x RJ45, 1 x Micro SD Card reader, 1 x Kensington Lock, 1 x D-SUB
- Military-grade construction with aluminum-alloy lid
- On touch fingerprint login and optional TPM2.0 for security credentials

Essential Series

ASUS P1412 / P1512

Easy portability. Effortless productivity.

NanoEdge display

Up to Core™ i7
11th Gen Intel® CPU

Dual Storage

Fingerprint Sensor

Whether for work or play, ASUS P1412 / P1512 is the entry-level laptop that delivers powerful performance and immersive visuals. Its NanoEdge display boasts wide 178° viewing angles and a matte anti-glare coating for a truly engaging experience. Inside, it's powered by up to an Intel® Core™ i7 processor with 16 GB of 3200 MHz memory. A dual-storage design with up to a 1 TB PCIe® SSD and a 1 TB HDD gives you the perfect combination of large storage capacity and high-speed file access — so you'll never be left wanting or waiting.

Get a wider view of the world

The NanoEdge display gives ASUS P1412 / P1512 a vast screen area for an immersive viewing experience for work and play. Its wide-view FHD panel features an anti-glare coating to reduce unwanted distractions from irritating glare and reflections, so you can truly focus on what's in front of you.

6.5mm
thin bezel

82%
Screen-to-body ratio

Reinforced chassis for your durability

ASUS P1412 / P1512 feature the metal brace underneath the keyboard that provides a stable platform for a much more comfortable typing and touchpad experience. Besides the structural rigidity, perpendicular braces along the edge of the chassis work like side impact protection beams in automobiles to protect the hinge joint and internal components. The sides of the lid are reinforced and work like side-impact protection beams in automobiles.

EAR HDD Protection

The HDD features E A R™ HDD shock dampening protection is designed to protect your data from physical impact. Laptop HDDs are generally more susceptible to physical damage compared to SSDs. This active hard-drive protection feature automatically detects shock and vibration across all three axes to effectively reduce the chances of HDD damage, so you can work without worry, even in a moving vehicle.

ASUS P1412 / P1512

- Windows 11 Pro
- Up to Intel® Core™ i7-1195G7 processor

- Up to 1TB SATA 5400RPM 2.5" HDD, 1TB M.2 NVMe PCIe® 3.0 SSD
- WiFi 6
- 178° wide viewing angle
- Link to MyASUS and seamlessly integrate your PC and phone
- Fingerprint sensor and Firmware TPM for security credentials

ASUS EXPERTCENTER

High performance.
Delivered.

ASUS ExpertCenter is designed as powerhouses to allow business to do more, and more. To achieve this goal, we choose world-leading components, employ sophisticated chassis design, and employ rock-solid construction, while offering comprehensive options with a wide range of specification and form factor. Recognizing that security and management are vital for your business, we are constantly striving to provide thoughtful solutions, to create products that can minimize your business TCO.

WORLD NO. 1 ASUS MOTHERBOARD

Exceptional endurance, dependable quality

ASUS ExpertCenter uses World No.1 ASUS motherboards, which are renowned for offering comprehensive system protection, 24/7 stability and reliability, and consistent performance. ASUS motherboards use only the finest high-cost components, including 100% solid capacitors, to give our users 100% reassurance for long-term usage. We have shipped over 550 million motherboard with up to 45% global market share. Placed end to end, motherboard would form a chain long enough to circle the globe more than 4 times!

Compatibility with a wide range of components

- The superior compatibility of ASUS motherboards is evidenced by our public QVL, which lists thousands of compatible component.

Lowered TCO with exceptional stability and durability

ExpertCenter desktops are engineered with 100% solid capacitors for better performance and longevity, with a lifespan that's up to 2x greater than traditional capacitors with the CPU under full load and 6x longer during everyday use. This maximizes your investment and minimizes the need for maintenance — all contributing to a lower total cost of ownership (TCO).

SOPHISTICATED CHASSIS DESIGN

Thoughtful design in every detail

If you open the chassis, you'll be surprised by the sophisticated internal chassis design, which is the reason why ExpertCenter can provide comprehensive performance for business users. We use a hinged steel case inside that rotates outward for easy access. It gives solid structural rigidity, additional space for hardware, and servicing flexibility. We also constantly research ways to optimize the cooling system to increase the system stability.

Rock-solid construction

ExpertCenter incorporates a rigid steel frame built to resist physical impact or environmental stresses¹. The cases are not only solidly constructed and assembled, but crucial components are also firmly mounted, creating a tough high-quality structure that can endure the strains of everyday operation and give years of reliable use.

Power to do more

A clever internal layout gives maximum space for expansion in a compact form factor. The internal steel case allows ExpertCenter accommodate more hardware, graphics, and a full array of I/O ports when your business grows¹. When the case is fully opened, there's plenty of space to for easy repair and maintenance. The design gives effortless flexibility for whatever your future needs.

Rotatable Case
When the rotatable case fully opened, you'll have plenty of space to repair/ maintenance easily

HDD Tool-less Tray
Allows HDD be easily pulled out with no tools required

Tool-free ODD
Press the tab on ODD to remove the drive with a push

Tool-free chassis design

As well as full expandability, the chassis features a tool-free design that is designed to simplify upgrades and on-site servicing. The chassis needs no tools and can be opened in just four simple steps. The HDD tray can also be easily pulled out with just fingers. IT staff can save time on repairs and maintenance, reducing downtime and enhancing their productivity.

Multichannel cooling design

To deliver consistent performance with minimum noise, we optimized the thermal design by creating dedicated isolated air chambers². The chambers allow independent heat-venting channels for the PC's main heat generators — CPU, GPU, and power supply — for efficient heat dissipation, and prevent heat pooling inside. This great design helps decrease the overall internal temperature by up to 33%.

1. Please check the detailed specification of each products. The image is derived from ExpertCenter D641MD for reference.

2. The isolated air chamber is derived from the setting of the fan duct on the CPU. Heat dissipation efficiency tested on ExpertCenter D641MD.

US MILITARY GRADE RELIABILITY

Engineered to last

Reliability is designed into every detail of each ExpertCenter. They are toughly constructed and are tested to the most demanding US military-grade standards of durability. The inevitable minor knocks and scrapes won't jeopardize your precious data. ExpertCenter is designed to last, protecting your investment.

Vibration Test

Withstand 10-500Hz physical vibrations for 60 min

Shock Test

Withstand 18 harsh shocks at the speed of 40G/11ms with power on

Humidity Test

Tolerate 95% relative humidity at temperatures of 30°C and 60°C

High Temperature Test

Endure 32°C~49°C for 3 x 24 hr. cycles with power on

Low Temperature Test

Endure -37°C~ -46°C for 3 x 24 hr. cycles with power on

Power Supply Test

Ensure power supply design with stable +/- 10% VDC output

Thermal Shock Test

Endure a sharp change of temperature from -10°C to 50°C at the rate of 20°C/min with power on

Package Drop Test

Withstands 10 multi-angle drops from a height of 76 cm.

Cold Storage Test

Endure -20 for 48hr in an enclosure

Damp Heat Storage Test

Survive 95% humidity, 60°C for 72 hours in package

Package Vibration Test

Withstand 5-200Hz physical vibration for 30min in an enclosure

Acoustic Test

Ensure the noise under 28dB when idle mode, 35dB under full load

* The testing data includes the requirements of both military-grade standards and ASUS quality tests.

ENTERPRISE-LEVEL MANAGEMENT

Simplify your business processes

Management is made easier with ExpertCenter. ASUS desktop management solutions help you streamline routine desktop update tasks, and allow Management Information System (MIS) staff to remotely control and manage company assets, making sure all computers perform at peak efficiency. Save your organization time and money by choosing ExpertCenter.

Management for Multiple Desktops

ASUS Control Center

ASUS Control Center is a whole new centralized IT management software. The software is capable of monitoring and controlling ASUS servers, workstations, and commercial products including notebooks, desktops, All-in-One (AiO) PCs, thin client, and digital signage.

Intel® vPro™ Technology

Optimized with Intel® Core® vPro™ processor family, ExpertCenter supports Intel® vPro™ technology and Intel® Stable Image Platform Program (SIPP) for remote manageability and reduced total cost of ownership. Intel® vPro™ technology provides a framework that allows IT to be more proactive by having more PCs managed per technician.

Management for Individual Desktops

ASUS Business Manager

ASUS Business Manager is a set of program utilities for performing maintenance and optimization tasks to PCs. This software package features a one-page interface to access system monitoring tools, BIOS updates, USB Blocker data movement controls, and energy-saving controllers.

ASUS BIOS

ASUS BIOS is media-acclaimed since the interface is incredibly intuitive with comprehensive icons and charts, while setting BIOS becomes effortless and quick with exclusive mouse control. For security, ASUS BIOS also features safe BIOS updates and HDD password controls.

SECURE AND SAFE SOLUTIONS

Safeguard intellectual property

ExpertCenter understands that IT security must evolve in order to effectively serve as your first line of defence against disruptions to business innovation and growth. Our desktop solutions are built with sophisticated security features to keep your business, and your future, safe and secure.

Chassis Intrusion Alert

Optional chassis intrusion alert brings up special security alerts when the case has been opened, further ensuring the safety of components and data.

Trusted Platform Module (TPM)

Optional onboard TPM offers a protected and encapsulated micro-controller security chip for safeguarding internal data structures against real world threats. This ensures that information like keys, passwords, and digital certificates remains safe from external attacks, physical theft, and other types of intrusion.

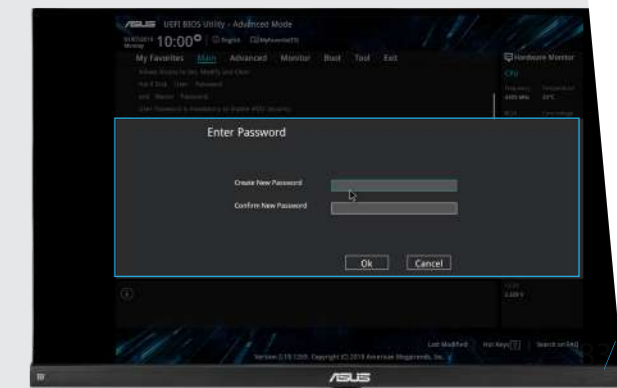

Kensington Lock Slot and Padlock Slot

ASUS business desktop PCs come with a Kensington lock and padlock slot for additional asset management and security, keeping your hardware and confidential data inside well protected.

UEFI BIOS

UEFI BIOS is a graphical, mouse controlled interface that lets you easily change system settings and enable advanced features like HDD password protection, as well as USB 3.1 port and card reader activation.

ASUS EXPERTCENTER FAMILY

Companies have different needs, face different challenges as they grow. ExpertCenter creates a suite of desktop solutions that offers multiple chassis types and different level of series to cater to every business need.

Premium D900 Series

Specially designed for enterprise and organization

ASUS CHROMEBOOK

Simple, Fast, and Effective

Simple, yet effective — that's what the ASUS Chromebook Series is all about. ASUS Chromebook laptops provide full connectivity to give you quick and easy access to everything you have stored in the cloud. It's easy to manage and update, and helps keep costs down. And with Chrome OS, it's a convenient gateway to the immense variety of apps on the Google Play Store for work or school.

Premium Series

ASUS Chromebook CX9 (CX9400)

Ultralight and tough for cloud-first business

-  Lightweight
-  US military-grade durability
-  14 hours battery life
-  NanoEdge display

ASUS Chromebook CX9 is built for today's fast-paced, constantly evolving business world — a world where many employees work remotely using cloud-first operating systems and collaborative tools such as Chrome OS. With an ultralight 1.05 kg aluminum-alloy chassis and US MIL-STD 810H military-grade toughness, ASUS Chromebook CX9 delivers reliable take-anywhere mobility with the nimble performance of up to an 11th gen Intel® Core™ i7 processor. It also features ultrafast WiFi 6, a Harman Kardon-certified dual speaker audio system, a fingerprint sensor for password-free login, and up to a 4K UHD touchscreen display — all to empower employees with the tools needed to get the job done efficiently and effectively, from anywhere.

Designed for modern business

ASUS Chromebook CX9 offers a sophisticated design and posh portability for expanding the possibilities of remote work. Made of aluminum alloy using the high-precision CNC manufacturing process, its chassis is strong, flexible and lightweight. With an ultrathin profile, ASUS Chromebook CX9 emanates a sense of premium quality and professionalism, and it easily slides into a briefcase.

Performance that gets the job done

Powered by up to the latest 11th gen Intel® Core™ i7 processors with Intel® Iris® X^e graphics and 16 GB of memory, ASUS Chromebook CX9 delivers performance and responsiveness to empower users with incredible productivity. Easy access to your employees' favorite productivity suites and video conferencing apps available on Google Play make projects a breeze, and a spacious PCIe® SSD gives you fast-access storage.

Seamless visuals for focused workflows

ASUS Chromebook CX9 delivers expansive visuals for boundless productivity. The four-sided 91% NanoEdge display maximizes screen area and screen-to-body ratio, making viewing experiences more immersive. An optional 4K UHD touchscreen display offers wide viewing angles and exceptional color reproduction for incredibly vivid, true-to-life imagery.

ASUS Chromebook CX9 (CX9400)

- Chrome OS
- Up to 11th gen Intel® Core™ i7 processor
- Up to Intel® Iris® X^e graphics
- Up to 16 GB memory
- Up to 512 GB SSD
- Thin and light: 1.05kg, 16.0mm
- Up to 14" 4K UHD NanoEdge display
- Up to 14 hours battery life
- Optional touchscreen with stylus support
- Optional exclusive NumberPad design

Advance Series

ASUS Chromebook Flip CX5 (CX5601)

Limitless versatility, expansive visuals

- 16:10 panel
- 360° ErgoLift hinge
- Garaged stylus
- WiFi 6E technology

The 16-inch ASUS Chromebook Flip CX5 has a new look and features up to the latest 12th Generation Intel® Core™ i7 processor plus WiFi 6E³ for powerful performance and connectivity. To deliver expansive visuals in any scenario, its three-sided NanoEdge display with a 16:10 aspect ratio fits more screen into the chassis, while a Harman Kardon-certified audio system offers a quad-speaker design to deliver impeccable sound. Built for the cloud, ASUS Chromebook Flip CX5 supports Google Play¹ and the Chrome browser for seamlessly staying in sync with your favorite apps. Enjoy incredible performance, connectivity, visuals, audio and cloud-based work and entertainment - all with ASUS Chromebook Flip CX5.

1. Internet connection required. Google, Google Play, Chrome, Chromebook and other marks are trademarks of Google LLC. 2. The garaged stylus is optional. 3. The connectivity of WiFi 6E band may vary according to the regulation and certification of each country/region. 4. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery. 5. ASUS Chromebook Flip CX5 laptops undergo multiple laptop quality tests but are not subject to all tests stated. The testing data includes the requirements of both military-grade standards and ASUS quality tests. 6. The stated width of the side bezel is the distance between the edge of the non-active screen display area and the inside edge of the case.

