STATE OF THE STATE ADDRESS  
GOVERNOR DOUG DUCEY  
January 11, 2016

Speaker Gowan, President Biggs, House Leaders Montenegro and Meyer, Senate Leaders Yarbrough and Hobbs, Chief Justice Bales, Members of the Legislature and Judiciary, my fellow Arizonans. Thank you and good afternoon.

I also want to give a special welcome to the newest member of the state's highest court, Justice Clint Bolick.

Tomorrow marks one year since you first welcomed me into this chamber, seven days on the job.

On that day, our state was broke. A billion dollars in the red.

Old laws stood in the way of new jobs.

And a lawsuit over school funding froze progress for our kids while threatening a constitutional crisis.

What a difference a year makes.

Today, because of our decisions, there's money in the bank, we can pay our bills, and our credit rating upgrades will save taxpayers millions.

We've added more than 56,000 new jobs, and 100,000 new citizens – and Forbes says we are the best state in the country for future job growth.

We've unleashed innovation. Our free enterprise system is flowing, and so is the beer at Four Peaks.

And we enter 2016, united in an effort to deliver our students and teachers billions in new dollars.

I'm proud to stand here today, and say: The state of the state isn't just strong – it is on the rise.

Opportunity for all: I'm convinced our accomplishments in this first year came from a commitment to that vision, and the ability to work together to tackle problems long postponed.

Lawmakers here stepped up. And Speaker Gowan and President Biggs delivered on the promise of legislative leadership.

When it came to balancing our budget, we were told: It just couldn't be done. Not, without raising taxes.

But we weren't going to make the people of Arizona pay for the failings of politicians.

So we got the job done, and instead of raising taxes, we lowered them.

A year later, the big spenders who told us we couldn't balance the budget, are beating the drum -- celebrating our hard work with plans to spend and party like it's 1999. Some people never learn, no matter how much their heads hurt in the morning.

Someone needs to be the voice of sobriety. So when they bring out the punch bowl, I will be here to say ... once again... Not on our watch.

On Friday, I will release my budget, and the big spenders and special interests aren't going to like it.

It prioritizes vital commitments like education, child safety and public safety. It eliminates waste. It's balanced. And most importantly, it does not raise taxes.

Now, I understand that it's unusual for elected leaders to keep their promises, but let me assure you: I intend to keep mine. Together, we will lower taxes this year. Next year. And the year after.

And at the same time... we will invest in education this year, next year and the year after.

It doesn't have to be an either or. We can be responsible with our budget, invest in the future, and allow the people to keep more of the dollars they earn.

After all, it's the people's money, not the government's.

Those same taxpayers expect results from us at this Capitol.

But all too often, success in this building is measured by how many bills we pass and new laws we add to the books.

The result is more than 10,000 pages of statutes, containing some 20,000 laws.

We all have priorities this year. But as you debate new laws, I call on you to ask: Is this the proper role of government? Are we expanding freedom – or limiting it?

Last year, 1,163 bills were introduced. 344 crossed my desk, and 324 became law. I enjoyed reviewing all of them – yes, even the ones I didn't sign.

But sometimes, as the saying goes...if you want to learn something new, you need to read something old. As Barry Goldwater wrote in 'Conscience of a Conservative,' "my aim is not to pass laws, it's to repeal them."

So, in that spirit, in the governor's office, we've identified hundreds of buried regulations that state agencies have imposed on Arizonans through the backdoor, hurting businesses large and small. Stifling job creation and progress.

**JOURNAL OF THE SENATE**  
**Monday, January 11, 2016**

Unfortunately, the process to get rid of these unnecessary regulations isn't nearly as easy as the process to create them.

Send me legislation to allow agencies to wipe them out, easier and faster. And I'll sign it.

Don't stop there. Arizona requires licenses for too many jobs – resulting in a maze of bureaucracy for small business people looking to earn an honest living.

Believe it or not, the state of Arizona actually licenses talent agents. I say, let's leave the job of finding new talent to Adam Levine and Gwen Stefani – not state government.

The elites and special interests will tell you that these licenses are necessary. But often they have been designed to kill competition or keep out the little guy.

So let's eliminate them.

Where we must have government, let's make it work.

We are transforming how we operate.

In a pilot project across 23 state agencies, Arizona was able to deliver services to our citizens 65 percent faster on average – without sacrificing quality.

Before we started, things were moving slowly. Government was sitting on applications. In the case of licensing qualified bus drivers, four days of work was taking 46 days.

So now, four days of work – takes four days.

Expect more of these improvements, as we create a results-driven government that works at the speed of business.

Last year, state government finally entered the 21<sup>st</sup> century – just 15 years late.

Whether it was allowing inventors at TechShop in Chandler greater freedom to crowdfund, or ending sting operations against ridesharing by overzealous state regulators – we've embraced innovation, and we're not done yet.

More than 40 million passengers enter our state through Sky Harbor International Airport every year. But you can't order an Uber or Lyft because unelected bureaucrats at city hall are protecting special interests.

Sky Harbor may be a city airport, but it's an Arizona vital resource used by citizens all over the state, and our economy is dependent on its success. I call on Phoenix city government to lift these unnecessary regulations immediately.

I also encourage all our cities and towns to put the brakes on ill-advised plans to create a patchwork of different wage and employment laws. If these political subdivisions don't stop, they'll drive our economy off a cliff.

91 cities and towns with 91 different employment laws, isn't local control – it's California-style chaos.

These efforts are based on the trendy, feel-good policies that are stifling opportunity across the nation -- failing everywhere they've been tried. So why would we try them here?

Let me be more specific:

I will use every constitutional power of the Executive Branch and leverage every Legislative relationship to protect small businesses and the working men and women they employ – up to and including changing the distribution of state-shared revenue. We will ensure Arizona continues to grow jobs, not destroy them.

As our economy advances, our government and our laws need to modernize too.

Arizona should be to the Sharing Economy, what Texas is to Oil and what Silicon Valley used to be to the tech industry.

Moments ago, I signed an executive order creating the Governor's Council on the Sharing Economy.

Its mission: Stop shackling innovation, and instead – put the cuffs on out-of-touch regulators.

I want startups in the Sharing Economy to know: California may not want you, but Arizona does.

And I'd be remiss if I didn't stop to thank my partner in growing Arizona's economy: California Governor Jerry Brown.

It's often misreported that there is a "Western Water Crisis," but the facts show, we'd be more accurate to call it a "California Water Crisis."

We've planned ahead.

If there's one thing Arizona is best in the nation at – it's water. We sit in the Capitol city in one of the largest metropolitan areas in the nation in the middle of a desert.

Thanks to revolutionary planning efforts like our 1980 Groundwater Management Act, and leaders from Carl Hayden to Mo Udall to Jon Kyl, Arizona has grown and thrived. We're building on that, and we have a plan in motion. Right now, a team of our top water experts, users and providers are charting the path forward.

I've directed them to:

Investigate new, long-term sources for water in our state.

Explore additional conservation opportunities.

And identify future infrastructure needs so we don't end up like sorry California.

I've also given the green light to the Arizona Department of Water Resources to use existing dollars to hire new staff that the water community has been requesting for years – experts who can take these plans and make them work.

When it comes to our economic future, we're planning for tomorrow, and we're innovating – starting with the Arizona Commerce Authority. We know what businesses look for when deciding where to locate: quality of life, low taxes, light regulations, good financing and qualified workers.

It's time for ACA 2.0, with a renewed focus on marketing and promotion. We have a great state with amazing assets.

We know: Life's better here. Now – let's do a better job at getting the word out.

Governors compete. States compete. People & Businesses decide.

So the goal is simple – to grow our economy, to take full advantage of our geography to better address the needs of businesses fleeing California and other states on the decline, and to ensure job creators who are already here, stay and thrive.

A great economy requires great public schools.

It's important to note, we are already doing a lot of things well.

Three of the top 10 public high schools in the country. Hardworking, dedicated and nationally-renowned teachers and principals.

And while scores on the Nation's Report Card dropped across the country, Arizona students continued to improve.

**JOURNAL OF THE SENATE**  
**Monday, January 11, 2016**

Together, we've made substantial progress towards giving our educators the resources they've been asking for.

Last year, faced with one of the most contentious legal issues in Arizona history, leaders in education and the Legislature stepped up.

The result: a monumental, bipartisan, 3.5 billion dollar solution, that will go to the voters in 127 days.

This is a once in a generation opportunity to change the trendline on education funding. The stakes are high.

For the cynics out there – looking to stop this plan or rooting for its defeat: if you're hoping this lawsuit will be resolved any other way – it won't.

And to my Democratic friends: Even if you voted against sending it to the ballot, now it's on the ballot. You can't sit on the sidelines.

Please -- put politics and partisanship aside, and put our kids and teachers first.

