

Arizona Opioid Use Disorder Review Council

PURPOSE: To: (1) review and make recommendations to the Arizona Health Care Cost Containment System regarding; (a) the standards for designating centers of excellence for medication-assisted treatment for opioid use disorder; (b) the reporting requirements for care delivery activities in designated centers of excellence; (c) availability of and barriers to access to all United States Food and Drug Administration-approved medications for treating opioid use disorder and whether utilization controls are appropriate; (d) other state licensure and treatment models that provide outpatient opioid treatment; (e) patient outcomes that are reported to the Arizona Health Care Cost Containment System administration by contracted providers who receive reimbursement for medication-assisted treatment for opioid use disorder; and (2) recommend to the Legislature changes to the laws regarding medication-assisted treatment for opioid use disorder. On or before December 15 of each year, submit a report of the Council's activities and recommendations to the Governor, the President of the Senate and the Speaker of the House of Representatives and provide a copy of this report to the Secretary of State.