Seamless visuals, boundless creativity

The three-sided NanoEdge display offers a 16:10 aspect ratio for a boost in vertical space compared with 16:9 panels. For maximal screen area and immersive viewing, the screen-to-body ratio is 87%⁶, which is ideal for creators or students alike.

360° of ergonomic style

For incredible ergonomics and versatility, a precision-engineered 360° ErgoLift hinge smoothly adjusts the display to any angle while lifting and tilting the keyboard into the most comfortable typing position. ASUS Chromebook Flip CX5 can be used in tablet mode, laptop mode, tent mode or standing mode — so it's ideal for browsing websites, completing tasks or sharing content easily with friends and colleagues.

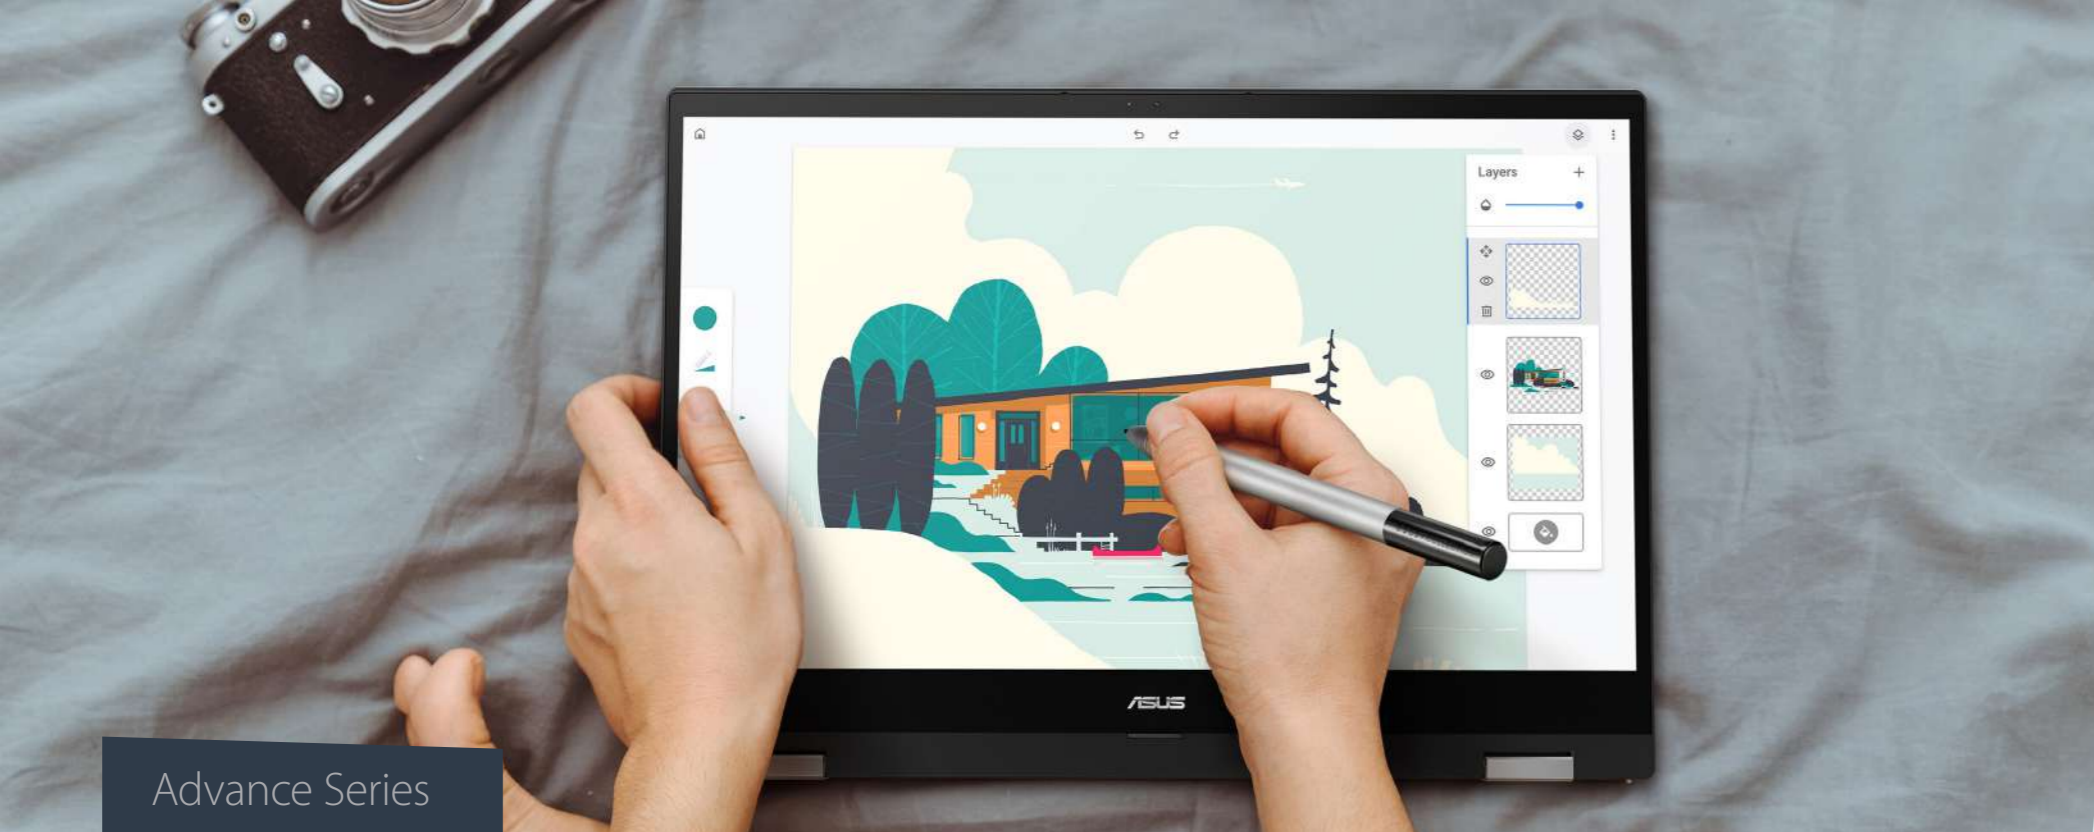

A touch of genius

The garaged active stylus² enables a natural-feeling experience that's ideal for unleashing creativity: draft notes, sketch, or jot down ideas whenever they strike you. The stylus quickly and automatically charges when garaged. Only 15 seconds of charging provides up to 45 minutes of use, and the integrated garage provides a safe place to store it.

ASUS Chromebook Flip CX5 (CX5601)

- Chrome OS
- Up to Intel® Core™ i7 processor
- Up to Intel® Iris® X^e graphics
- Up to 512 GB SSD
- Up to 16 GB memory
- 16" WUXGA NanoEdge display
- NanoEdge 87% screen-to-body ratio⁶
- 360° ErgoLift hinge
- 1.4 mm key travel with a numeric keypad
- WiFi 6E technology³
- Up to 10 hours battery life⁴
- US military-grade 810H⁵ durability

Advance Series

ASUS Chromebook Flip CX5 (CX5500)

Productivity powerhouse, work enhancer

- Intel® Core™ i7 Processor
- Ultrafast WiFi 6
- Long Battery Life
- ASUS Pen (USI Stylus) support

The 15.6-inch ASUS Chromebook Flip CX5 has a fresh new look and delivers powerful performance with the latest Intel® Core™ i7 processor and Intel® Iris® X^e graphics for fueling everyday productivity. ASUS Chromebook Flip CX5 looks good wherever you go, with a design that's both stylish and durable, providing an elegant, distinctive aesthetic, inside and out. Support for Google Play and Chrome browser lets you seamlessly stay in sync with your favorite apps for productivity, communication, amusement and more. Enjoy the next era of work and entertainment with ASUS Chromebook Flip CX5.

The power to stay productive

Powered by the latest 11th Gen Intel® Core™ i7 processors with Intel® Iris® X^e graphics and 16 GB of memory, ASUS Chromebook Flip CX5 delivers performance and responsiveness to empower users with the ultimate device for productivity. The laptop runs for up to 11 hours on a single charge, so you can work or play throughout the day, even when you're on the move. ASUS Chromebook Flip CX5 also meets the ultra-demanding MIL-STD 810H military standard and passes multiple tests to ensure reliability and durability.

Precision-engineered for versatility

The precision-engineered 360° ErgoLift hinge on ASUS Chromebook Flip CX5 smoothly adjusts and secures the display at any angle. The hinge also lifts and tilts the keyboard into the perfect typing position when the display is rotated into laptop mode. Additionally, this position creates extra space underneath the laptop to enhance the audio and allow more airflow to cool the underside of the chassis.

The ultimate cloud gaming laptop

Entertainment should have no limits. ASUS Chromebook CM5 delivers the freedom of cloud gaming with support for Google Stadia. With cloud-based game saves for supported free-to-play games, you can pick up your game where you left off, on any supported device, wherever you are.

ASUS Chromebook CX5 (CX5500)

- Chrome OS
- Up to 11th gen Intel® Core™ i7 processor
- Up to Intel® Iris® X^e Graphics

- Up to 16 GB memory
- Up 15.6" FHD NanoEdge display
- Up to 11 hours battery life
- IPS-level panel touchscreen with optional stylus support
- Versatile 360° ErgoLift hinge
- Digital Assistant-Google Assistant

Advance Series

ASUS Chromebook Flip CX5 (CX5400)

The power to Flip the way you want

- 11th Gen Intel® Core™ i7 processor
- Garaged USI stylus
- US military-grade durability
- 360° ErgoLift hinge

The 14-inch ASUS Chromebook Flip CX5 is an ultrathin and lightweight laptop built for a new era of work and entertainment. Behind its elegant metallic exterior is the powerful performance of Intel® Core™ i7 processor and Intel® Iris® X^e graphics, plus WiFi 6, so you'll be well-equipped to breeze through everyday tasks. In addition, military-grade durability means you can rest assured when taking ASUS Chromebook Flip CX5 on the go. With Google Play¹, you can access a rich library of apps, games, music, movies, TV, books and more, all from your Chromebook.

1. Internet connection required. Google, Google Play, YouTube and other marks are trademarks of Google LLC.
 2. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.
 3. ASUS Chromebook Flip CX5 series laptops undergo multiple laptop quality tests but are not subject to all MIL-STD 810H tests.

Crafted for perfection

ASUS Chromebook Flip CX5 is styled for today. It features a precision-crafted all-aluminum chassis that's finished with precisely shaped corners and edges, giving it a clean, elegant look. Its refined aesthetic is perfect for users seeking on-the-go versatility combined with unparalleled design.

The power to stay productive

Powered by the latest 11th Gen Intel® Core™ i7 processors with Intel® Iris® X^e graphics and 16 GB of memory, ASUS Chromebook Flip CX5 delivers performance and responsiveness to empower users with incredible productivity. Easy access to Google Workspace and other productivity apps available on Google Play let you breeze through projects or enjoy entertainment on the go, and a spacious PCIe® SSD gives you fast-access storage. A robust battery enables up to 10 hours² of use on a single charge, so you can work or play throughout the day, even when you're on the move.

A touch of genius

The included stylus quickly and automatically charges when garaged — only 15 seconds of charging provides up to 45 minutes of use — keeping it ready for use and providing a safe place to store it. The intuitive movement of the stylus is a quick, precise way to unleash your creativity and productivity: take notes, sketch or jot down those "Aha!" moments whenever innovative ideas strike.

ASUS Chromebook CX5 (CX5400)

- Chrome OS
- Up to 11th Gen Intel® Core™ i7 processor
- Up to Intel® Iris® X^e Graphics
- Up to 16 GB memory
- Up to 512 GB SSD
- Garaged USI stylus
- 14" FHD (1920 x 1080) 4-sided NanoEdge display
- Two Thunderbolt™ 4 USB-C® ports support dual 4K display output
- Versatile 360° ErgoLift hinge
- US MIL-810H military-grade durability³

Essential Series

ASUS Chromebook Flip CX3 (CX3400)

Versatile power for work and play

- Up to 11th Gen Intel® Core™ i7 processor
- World-facing camera
- Optional garaged stylus
- US military-grade durability

The 14-inch ASUS Chromebook Flip CX3 offers an exquisite blend of powerful performance and versatility to empower the way you work and play. It features a stylish exterior, the power of up to an Intel® Core™ processor and a fanless design, plus WiFi 6 and long-lasting battery life, so you'll be well-equipped to breeze through everyday tasks from anywhere. Also, a garaged stylus¹, dual cameras and a 360° ErgoLift hinge spice up entertainment experiences and add versatility. To top it all off, military-grade durability keeps ASUS Chromebook Flip CX3 protected when on the go.

1. The garaged stylus is optional.
 2. Internet connection required. Google, Google Play, YouTube and other marks are trademarks of Google LLC.
 3. Actual battery life depends on usage, specifications, applications and environment, among other factors.

360° of style and ergonomics

ASUS Chromebook Flip CX3 features an eye-catching new color – AI Blue — which matches perfectly with its incredible style and design. The precision-crafted chassis has a dual-tapered design, converging the body and lid to form a V-shaped edge that facilitates opening the device. For excellent ergonomics, a precision-engineered 360° ErgoLift hinge smoothly adjusts the display at any angle and lifts and tilts the keyboard into the most comfortable typing position.

The power to stay productive

Powered by up to the latest 11th Gen Intel® Core™ i7 processor with 16 GB of memory, ASUS Chromebook Flip CX3 delivers performance and responsiveness to empower users with incredible productivity. And with the latest Intel® technology housed in its fanless design, ASUS Chromebook Flip CX3 stays incredibly noiseless while delivering powerful performance. Whether you're kicking back with a movie or doing graphics-intensive video editing, it maintains a quiet profile to maintain a serene work or play space.

A touch of genius

The included stylus¹ quickly and automatically charges when garaged — only 15 seconds of charging provides up to 45 minutes of use — keeping it ready for use and providing a safe place to store it. The intuitive movement of the stylus is a quick, precise way to unleash your creativity and productivity: take notes, sketch or jot down those "Aha!" moments whenever innovative ideas strike.

Essential Series

ASUS Chromebook CX1 (CX1102C)

Get more done every day, from anywhere

- Lightweight design
- US military-grade durability
- WiFi 6 technology
- Long-lasting battery life

ASUS Chromebook CX1 is made for boosting productivity and having more fun while on the move — all day, every day. This lightweight, ultraportable device is powered by up to a quad-core Intel® processor, has WiFi 6 technology for ultrafast connectivity and gives you the freedom of up to 10-hour battery life¹. The compact chassis offers the capability for easy multitasking and incredibly immersive entertainment, and the device is your gateway to the best of Google — including the rich library of apps for work or play on the Google Play². With smooth performance, robust security and convenient features, ASUS Chromebook CX1 is ideal for anyone on the go!

1. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.
 2. Internet connection required. Google, Google Play, Chrome, Chromebook and other marks are trademarks of Google LLC.
 3. ASUS Chromebook CX1 series laptops undergo multiple laptop quality tests but are not subject to all tests stated. The testing data includes the requirements of both military-grade standards and ASUS quality tests.

Modern, stylish and ultraportable

ASUS Chromebook CX1 embodies pure style and portability with a lightweight and a distinctively trendy look and feel that will fit any environment. Designed for empowering on-the-go lifestyles, ASUS Chromebook CX1 is always ready to go — wherever your day takes you.

Tough enough to take anywhere

With structural reinforcements to boost chassis strength, ASUS Chromebook CX1 is solidly built and provides durability for all your travels. It also meets next-level and industry-leading MIL-STD 810H³ US military tests, which are more rigorous and demanding than ever before. Additionally, the device undergoes stringent in-house testing — including panel-pressure, shock and drop tests — for ensuring maximal toughness, so you don't have to worry about everyday knocks and bumps.

Faster, stable connections

ASUS Chromebook CX1 offers dual-band WiFi 6 for strong, stable signals and superfast speeds, allowing you to load online content in the blink of an eye. Its connectivity is made even better by exclusive ASUS technologies — such as ASUS WiFi Master Premium for ChromeOS⁴ — that ensure greater speed, stability and range for your WiFi connections and help you stay connected anywhere.

ASUS Chromebook CX1 (CX1102C)

- ChromeOS
- Up to Intel® Pentium® processor
- Up to Intel® UHD graphics
- Up to 128 GB eMMC storage

ASUS Chromebook Flip C434

The Best Just Got Better

Chrome OS

Up to Intel® Core™ i7 processor

13"-class chassis with 14" display

360-degree convertible design

The stunning new ASUS Chromebook Flip C434 takes convertible Chromebook design to the next level. Its stylish contemporary looks, compact portability and powerful specifications are all designed to let you get things done with no fuss, all day and every day. ASUS Chromebook Flip C434 features a new four-sided NanoEdge 14-inch display — with ultraslim bezels and an incredible 87% screen-to-body ratio — for a truly immersive viewing experience, and the unique 360° ErgoLift hinge lets you work in supreme comfort. There's a world of apps to explore on the Google Play Store¹. When only the best is good enough, ASUS Chromebook Flip C434 delivers.

1. Internet connection required. Android and Google Play are trademarks of Google LLC.
 2. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.
 3. Weight may vary according to configuration.

Crafted to perfection

ASUS Chromebook Flip C434 is styled for today, with a precision-crafted all-aluminum chassis finished with elegant diamond-cut anodized edges. Its refined looks are the perfect match for those who appreciate on-the-go versatility combined with peerless design.

The 13" laptop with a 14" display

ASUS Chromebook Flip C434 is not only slim and light, but the new NanoEdge design gives it an ultracompact footprint, so you can enjoy all the benefits of a 14-inch FHD display in a chassis that's as small as many 13-inch laptops.

Unbounded vision with the NanoEdge display

Designed to give you the most screen area in the least physical space, the new four-sided NanoEdge display is simply breathtaking: it makes any visuals more immersive, with less distraction for your eyes. The ultraslim bezels are just 5mm thin at the sides for a near-borderless experience, and the crisp, clear, high-resolution screen gives you a beautiful creative workplace.

ASUS Chromebook Flip C434

- Intel® Core™ i7-8500Y / i5-8200Y / m3-8100Y processor

- 2 x USB 3.1 Gen 1 Type-C® support display & support power deliver, 1 x USB 3.1 type-A, and 1 x microSD card reader
- 178° wide-view technology with optional touchscreen
- Weights starting at 1.45kg³ with stylish metallic design

Advance Series

ASUS Chromebook Detachable CM3 (CM3000)

Versatility, mobility, productivity

- Horizontal-vertical stand design
- Garaged USI stylus
- 7.9 mm profile
- ErgoLift design

ASUS Chromebook Detachable CM3 combines mobility, productivity and the versatility of various modes into one incredible device. It features a unique, stylish aesthetic, and its inventive vertical and horizontal stand design enables the best orientation and viewing angles for work and entertainment. Just attach the ergonomic full-size keyboard, and ASUS Chromebook Detachable CM3 transforms into a laptop with an ErgoLift design and 1.5 mm key travel for enhancing productivity. When the stand cover and keyboard come off, ASUS Chromebook Detachable CM3 becomes a compact tablet that gets your creativity flowing with a garaged stylus for taking notes or sketching.

Distinctive design

ASUS Chromebook Detachable CM3 features a solid Mineral Grey aluminum unibody chassis that is finished with delicate matte black diamond-cut edges, and the 7.9 mm ultra-thin design and stain-repellent cover make it a stylish, durable companion for work, play or study.

Intuitive garaged stylus for creativity

ASUS Chromebook Detachable CM3 features a stylus that quickly and automatically charges when garaged, keeping it ready for use and providing a safe place to store it. The stylus enables quick, precise movements for unleashing your creativity and productivity: take notes, sketch or jot down those "Aha!" moments whenever innovative ideas strike.

Flexible stand design

The innovative flex-angle stand on ASUS Chromebook Detachable CM3 is designed to meet a wide range of user needs for entertainment, study and work, and the device enables both vertical and horizontal orientations. Portrait mode provides the perfect vertical setup for chatting, web-browsing, reading and entertainment, and landscape mode is ideal for watching videos hands-free.

ASUS Chromebook Detachable CM3 (CM3000)

- Chrome OS
- Up to 4 GB memory
- Up to 128 GB eMMC
- 10.5" FHD display
- Touchscreen with garaged stylus support
- Thin: 79mm
- Up to 12 hours battery life
- Vertical and horizontal flex-angle stand cover
- Ergolift design
- Dual high-quality 5-magnet stereo speakers

- Weights starting at 1.5kg³ with stylish metallic design

Essential Series

ASUS Chromebook Flip CM3 (CM3200)

Flip between work and play

3:2 aspect ratio on display

ASUS Pen (USI)¹ support

Lightweight

Long Battery Life

ASUS Chromebook Flip CM3 strikes the balance between work and play. The 360° hinge enables multiple modes and provides the versatility to work or study using the orientation that you like best. Featuring a 12-inch display with a 3:2 aspect ratio and thin bezels, ASUS Chromebook Flip CM3 provides an expanded view in the portrait orientation to inspire you to see the world from a new perspective. ASUS Pen (USI)¹ support enables intuitive writing with an active stylus for enhanced productivity. The ultra-portable design and long-lasting battery life are tailored to an on-the-go lifestyle, and the silky-smooth palm rests and ErgoLift hinge design ensure comfort when typing. With vast storage and a rich library of apps, ASUS Chromebook Flip CM3 opens up a whole new world of freedom!

1. ASUS Pen sold separately.

2. Versus a standard 16:9 display. Note: Percentage of extra vertical screen space may vary by software and usage mode.

3. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.

A expanded view

ASUS Chromebook Flip CM3 offers a display with an incredible 3:2 aspect ratio and narrow bezels for a larger screen that provides 20%² more screen space in the portrait position. This display is nearly the size of an A4 piece of paper and delivers pure enjoyment while reading, browsing the web and taking notes with more immersive viewing and less scrolling.

A touch of genius

ASUS Chromebook Flip CM3 supports ASUS Pen¹, which has the latest Universal Stylus Initiative (USI) 1.0 standard, delivering a natural-feeling active stylus writing experience that allows users to unleash their creativity: draft notes, sketch or jot down ideas on the fly.

Built for on-the-go lifestyles

With its compact 12-inch chassis and lightweight design, ASUS Chromebook Flip CM3 provides effortless mobility as a take-anywhere companion. Rubber grips on the bottom provide increased traction and reduce slippage, and battery life of up to 16 hours³ enables seamless workflows and greater work or study productivity, anywhere.

ASUS Chromebook Flip CM3 (CM3200)

- Chrome OS
- Up to 8 GB memory
- Up to 128 GB eMMC
- 12" HD+ NanoEdge display
- Touchscreen with optional ASUS Pen support
- Thin and light: 1.10kg, 16.83mm
- Up to 16 hours battery life
- Silky-smooth palm rests and ErgoLift hinge design
- Versatile 360° ErgoLift hinge
- Digital Assistant - Google Assistant

Essential Series

ASUS Chromebook C425

Blitz the extra mile

- Intel® Core™ i5 processor
- Extremely Portable
- NanoEdge display
- 12 hours battery life

Simplify your life with the sleek and stylish ASUS Chromebook C425, the 1.3kg¹-light 14-inch laptop that has all the power to make light work of your daily tasks. Powered by up an Intel® Core™ i5 processor, ASUS Chromebook C425 boosts your productivity and lets you have more fun on the move — wherever you are, whatever you're doing. Its compact NanoEdge design pops easily into any bag, and its all-day battery eliminates power-outlet anxiety for a worry-free lifestyle. Preloaded with the best of Google, ASUS Chromebook C425 is your easy-to-use gateway to the immense variety of apps on the Google Play Store for work or play.

Immersive visuals

The 14-inch NanoEdge display on ASUS Chromebook C425 has 5.5 mm-slim bezels that give users more display area in less physical space, giving a near-borderless viewing experience. The crisp, clear high-resolution FHD display has a wide 178° viewing angle for excellent shared viewing experiences creating a beautifully immersive workspace for more enjoyable productivity, creativity and entertainment.

Powerful on-the-go performance

Powerful up to Intel® Core™ i5 processors with up to 8GB RAM give ASUS Chromebook C425 great on-the-go performance for popular apps, including G Suite and other productivity apps from the Google Play Store. And the extraordinary 12hrs battery life lets you work or play anytime, with no need to constantly worry about finding a power outlet.

Easy app access with Google Play

As well as featuring the best of Google out of the box, ASUS Chromebook C425 gives you full access to the Google Play Store, so you can use all your favorite Android™ apps for work, play, or creativity — and thanks to the seamless cloud integration, you can easily access everything from any device. ASUS Chromebook C425 opens up a whole new world of freedom!

ASUS Chromebook C425

- Intel® Core™ i5-8200Y / m3-8100Y processor
- Chrome OS keeps it new and fast

2. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.

Essential Series

ASUS Chromebook C523

Do more of everything

-  1.43kg¹ light weight
-  Full HD Resolution
-  NanoEdge Display
-  Intel® Quad-Core CPU

ASUS Chromebook C523 is the simple way to boost your productivity and have more fun on the move — all day and every day. This ultraportable and lightweight 15.6-inch Chromebook is powered by up to a quad-core Intel® processor, and gives you the freedom of up to 10 hours battery life². It's also the first ASUS Chromebook to feature a NanoEdge design, which gives you a big screen in a compact chassis for easier multitasking and more immersive entertainment. Preloaded with the best of Google, ASUS Chromebook C523 is your gateway to the immense variety of apps on the Google Play Store³ for work or play. With its speedy performance, robust security and convenient features, it's not only perfect for students — it's ideal for anyone who's always on the go!

Strong, stylish and light

Featuring a premium look and feel, with a profile that's just 15.6mm thin and using solid aluminum alloy to keep the weight down to just 1.43kg, ASUS Chromebook C523 is designed to for effortless mobility. It's your take-anywhere companion that's always ready to go wherever your day takes you!

Breeze through your tasks

Featuring powerful quad-core Intel® processors, ASUS Chromebook C523 delivers great performance for popular apps, with extraordinary battery life. Combined with the full power of G Suite and other productivity apps from the Google Play Store, ASUS Chromebook C523 lets you breeze through all your everyday tasks on the go.

Stunning vision and Powerful sounds

The stunning 15.6-inch up to FHD NanoEdge display has an ultra-narrow 6mm bezel, and features a matte anti-glare coating⁴ to reduce annoying reflections. The result is a laptop with an impressive 80% screen-to-body ratio that minimizes size while helping you maximize productivity. With dual high-quality stereo speakers and extra-large resonant chambers that generate high-fidelity audio, it can deliver surround-sound effects with crisp and powerful sound for both music and video streaming.

ASUS Chromebook C523

- Aluminum-finished lid gives premium looks and feel
- Chrome OS keeps it new and fast
- Ultraportable design with only 1.43 kg and 15.6mm thin
- FHD NanoEdge design with 80% screen-to-body ratio
- Optional touchscreen designed to be more accurate and responsive
- Durable 180° hinge for easier share content with others
- Powevered by up to quad-core Intel® processors for productive performance

- Chrome OS keeps it new and fast
- Ultralightweight design weighs less than 1 kg
- Ultraslim bezel design gives more clearer vision
- Durable 180° hinge for easier share content with others
- Up to 10 hours battery life
- Powered by up to quad-core Intel® processors for productive performance

ASUS EDUCATION

Tough, compact, school-ready

ASUS is dedicated to solving the unique challenges facing today's students and educators. We are here to help cultivate the minds of the next generation with a comprehensive, student-centered products that include Chromebooks, and Windows-based laptops to enable progressive and innovative learning in an ever-changing world.

RUGGEDIZE DESIGN

Ready for action

ASUS Education laptop is built to withstand everyday knocks, bumps, drops and spills without damage. So, whether it's dropped from a classroom desk or the dining table, it is built to keep on going.

Rubber safety grip

Dropping your laptop is an everyday concern, whether it's moving between classes or working on the go. A rubber bar on the base of the laptop provides sturdy support and also makes it easier to grip when carrying, reducing the risk of fumbles and slips.

Spill-resistant keyboard¹

The spill-resistant keyboard can cope with liquid spills of up to 330 cc without harm, so minor splashes on the desk or dinner table can be easily drained, cleaned, and dried.

Durable 3D-textured finish

The tough micro-dimpled finish means no more worries about scratches or fingerprints!

Tamper-resistant keyboard

The gap between the edges of the keycaps and the keyboard surround is minimized to prevent the keys from being pried out.

Rubber bumper

All four exterior edges and corners are protected by a tough rubber bumper, which reduces the impact of physical shocks to ensure critical components are always safe and sound.

MODULAR DESIGN

Easy maintenance for uninterrupted learning.

For easy on-site servicing and reduced downtime, ASUS modular design that allows key components — such as the keyboard, battery, thermal module and I/O ports — to be replaced in minutes using simple tools. As well, the underside is secured attached using captive screws, eliminating worries about losing these little parts during repairs.

¹ ASUS BR1100 keyboard is spill-resistant, not waterproof. Water damage is possible if the product is submerged or exposed to large amounts of liquids for long periods of time. ASUS standard limited warranty does not cover problems resulting from accidents such as water damage. To prevent water damage resulting from large spills or other accidents, ASUS recommends turning off the notebook, then tilting the laptop to drain away the excess liquid, wipe off and let it dry for at least 24 hours.