I've promised to put all my energy into ensuring its passage. So let me just say: I'm voting yes on Prop 1-2-3 – If you're with me, raise your hand.

In the past year, I've visited schools all over the state – meeting teachers, principals and parents. They looked me in the eye, and I've listened.

To those parents and educators, I want you to know: I've heard you, and this plan delivers.

In the years ahead, Arizona will be among the states investing the most new dollars in public education – all without raising taxes.

This is a first step – a big first step – but not our only step to improve public education in Arizona.

We know spending is not the measure of success. And it shouldn't just be about the billions of dollars we are putting into public education; it must be about what our kids are getting out of their education.

Until the thousands of kids on public school wait lists have access to our finest teachers and principals, our job isn't done.

So here's the plan: We are going to make it easier and more affordable for our best public schools to expand.

For months, my office has worked with the top credit rating agencies in the country to develop a structure that lets our excellent public schools finance their expansion at lower cost.

This means they can spend more dollars in the classroom, and less paying interest to a bank on Wall Street.

By utilizing dollars you allocated last year for the creation of the Arizona Public School Achievement District, combined with additional dollars that won't impact the general fund, we can and will make this happen.

We also need to provide resources for aging schools to repair and rebuild their facilities for future students.

Next, we need to reward schools that are helping kids reach their full potential.

All of us should be alarmed to hear that more than half of our high school graduates can't get into our own state universities.

So – under our plan, schools that produce students who successfully complete AP-level, college-prep courses will be rewarded with more dollars.

Schools in low-income areas – where educators and students face added challenges – will receive an even greater boost for helping kids beat the odds.

But I know not every child plans to go to college – their K-12 experience also needs to prepare them for life. Which is why I'm targeting high-need employment sectors with a new focus on career and technical education. There is bipartisan support for this – so let's get it done.

The state isn't the only player in public education.

Every day, philanthropic foundations in Arizona are investing in our schools. They are developing new school leaders, expanding educational opportunities for low-income children and funding the arts and sciences.

I intend to partner with the heads of these foundations to provide an even greater opportunity and impact in our schools.

And when we get our kids prepared, there are great universities right here in Arizona ready to educate them at the highest level.

Wherever your loyalties may lie, you have to admit: Our universities are literally out of this world. A U of A grad recently discovered water on Mars. Arizona State University was just named the most innovative university in the country. And NAU is now a magnet for students ditching California in search of a high-quality, affordable higher education alternative.

Our universities and community colleges have been on the cutting edge when it comes to research, innovation and problem solving – just look a few miles down the road.

The template for the “New American University” is in our own backyard ... and because of Dr. Michael Crow's efforts, none other than the New York Times has recognized the Barrett Honors College at Arizona State University as the gold standard ... the equivalent of an Ivy League education right here – accessible to all ... and the envy of every other state in the nation.

I want all our university presidents to know – we value your work, and I intend to be a partner in strengthening Arizona higher education.

As a parent and as governor, there's one number that keeps me up at night.

18,927. That's how many Arizona children, through no fault of their own, have found themselves in the foster care system.

We have to stand up for these kids. And that means making sure that no matter the failings of their parents, they and their caregivers have the resources they need. And grandmas, grandpas, aunts and uncles, shouldn't face roadblocks to care for children in their own extended families. But under current policy, they do.

In many cases, a grandmother actually receives fewer dollars to raise her own grandchild, than a stranger would. That's wrong. This session, let's end the Grandmother Penalty and keep more families together.

As we continue to ease the burden, the fact remains: we ask a lot of foster parents -- and we know there are thousands of families currently trying to get into our best public schools, where the lines are long.

I say, if we want to see more foster and adoptive families ... let's give them an incentive...a “fast pass” to the front of the line of our best public schools.

This will ensure vulnerable children an opportunity at a great education – and bring more good people to take on the noble cause of fostering a child.

For fathers out there who aren't meeting their obligations, we also have a plan.

I'm talking to deadbeat dads. For too long, you've been able to remain anonymous – able to skirt your financial and legal responsibilities with no shame.

**JOURNAL OF THE SENATE**  
**Monday, January 11, 2016**

Not anymore.

Some people have referred to me as the “Hash-tag Governor.” Well here’s a new one for all the deadbeat dads out there: Effective immediately, the state is going to begin posting the photos, names and money owed by these losers to social media, with the hash-tag “deadbeat.”

It’s simple. If you’re old enough to father a child, then you’re old enough to accept financial responsibility for that child. If you don’t want your embarrassing – unlawful – and irresponsible behavior going viral: Man up, and pay up

When it comes to the welfare of women and children in our state, there will be zero tolerance for men who victimize.

Yet right now, in just Maricopa County alone, there is a backlog of 2,300 rape kits that sit in storage, uninvestigated. All across our state, women await justice, and predators evade the law looking for their next victim.

Today, I signed an Executive Order establishing a special law enforcement team to solve this injustice. My budget will allocate dollars to start the process of clearing these backlogs.

I want a plan, to be followed by legislation, that requires every rape kit to be investigated.

On my watch, the state of Arizona will do whatever it takes to lock these criminals away.

Whether it’s unemployment, homelessness, crime, child neglect, or the prison population – all these issues trace back to a common theme: Drug abuse and addiction.

In September, we created the Border Strike Force Bureau, a partnership between local, state and federal law enforcement that’s providing a force multiplier in the fight against drug cartels and border crime.

Already, with a minimal investment, the strike force has made over 300 arrests, taken down 14 cartel members, and seized 4,400 pounds of marijuana, 194 pounds of meth, and 21 pounds of heroin.

Twenty-one pounds of heroin in four months. That’s nearly a million individual hits, and more than DPS seized in all of 2014.

Think about this. That same year, 1,248 Arizona newborns came into this world already addicted to drugs. We cannot wait to act.

Let’s stand together this session and provide law enforcement – especially our border county sheriffs – the resources they need to ramp up the fight against the bad guys and end this scourge on our state.

But for those suffering from addiction, it’s a different story – and law enforcement can only go so far.

75 percent of heroin addicts started out using prescription drugs.

We found in a single month – through a voluntary online database – that hundreds of Arizonans were doctor shopping, and receiving highly-addictive and dangerous drugs from multiple physicians at the same time.

Imagine how many more people we could help with a requirement that doctors use that database. It’s time for us to make that happen.

Next, we must find help for those who want it.

So I’m bringing together a team of leading substance abuse experts, recovering addicts, and providers to find the best treatments and reduce barriers to care.

And, if we're serious about reducing recidivism – and reversing the growth of our prison population, let's begin by building on the model already working in Pima County: a community corrections center, providing tough love and on-site drug treatment and counseling.

It's time we bring this to the state's largest county, where the most people are transitioning back to life in our community. Let's give them a second chance so they stay clean and never end up back in prison.

Despite all these challenges, Arizona has a lot to be proud of.

Tonight: One year after hosting the most watched and most successful Super Bowl in history – the College Football Playoff National Championship kicks off right here – in just a few hours.

From the looks of it, it will be another night for the record books.

But after the last touchdown is scored and all the fans have gone back home, our greatest assets will remain: Our people.

The 7,772 men and women serving in the Arizona National Guard – and all those serving here and abroad in our military, our cops, our firefighters and our first responders, who keep us safe in these uncertain times.

The NAU community, especially President Rita Cheng, who brought a university together after a tragedy.

Gabby Giffords, who completed El Tour de Tucson – and continues to inspire.

Jen Welter and the Arizona Cardinals, who together shattered the glass ceiling in the NFL.

And the next generation of Arizonans – like 10-year-old Nia Thomas of Tucson – who made a winning dish, Oodles of Zoodles, that was served in the White House for the President of the United States.

Members of the Legislature, our state is on the rise – and it's because of our people. They're giving their all to make this state the best place in America – and they expect us to do the same. I'm honored to continue working with you toward that goal.

We've demonstrated government can work. Positive things can happen at this Capitol.

We can think big, and aim high. So why stop now.

Thank you and God Bless.

The Joint Organizational Committee escorted the Governor from the House Chamber.

#### PERSONAL PRIVILEGE

Senator Cajero Bedford requested a Point of Personal Privilege and read a Senate Proclamation as follows:

#### Senate Proclamation

**WHEREAS**, in 1966/67 Alva Torres formed, was chairman of the Committee for the Preservation of La Placita and championed the preservation of Tucson's Mexican and Latino Heritage, successfully altering the development of Urban Renewal in Tucson to avoid demolition of certain culturally significant buildings and the retention of the original La Plaza De La Mesilla/ La Placita de San Agustín

**WHEREAS**, these efforts were supported by the Tucson Heritage Foundation; an organization formed in 1965 to preserve examples of architecture from early Tucson.

