

Joint Legislative Ad Hoc Study Committee on Water Security

PURPOSE: To convene and solicit information from water users, stakeholders, and the public regarding state solutions to address water security in Arizona. The Study Committee shall consider evidence and testimony regarding: (1) the state's existing and future water supplies; (2) methodologies and modeling used to quantify supplies; (3) opportunities and challenges associated with improving water storage and infrastructure; (4) the state's regulatory and funding framework for augmentation, conservation, efficiency, recharge and reuse efforts; (5) public-private solutions to improve security; (6) the impact of water uncertainty across Arizona's water users, industry sectors and property owners; and, (7) and any other issue the Study Committee deems relevant to its investigation. The Study Committee shall submit a report of its findings to the President of the Senate and the Speaker of the House of Representatives on or before December 31, 2023, and December 31, 2024, containing a complete record of its findings.