DESIGNS FOR EDUCATION

Inspiring Students with ASUS

Designed for Remote Learning

Superfast WiFi 6

ASUS Education series support up to WiFi 6 for better wireless connectivity. WiFi 6 (802.11ax) delivers superfast networking speeds for faster large file transfers, distance learning, and super smooth video chats.

Innovative learning

World-facing camera

A special world-facing camera empowers students to explore and learn in totally new ways, allowing them to easily capture photos and videos in tablet mode. And, with an exceptional resolution, detailed captures and recordings are assured.

AI noise-canceling technology

To provide exceptional remote learning and video-conferencing experiences, ASUS Education series feature innovative ASUS AI noise-canceling technology that employs machine learning in order to isolate unwanted noise from human speech.

Garaged Stylus

A precision stylus with garage that helps you get every detail just right when you're drawing, taking notes or marking up documents. The built-in stylus holder means it's always to hand, and there's less chance of losing it. It's also quick to charge, with a 15-second top-up providing enough juice for 45 minutes' use — so you'll never be left waiting.

Child-centered Design

ASUS Antibacterial Guard

The surface of any laptop harbors thousands of potentially harmful bacteria. To keep your laptop hygienic, the keyboard, touchpad, and palm rest are all protected with antibacterial treatment^{1,2}. This has been scientifically shown by the internationally-recognized ISO 22196 standard to inhibit the growth of bacteria by in excess of 99% over a 24-hour period.

Eye-protection TÜV display

The screen of is certified by TÜV Rheinland for low blue-light emissions, potentially helping to protect children's eyes from damage.

1. ASUS Antibacterial Guard is tested by an independent third-party laboratory according to the ISO 22196 standard (measurement of antibacterial activity on plastics and other non-porous surfaces), using bacterial cultures that include Escherichia coli and Staphylococcus aureus, with an antibacterial activity (R) result of $R > 2$. $R = 2$ indicates a 99% reduction in bacterial activity compared to an untreated surface.
 2. ASUS Antibacterial Guard antibacterial treatment is registered by the U.S. EPA and authorized under EU BPR.
 3. Specifications may vary by model.

US MILITARY GRADE RELIABILITY

Built to last

Classrooms can be tough, but ASUS Education series are tougher! Built to surpass demanding US military-grade MIL-STD-810H durability standards, it's also torture-tested to pass stringent ASUS quality tests. It can withstand occasional drops of up to 120 cm — more than standard desk height — and the hinge and I/O ports are fully tested to endure the stresses and strains of everyday use.

Altitude Test

Handle extreme 15,000-ft heights, with power on

Shock Test

Withstand 18 harsh shocks at the speed of 40G/11ms with power on

Drop Test

120cm drop while powered on to mimic desk accident

High Temperature Test

Endure 32°C~49°C for 3 x 24 hr. cycles with power on

Low Temperature Test

Endure -37°C~ -46°C for 3 x 24 hr. cycles with power on

Vibration Test

Withstand 10-500Hz physical vibrations for 60 min

Humidity Test

Tolerate 95% relative humidity at temperatures of 30°C and 60°C

Thermal Shock Test

Endure a sharp change of temperature from -51°C to 71°C three cycles for an hour

Shipboard Vibration Test

4-33Hz for 2 hours to mimic shipboard transit

Sand & Dust Test

Resist ingress of particles with 1.2g/m3 density

ASUS Chromebook Detachable CZ1 (CZ1000)

The robust, flexible learning companion

- US military-grade durability
- Garaged USI stylus
- Flexible stand design
- Eye-care Technology

ASUS Chromebook Detachable CZ1 delivers a tough, versatile design for empowering students to achieve their full potential. Built to military-grade standards, it's packed with protective features, including a wrap-around rubber trim, shockproof cover and durable 3D-textured finish. It features a free-angle adjustable stand cover and full-size keyboard with 1.5 mm key travel, plus an ErgoLift design — all to facilitate productivity, flexibility and comfort. A garaged stylus and world-facing camera enable creativity, and an eye-friendly TÜV Rheinland-certified display and all-day battery life combine to let students explore the world without limits.

A touch of genius

ASUS Chromebook Detachable CZ1 features a stylus that quickly and automatically charges when garaged, keeping it ready for use and providing a safe place to store it. The stylus enables quick, precise movements for unleashing creativity and productivity, so students can easily take notes, sketch, or jot down those “Aha!” moments whenever innovative ideas strike.

Flexible stand design

The innovative free-angle stand on ASUS Chromebook Detachable CZ1 is designed to meet a wide range of student needs for study and play. The device can be easily adjusted up to lay flat and remains in a stable position, providing perfect viewing angles for web-browsing, watching videos, taking notes, or for a range of other activities.

FHD screen with eye-care technology

ASUS Chromebook Detachable CZ1 has a Full HD 10.1-inch multitouch display, providing vivid visuals and intuitive input for modern learning experiences. The screen is certified by TÜV Rheinland for low blue-light emissions, helping to protect children's eyes from potential damage.

ASUS Chromebook Flip C214

Flip, explore, and learn!

- US military-grade reliability
- All-round Rubber Bumper
- Spill-Resistant Keyboard
- 120cm drop-resistant

ASUS Chromebook Flip C214 is built to deliver an innovative and inspirational learning experience. As well as a versatile touchscreen display and a built-in stylus, there's also a 360°hinge and a world-facing camera. ASUS Chromebook Flip C214 has classroom-ready durability to reassure teachers and students alike, with an all-round rubber bumper, spill-resistant keyboard and ultratough hinge. With its school day-long battery life and time-saving, easy-to-service modular construction, ASUS Chromebook Flip C214 is ready for anything!

360° of versatility

The versatile 360° any-position hinge gives you total flexibility when using ASUS Chromebook Flip C214. Open it the full 360° to take a test in tablet mode. Study or mark papers in tent mode. Flip into laptop mode to do a report assignment. It's as flexible as your imagination!

Handy built-in stylus

ASUS Chromebook Flip C214 includes a precision stylus that helps you get every detail just right when you're drawing, note-taking, or marking up documents. The built-in stylus holder means it's always to hand — and there's less chance of losing it.

Learning made different

ASUS Chromebook Flip C214 includes a special world-facing camera for use in AR apps. With AR, computer-generated digital objects and worlds can be blended seamlessly with the live world-facing camera view, allowing students to explore and learn in a totally new way.

ASUS Chromebook Flip C214

- Intel® Celeron® N4100 / N4000 Processor
- Chrome OS keeps it new and fast
- US MIL-STD 810G military-grade standard
- Weights starting at 1.28kg with rubberized chassis design
- Up to 16GB LPDDR4 2400MHz RAM
- 11.6" HD (1366 x 768), multi-touch with Wacom® EMR™ support, Corning® Gorilla® Glass 3 display
- 2 x USB 3.1 Gen 1 Type-C® support display & support power deliver, 1 x USB 3.1 type-A, and 1 x microSD card reader
- 50WHrs battery with up to 12hr battery life

Education Series

ASUS Chromebook C204

Tough, compact, school-ready

- US military-grade reliability
- All-round Rubber Bumper
- Spill-Resistant Keyboard
- 120cm drop-resistant

ASUS Chromebook C204 is designed with one thing in mind: to keep on going however tough the environment gets. Built to meet demanding military-grade standards, the classroom-ready durability reassures teachers and students alike. It's packed with clever features to protect it in the real world, such as the all-round rubber bumper, spill-resistant keyboard and ultratough I/O ports. And with its school day-long battery life and time-saving, easy-to-service modular construction, ASUS Chromebook C204 is ready for anything!

Ultimate rugged design

The rubberized chassis is reinforced with thick bumpers on each corner to reduce the impact of physical shocks. The keyboard is spill-resistant, coping with liquid spills, and tamper-resistant, preventing the keys from being pried out.

All day learning

With up to 14 hours¹ battery life on a single charge, ASUS Chromebook C204 will last for a full day of classes and more. Students could enjoy continuous and uninterrupted learning without worry of battery life.

Stress-free sharing

The 180° lay-flat hinge not only enables easier collaboration when you're in a group, but it also reduces stress on the mechanism too.

ASUS Chromebook C204

- Intel® Celeron® N4000 Processor
- Chrome OS keeps it new and fast

- 2 x USB 3.1 Gen 1 Type-C® support display & support power deliver, 2 x USB 3.1 type-A, and 1 x microSD card reader
- 50WHrs battery with up to 14 hr battery life
- 180° lay-flat hinge for stress-free sharing

ASUS AiO

Empower Your Workplace

The compact and powerful ASUS All-in-One PCs are designed for a variety of tasks. The latest generation Intel® processors and optional NVIDIA® discrete graphics keep you productive and entertained, while HDD password protection, USB and card reader deactivation improve data security when deployed in public or commercial spaces.

Premium Series

ASUS ExpertCenter E5 AiO (E5402/E5202)

Fast, secure performance with a dual view

- Up to 11th Gen Intel® Core™ i7 processor
- Innovative second touchscreen
- Two way AI Noise-Canceling
- ASUS AdaptiveLock security

Built for modern business to enhance user experiences and productivity, ASUS ExpertCenter E5 AiO powers through any task — saving time and minimizing admin. It packs exclusive ASUS VeriView, a second, outward-facing touchscreen for two-way interaction, serious business horsepower with a next-level Intel® Core™ processor, and no-compromise security solutions.

Class-leading performance

Built to perform and easy to manage for enterprises, ASUS ExpertCenter E5 AiO powers through any task — saving time and minimizing admin. It packs serious business horsepower with a next-level Intel® Core™ processor, generous 32 GB DDR4 memory and comprehensive connectivity, including the latest Thunderbolt™ 4. Its sleek, ultracompact form also supports dual-SSD RAID and high-speed WiFi 6 connectivity, so it's ready to serve your business today and long into the future.

Delivering new interactive experiences

ASUS VeriView is the easy-to-use second touchscreen that elevates expectations of what an AiO PC can do. This powerful, interactive second screen is ready to accommodate diverse business applications, empowering both a dual view and two-way interactivity. Customers are able to see key information at a glance and easily interact using a fingertip. DuoVison can also be leveraged to display news or advertisements, check-in information or QR codes to provide customers with fast access to online information.

Your data is your business

ASUS ExpertCenter E5 AiO is equipped with first-class security to keep you, your business and your data safe. The smart proximity sensor that empowers ASUS AdaptiveLock¹ detects your presence and uses an integrated infrared camera to recognize your face and log you in — allowing you to get to work without lifting a finger.

ASUS ExpertCenter E5 AiO (E5402/ E5202)

- Windows 11 Pro
- Intel® Core™ i7-11700B processor
- Up to 1 TB PCIe® 3.0 SSD, 2 TB SATA Gen3 HDD with RAID technology
- Up to 32 GB 3200MHz DDR4, 2x SO-DIMM
- 12MP camera for clear video conferencing
- ASUS two-way AI noise-canceling technology
- Enterprise-grade security with IR camera, AdaptiveLock, TPM2.0, Kensington lock
- Full set of ports: 1x Thunderbolt™ 4, 1x 3-in-1 card reader, 3x USB 3.2 Gen 1 Type A, 2x USB 2.0 Type A, 1x HDMI-out, 1x USB 3.2 Gen 2 Type-C²

1. Multi-touch display, IR camera, AdaptiveLock, TPM 2.0 and Windows Hello features may vary by specification and region.
 2. There are multiple different camera configuration options, including no camera, a 1 MP camera, a 1 MP camera with IR sensor, and a 12 MP camera.
 3. Multi-touch display, Thunderbolt™ 4.0, IR camera, AdaptiveLock, TPM 2.0 and Windows Hello features may vary by specification and region.

Premium Series

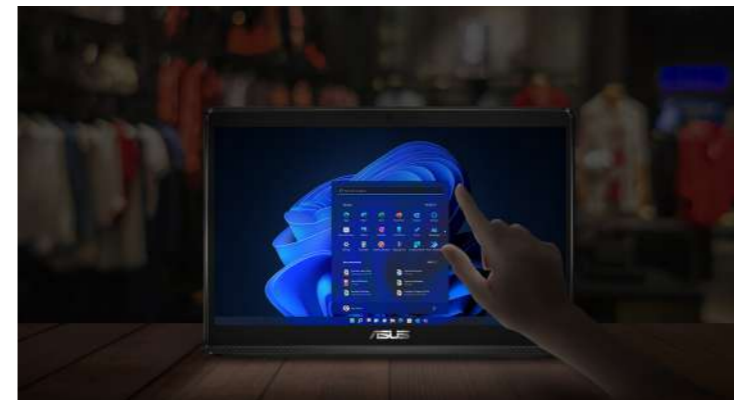

ASUS ExpertCenter E1 AiO (E1600)

Unwavering versatility. Always ready.

-  Jasper lake10nm processor
-  Intergrated UPS
-  Fanless design
-  VESA mount

ASUS ExpertCenter E1 AiO is built to be your versatile and productive business partner. Featuring a 15.6-inch multitouch panel, a quiet fanless design and convenient connectivity, ExpertCenter E1 AiO is ready for every need. It also elevates expectations with an uninterruptable power supply (UPS)¹ to safeguard your tasks and data — making ExpertCenter E1 AiO as dependable as it is productive.

1. The uninterruptible power supply (UPS) is an optional feature. Availability varies by country and region.
 2. VESA mount compatible. Wall-mount screws are optional accessories.
 3. Weight may vary according to configuration.

Unwavering operation for business reliability

We know how important data is to your business, and sometimes unfortunate situations happen. That's why, unlike many competing AiO models, we've built ExpertCenter E1 AiO with an uninterruptable power supply (UPS)¹ to protect your data and tasks when mishaps cause power outages. This integrated UPS kicks in the instant that E1 AiO detects mains power is disconnected and displays a warning, giving you vital time to save your work — and extra peace of mind that you simply won't get with other AiOs.

Quieter, cleaner, and more cost-effective

ExpertCenter E1 AiO features a fanless design for silent operation with superb energy efficiency. Through its conductive-cooling system, E1 AiO eliminates fan noise and rapidly dissipates heat — making it a perfect fit for many specialist applications, such as healthcare, retail and more. This design also reduces dust circulation, assuring cost-efficiency and investment longevity.

Reliably versatile

ExpertCenter E1 AiO is designed to be versatile. Its 15.6-inch multitouch screen enables smooth, responsive interactive experiences, while its compact size means it'll fit neatly on a retail counter or hospital check-in desk — or even hung on a wall, courtesy of its standard VESA mount². In short, E1 AiO is ready to do business where you need, and how you need business done.