**WHEREAS**, these historic buildings and sites known as the Flin/El Charro building, the Stables building, the Samaniego House, and the La Placita Park are part of the irreplaceable historic fabric and history of the City of Tucson and the State of Arizona.

**WHEREAS**, the buildings known as "the stables" were identified by the Tucson Daily Citizen in the 1970s as dating to the 1860s, appear on the George Hand map of Tucson (1870-1880), and are subsequently shown on the first Sanborn Fire Insurance Maps (Sanborn) of Tucson in 1886 and later on the 1896 Sanborn map as residential in use and associated with the early Chinese community of Tucson; and as such remains one of the oldest adobe structures in downtown Tucson and is exceptionally significant to the history and culture of Tucson and Arizona.

**WHEREAS**, the 1870s commercial building known as the Flin/El Charro Building was built by Julius Flin, a French stone mason who came to Arizona to assist in the building Tucson's first cathedral San Agustín and who is credited with the masonry stone rose portal for the original façade of the Cathedral now integrated into the entrance of the Arizona State Historical Society in Tucson; whereas, Flin is documented to have constructed the Flin/El Charro commercial buildings for himself as a first construction venture in Tucson; and where the Flin/El Charo building is the sole architectural survivor of original La Plaza De La Mesilla / La Placita de San Agustín and is one of, if not the oldest surviving commercial building in Downtown Tucson.

**WHEREAS**, Julius Flin's daughter, Monica Flin, one of Tucson's important female entrepreneur and business owners, moved her newly founded restaurant El Charro Café into the Flin/El Charro building in 1935. Whereas, today the restaurant is one of Arizona's most recognized and celebrated legacy business, is the nation's oldest Mexican restaurant in continuous operation by the same family, and is credited with inventing the Chimichanga - a internationally known Mexican-American culinary dish; and whose contributions have enhanced the cuisine of Tucson and Arizona and who has contributed to the rich thriving food traditions of the state; and that in 2015 these traditions resulted in the recognition of Tucson with formal designation by the United Nations Educational, Scientific and Cultural Organization (UNESCO) Creative City as a City of Gastronomy; and that this building is of exceptional significance to the history and culture of the City of Tucson and the State of Arizona.

**JOURNAL OF THE SENATE**  
**Wednesday, February 3, 2016**

**WHEREAS**, the Samaniego House is an early example of Transformed Sonoran Row-house style adobe construction built by Mariano Samaniego in 1876.

**WHEREAS**, Mariano Samaniego was a prominent Tucson politician serving nearly three decades in city, county, and state government, including ten years on the Pima County Board of Supervisors and Arizona State Legislature, four terms in the Arizona Territorial Assembly, on the Pima County Board of Supervisors and Tucson City Council; was a Pima County Assessor, President of the Arizona Pioneer's Historical Society, was one of the founders of the Hispanic American Alliance and one of the first members of the Board of Regents of the University of Arizona, and this building is of exceptional importance to the history and culture of the City of Tucson and the State of Arizona

**WHEREAS**, the City of Tucson La Placita Park is one of the few remaining sites which recall the Mexican heritage of Tucson, acquiring its name after the Gadsden Purchase (1854) as the terminus of the wagon road joining Tucson to the territorial capital, then at Mesilla, and when San Agustn, the first cathedral church in Arizona was erected east of the plaza, it became known as La Placita de San Agustn and whose historic significance is paramount in the history of the City of Tucson and the State of Arizona

**THEREFORE BE IT RESOLVED BY THE SENATE OF THE STATE OF ARIZONA**, that the Senate Members of the Legislature recognize the Flin/El Charro/Adobe Stables Building, La Placita Park, and the Samaniego House for their exceptional significance to the history of the City of Tucson and the State of Arizona and despite the loss of setting and changes to the building as a result of Urban Renewal, these building retain historic integrity and ability to convey their historic significance and their loss would constitute an irreplaceable diminishment to the culture and heritage of the State of Arizona.

#### MESSAGES FROM THE HOUSE

(February 4, 2016)  
House unanimously adopted House Concurrent Resolution 2027

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2027

House Concurrent Resolution 2027 was introduced and read by Senator Griffin as follows:

A Concurrent Resolution proclaiming February 5, 2016 as National Wear Red Day in Arizona.

Whereas, heart disease and strokes kill one in three women in the United States, yet 80% of cardiac events are preventable; and

Whereas, cardiovascular diseases and strokes kill one woman every 80 seconds in the United States; and

Whereas, an estimated 44 million women in the United States are affected by cardiovascular diseases; and

Whereas, 90% of women have one or more risk factors for developing heart disease, yet only one in five American women believes that heart disease is her greatest health threat; and

Whereas, women comprise only 24% of participants in all heart-related studies; and

Whereas, women are less likely to call 911 for themselves when experiencing symptoms of a heart attack than they are if someone else were having a heart attack; and

Whereas, only 36% of African-American women and 34% of Hispanic women know that heart disease is their greatest health risk, as compared with 65% of Caucasian women; and

Whereas, women involved with the American Heart Association's Go Red For Women movement live healthier lives, and nearly 90% of these women have made at least one healthy behavioral change; and

Whereas, Go Red For Women encourages women to take charge of their health and schedule a well-woman visit to learn about their health status and risk for diseases; and

Whereas, Go Red For Women asks all Americans to "Go Red" by wearing red on February 5, 2016 and to do the following:

1. Get their numbers by asking their doctors to check their blood pressure, cholesterol and glucose.
2. Own their lifestyle by stopping smoking, losing weight, being physically active and eating healthy.
3. Raise their voices by advocating for more women-related research and education.
4. Educate their families by making healthy food choices for themselves and their families and teaching their children the importance of staying active.
5. Donate their time or money to organizations supporting women-related research and education.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature proclaim February 5, 2016 as National Wear Red Day in Arizona.
2. That the Members of the Legislature recognize that thousands of lives can be saved each year by increasing awareness about heart disease and empowering women to reduce their risk for cardiovascular disease.

NOT VOTING 2: Barto, McGuire

\*Senator Lesko offered the following explanation of her vote on Senate Bill 1428 having requested, without objection, her remarks of more than 200 words be inserted in the Journal:

The PSPRS fund is only 49% funded

Cities can't afford to hire new fire fighters and police

Pension debts are soaring

After one year of meetings we reached an agreement

In Support of this legislation is the Governor's Office, League of Cities & Towns, Professional Fire Fighters of AZ, PLEA, FOP State Lodge, County Supervisor's Association, Association of Counties, PSPRS Board on the ballot proposal, AZ Chamber of Commerce, and the Greater Phoenix Chamber of Commerce

I want to thank all those involved including staff.

The Auditor General's Sept. 2015 report says:

1. Plan's assets have not kept pace with pension obligations
2. Required permanent benefit increases have raised the plans' pension obligations
3. Changes in calculating and awarding annual benefit increases would help the system plan's sustainability
4. Current Pension benefit increases are not linked to inflation.  
Recommendations from the Auditor General said we should:
  1. Develop a sustainable benefit increase structure
  2. Consider Amending AZ's constitution.

This legislation, all three bills working together as a package, does both.

This crisis is having a severe negative impact on the important public service of public safety

Throughout Arizona devastating cost increases are diminishing staffing, training and critical equipment while increasing our response times to citizens during life or death emergencies

We have recognized for several years that problems in the PSPRS were causing costs to skyrocket

That is why, in 2011, the legislature at the lead of Senator Yarbrough passed SB1609. Unfortunately, the courts struck down important parts of the reform.

This time around, we have spent a year not only negotiating key portions of this bill, but thoroughly reviewed legal aspects of the legislation to make sure that it will not violate the pension clause and will satisfy the key tests of the contract clause.

That process yielded the idea of amending the Arizona constitution in a way to allow much needed reforms to fix our problems and prevent insolvency. This legal methodology received a lot of legal scrutiny and we did not take this issue lightly. Also, the legal analysis/methodology took into account the need for protecting benefits and gave due consideration to the rights of participants in PSPRS. In other words, we tried to find the best way to address the financial crisis while still preserving the interest of individual members.

A Year ago we started stakeholder meetings. They included:

- Legislators and Staff from the AZ house and Senate
- Governor's Office
- AZ League of cities and towns
- The Reason Foundation
- PFFA
- Various Law Enforcement associations
- And several attorneys providing legal counsel

The group analyzed, deliberated and considered all possibilities to repair this broken system

We reached consensus on the best path to ensure retirement stability for our first responders, protect the critical public need of emergency services, and protect the taxpayers.

Legal evaluations and critical analysis were key to solution.

The methodology of conditional enactment has precedent in AZ Law.

It was used before in the 1930s

Most importantly we worked to answer these questions:

1. Does the new law substantially impair a contractual relationship?

It is unclear and depends on the specific facts of a case, which we cannot speculate about at this stage.

