Representative Kolodin on the Advancement of Critical Election Deadline Legislation

STATE CAPITOL, PHOENIX – The House Municipal Oversight and Elections Committee jointly met today with the Senate Elections Committee to deliberate and vote on a package of bills, [HB 2785](#) and [SB 1733](#), which provide a comprehensive solution to correct election deadline conflicts and strengthen voter confidence. Both bills were approved.

A statement from Representative Kolodin, sponsor of HB 2785:

“After months of negotiations, a unified Republican front was able to display and discuss with the public commonsense comprehensive reforms that both get the counties the additional days they need and increases public confidence in the elections process. Today’s hearing clearly established these bills address the needs of the counties and has earned their support. I look forward to continuing negotiations in good faith with our counterparts across the aisle. I am more determined than ever and confident that we will get to a solution.”