ASUS ExpertCenter E1 AiO (E1600)

- Windows 11 Pro
- Up to Intel® Celeron N4500 processor
- Up to 1 TB HDD + 256 GB M.2 NVMe™ PCIe® 3.0 SSD
- Up to 8 GB dual DDR4 2933MHz memory
- 15.6" HD touch display
- With intergrated uninterruptable power supply (UPS)¹
- VESA mount compatible²
- Starting from 2.22 kg³

ASUS Zen AiO 24 (F5401)

Touchingly exquisite. Distictively powerful

- Multi-touch display
- Harman Kardon Premium
- 178° 178-degree Wide Viewing Angle
- WiFi 802.11 ax

ASUS Zen AiO 24 is a beautiful, functional and powerful PC in one seductive package. This exquisitely-crafted all-in-one powerhouse pairs high performance with stylish aesthetics, making it perfect for those who appreciate fine design. The elegant is look is accentuated by an off-center metal stand, and fabric-protected, front-firing speakers – certified by Harman Kardon. With a flawless 23.8-inch NanoEdge display with optional touchscreen technology and 93% screen-to-body ratio, Zen AiO 24 provides both gorgeous viewing and intuitive interaction to elevate your every all-in-one expectation.

Unbounded multitouch brilliance

The beautiful 23.8-inch NanoEdge display on Zen AiO 24 has an incredibly thin 2.8 mm bezel. The upshot is a big, beautiful screen in the smallest conceivable space — with a remarkable 93% screen-to-body ratio. With touchscreen technology, Zen AiO 24 makes interacting with your various applications easier than ever, putting every command at your fingertips.

Your face is your password

The advanced infrared (IR) camera that's built into Zen AiO 24 ensures quick, secure and convenient hands-free face login with Windows Hello. There's no need to remember and type in complicated passwords: a quick scan of your face is all it takes to log in.

Incredible sound, by Harman Kardon

Designed to sit at the heart of your home, Zen AiO 24 creates immersive multimedia experiences — with premier audio from the experts at Harman Kardon. A high-quality speaker system with an advanced bass-reflex design that's similar to what's found in some high-end speakers delivers smooth, powerful bass and clear, full-range sound that has to be heard to be believed.

ASUS F3 Series (F3200/ F3400/ F3700)

Broaden vision for enhanced productivity

- Up to AMD Ryzen™ 7 Processor
- NanoEdge Display
- 178° 178 degree wide viewing angle
- ASUS AI noise-canceling technology

The stunningly beautiful ASUS F3 series all-in-one PC has a FHD LED display with a near-invisible display bezel that gives you edge-to-edge visuals and an incredible screen-to-body ratio. Combined with its advanced ASUS SonicMaster audio — featuring a DTS Audio Processing bass-reflex speaker system and two-way AI-powered noise cancellation — F3 series immerses you in amazing visuals and superb sound for the ultimate entertainment experience. F3 series is powered by up to AMD Ryzen™ 7 processors with up to 32GB DDR4 memory and AMD Radeon™ graphics for smooth and responsive performance for everyday productivity tasks and entertainment.

Blitz through everyday tasks

Powered by the productive AMD® Ryzen™ processors, ASUS F3 series delivers effortless performance for smooth multitasking. So whatever task is at hand, you'll finish it quicker! ASUS F3 series is the perfect solution for your everyday computing needs, whether you want to surf the web, watch videos, or just catch up with emails.

Vibrant and vivid!

The NanoEdge display on ASUS F3 series features wide 178° viewing angles, and a wide 100% sRGB color gamut for vivid and realistic-looking colors. It also includes exclusive ASUS Splendid technology to ensure true-to-life colors — whether it's an image of a sunset, a clear blue sky, or subtle skin tones.

Next-level two-way AI noise-canceling audio technology

To level up professional conferencing, ASUS F3 series has AI noise-canceling technology that employs sophisticated machine-learning techniques. The technology includes both an upstream function to filter noise around the speaker, and a downstream function to eliminate noise from the person at the other end of the conversation. This ensures minimal distraction for high-quality communication.

ASUS F3 Series (F3200/ F3400/ F3700)

ASUS ACCESSORIES

ASUS accessories ensure you stay productive, providing your PC or mobile devices with durable and high-quality products, including docking, mouse, keyboard, adaptors, and headsets.

Accessories

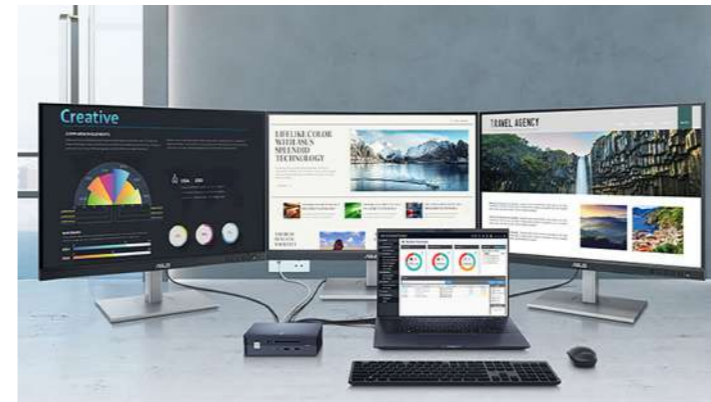

ASUS SimPro Dock 2

Your one-stop connection station

- A full set of IO ports
- Up to four displays connection
- Smart card reader
- Fast charging support

ASUS SimPro Dock 2 is a sleek, compact one-stop dock that streamlines laptop connectivity. Attach your laptop via a single cable and it's powered, connected to your network and peripherals, and is primed for multitasking across up to four monitors¹ — including an up to 8K display². It also has an integrated smart card reader for a diverse array of business. Simply, SimPro Dock 2 keeps your desk neat, tidy and organized while setting you up for work in the blink of an eye.^{3,4}

1. ASUS SimPro Dock 2 display support varies by the processor and graphics capabilities of the connected laptop. Please check specifications for full details.
 2. ASUS SimPro Dock 2 supports up to one 8K display for a laptop which supports DSC (Display Stream Compression).
 3. ASUS SimPro Dock 2 is compatible with certain ASUS laptops as well as non-ASUS laptops. SimPro Dock 2 works with laptops that support the industry-standard USB-C® Alternate Mode or Thunderbolt™ protocols via the type-C® port.
 4. SimPro Dock 2 supports additional features, such as MAC address passthrough, WOL, multiple display support and mirrored power button, on many ASUS laptops and displays. Some features may not be available on certain ASUS laptops, ASUS Chromebook, or non-ASUS laptops.

Maximize the workspace without bounds

Connect up to four displays¹ at once, making it easier to manage multiple applications and extend your workspace. When attached to a laptop that supports Display Stream Compression (DSC), SimPro Dock 2 supports up to one 8K display² — delivering crisp and detailed visuals. It also has DisplayPort™ 1.4, HDMI™ 2.0, traditional VGA connectivity, giving you the freedom to connect to also any display you need. As well, SimPro Dock 2's DisplayPort functionality includes support for Multi-Stream Transport (MST), allowing multiple displays to be connected to a single DisplayPort socket.

Smart card applications, empowered

With a built-in smart card reader, SimPro Dock 2 enables user authentication and security for a diverse array of business applications, from credit card-based financial transactions to identification verification for tax-filing purposes or access to personal data on government websites.

Power your day

SimPro Dock 2 supports up to 6A of power throughput for rapid charging, and has a built-in 0.6 m cable for quick, convenient connection to your laptop. It provides up to 120W power for compatible laptops, for improved power delivery and charging efficiency.

ASUS SimPro Dock 2

- Light weight from 650g
- 9.9 (W) x 16.15 (D) x 4.06 (H) cm

ASUS MW203 Multi-Device Wireless Silent Mouse

ASUS MW203 is a mouse which enables conveniently switch between three wireless devices (Bluetooth® 5.0 / Bluetooth® 3.0 / RF 2.4 GHz) with just one click. Three adjustable DPI modes (1000 / 1600 / 2400) for more precise control, ideal for high resolution monitors. Auto sleep mode efficiently prolongs battery life to up to 13 months. Almost-silent mouse buttons (< 20 dB) eliminates annoying mouse clicks.

ASUS W2500 Wireless Keyboard and Mouse Set

ASUS W2500 is a wireless keyboard and mouse combo that's designed for utmost productivity. There's no additional software required, simply plug in the 2.4GHz dongle to your desktop or notebook and you're ready to go. Both keyboard and mouse have been designed to ensure you stay comfortable even after long hours of use.

ASUS 90W Universal Adapter

The ASUS 90W Universal Adapter is a 90-watt AC adapter for ASUS laptops and Ultrabooks. It includes three different connector tip sizes to ensure compatibility with different devices, so you can share it with friends and colleagues. Compact, travel-friendly dimensions (7.5 x 7.5 x 2.88 cm, adapter only).

ASUS Ultra Mini Universal Adapter

Engineered for easy travel, ASUS 65W USB-C Ultra Mini Universal Adapter features a compact design, high compatibility and changeable plugs, allowing on-the-go pros to charge quickly and easily. With fast-charge support for seamless productivity and integrated overheat and overpower protection, it's the small, smart and lightweight charger that packs a whole lot of power — perfect for your worldwide travels.

ASUS PEN SA201H

ASUS Pen SA201H is the perfect accessory for your ASUS touchscreen device, allowing you to write, draw or annotate in any supported app. It features MPP 2.0 technology to give you tilt and 4096-level pressure sensitivity, and its pressure-sensitive tip replicates a natural writing experience. Lasting up to a year on a single battery charge*, ASUS Pen SA201H is ready to use whenever and wherever you want. *Based on average daily use of 2 hours.

ASUS PEN SA300

ASUS PEN SA300 is an US1 method active stylus pen with an elegant and intuition design appearance. Aluminum material used in the shaft of a pen giving the comfort while using. Its 4096 pressure-sensitive tip replicates a natural writing experience, and with up to 9 months of use without needing to replace the battery, you'll be able to use ASUS PEN SA300 whenever and wherever you want.

Clique H10

These exquisite wireless Bluetooth® headphones are specially designed to deliver sensational audio performance that enriches every music listening experience. Clique H10 redefines the Bluetooth® headphone experience with its sensational audio performance and versatile, sleek design. Unique lock-in ear fins ensure earbuds stay securely and comfortably in place during exercise 5+ hours of continuous listening and 260 hours of standby time.

ROG Strix Fusion Wireless

ROG Strix Fusion Wireless is a wireless headset designed to give you freedom of movement. Compatible with PC, its 2.4GHz wireless connection and dual-antenna design offer a more stable and instant audio transmission, letting you game freely and without interruption. Its 50mm ASUS Essence drivers and exclusive airtight chamber technology lets you hear every detail in the game, and its easy touch controls ensure a smooth experience. Get ready to enjoy unparalleled flexibility.

AI Noise-Canceling Mic Adapter

ASUS AI Noise-Canceling Mic Adapter is the world's first USB-C-to-3.5 mm adapter with integrated AI Noise-Canceling Microphone (AI Mic) technology. It uses AI-powered noise cancellation to deliver crystal clear voice communication when used with any 3.5 mm headset with a microphone. Weighing just 8 grams, it includes a digital-to-analogue converter (DAC) that includes exclusive ASUS Hyper-Grounding technology to prevent electromagnetic interference, giving you noise-free audio. Get a big upgrade on sound quality with this small device.

Docking station

The newly upgraded ASUS USB3.0 HZ-3A Plus Dock lets you easily connect your laptop to all your accessories, and also gives you convenient network and audio connections! It connects to your PC via a single USB cable, and features two USB 3.0 ports on each side that now support a powerful fast-charge function for quickly recharging your portable devices. We've also added a DC-out 90W charger port for charging your laptop at the mean time.

ASUS MHS07K monitor ergonomic stand

The ASUS MHS07K monitor ergonomic stand maximizes viewing comfort and improves productivity by giving tilt, pivot, swivel, and height adjustable capability for the ideal viewing position. For example, with the ASUS MHS07K monitor stand, users can pivot the monitor clockwise or counterclockwise 90° into a portrait orientation for less scrolling while reading longer e-mails and web pages.

ASUS MKT02 mini-PC Mounting Kit

The ASUS LCD monitor mounting solution, MKT02 Mini PC Kit, is designed to work with ASUS selective monitors for those who need to mount mini PCs on the monitor, to make the desktop clutter-free and space saving. Easily mount mini PCs on the selective stand to make the desktop clutter-free and space saving. The VESA is 100x100mm compatible.

YOUR TRUSTED BUSINESS SOLUTIONS

ASUS offers a comprehensive business product portfolio including servers, workstations, intelligent edge computers, Mini PCs, business motherboards, monitors and projectors to deliver end-to-end total solutions for business of all sizes, and has over 1,000 service centers across 98 countries and employs over 5,000 world-class R&D talents, bridging the gap between business requirements and IT deployments.

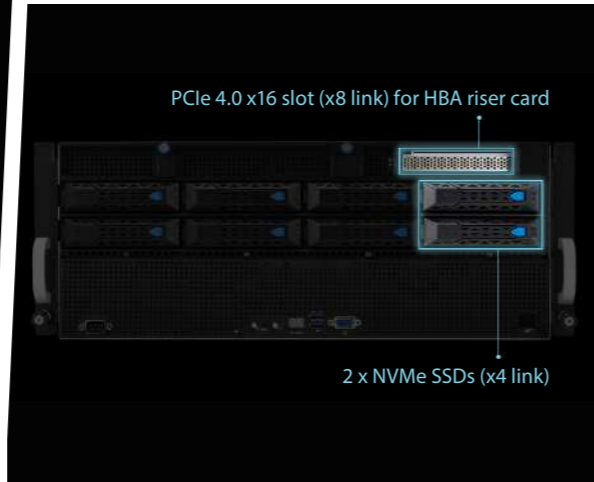

We offers:

- Rack and GPU server
- High-performance workstation
- Mini PCs for SMB and content creation
- Intelligent edge computer for AI and IoT applications
- Business and Industrial motherboard
- Business monitor and projector

ESC8000A-E11

AMD EPYC™ 7003 4U dual-socket GPU server featuring eight dual-slot GPUs, dual NVMe, dual M.2, OCP 3.0, four 3000 W Titanium power supplies and ASUS ASMB10-iKVM

Scalable design for growing workloads

ESC8000A-E11 features different combinations of storage and networking expansions and multiple interface types for flexible storage configurations.

2+2 Redundant power supplies

ESC8000A-E11 supports up to four 3000W 80 Plus Titanium redundant power supplies and the configuration can be set to redundant with 2+2, 2+1 or 1+1 modes.

Optimized thermal design

ESC8000A-E11 features a streamlined design with independent CPU and GPU-airflow tunnels for seriously efficient heat dissipation for overall savings on system power.

ExpertCenter E500 G9

Mainstream workstation with Intel® 12th Generation Core™ i3/i5/i7/i9 Processors, 128GB ECC memory, dual 2.5GbE LAN, Triple M.2, support for up to three display, one dual-slot graphics card, USB 3.2 Gen2x2 and ASUS Control Center.