- a. If we were to assume there was a contract between the parties, what would it be? A PBI paid by excess earnings

- b. Does the new law impair a specific term of that contract?

It is unclear and depends on the specific facts of a case, which we cannot speculate about at this stage.

- c. In any event, even if there is an impairment of a contract, is the impairment substantial?

No, the impairment is minimized due to the exchange of benefits.

We are replacing a benefit that is paid from a funding source that is insolvent and one where it is unclear when future benefits will be paid and when. Due to the low funded status of the plan, the board has had to change the asset allocation and this has led to a reduced likelihood of excess returns over 9%. After 20 + years of paying out approx. 4% compounded PBI each year, the fund did not pay out an increase last year and will not next year. When it pays out next time, is contingent on stock market fluctuations which are unpredictable. The substituted benefit will provide certainty to all retirees and Employers. In each year there is inflation, the fund will pay a cost of living adjustment to retirees that mirrors the Regional CPI capped at 2%. So, the bottom line answer is that No, this legislation is not a substantial impairment of benefits.

2. What is the significant and legitimate public purpose for the new law?

The PBI structure has a systemic flaw – the plan's administrator -and actuaries have indicated that it is impairing the fund from recovering from

its funding deficiency. This decreasing funding is threatening the solvency of the fund and increasing the employer's contributions. These rapidly escalating contribution rates have strained public budgets requiring the elimination of services as revenues are diverted to pay for these contribution rates. Many agencies are moving towards service level insolvency and many cities face the risk of bankruptcy.

3. Why is the possible contract impairment reasonable and appropriate to the public purpose of the new law?

a. Did the State consider other methods of satisfying the public purpose that did not involve contract impairment?

Yes. Prior attempts at reforming the retirement system have failed judicial scrutiny. Public agencies have tried to increase taxes to deal with the increased pension costs, but these efforts have failed. The senate convened a pension reform working group that worked with all stakeholders to explore all potential actions to address the issues, including having a number of options analyzed actuarially. No other reforms were identified that would repair the structure flaws, provide certainty to retirees, and have the support of employees, labor organizations, and retirees.

b. Did the State pick a method or methods with the least adverse effect on the contract while still achieving the public purpose?

Yes.

c. Did the State act reasonably under all the circumstances?

The state worked reasonably and thoroughly with all stakeholders and with all data available.

d. Were the circumstances that necessitated the new law unknown and unforeseen at the time of the contract formation?

According to people who testified in the Senate Finance Committee and who were involved in legislating the current PBI structure, they believed the current system was sound and the current problems with the PBI structure were unknown and unforeseen. The current PBI benefit was enacted when the financial markets were significantly different. At that time the risk free rate of return was nearly double what it is now, and as such the PBI fund grew comfortably without the fund taking excessive risk. In order to achieve the same returns in last 15 years of financial environment, the fund had to take on additional risk. This additional risk made the negative impacts of the market downturns more severe for the plan.

In conclusion, I thank you for your support.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1008

Senate Concurrent Resolution 1008 was introduced and read in full by Senator Lesko as follows:

A Concurrent Resolution proclaiming September as Grandfamily/Kinship Care Month in Arizona.

Whereas, approximately 2.9 million children in America are being raised by their grandparents or other relatives in kinship care, including 73,000 children in Arizona; and

Whereas, kinship caregivers not only ensure better outcomes for the children in their care by keeping them out of the foster care system, but they also save the government hundreds of millions of dollars each year; and

Whereas, since relationships with family members are crucial for the healthy development of children, the State of Arizona should strive to promote and preserve kinship, sibling and other familial connections for Arizona's children; and

Whereas, during the month of September, Grandfamily/Kinship Care Month is observed across the United States; and

Whereas, the State of Arizona is proud to recognize grandparents and other relatives who raise children in kinship care to ensure their safety and promote their well-being.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature proclaim the month of September as Grandfamily/Kinship Care Month in Arizona and honor grandparents and other relatives who raise children in kinship care.

Senator Lesko moved that Senate Concurrent Resolution 1008 be unanimously adopted. The motion carried.

**UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1009**

Senate Concurrent Resolution 1009 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution supporting efforts to remember fallen veterans on the 21st day of each month.

Whereas, some 1.4 million American veterans have given their lives in the various wars in the defense of freedom; and

Whereas, this nation should honor the service and sacrifice of these heroes in perpetuity, including the 21st century; and

Whereas, the highest honor our nation bestows on our military and public officials, including the President of the United States, is formally known as the "21 Gun Salute"; and

Whereas, Americans who have given their lives in defense of the nation should be honored in a manner commensurate in dignity with the 21 Gun Salute; and

Whereas, to accomplish this, on the 21st day of each month, the people of Arizona could fly the United States flag at half staff and pause for a 21-second moment of

silence at high noon in remembrance and honor of all those who have selflessly given their lives in military service and in war, thereby using only 252 of 31,536,000 seconds in a calendar year to meaningfully honor these heroic American veterans; and

Whereas, governmental bodies and private institutions, in adopting this policy, would help this generation and future generations to understand and respect the sacrifice made by veterans who have given their lives in defense of freedom.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature support efforts by the people of Arizona to fly the United States flag at half staff and pause for a 21-second moment of silence at high noon on the 21st day of each month in remembrance and honor of all those who have given their lives in military service and in war.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2001

House Concurrent Resolution 2001 was introduced and read in full by Senator Kavanagh as follows:

A Concurrent Resolution recognizing the Arizona Veterans Hall of Fame.

Whereas, more than 600,000 military veterans who have honorably sacrificed in answering the call to serve in our nation's defense reside in the State of Arizona; and

Whereas, the people of the State of Arizona recognize and appreciate the contributions these military veterans have made to our society and safety and acknowledge that these men and women are deserving of our greatest respect and admiration; and

Whereas, many of these military veterans continue to serve and inspire the citizens of Arizona through the performance of significant good deeds and noble accomplishments that extend beyond their military service; and

Whereas, these military veterans enrich our communities through distinguished careers and continued selfless public service to other veterans, military personnel and their families, survivors and other citizens in need; and

Whereas, the Unified Arizona Veterans (UAV), a consortium of Arizona veterans service organizations operating to present a unified stand on veterans and retiree issues and legislation across the State of Arizona, recognized that these military veteran public servants were not receiving the recognition they deserved; and

Whereas, with the advice and assistance of the Arizona Department of Veterans' Services, the UAV agreed to establish a means of recognizing meritorious Arizona veterans from all eras, all branches of service and all walks of life; and

Whereas, on January 31, 2001, the UAV received the support of Governor Jane D. Hull in the establishment of the Arizona Veterans Hall of Fame (AVHOF) to recognize and honor deserving individuals; and

Whereas, the AVHOF inaugural induction ceremony was held on May 30, 2001, honoring 26 Medal of Honor recipients, 13 of whom received this honor before Arizona statehood, and 24 other distinguished Arizona veterans; and

Whereas, since its inception in 2001, 36 Medal of Honor recipients and 295 other praiseworthy military veterans have been inducted into the AVHOF at annual induction ceremonies; and

Whereas, every year since 2001, each Arizona governor in succession has endorsed all honorees by approving their induction into the AVHOF and by issuing a proclamation pronouncing an annual AVHOF Day; and

**JOURNAL OF THE SENATE**  
**Thursday, March 24, 2016**

Whereas, the inductees to the AVHOF came together in 2007 to form the Arizona Veterans Hall of Fame Society, composed of all individual AVHOF honorees with the purpose of bringing them together to work for the continued collective good of others.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature recognize the members of the Arizona military veterans community and acknowledge that they are great assets to our state.
2. That the Members of the Legislature support the men, women and families of our nation's military and our military veterans.
3. That the Members of the Legislature recognize the deeds and accomplishments of those Arizona military veterans who have continued to serve their communities in a truly exemplary fashion after their military service and have been inducted into the AVHOF.
4. That the Members of the Legislature recognize the AVHOF and support its noble endeavors to recognize these outstanding individuals.

MESSAGE FROM THE HOUSE

(March 29, 2016)

House unanimously adopted House Concurrent Resolution 2048

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2048

House Concurrent Resolution 2048 was introduced and read in full by Senator Farley as follows:

A Concurrent Resolution on the death of the honorable Jack A. Brown.

The Honorable Jack A. Brown passed away on October 28, 2015 at the age of eighty-six.

Born in St. Johns, Arizona on May 2, 1929, Jack Brown was one of eight children of Joseph Albert Brown and Elda Whiting. A fourth-generation Arizonan, he lived nearly all of his life in St. Johns, leaving this community only to attend college at Brigham Young University, where he studied agriculture and economics, and to complete his mission in Brazil for the Church of Jesus Christ of Latter-day Saints. He was blessed to live a long and full life doing what he loved: ranching, farming and raising a family.

