Arizona House of Representatives

RE: House Bill 2788: United Nations; sustainable development; prohibition

Speaker Toma,

Today, I vetoed House Bill 2788. Included in the United Nations' core goals is decreasing hunger, poverty, and ensuring a quality education for all, goals that every Arizonan can support. This bill would limit our ability to meaningfully address these issues, and therefore limit our ability to ensure the long-term prosperity of Arizona and our constituents.

Sincerely,

Katie Hobbs  
Governor  
State of Arizona