Professional performance

Equipped with the Intel® 12th Generation Core™ Processors and ECC memory, plus support for an NVIDIA Quadro® graphics card, ExpertCenter E500 G9 delivers professional performance, reliability and guaranteed compatibility.

PCIe 5.0 ready

PCIe 5.0 also brings other benefits, such as electrical changes to improve signal integrity, backward-compatible CEM connectors for add-in cards, and backward compatibility with previous versions of PCI Express.

Dual 2.5G LAN connectivity

2.5G on-board Ethernet kicks your Ethernet connection up a notch with an up to 2.5X bandwidth improvement for a significant speed upgrade over traditional Gigabit LAN connections.

ASUS Corporate Stable Model (CSM)

The ASUS Corporate Stable Model (CSM) is a commercial program that provide stable motherboards and Mini PCs to business everywhere. In the 16 years that the motherboard CSM program has been operating in the United States and Canada, thousands of customers and solution providers have become part of the ASUS CSM partner network.

ASUS Control Center Express

ASUS Control Center Express is an integrated IT monitoring and management software that is compatible with over 100 ASUS motherboards to provide a better business solution.

Stable Supply

As the world's No. 1 motherboard brand, ASUS has great material-supply flexibility, and is able to respond rapidly to forecast changes.

Comprehensive Product Line-up

ASUS offers motherboard solutions for all major chipsets. Our motherboards are available in a wide range of form factors, with comprehensive compatibility validations and certifications.

Bright and Crisp Projection

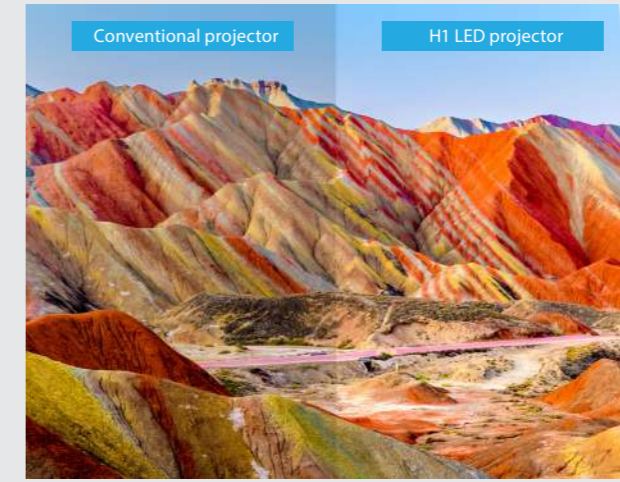

With 3000-lumen light output and 125% Rec. 709 and sRGB wide color gamut, ASUS H1 projects bright and crisp imagery at Full HD (1920 x 1080) resolution. A mercury-free RGB LED light source ensures gorgeous, fade-free projections for up to 30,000 hours – which amounts to around 20 years of real-world use, at an average of 4 hours per day.

Easy Projector Management

H1 has an RJ45 Ethernet port that's compatible with Crestron RoomView Express, enabling remote management of up to 250 projectors on the same network. You can view lamp life, send notifications or set an operational schedule - all on your PC.

Comprehensive Connectivity

H1 features a variety of user-friendly connectivity options, including two HDMI2.0 ports for 4K input, VGA, audio input and output, RS232, and one USB Type-A - so it's a cinch to connect up to multimedia sources.

H1 LED Projector

Full HD projector with 3000 Lumens and LED light source can last for 30,000 hours. The Integrated LAN port with Crestron RoomView® Express provides easy management of up to 200 projectors.

ASUS WEBCAM MONITOR BE27ACSBK

The Complete Videoconferencing Solution

ASUS BE27ACSBK is a WQHD (2560 x 1440) Zoom® Certified monitor designed for videoconferencing or livestreaming and it features an integrated FHD 2-megapixel webcam, microphone array and stereo speakers. Its 27-inch IPS panel provides wide viewing angles and delivers incredibly sharp imagery, and AI Noise-Canceling microphone eliminates background noise to enhance online voice communication. Plus, the front-facing stereo speakers deliver powerful audio so you can hear the other party loud and clear.

Without Auto Exposure

With Auto Exposure

Easy video streaming with integrated FHD webcam

The 2 MP FHD webcam is ready-made for videoconferencing and livestreaming. It offers 315° of rotation in both directions and 10° tilt adjustment — so you stay in frame, whatever your workstation setup. It also includes a sliding lens cover for privacy.

Face Auto Exposure

Technology integrated into the webcam detects your face automatically and fine-tunes the image to make your face look brighter and stand out from the background.

Compatible with Major Videoconferencing Software

The built-in ASUS AI Noise-Canceling Mic allows crystal-clear voice communication by using a processor loaded with AI-enhanced profiles that reduce over 500 million types of background noise while preserving vocal harmonies.

Sleek and portable design

ZenScreen Go MB16AWP is ideal for life on the go. It's slim 11.5 mm profile makes it easy to slip into any travel or messenger bag, and a 7800 mAh battery provides up to 3.5 hours of battery life* – making ZenScreen MB16AWP ready for productivity or entertainment anywhere.

No wires, no clutter

Built-in WiFi enables effortless wireless mirroring support with iOS, Android, Chrome OS and Windows devices*.

Work efficiently in any mode

ZenScreen Go MB16AWP includes a G-sensor that can automatically sense its orientation and switch the display between landscape and portrait modes while connected to your mobile devices. Landscape mode is ideal for presentations and spreadsheets, while Portrait mode gives you a perfect view of items such as documents, books or websites.

*Up to 3.5 hours of battery life in Wireless mode and 100% volume. Battery life is around 3.5 hours when used with a wired HDMI connection.
* Supports Win 10 above (including Win 11)

ZenScreen MB16ACV

Wireless freedom for any task

ASUS ZenScreen™ Go MB16AWP is a wireless portable monitor featuring a 15.6-inch FHD panel with an anti-glare surface and a super-narrow bezel design. It also features a built-in battery, so it's ideal for users who are constantly on the go. Wireless mirroring with laptops and mobile devices is enabled via WiFi, Miracast or AirPlay connection, and a fold-out adjustable stand enables a multitude of tilt angles to ensure comfortable viewing. ZenScreen Go MB16AWP includes two USB-C® (one for DC input) and a mini HDMI® port.

ASUS Mini PCs

Powerful, Compact and Versatile Solutions for Business and Professionals

Recognized for Quality

Each award is a testament to our relentless quest for perfection as we create technology that enhances the lives of people.

Eco-Friendly

ASUS Mini PCs are recipients of some of the industry's highest environmental certifications, including ePEAT Gold award and ENERGY STAR®. ASUS also exceeds legal compliance guidelines to protect customers, employees, and the environment.

Compact but Powerful

The most demanding workloads. Its compact, less-than-3-liter chassis takes up minimal space on a desk or workstation, making it well-suited for small and medium-sized businesses, retail settings, educational institutions, small offices, or homes.

Stability and Reliability

ASUS Mini PCs undergo rigorous noise, vibration, drop and thermal-shock tests to ensure reliability in extreme conditions for extended periods, ranging from dry 0° C temperatures to humid and hot environments exceeding 50° C.

Longevity and Manageability

ASUS Mini PCs undergo rigorous noise, vibration, drop and thermal-shock tests to ensure reliability in extreme conditions for extended periods, ranging from dry 0° C temperatures to humid and hot environments exceeding 50° C.

ASUS Mini PC ExpertCenter PN Series

Easy Modification Maximum Possibilities

Ultracompact 0.6-liter ASUS ExpertCenter PN series, with either Intel® or AMD mobile processors, provide flexible, comprehensive solutions for office, retail, digital signage, education and hospital applications – and are available as complete or barebones systems.

Military-grade Durability Legacy Support

ASUS ExpertCenter PN series is subjected to rigorous MIL-STD-810H durability tests, enduring extreme temperatures and humidity, high altitude, plus drop and vibration tests to ensure it's fit to perform in the harshest conditions.

Comprehensive Connectivity

PN series provides comprehensive connectivity with multiple ports, including a configurable port* to support legacy devices, additional displays or multiple network connections. Such versatility makes ASUS Mini PC perfect for a wide range of commercial scenarios.

* Configurable port options may vary by model or region

Easy Upgrades and Maintenance

PN Series can be easily disassembled to enable upgrades, to customize storage, or to add memory or a WLAN card.

Multi-storage Design

ASUS ExpertCenter PN Series is able to accommodate two M.2 SSDs and a 2.5-inch HDD, allowing users to specify custom storage solutions for a balance of speed and capacity that best suits their needs.

ASUS Mini PC PB series

Solid reliability for your business

- **Fanless design*** - Silent operation and reduced power consumption.
- **Optional stackable modules*** - Easily add the additional functionality you need.
- **Comprehensive I/O ports*** - Fast and convenient connectivity for a wide range of business uses.
- **24/7 reliability** - Extensively tested to ensure long-term reliability.

*Fanless design is only available on select models
 *Optional stackable module availability may vary by model or region
 *I/O port options may vary by model or region

GOLD

PB60 / PB62

ASUS & Chrome Enterprise Solution

ASUS Chromebox Enterprise devices combine the end-user benefits of Chromeboxes with the business capabilities of Chrome OS for IT to secure, orchestrate and power the cloud workforce, and for further empowering your enterprise. Secure and intelligent hardware solutions for working remote. Get started immediately out of the box with zero-touch enrollment.

PRODUCT | CHROMEBOX

ASUS Chromebox 4

ASUS Chromebox 4 features a 10th Generation Intel® Core™ or Celeron® processor and DDR4-2666 memory for faster, smoother and more energy-efficient performance. It also supports up to three 4K displays and comes equipped with versatile USB-C® 3.2 Gen 1 and USB 3.2 Gen 2 Type-A ports for fast data transfers, and USB-C also supports power delivery and DisplayPort connections.

ASUS Fanless Chromebox

ASUS Fanless Chromebox features a 10th Generation Intel® Core™ or Celeron® processor. The fanless aluminum chassis has multiple metal fins to efficiently dissipate heat while operating quietly and to reduce maintenance needs in commercial environments. ASUS Fanless Chromebox also supports up to three 4K displays and comes equipped with versatile USB-C® 3.2 Gen 1 and USB 3.2 Gen 2 Type-A ports for fast data transfers, and USB-C also supports power delivery and DisplayPort connections.

ASUS - Google Meet Hardware Kit

ASUS - Google Meet hardware is the latest smart one-touch video-conferencing solution with HD visuals for Google Meet. Three ASUS - Google Meet hardware kits are available to suit any meeting room and provide an effective solution for organizations of any size.

RT-AX86U

AX5700 Dual Band WiFi 6 Router for SMB, Lifetime Free Internet Security, Mesh WiFi support, 2.5G Port*, Adaptive QoS,

Ultrapowerful WiFi 6 with true 2 Gbps wired and wireless speeds

Enjoy ultrafast speeds up to 5700 Mbps with the latest WiFi 6 and 160MHz channels. RT-AX86U comes with a 2.5 Gbps WAN/LAN port, giving it true 2 Gbps networking capabilities for WAN, LAN and WiFi.

Mesh WiFi support across your office

RT-AX86 Series supports ASUS AiMesh, a unique mesh-networking technology that creates a whole-home network using multiple ASUS routers. With easy central control and seamless roaming, even non-experts can set it up with any AiMesh-capable routers you own.

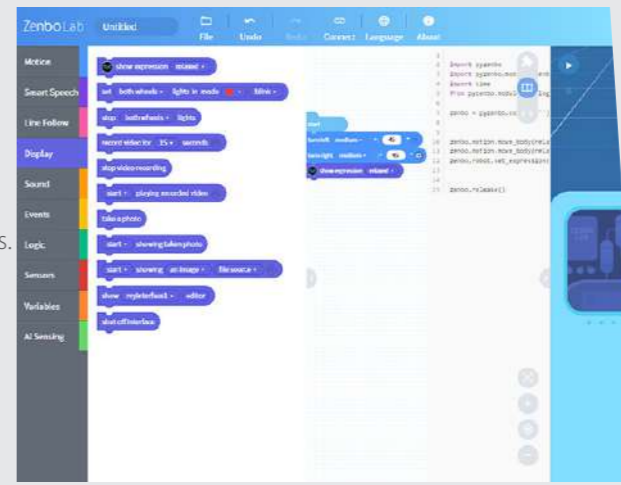

Commercial-grade network security

Lifetime free ASUS AiProtection Pro, powered by Trend Micro™, with WPA3 and advanced Parental Controls to protect all connected devices.

Zenbo Lab

Zenbo Lab inspires AI applications from learning results to implement “Artificial Intelligence Education” and create various robotics applications.

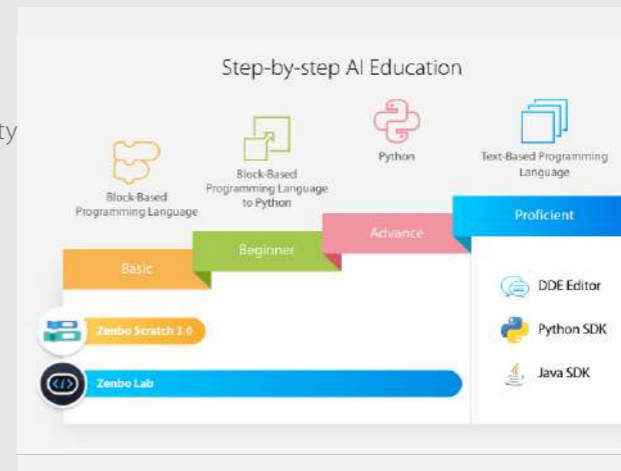

1. From block-based programming to text-based coding
2. One click to convert to Python code
3. Lower the learning curve for text coding

Zenbo series with Scratch 3.0

Zenbo Junior II becomes an asset for AI learning, connecting to other devices and increasing diversity and ease to use.

1. Connect to other devices, such as LEGO® Mindstorm EV3 and BBC micro:bit
2. Connect to one or multiple devices at once
3. Control Zenbo Junior II with real-time remote handset

Developer Tools

Based on Android, we offer various APIs, including dialogue, actions, expressions, IoT and other features that make Zenbo Junior II suitable for different applications.

Zenbo Junior II
Expansive Applications,
Flipped Learning

DESIGNED FOR ALL SECTORS

Trusted, Flexible, Designed for You

No matter what business size or industry type, ASUS offers full support with a complete lineup of productive and reliable products, along with worldwide warranty and service. ASUS products are versatile and dependable, so no matter what your needs, look no further than ASUS.

ASUS MODERN OFFICE SOLUTIONS

ASUS values its relationship with businesses, no matter what their size. Micro-businesses with limited IT budgets; large enterprises that require simplified remote management; sales operations that require rapid mobility and security; or designers and engineers seeking high performance computing — all these customers can rely on ASUS to provide comprehensive solutions tailored to their unique technology requirements.