Jack Brown served in the Arizona State Legislature for more than thirty-six years as a "cowboy legislator." He was revered for his humor, wit, integrity and congeniality, which enabled him to effectively bridge partisan differences and earned him the respect and admiration of his peers on both sides of the political aisle. During his tenure, he served as the Senate Floor Leader, Senate Minority Leader and House Minority Leader and championed rural interests. In 2008, the *Arizona Republic* named him one of the "Greatest Arizona Lawmakers of the Modern Era." Throughout his decades of service, he demonstrated his pragmatic, effective, common-sense brand of political savvy and remained committed to the highest ideals of public service.

Despite his responsibilities as a rancher, legislator and family man, Jack Brown gave selflessly of his time, energy and abilities to various community organizations. He served as President of the Apache County Fair Commission and the Kiwanis Club and he was an active member of the Arizona Town Hall, Arizona Cattle Growers' Association and Arizona Farm Bureau. He also enjoyed his participation in the Church of Jesus Christ of Latter-day Saints, serving as a missionary in Brazil from 1948 to 1951 and as a Bishop for many years.

Dedicated to his family, Jack Brown will be greatly missed by his wife of twenty-one years, Beverly Butcher Brown, his eight children, his thirty-six grandchildren, his thirty great-grandchildren and his sister. He was preceded in death by his first wife of forty years, Anna Vee Smithson Brown.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature express sincere regret at the passing of the Honorable Jack A. Brown and extend their deepest sympathies to his family and friends.

Senator Farley moved that House Concurrent Resolution 2048 be unanimously adopted and that the Senate stand in a moment of silence in memory of the Honorable Jack Brown. The motion carried.

House Concurrent Resolution 2048 was signed in open session and returned to the House.

ADJOURNMENT

Upon motion of Senator Yarbrough and agreed to, the Senate adjourned at 2:49 p.m. until Wednesday, March 30, 2016 at 1:30 p.m.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On March 30, 2016, the Governor signed and transmitted to the Secretary of State Senate Bills 1160, 1324, 1381, 1474, 1485, 1516, House Bills 2013, 2021, 2049, 2172, 2224, 2265, 2291, 2294, 2308 and 2451.

The Governor signed and transmitted to the Secretary of State Senate Bill 1324 with the following message:

March 31, 2016

The Honorable Michele Reagan  
Secretary of State  
1700 W. Washington, 7<sup>th</sup> Floor  
Phoenix, AZ 85007

Dear Secretary Reagan:

I signed SB1324.

Previous Arizona law provided flexibility and tied Arizona standards on medication abortion to the FDA standard. Under that law, Arizona law would change as the federal standard changed. But Planned Parenthood filed litigation over this flexibility and forced the hand of the legislature to tie Arizona law to a specific label rather allowing flexibility. It is because of that litigation that we are here today.

At the time SB1324 was passed, the FDA had not updated its label in fifteen years, and there was no indication that an update was imminent. The legislature acted in good faith to deal with litigation brought by an organization that profits from and advocates for expanded access to abortion.

In such a case, I will always stand with those advocating life. I recognize that given the unexpected actions by the FDA, some changes may need to be made in a later bill, and I stand ready to consider those changes when they reach my desk.

Sincerely,

/s/Douglas A. Ducey  
Governor  
State of Arizona

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1021

Senate Concurrent Resolution 1021 was introduced and read in full by Senator Worsley as follows:

A Concurrent Resolution on the death of Samuel L. Polito.

Samuel L. Polito passed away on July 3, 2015 at the age of eighty.

Born in Tucson, Arizona in 1934 to humble immigrant parents, Sam understood the transformational power of education and committed his life's work to enhancing the educational landscape in this state.

Sam embarked on his professional journey as an elementary school teacher, rising through the ranks to principal, district administrator and assistant superintendent. In 1989, he started his governmental relations firm through which he worked with Arizona legislators and policymakers for decades, positively shaping Arizona education policy for generations to come. Advocating for education at the local, state and federal levels until his passing, Sam helped the people of this state realize the value of technical education.

Sam distinguished himself as a conscientious and hardworking individual, and his dedication and professionalism serve as a model to all. He consistently demonstrated the highest character and competence, and he was unsurpassed in his common sense and knowledge of the Legislature and the legislative process. He earned the well-deserved respect and admiration of all who had the privilege of working with him over the years.

Dedicated to his family, Sam Polito will be greatly missed by his beloved wife of more than forty years, Linda, his six children, his grandchildren, his sister and countless other family members.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature express sincere regret at the passing of Samuel L. Polito and extend their deepest sympathies to his family and many friends.
2. That the Members of the Legislature extend posthumous recognition and honor to Samuel L. Polito for his many years of selfless service and dedication to the betterment of education in this state.

**JOURNAL OF THE SENATE**  
**Tuesday, April 5, 2016**

Senator Worsley moved that Senate Concurrent Resolution 1021 be unanimously adopted and that the Senate stand in a moment of silence in memory of Samuel L. Polito. The motion carried.

Senate Concurrent Resolution 1021 was signed in open session and transmitted to the House.

**ORDER OF BUSINESS**

President Biggs announced that without objection, the Senate would revert to the Order of Business, Business on the President's Desk.

**BUSINESS ON THE PRESIDENT'S DESK**

**COMMUNICATIONS FROM THE GOVERNOR**

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On March 30, 2016, the Governor vetoed Senate Bill 1197 with the following message:

March 31, 2016

The Honorable Andy Biggs  
President of the Senate  
Arizona State Senate  
1700 West Washington  
Phoenix, Arizona 85007

Re: Senate Bill 1197 (schools; cursive writing requirement)

Dear President Biggs:

I vetoed SB1197. While I strongly believe that cursive handwriting must be taught in our public schools, there's already a process in place to ensure this happens. In March 2015, I directed the State Board to review, revise and replace the state's academic standards with input by Arizona parents, teachers, principals and content experts. The State Board of Education and the Arizona Department of Education are currently working collaboratively to that end and they have engaged the public from every corner of the state with community meetings and through thousands of online and written public comments. My expectation is that these new standards should outperform the ones already adopted but also reflect the skills that we believe Arizona students should possess.

I have communicated to the State Board of Education that the new academic standards must include instruction in cursive reading and writing and that by the 5th grade, students should be able to read and write documents through legible cursive handwriting.

I want to make it very clear that I do not agree with others who proclaim that handwriting is a "lost art" or a "relic of the past." Research shows a link between stronger handwriting skills and pedagogical benefit, including increased cognitive and learning development, brain activation, letter recognition and greater reading coherence. For students who struggle with diminished fine motor skills and/or reading impairments, cursive writing can be an effective learning tool. And for many, handwriting also allows a process of reflection that can lead to better understanding and memory encoding.

I'd like to express my appreciation to Senator Griffin for bringing this bill forward and ensuring that we do not forget the importance of teaching cursive handwriting skills in a student's course of academic study.

Sincerely,

/s/Douglas A. Ducey  
Governor  
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE MEMORIAL 1001

Senate Memorial 1001 was introduced and read in full by Senator Barto as follows:

A Memorial urging the members of the United States Congress from the state of Arizona to officially recognize the persecution of Christians and other religious minorities in the Middle East as genocide.

To the Members of the United States Congress from the State of Arizona:

Your memorialist respectfully represents:

Whereas, Christians, Yazidis and other religious minorities in the Middle East are being subjected to systematic and violent persecution at the hands of the Islamic State of Iraq and Syria (ISIS) and other terrorist groups; and

Whereas, these people are being murdered, kidnapped, sexually abused, tortured and victimized in other ways that violate the laws of their own nations, the international community and the United Nations Convention on the Prevention and Punishment of the Crime of Genocide (Convention); and

Whereas, the victims of this brutal persecution are being specifically targeted based on their religious or ethnic affiliation with the intent to facilitate the annihilation or forced migration of communities with long-standing ties to their region; and

Whereas, the Convention defines "genocide" as killing members of a national, ethnic, racial or religious group, causing them serious bodily or mental harm, intentionally enforcing living conditions designed to cause the partial or total physical destruction of the group, preventing births within the group or transferring the children of the group to another group with the intent to destroy the group in total or in part; and

Whereas, the Convention holds that genocide is a crime that governments are obligated to prevent and for which perpetrators are to be held responsible; and

Whereas, the United States Commission on Religious Freedom, the Hudson Institute for Religious Freedom, the International Association of Genocide Scholars, Pope Francis, Hillary Clinton and many other organizations and religious and political leaders have called on the United States to recognize the persecution of Christians and other religious minorities in the Middle East as genocide; and

Whereas, the United States Congress has introduced House Concurrent Resolution 75, Senate Resolution 340 and at least five other bills designed to recognize the genocide and facilitate expedited support and aid for Christians and other religious minorities in the Middle East; and

Whereas, the designation of the persecution of Christians and other religious minorities in the Middle East as genocide has real, practical policy implications and can help expedite various solutions to the crisis; and

Whereas, the Members of the Senate of the State of Arizona officially recognize the persecution of Christians and other religious minorities in the Middle East as genocide.

**JOURNAL OF THE SENATE**  
**Tuesday, April 5, 2016**

Wherefore your memorialist, the Senate of the State of Arizona, prays:

1. That each Member of Congress from the State of Arizona cosponsor legislation similar to House Concurrent Resolution 75, support other congressional efforts to aid victims of the persecution of Christians and other religious minorities in the Middle East and encourage the United States government to take greater concrete action to end the genocide.

2. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States, the Speaker of the United States House of Representatives, the Majority Leader of the United States Senate and each Member of Congress from the State of Arizona.

Senator Barto moved that Senate Memorial 1001 be unanimously adopted. The motion carried.

Senate Memorial 1001 was signed in open session and transmitted to the Secretary of State.

#### CONFERENCE COMMITTEE REPORTS

President Biggs announced that a group motion would be made for the adoption of conference committee reports unless a Senator requested a report to be considered separately.

Senators Worsley, Burges and Sherwood, Senate conferees, and Representatives Gray, Campbell and Kopec, House conferees, submitted the following conference report on House Bill 2249:

That the House accept the Senate amendments with exceptions.

Senators Burges and Quezada, Senate conferees, and Representatives Leach and Allen J, House conferees, submitted the following conference report on House Bill 2402:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Representative Cardenas, House conferee, submitted the following Minority Report:

I would like to express my opposition to HB2402 as amended in conference committee. While the amendment offered in the conference committee has the admirable goal of streamlining the language used in ballot elections the underlying bill still includes language that is unnecessary and in some cases detrimental to the chances for approval of much needed bonds.

I have the following specific concerns about this bill as amended.

- By requiring a jurisdiction to include the tax impact at both the estimated interest rate based on current market conditions and the maximum interest rate authorized by the voters in the publicity pamphlet it will unnecessarily intimidate voters and diminish support for the bond.
- My other concern is the addition of more than 60 words to the ballot. In a time of tight county budgets, the addition of a few words may not seem consequential but the impact on the length of the ballot affects the costs of printing and creates new costs for the county to bear. After the recent election, we cannot afford to continue a policy of shifting costs to the counties without additional resources to handle the mandate.
- Lastly, I feel that the language currently included in the publicity pamphlets and on the ballot are sufficient for the citizens of Arizona to know what they are voting on. The recent election in Pima County is a perfect example of a savvy electorate weighing the options before them and deciding not to approve. This tells me that the current system is working and changes to ballot and pamphlet are not necessary at this time.

It is for all of these reasons that I oppose HB2402 as amended and submit this minority report.

Senators Allen S, Burges and Quezada, Senate conferees, and Representatives Stevens, Cardenas and Mesnard, House conferees, submitted the following conference report on House Bill 2429:

That the House accept the Senate amendments and the bill be further amended.

The motion carried and the Secretary recorded the action and notified the House.

A Concurrent Resolution recognizing Operation Welcome Home Arizona for its continuing efforts on behalf of the Arizona Wall Project and the Welcome Home Veterans Park.

Whereas, Operation Welcome Home Arizona was established in Gilbert, Arizona in 2010 with the purpose of honoring veterans and their families by sponsoring activities that express our support, pride and patriotism; and

Whereas, Operation Welcome Home Arizona was recently awarded a 50th Anniversary of the Vietnam War Commemorative Partnership from the United States Department of Defense; and

Whereas, to honor the commemorative partnership, Operation Welcome Home Arizona launched the Arizona Wall Project; and

Whereas, the Arizona Wall Project's mission is to create an Arizona landmark that reflects the great sacrifices that veterans and their families have made for this country by building the Welcome Home Veterans Park in Gilbert, Arizona; and

Whereas, visitors will be encouraged to explore the Welcome Home Veterans Park by walking along the "Walk of Time," a circular path around the park that will allow visitors to pass by exhibits that honor those who have served in this nation's Armed Forces from 1775 to the present day and encourage observers to pay their respects to these patriotic heroes; and

Whereas, the Welcome Home Veterans Park will feature a scaled version of the Vietnam Veterans Memorial Wall in Washington, D.C. that bears the names of the 58,307 men and women who were killed or declared missing in action during the Vietnam War; and

Whereas, by honoring the men and women who lost their lives in the Vietnam War, the Vietnam Wall will serve to reinforce the founding principle of the Vietnam Veterans of America that "never again will one generation of veterans abandon another"; and

Whereas, the Arizona Wall Project has received tremendous statewide support, including from United States Senators John McCain and Jeff Flake, all nine Congressional Representatives, Governor Doug Ducey and many local veterans organizations, businesses and nonprofit organizations; and

Whereas, over 60 volunteers are currently working to implement the Arizona Wall Project and make the Welcome Home Veterans Park a reality.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature recognize Operation Welcome Home Arizona for its continuing efforts on behalf of the Arizona Wall Project and the Welcome Home Veterans Park.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1023

Senate Concurrent Resolution 1023 was introduced and read in full by Senator Yee as follows:

A Concurrent Resolution on the death of the Honorable William A. "Tony" West, Jr.

The Honorable William A. "Tony" West, Jr. passed away on January 14, 2016 at the age of seventy-eight.

Born in Phoenix, Arizona on October 29, 1937, Tony lived in Phoenix nearly all his life. Both his father, William A. West, Sr., and his grandfather, T.J. West, were pioneers in the cotton industry in Arizona and California. After graduating from St. Mary's High School, Tony attended the University of Arizona and graduated from Arizona State University with a degree in business. On graduation, he began his career in agribusiness through his family-owned operation.

In 1968, Tony made the decision to sell the family business and dedicate his life to public service. He was elected to five terms in the Arizona House of Representatives and three terms in the Arizona Senate. During his sixteen years in the Legislature, he served in numerous leadership capacities, including chairman of the Banking and Insurance Committee in the House, the Insurance, Retirement and Aging Committee in the Senate and the Committee on Ways and Means in the House. Additionally, he served ten years on the Appropriations Committees and was a member of the Joint Oversight Committee on Organized Crime. He later continued his tradition of public service as Arizona State Treasurer, in which capacity he served for eight years. His vision and actions were instrumental in the development and passage of Proposition 102 in 1998, which amended the Constitution of Arizona to expand the investment eligibility in the State Permanent Land Trust Fund to include equity securities. This action has proven quite fortuitous for future Arizona generations, driving the fund balance from \$475 million when he began his tenure to over \$5.2 billion at recent highs. Later, he went on to serve as Arizona Corporation Commissioner. In 1992, Tony was recognized for his exemplary service as a state official when he was selected as a Henry Toll Fellow by the Council of State Governments.

Tony was well-known for his tough anticrime bills and fiscal conservatism during his tenure in the Arizona Legislature, but his legislative career also reflects his social conscience. Among his many accomplishments, he championed legislation that established programs for the hearing-impaired, allowed for the establishment of county sports authorities, provided for the funding of crime victim compensation and required increased and mandatory sentences for criminals convicted of using minors in the sale of drugs.

Despite the demands of his work, Tony gave selflessly of his time, energy and abilities to various professional, civic and educational organizations. He served as president of the Western State Treasurers Association, vice president of the National Association of State Treasurers, founder and director of the Arizona Coalition for Tomorrow, director and president of the Arizona Economic Forum, director and president of Arizona Senior Olympics, director and treasurer of St. Joseph's Foundation (Mercy Healthcare Arizona), trustee of Western States Chiropractic College, trustee and president of the Arizona Foundation for the Handicapped and trustee and member of the Junior Achievement Foundation. His professional affiliations also included membership in the Justice Fellowship Task Force, the Governor's Prayer Breakfast Committee, the Kenilworth School Foundation, the Arizona Academy and the Arizona Public Safety Personnel Retirement System--Fund Manager. Tony also served in the Arizona National Guard, where he attained the rank of captain and commanded an infantry company.

Tony distinguished himself in the Catholic Church through a lifetime of service. He was a dedicated deacon, serving the Catholic Diocese of Phoenix for many years. Tony once said, "It is a privilege to serve my Lord and Church as a deacon and I look at my life of public service as a ministry to better the community."

Dedicated to his family, Tony will be greatly missed by his beloved wife of 54 years, Margaret "Maggie" West, his three sons, William, John and Stephen, and his five grandchildren.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature express sincere regret at the passing of the Honorable William A. "Tony" West, Jr. and extend their deepest sympathies to his family and many friends.
2. That the Members of the Legislature extend posthumous recognition and honor to the Honorable William A. "Tony" West, Jr. for his many years of selfless service and dedication to the betterment of Arizona.