Back-Office

Simplified Solutions You Can Rely on

Computers used for administrative and back-office tasks do not normally need particularly high performance, but good ergonomics are essential to ensure maximum efficiency and productivity. ASUS offers a complete range of industrial-grade, wide-screen compatible and ergonomic desktop computers. Where workspaces are restricted in size, the small-form-factor(SFF) PC has the ideal balance between size and performance. Large-screen notebooks may be a solution for those users needing a degree of mobility, or for use in hot-desking environments.

ASUS ExpertCenter D5 Small Form Factor

For a space-limited office environment, ASUS offers space-saving small-form-factor (SFF) desktops that can be used either vertically or horizontally. These compact models provide a perfect balance of performance, expandability and space-saving efficiency.

ASUS AiO

ASUS All-in-One PCs pack everything you need into a slim and stylish design for a clutter-free user experience. Its NanoEdge display features a thin bezel for edge-to-edge viewing and it offers 22/ 24/ 27-inch widescreen display options all with wide-view technology that makes it perfect for sharing with colleagues. And with its precise 10-point multi-touch capability, it's easier than ever to interact and control!

ASUS ExpertBook B1

Large-screen laptops can even replace desktop adding the benefits of occasional mobility while maintaining high levels of performance and flexibility. B1400 has a 14" screen, dual storage options, and a full complement of I/O ports, providing the perfect balance between functionality and price. B1400 is great value, and an essential choice for your business.

ASUS Mini PC

ASUS Mini PC has a space-saving design that makes it easy to conceal behind the monitor it's connected to. Power consumption complies with internationally recognized standards such as Energy Star and EPEAT. As well as its exceptionally-compact design, ASUS Mini PC also provides plenty of computing power for standard office tasks.

ASUS Eye Care Monitor

ASUS widescreen displays enable powerful multi-tasking desktop environments for staff, while reducing the eyestrain associated with ASUS Eye Care technology. Its slim-bezel NanoEdge display provides more screen in less space, for an incredibly compact footprint.

Sales Staff

Art & Designer

Rapid Mobility

ASUS ExpertBook provide everything you need for on-the-go productivity. Notebooks often carry sensitive and confidential commercial information, and travel can expose this information to both physical and security risks. ExpertBook features comprehensive security management features that allow enterprises to ensure full protection of sensitive data at all times. When communicating with potential customers in public spaces, a portable projector is an incredibly effective means of interaction.

ASUS ExpertBook B9 (B9400)

Its sleek, precision-crafted and minimalist chassis of ExpertBook B9 pushes the limits of lightness for ultimate portability, while giving it a toughness that has no equal. It's built for serious travel with an amazing all-day battery life, and is engineered with many cutting-edge technologies to improve your on-the-go work efficiency.

ASUS detachable laptop

The ultra-thin, feather-light ASUS Transformer Mini is two amazing devices in one! It features up to 11 hours of battery life and supports all the great new features of Windows 10, making it easy to integrate with standard business systems and office applications.

ASUS Eye Care Monitors

ASUS widescreen displays enable powerful multi-tasking desktop environments for staff, while reducing the eyestrain associated with ASUS Eye Care technology. Its slim-bezel NanoEdge display provides more screen in less space, for an incredibly compact footprint.

ZenScreen Portable Monitor

Lightweight USB monitors are an ideal portable display solution for personnel working away from the office. They allow users to enjoy the benefits of dual-screen computing even when traveling.

Portable LED Projectors

ASUS portable LED projectors ensure successful mobile presentations anywhere, anytime. Their compact size makes them easy to fit in a briefcase for on-the-road use, while the multi-format interface offers even faster and more convenient data transfer.

High-Performance Computing Aids Creativity

Design professionals demand fast graphics, large screens and accurate color rendering. Powerful workstations with adequate space and expandability can satisfy the high-performance 2D and 3D graphics and programming demands of product designers, developers and R&D departments. Professional-grade monitors are another essential in any design department. ASUS Professional Monitors are capable of meeting demanding color accuracy requirements, with accurate color calibration and clear, sharp displays that have outstanding fidelity with any source material.

ASUS ProArt Professional Monitor

ASUS ProArt monitors are at the forefront of display technology, with exclusive innovations and a variety of industry-leading, high-precision technologies, including QuickFit Virtual Scale, ASUS Splendid video technology and an intuitive five-way navigation key. The 4K IPS panels used provide superior color accuracy, high resolution and wide viewing angles.

ProArt Studiobook

ProArt Studiobook is one of the world's slimmest laptops to feature NVIDIA® Quadro® graphics, making it a mighty powerhouse that brings ideas to life. It boasts a slim-bezel NanoEdge display that effectively allows for a larger display to fit into its compact chassis for immersive visuals.

ProArt Station PD5

The all-new, workstation-class ASUS ProArt Station addresses the specific needs of creative professionals, delivering powerful and stable computing performance for computer-aided design (CAD) workflows for architecture, engineering and manufacturing, combined with an attractive, compact design that blends easily into any workspace.

ASUS ProArt Curved Professional Monitor

ASUS ProArt professional-grade monitor is ideal for graphic designers and video producers, featuring a curved IPS display capable of reproducing 100% of the sRGB color gamut for more immersive visuals and versatile dual Thunderbolt™ 3 ports for video connectivity, data-transfers at speeds of up to 40 Gbps.

Workstation

With maximum GPU processing power, ASUS workstations provide the multimedia processing performance that designers demand. With fully-integrated advanced I/O capabilities, these highly-efficient and ultra-quiet workstations are the perfect choice for any kind of intensive graphics work.

Engineer

Meeting Room

Simplified Management and Future Expandability

Engineers typically interact with a wide range of systems and applications to give them the creative versatility they need. But the wide range and variety of equipment they use means that administration, support and maintenance can become a complex burden. ASUS provides high-quality servers, fast network infrastructure and reliable data storage, with management software solutions for enterprise and SMB, giving engineers a simplified and easy-to-manage IT structure.

ASUS ExpertCenter

ASUS offers a wide selection of desktop PCs, from lightweight space-savers to reliable high-performance workstations. The exclusive ASUS Business Manager Suite allows MIS personnel to perform routine maintenance easily, minimizing time spent on updates and installations. ASUS provides complete, cost-effective computer solutions for a variety of needs.

ExpertBook B5

With seamless connectivity, the ultralight and compact ExpertBook B5 could connect to a network or three external monitors simultaneously to supercharge the productivity for engineers. It also offers high-performance dual storage options that give you the benefit of superfast data transfer and high-capacity storage.

Servers

Fast-growing business need to keep one eye on budget constraints and another on future hardware requirements. ASUS can supply everything from entry-level servers to flexible datacenters that leverage the large-scale storage capacity and vast computational power of the cloud. ASUS can support the growth of your business every step of the way.

Networking

Our comprehensive range of network equipment provides SMBs with a powerful, efficient and cost-effective infrastructure solutions. Energy efficiency is assured by the Green Network feature, which conserves power when connected devices are in standby mode. This can reduce power consumption by as much as a 57%.

ASUS Business Monitors

ASUS Business Monitor features an ergonomically-designed stand with tilt, swivel, and height adjustments for versatile viewing experience and perfect for multi-display setups with DisplayPort which allows users to daisy chain monitors for a multi-display setup.

Enhanced Communication

Effective communication is vital to any successful business. Tools that ensure a smooth and uninterrupted flow of information between staff, partners, customers, and the market are essential to building trust and understanding, enabling consensus to be quickly reached, and ensuring business goals are met. ASUS provides a wide range of technologies for conference rooms, including high quality video conferencing, projection, WiFi, digital displays, stable networking and more.

ExpertBook B3 Flip

The compact 14-inch ExpertBook B3 Flip with a versatile, tough design. Equipped with the two-way AI-noise cancellation technology and a noise-reducing camera for excellent video conferencing. It also has a full set of I/O ports for versatile peripheral connections and a 360° hinge with a garaged stylus for easy screen sharing.

Projectors

The ASUS range of LED projectors offer ultra-short throw and high brightness in a compact and portable form factor. They are ideal for reducing hardware costs and energy consumption, and can be moved easily between meeting rooms to maximize resource sharing.

ASUS Chromebox for meetings

ASUS Chromebox for meetings is an easy-to-use but powerful video conferencing solution that gives you the convenience of face-to-face meetings with staff located anywhere in the world. With a wealth of dedicated Google apps such as a company calendar, conference planning and more, meetings can be more productive and cost-effective.

Networking

Our comprehensive range of network equipment provides a powerful, efficient and cost-effective infrastructure solution for meeting rooms, ensuring stable video conferencing and internet access throughout the meeting.

ASUS Monitor

ASUS monitors come in a variety of sizes that can be perfect for placing in a conference room. Being VESA mount compatible and can be paired with a mini PC or Chromebox for video conferencing use, or can be used to extend a notebook's screen.

ASUS RETAIL & SERVICE SOLUTIONS

In the highly competitive consumer market, it is vital to use technology to improve communication with customers, while focusing limited manpower on providing customer service. Therefore, the use of integrated information technology equipment and information services to help improve customer satisfaction — while promoting customer loyalty and repeat purchases — is the key to survival in the retail and services sector.

Warehouse & Distribution Center

Streamline Production Control and Inventory Management

For warehouse and distribution centers, tablets combined with hand-held scanners not only reduce data-entry time, but they also make it possible to update central systems in real-time for robust production control and inventory management. In busy and complex production environments, a streamlined thin-client-based architecture is often the preferred solution, with limited need for high-performance computing.

ExpertBook B3 Detachable

ExpertBook B3 Detachable employs Microsoft Windows 11 operating system, making it easy to integrate with inventory management systems. It can also help deliver interactive and personalized experiences for all customers, display in-store advertisements, and perform customer satisfaction surveys.

ExpertBook Flip Laptops

ExpertBook Flip laptops can easily integrate with inventory management systems, allowing staff members to always keep track of the inventory status. Combined with handheld scanners, ExpertBook Flip laptops help reduce data-entry time and enables real-time updates of the production status.

ExpertCenter AiO

The space-saving and touch-enabled ExpertCenter All-in-One PC is the preferred choice for crowded warehouse and distribution centers. With no keyboard and mouse required, workers can easily control the PC using just their fingertips. Built-in serial ports allow connection with peripherals such as barcode scanners for easy inventory management.

ASUS Mini PC

Its compact size is easy to conceal behind the monitor it's connected to, allows smooth high-performance computing for factory operation. In addition to being exceptionally affordable, the ASUS Mini PC saves space and is easy to remove for maintenance.

Networking

ASUS networking equipment offers a stable and effective solution for wired environments. Alternatively, our latest high-coverage wireless equipment helps to ensure fast and uninterrupted access for a seamless online experience throughout the warehouse or factory.

Retail Store & Restaurant

Public Area

Ensure Efficiency During Service

ASUS has a comprehensive product range, and can provide competitive tailored solutions for any retail environment, helping you make the most of your budget. From space-saving All-in-One PCs with convenient touchscreen functionality; ultra-compact Mini PCs that can be combined with point-of-sale (POS) systems; our wide range of display and digital signage products; plus our wired or wireless networking infrastructure to suit any size of premises.

ExpertBook B3 Detachable

ExpertBook B3 can simplify the ordering process in restaurants, allowing waiters to take order at the customer's seat and send it instantly to the kitchen. It can simplify the ordering process in restaurants. Customers no longer have to wait in line to order.

Mini PC

Perfect for use with a digital billboard, its compact size is easy to conceal behind the monitor it's connected to. It's also compatible with POS peripherals and software. In addition to being exceptionally affordable, it saves space and is easy to remove for maintenance. For limited storefront space and a modest budget, ASUS Mini PC is the ideal choice.

ASUS Touch Monitors

ASUS touch monitors help deliver interactive and personalized experiences for all customers, display in-store advertisements, and perform customer satisfaction surveys. Being VESA mount compatible, ASUS touch monitors can be placed wherever needed.

ExpertCenter E1 AiO

ASUS ExpertCenter E1 AiO is an excellent choice when it comes to running a store's POS system. The All-in-One design gets rid of the mess of external cables, giving a better appearance in customer-facing areas, while the intuitive touchscreen's simplicity and convenience help ensure smooth operation.

Stick PC

ASUS stick PCs are candy-bar-sized computing solutions that turn any HDMI monitor or TV into a computer. Chromebit CS10 is an easy-to-manage, energy-efficient Chrome OS solution for businesses, and can be used for in-store point-of-sale (POS) displays, signage, and kiosk installations.

Efficient Communication with the Public

When communicating with potential customers in public spaces, large-scale digital signage is an incredibly effective means of interaction. Digital billboards and video walls have proven results in locations such as airports, railway stations, hotels, and retail stores. Interactive touch All-in-One PCs and space-saving mini PCs connected with fast and reliable wireless and/or wired internet connectivity are suitable for information kiosks or public PCs, fulfilling the demand by both business and leisure users at public areas.

Stick PC

ASUS VivoStick is a shirt-pocket-sized device that turns any HDMI monitor or TV into a fully functional Windows PC. It has a wealth of business applications and can be used as a plug-and-play media player to power digital signage or outfield scoreboards, or as a secure kiosk solution.

MiniPC

With an ultra-compact form factor, VivoMini can be placed in unobtrusive locations, such as behind digital signage. VivoMini can also integrate easily with POS peripherals and software. As well as being highly affordable, VivoMini save space and can be easily removed for maintenance.

ASUS Monitor

A larger size monitor is an ideal and cost-effective alternative to printed information in busy areas such as hotel lobbies, dining areas, and leisure facilities. Attractive and eye-catching dynamic multimedia content can help drive sales in retail locations, or provide useful guest information services such as upcoming special event schedules, weather forecasts or other local information.

ExpertCenter AiO

ExpertCenter All-in-One PC is available in several sizes, all of which can be wall-mounted. The slim and stylish design allows All-in-One PCs to be integrated easily into public spaces, while touch-screen functionality provides an intuitive user interface that's ideal for interactive applications.

Networking

The provision of internet connectivity in public areas and guest rooms is a must for hotels. ASUS network equipment is the foundation of a fast and reliable network infrastructure, with greatly-reduced power consumption thanks to the Green Network features.

ASUS EDUCATION SOLUTIONS

We are here to help you cultivate the minds of the next generation with a total solution for progressive and innovative learning. Education is what countries are built on. For society to progress and nations to sharpen their competitive edge, education must constantly innovate. At ASUS, we look into the future with your current needs in mind to design the ideal education experience. We believe that with technology, every student can benefit from an individualized learning experience that is as effective as it is engaging. Because in today's digital age, learning does not need to be confined to the classroom — it can be accomplished anytime, anywhere with the help of mobile technology and the cloud. Unsurprisingly, forward-looking schools are attaching increasing importance to their on-campus information infrastructure. And we are here to provide you with the total education solution.