Senator Yee moved that Senate Concurrent Resolution 1023 be unanimously adopted and that the Senate stand in a moment of silence in memory of the Honorable Tony West. The motion carried.

Senator Concurrent Resolution 1023 was signed in open session and transmitted to the House.

#### CONFERENCE COMMITTEE APPOINTMENTS

Senator Yarbrough moved that the Senate refuse to concur in the House amendments to Senate Bill 1112 and a Free conference committee be appointed and the Senate request the House to appoint a like committee to consider the matter of disagreement. The motion carried and the President appointed Senators Barto, Miranda and Yee as conferees.

Senator Yarbrough moved that the Senate refuse to concur in the House amendments to Senate Bill 1435 and a Free conference committee be appointed and the Senate request the House to appoint a like committee to consider the matter of disagreement. The motion carried and the President appointed Senators Pierce, Driggs and McGuire as conferees.

Senator Yarbrough moved that the Senate refuse to concur in the House amendments to Senate Bill 1443 and a Free conference committee be appointed and the Senate request the House to appoint a like committee to consider the matter of disagreement. The motion carried and the President appointed Senators Barto, Bradley and Lesko as conferees.

The Secretary recorded the action and notified the House.

#### CONFERENCE COMMITTEE REPORTS

Senator Yarbrough moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Barto and Yee, Senate conferees and Representatives Allen J and Cobb, House conferees, submitted the following conference report on House Bill 2260:

That the House accept the Senate amendments and the bill be further amended.

Senator Bradley, Senate conferee and Representative Gabaldon, House conferee submitted the following Minority Report:

We support HB2260 to renew the foster care review board for 8 more years and the conference amendment, but we are disappointed the conference committee did not adopt our conference committee amendment to eliminate discriminations against who may adopt.

- Our foster care system remains overwhelmed, and we have an obligation to the Arizona kids in this system. We can't waste an opportunity to help correct this crisis, and the failure to take action is reprehensible.
- We need to remove the obstacles that keep kids out of stable, loving homes. Since the U.S. Supreme Court's ruling legalizing same-sex marriage in Arizona, Governor Ducey has stated "all loving families" should be able to adopt. Research has shown children in the child welfare system who experience multiple moves are at risk for poor outcomes.
- Existing statute discriminates against same-sex married couples and single-parent foster and adoptive families. We cannot afford to turn away any well-qualified potential foster or adoptive families during the current child welfare crisis.
- We are concerned that, without the passage of our amendment to the adoption law, we will continue to see more children sleeping in group homes and shelters - instead of safe, secure family settings with incredible parents who want to open their homes to these children in need.
- Lastly, we do not understand why the House of Representatives did not appoint a Democratic member of the Children and Family Affairs Committee who would be well-versed in the issues discussed in the conference committee. We recommend that in the future, majority leadership should consider the recommendations submitted by the minority leader for appointments as has been custom and practice over the years.

For these reasons, we file this minority report.

The motion carried and the Secretary recorded the action and notified the House.

Senator Yarbrough moved on behalf of the Chairmen that the Senate adopt the following conference committee reports:

Senators Smith, Kavanagh and McGuire, Senate conferees, and Representatives Borrelli, and Livingston, House conferees, submitted the following conference report on House Bill 2030:

That the House accept the Senate amendments and the bill be further amended.

**JOURNAL OF THE SENATE**  
**Thursday, April 28, 2016**

Representative Friese, House conferee submitted the following Minority Report:

I oppose HB2030, liquor premises; firearms; retired officers, as amended in conference committee because the conference committee amendment is not germane to the underlying bill.

The conference committee amendment authorizes the director of the Department of Liquor Licenses and Control to issue a temporary permit of any series authorizing the disposal at public auction of spirituous liquor that a trustee in bankruptcy acquires from a debtor. The underlying bill allows a retired peace officer or an honorably retired law enforcement officer who has been issued a certificate of firearms proficiency to possess a firearm on the premises of a liquor license holder.

The conference committee amendment violates both article 4, part 2, section 13 of the Arizona Constitution and House Rule 16 because it expands the scope of the original bill to give it a new purpose, and thus violates the single subject mandate. The underlying bill had a very narrow purpose related to certain retired officers being allowed to carry their guns in liquor establishments. The conference committee has nothing to do with that subject but instead creates a process for bankruptcy trustees to dispose of liquor in a public auction that the trustee acquired from a debtor. This is precisely the kind of logrolling that the constitution and house rule were designed to prevent.

For these reasons, I oppose HB2030 as amended by the conference committee.

Senators Pierce, Driggs and Farley, Senate conferees, and Representatives Mesnard, Ackerley and Wheeler, House conferees, submitted the following conference report on House Bill 2127:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senators Barto, Lesko and Pancrazi, Senate conferees, and Representatives Allen J, Lovas and McCune Davis, House conferees, submitted the following conference report on House Bill 2522:

The motion carried and the Secretary recorded the action and notified the House.

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT MEMORIAL 1018

Senate Concurrent Memorial 1018 was introduced and read in full as follows:

A Concurrent Memorial urging the United States bureau of land management to maintain access to public recreational shooting opportunities in the Sonoran Desert National Monument.

To the Director of the United States Bureau of Land Management:

Your memorialist respectfully represents:

Whereas, article II, section 26, Constitution of Arizona, recognizes the right of citizens to bear arms by stating that "[t]he right of the individual citizen to bear arms in defense of himself or the state shall not be impaired." Likewise, the Second Amendment to the United States Constitution safeguards the "right of the people to keep and bear arms"; and

Whereas, in order for the citizens of this state to exercise a meaningful constitutional right to arms guaranteed by their state and federal constitutions, they must have readily available venues to practice and hone their shooting skills, as they have since territorial days; and

Whereas, the Multiple-Use Sustained-Yield Act of 1960 and the Federal Land Policy and Management Act of 1976 (FLPMA) legally prohibit the federal land management agencies from affecting the state's jurisdiction and responsibilities; and

Whereas, FLPMA establishes a multiple-use mission for public lands under the jurisdiction of the United States Bureau of Land Management (BLM); and

Whereas, recreational target shooting is recognized as a highly valued activity that has been enjoyed by multiple generations of Arizonans on public lands, including the Sonoran Desert National Monument; and

Whereas, federal lands make up 42% of Arizona, and more than 43% of those lands have special land use designations that prescribe significant restrictions to recreational opportunities; and

Whereas, the United States District Court in Arizona has ordered the BLM to temporarily close 10,599 acres of the Sonoran Desert National Monument to recreational target shooting; and

**JOURNAL OF THE SENATE**  
**Thursday, May 5, 2016**

Whereas, due to a ruling from the United States District Court issued in March 2015, the BLM will develop new management actions to address recreational target shooting in the Sonoran Desert National Monument Draft Resource Management Plan; and

Whereas, BLM lands have traditionally been intended to accommodate multiple uses, including recreational shooting, plinking, hunting, hiking, biking, rock climbing, bird-watching, off-road vehicle travel and camping, without jeopardizing the public safety; and

Whereas, the importance of hunting and recreational shooting as a gateway to hunting are recognized in 2006 Executive Order 13443, "Facilitation of Hunting Heritage and Wildlife Conservation," which called for the development of a "Recreational Hunting and Wildlife Resource Conservation Plan" and a ten-year implementation plan; and

Whereas, the Arizona Game and Fish Commission has long supported and advocated for responsible and environmentally sound recreational shooting for the purpose of promoting marksmanship, public safety, hunter education, competition and lawful hunting; and

Whereas, more than 269,000 hunters in Arizona, who spend \$341,668,000 annually in pursuit of outdoor activities, currently use BLM lands as areas to safely and responsibly sight-in their firearms and engage in the practice of their hunting skills, ensuring the safe and humane harvest of game animals; and

Whereas, the sale of sporting arms and ammunition generates vital funding for conservation efforts in Arizona and across the United States through the Pittman-Robertson Wildlife Restoration Act, a fundamental component of the American System of Wildlife Conservation Funding; and

Whereas, the availability of recreational shooting opportunities is key to the recruitment and retention of recreational shooters and the shooting tradition; and

Whereas, the Sonoran Desert National Monument Draft Resource Management Plan states that continued changes in Arizona are straining the limits of where and how recreational target shooting can be accommodated; and

Whereas, the BLM has committed to engage public and private stakeholders in discussions of collaborative options and acceptable solutions; and

Whereas, the BLM has received letters of comment from nongovernmental organizations representing sportsmen and sportswomen engaged in hunting and recreational shooting, as well as wildlife conservation organizations, the Arizona Game and Fish Department and the Wildlife and Hunting Heritage Conservation Council, recognizing and appreciating the values and objectives that the Sonoran Desert National Monument was created to protect and emphasizing the necessity of finding a balance between protecting the monument's resources and providing for recreational opportunities; and

Whereas, in its environmental analysis, the BLM Draft Resource Management Plan made a strong case for keeping some number of shooting sites open; and

Whereas, the BLM has numerous partners that have already offered assistance and expertise in identifying existing or new sites that provide safe shooting recreation in the Sonoran Desert National Monument while protecting its resources.