Use Progressive Teaching and Learning Methods

The development of touch-enabled computers and cloud technologies has ushered in a new generation of teaching methods. Leaving behind the days when the teacher writes on the blackboard and students take notes, the era of interactive digital learning is changing the way interactions take place in the classroom. Toughness is an essential focus for education use. ASUS Chromebook Education series is designed to withstand all the everyday knocks and bumps in academic life.

ASUS Chromebook Flip

ASUS Chromebook Flip is built to deliver an innovative learning experience. As well as a versatile touchscreen display and a built-in stylus, there's also a 360°hinge and a world-facing camera.

ASUS Chromebook

Built to meet US military-grade standards, ASUS Chromebook features the classroom-ready durability with the all-round rubber bumper, spill-resistant keyboard and ultratough I/O ports. And with its school day-long battery life and time-saving, easy-to-service modular construction, it is ready for anything!

ASUS Chromebook Detachable

With its super-rugged construction, compact design and detachable keyboard, it is the choice for a more engaging and innovative learning experience.

ASUS Touch Monitors

ASUS touch monitors make learning more engaging and exciting for teachers and students with a 10-point multi-touch interface.

Computer Lab

Library

Simplify Lab Management

Routine maintenance is a perennial problem for computer lab administrators, often made unnecessarily difficult by the lack of management resources or the benefits of tool-free, modular product design. This is where we come in. Smarter space-planning for computer labs is possible when you have a wide selection of form factors and designs in desktop PCs and LCD monitors to choose from. Our total education solution simplifies things so you can focus on what's really important.

Desktop

ExpertCenter computers come in all shapes and sizes - from space-saving designs to larger tower models with tool-less design for easily upgradable hardware.

Workstations

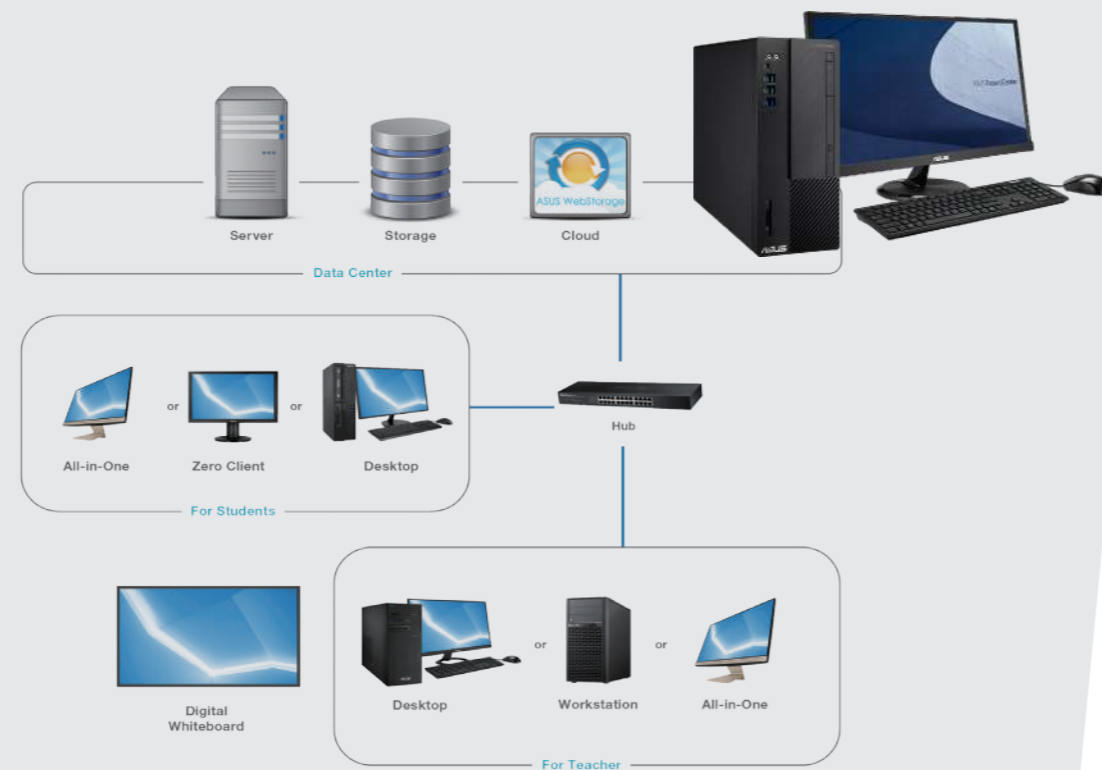

ASUS workstations offer high-speed computing power and unparalleled scalability required to operate multiple workstations simultaneously in a very quiet environment.

Servers

From entry-level servers to flexible datacenters that leverage the large-scale storage capacity and vast computational power of the cloud. ASUS can support the growth of your business every step of the way.

LED Monitors

Our award-winning LED monitors combine ergonomics with an energy-efficient design for outstanding brightness and high-contrast displays.

Empower a Rich and Efficient Resource Center

Libraries have been quick to embrace the time and money-saving potential of technology. Reducing the man-hours spent filing index cards and freeing up space is just a start. Handling inquiries and reservations over the Internet makes it faster for teachers and students to check the publication details of a book, pinpoint its physical location and view its current lending status. ASUS has all you need to create a library filled with knowledge, and facilitated by technology.

All-in-One PC

Among the devices that libraries currently use, All-in-One PC is becoming a standard choice. With a multi-touch screen that cuts back on keyboard use, it can even be wall-mounted to save space.

Chromebox

ASUS Chromebox helps you conveniently manage and update your inventory while at the same time reducing software and operating cost.

Servers

From entry-level servers to flexible datacenters that leverage the large-scale storage capacity and vast computational power of the cloud. ASUS can support the growth of your business every step of the way.

Networking

ASUS networking equipment offers your library an effective solution to wireless dead zones, ensuring fast and uninterrupted access for a seamless online experience.

CPU	Intel® Core™ i9-12900 processor 5.1 GHz (30MB cache, up to 5.1 GHz, 16 cores) (vPro, by request) / Intel® Core™ i7-12700 processor 4.9 GHz (25MB cache, up to 4.9 GHz, 12 cores) (vPro) / Intel® Core™ i5-12500 processor 4.6 GHz (18MB cache, up to 4.6 GHz, 6 cores) (vPro) / Intel® Core™ i5-12400 processor 4.4 GHz (18MB cache, up to 4.4 GHz, 6 cores) / Intel® Core™ i3-12100 processor 4.3 GHz (12MB cache, up to 4.3 GHz, 4 cores)	Intel® Core™ i7-11700 processor 2.5GHz (16MB cache, up to 4.9 GHz, 8 cores) / Intel® Core™ i5-11500 processor 2.7 GHz (12MB cache, up to 4.6 GHz, 6 cores) / Intel® Core™ i5-11400 processor 2.6 GHz (12MB cache, up to 4.4 GHz, 6 cores) / Intel® Core™ i3-10105 processor 3.7 GHz (6MB cache, up to 4.4 GHz, 4 cores)
Chipset	Intel® Q670	Intel® Q570 / Support Intel® vPro Technology
Discrete GPU	NVIDIA® GeForce® GT730 2GB DDR5 : 1x DVI, 1x D-SUB, 1x HDMI / NVIDIA® GeForce® GT1030 2GB : 1x DVI, 1x HDMI / NVIDIA® GeForce RTX™ 3060PH 12GB : 3x DisplayPort, 1x HDMI / NVIDIA® T600 4GB DDR6 : 4x mini-DP (by request)	NVIDIA® GeForce® GT730 2GB DDR5 : 1x DVI, 1x D-SUB, 1x HDMI / NVIDIA® GeForce® GT1030 2GB : 1x DVI, 1x HDMI / NVIDIA® T600 4GB DDR6 : 4x mini-DP
Integrated GPU	Up to Intel® UHD Graphics 770	Up to Intel® UHD graphics 750
Memory	4 x DIMM slot, dual channel DDR5 4800 MHz* up to 128 GB 8GB/ 16GB/ 32GB DDR5 U-DIMM *≤2 DIMMs (1 channel 1 DIMM) go with 4400 MHz. ≥3 DIMMs (1 channel 2 DIMMs): 1R/1R RAM(≤16GB module) go with 4000 MHz, 2R/2R(32GB module) DRAM go with 3600MHz	4 x DIMM slot, dual channel DDR4 3200/2933/2666 MHz, up to 128GB 4GB/ 8GB/ 16GB DDR4 U-DIMM *DIMM module is 3200MHz but clock down due to CPU limitation. 2933MHz for i5 above and 2666MHz for below i5.
Expansion slot	1 x PCIe® 4.0 x16 (Via processor) / 2 x PCIe® 3.0 x1 (Via PCH) / 1 x PCIe® 3.0 x4 with x16 connector via PCH / 2 x M.2 for storage (PCIe4 x4) / 1 x M.2 for WiFi (PCIe & CNVi co-lay)	1 x PCIe® 4.0/3.0 x16 / 2 x PCIe® 3.0/2.0 x1 / 1 x PCI Express 3.0 x4 with x16 connector / 2 x M.2 for storage / 1 x M.2 for WiFi / 4 x DIMM slot
Serial ATA	4 x Serial ATA 6.0 Gb/s	3 Serial ATA 6.0 Gb/s
Storage	1 x 3.5" HDD + 1 x 2.5" HDD (support HDD tool-free design on 3.5" HDD) / 2 x M.2 SSD, up to 2TB PCIe® 4.0/3.0 SSD (support Raid 0/1 for user upgrade) - 1st M.2 support SSD PCIe® 4x4 mode (via CPU, near-by CPU) - 2nd M.2 support PCIe® 4x4 mode (via PCH, near-by card reader) 1TB/ 2TB HDD 3.5" 7200 rpm; 128GB/ 256GB/ 512GB/ 1TB M.2 PCIe® Value SSD; 512GB/ 1TB M.2 PCIe® Performance SSD(By request)	1 x 3.5" + 1 x 2.5" HDD, up to 2TB 7200 rpm (support HDD tool-free design) / 2 x M.2 SSD, up to 1TB PCIe® 3.0 SSD - 1st M.2 support SSD SATA mode & PCIe x4 mode (near-by CPU) - 2nd M.2 support Optane/Intel TG SSD and SATA & PCIe4 mode (near-by card reader) 1TB/ 2TB HDD 3.5" 7200 rpm; 128GB/ 256GB/ 512GB/ 1TB M.2 PCIe® Value SSD; 512GB/ 1TB M.2 PCIe® Performance SSD
Drive bays	1 x 3.5" HDD + 1 x 2.5" HDD	1 x 3.5" HDD internal bay / 1 x 2.5" HDD internal bay
Optical drive	Slim type DVD RW / Slim type DVD ROM	Without optical disc drive (optional) / DVD RW (optional) / DVD ROM (optional)
Wireless	Antenna type: external / Without Wi-Fi card (optional) / Dual band 2x2 Wi-Fi 6E (802.11ax) + Bluetooth 5.2_CNVi (vPro, optional) / Dual band 2x2 Wi-Fi 6 (802.11ax) + Bluetooth 5.2_CNVi (non-vPro, optional) / Dual band 2x2 Wi-Fi 5 (802.11ac) + Bluetooth 4.2/5.0/5.2 (optional)	Without WiFi card (optional) / Dual band 2x2 WiFi 6 (802.11ax) + Bluetooth® 5.0_CNVi (Vpro, optional) / Dual band 2x2 WiFi 6 (802.11ax) + Bluetooth® 5.0_CNVi (Non-Vpro, optional) / Dual band 2x2 WiFi 5 (802.11ac) + Bluetooth® 4.2 (optional)
Audio	7.1 Channel High Definition Audio / ASUS Two-Way AI Noise-Canceling Technology / DTS Audio	7.1 surround sound high-definition audio / ASUS two-way AI Noise-Canceling Technology
Front I/O ports	2 x USB 3.2 Gen 2 Type-A / 4 x USB 3.2 Gen 1 Type-A / 2 x USB 2.0 Type-A / 1 x USB 3.2 Gen 2 Type-C / Smart card reader & SD card reader (optional) / 1 x 3.5mm combo audio jack / 1 x Headphone	4 x USB 3.2 Gen 1 Type-A / 2 x USB 3.2 Gen 2 Type-A / 1 x USB 3.2 Gen 2 Type-C / Smart Card Reader & SD Card Reader (optional) / 1 x 3.5mm combo audio jack / 1 x Headphone
Rear I/O ports	2 x PS/2 keyboard and mouse port / 1 x HDMI 1.4 / 1 x VGA Port / 2 x Display Port / 1 x LAN (RJ-45) port with LED indicator / 2 x USB 3.2 Gen1 Type-A / 2 x USB 2.0 Type-A / 3 x Audio jacks support 7.1 channel audio output / 1 x Parallel port (optional) / 2 x Serial port (optional) / one via serial port w/BKT	2 x PS/2 keyboard and mouse port / 1 x HDMI 1.4 / 2 x DisplayPort 1.4 go DP 1.2 / 1 x VGA Port / 1 x LAN (RJ-45) port with LED indicator / 2 x USB 3.2 Gen1 / 2 x USB 2.0 Type-A / 3 x Audio jacks support 7.1 channel audio output / 1 x Parallel port (optional) / 2 x Serial port (optional)
Power supply	180W power supply (TFX Single Output) (80+ Bronze) / 300W power supply (TFX Single Output) (80+ Platinum)	180W (TFX single output) (80+ Bronze) / 300W (TFX single output) (80+ Platinum)
Dimension	9.46(W) x 29.27(D) x 33.96(H) cm	9.46(W) x 29.2(D) x 33.9(H) cm
Dimension with carton	23.2(W) x 49.2(D) x 49.0(H) cm	23.2(W) x 49.2(D) x 49.0(H) cm
Weight	5 kg	5 kg
Included in the box	Power cord, Warranty card, Quick start guide, Keyboard/Mouse (optional)	Power cord, Warranty card, Quick start guide, Keyboard/Mouse (optional)
Optional accessories	Serial port cable, Parallel port cable, Trusted Platform Module (TPM) 2.0, Chassis intrusion cable, Audio module, Buzzer cable, Smart card reader + SD card reader, External antenna	Serial port cable, Serial port bracket, Parallel port cable, Trusted Platform Module (TPM) 2.0, Chassis intrusion cable, Audio module, Buzzer cable, Smart card reader + SD card reader
Security	Trusted Platform Module (TPM) 2.0 (optional), Buzzer cable (optional), Kensington lock slot, Pad lock slot, HDD user password protection and security	Trusted Platform Module (TPM) 2.0 (optional), Buzzer cable (optional), Kensington lock slot, Pad lock slot, HDD user password protection and security
Feature software	ASUS Control Center, MyASUS, AI Recovery (China only and Taiwan only), AI Noise Cancellation	ASUS Control Center, MyASUS, AI Recovery (China only and Taiwan only)
Energy efficiency compliance	Energy Star, EPEAT *Note: Depends testing result	Energy Star, EPEAT