Wherefore your memorialist, the Senate of the State of Arizona, the House of Representatives concurring, prays:

1. That the United States Bureau of Land Management consider the economic and social benefits inherent in recreational shooting in Arizona and across the United States.

2. That the United States Bureau of Land Management recognize that opportunities for recreational shooting are being increasingly threatened by urbanization and that the availability of federal lands is vital to the continuation of the recreational shooting tradition.

3. That the United States Bureau of Land Management take steps to maintain access to public recreational shooting opportunities in the Sonoran Desert National Monument and complete a cumulative impact analysis on recreational target shooting as a legal, valid and compatible recreational activity on the monument and other monuments in Arizona.

4. That the Secretary of State of the State of Arizona transmit a copy of this Memorial to the Director of the United States Bureau of Land Management.

Senator Griffin moved that Senate Concurrent Memorial 1018 be unanimously adopted. The motion carried.

Senate Concurrent Memorial 1018 was signed in open session and transmitted to the House.

#### COMMITTEE OF THE WHOLE

Upon motion of Senator Yarbrough and agreed to, the Senate at 9:10 a.m. resolved itself into Committee of the Whole for consideration of the bill on the calendar with Senator Allen in the chair.

At 9:17 a.m., the Committee of the Whole was dissolved and Senator Allen submitted the following recommendation:

House Bill 2613, do pass amended

Senator Allen moved the report of the Committee of the Whole be adopted and the bill be properly assigned. The motion carried and House Bill 2613 was placed under Third Reading of Bills.

CONFERENCE COMMITTEE REPORTS

President Biggs announced that a group motion would be made for the adoption of conference committee reports unless a Senator requested a report to be considered separately.

Senator Yarbrough moved on behalf of the Chairmen that the Senate adopt the following conference committee reports:

Senators Lesko, Quezada and Yarbrough, Senate conferees, and Representatives Stevens and Mesnard, House conferees, submitted the following conference report on House Bill 2017:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Representative Clark, House conferee submitted the following Minority Report:

I oppose HB2017, signs, early voting, removal, as amended in conference committee, because the conference committee amendment does not remedy the waiting times at polling places and voting centers for the presidential preference elections (PPE).

The underlying bill creates a new way for a county to select polling places for a PPE. It delineates different methods of calculating the number of polling places depending on the overall size of the county. The current version of the bill retains the same method of selection used for the March 2016 PPE, except for counties with over one million active registered voters.

The amendment, while requiring public hearings and website postings, does nothing to address the concerns of the public who were disenfranchised by this year's PPE. From what I have seen, the public would be dissatisfied with this amendment's tepid show at solving the problems with the PPE.

At this late time in the waning hours of session, and with a majority party which routinely ignores the opinions of the minority party, and thus those they represent, it became clear during this short conference committee that the leadership has no interest in truly addressing the polling place problems that thousands encountered this year.

Had they any serious desire to make voting even marginally accessible, they would dedicate funding to educating the public about our constantly shifting polling places and rules around voting. I believe that, if the public could see the dysfunction at this level of the process and this lack of support for our democratic processes, they would support a wholesale housecleaning of this capitol.

For these reasons, I oppose HB2017 as amended by the conference committee.

Senators Driggs, Quezada and Smith, Senate conferees, and Representatives Mesnard and Weninger, House conferees, submitted the following conference report on House Bill 2297:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Representative Clark, House conferee and Senator Quezada, Senate conferee submitted the following Minority Report:

We oppose HB2297, political advertisements, contributors, disclosure, as amended in conference committee, because the conference committee amendment does not remedy the egregious attempt in both HB2296 and HB2297 to take away the voters' ability to refer legislation and voice their opinion at the ballot box.

The underlying bill makes numerous changes to Laws 2016, chapter 79 (SB1516), and attempts to make those changes, as well as all of SB1516, go into effect four days before the November general election. These provisions effectively undermine the ability of voters to exercise their right, under the Arizona State Constitution, to refer a piece of legislation to the ballot for a vote of the people by requiring multiple bills be referred to the ballot in order for the substance of the main bill, SB1516, to be referred.

Additionally, HB2296 now includes provisions that would codify an exemption from disclosure requirements for nonprofit entities. It is widely known that these entities engage in political campaign activity, and they are often referred to as "dark money" organizations because of the limited requirements for disclosure of the money they raise and spend. Much like provisions in SB1516, an exemption from laws requiring disclosure of political activities was added to HB2296 but it was placed in the statutes that govern the nonprofit status of these entities (versus statutes governing campaign finance disclosure). With this change to HB2296, which we attempted to remove in a conference committee amendment to HB2297, effectively, even if SB1516 is repealed through a referendum, this change in law would accomplish the same goal as SB1516 in another part of statute, thereby thwarting the constitutional power of referendum.

The referendum process is difficult. It requires the collection of tens of thousands of petition signatures from registered voters. It is appropriate that the process be difficult because referendum to the ballot is not something that should be taken lightly. It should be reserved only for those policy issues that are of significant concern to Arizonans. The so-called campaign finance "reform" provisions in SB1516 are those types of issues. Poll after poll show that the public is very opposed to the use of "dark money" campaigns to influence our political system, and voters deserve the opportunity to voice their opinion on the policy decisions in SB1516.

We are outraged by this attempt to circumvent the referendum process established in the Arizona State Constitution. If the people wish to require a public referendum, dialogue, and vote on the provisions of SB1516, the legislature should not stand in the way of that right through crafty maneuvering. It is disrespectful to the voters and undermines the integrity of our political process.

For these reasons, we oppose HB2297 as amended by the conference committee. The conference committee missed an important opportunity to thwart the efforts of those threatened by a voter referendum of SB1516 to deny Arizona voters their rightful role in our legislative process.

The motion carried and the Secretary recorded the action and notified the House.

# SUPPLEMENT

Governor's Action after Adjournment Sine Die .....	407
Messages from the House .....	425

The following communications were received from the Governor after the adjournment sine die:

**The Governor approved the following:**

March 11, 2016

The Honorable Michele Reagan  
Secretary of State  
1700 W. Washington, 7<sup>th</sup> Floor  
Phoenix, AZ 85007

Dear Secretary Reagan:

Today, I enthusiastically signed H.B. 2544. H.B. 2544 makes Arizona the first state in the nation to give our public schools the choice to use the appropriate test that best aligns to their instructional models, curriculum, and rigorous learning concepts they expect their students to learn.

I want to thank Representative Boyer and Senator Allen for their leadership and their tireless effort on this bipartisan, consensus bill that allows teachers to spend more time teaching and less time giving duplicative tests.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

March 24, 2016

The Honorable Michele Reagan  
Secretary of State  
1700 W. Washington, 7<sup>th</sup> Floor  
Phoenix, AZ 85007

Dear Secretary Reagan:

Today, I signed H.B. 2059 (DCS information; governor access). This legislation recognizes my authority under Article 5, Section 4 of the Arizona Constitution to obtain information and documents from State agencies and offices. I thank the bill's sponsor, Representative Kelly Townsend, for her ongoing commitment to child safety.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

March 31, 2016

The Honorable Michele Reagan  
Secretary of State  
1700 W. Washington, 7<sup>th</sup> Floor  
Phoenix, AZ 85007

Dear Secretary Reagan:

I signed SB 1324.

Previous Arizona law provided flexibility and tied Arizona standards on medication abortion to the FDA standard. Under that law, Arizona law would change as the federal standard changed. But Planned Parenthood filed litigation over this flexibility and forced the hand of the legislature to tie Arizona law to a specific label rather allowing flexibility. It is because of that litigation that we are here today.

At the time SB 1324 was passed, the FDA had not updated its label in fifteen years, and there was no indication that an update was imminent. The legislature acted in good faith to deal with litigation brought by an organization that profits from and advocates for expanded access to abortion.

In such a case, I will always stand with those advocating life. I recognize that given the unexpected actions by the FDA, some changes may need to be made in a later bill, and I stand ready to consider those changes when they reach my desk.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

Re: Senate Bill 1197 (schools; cursive writing requirement)

Dear President Biggs:

I vetoed SB1197. While I strongly believe that cursive handwriting must be taught in our public schools, there's already a process in place to ensure this happens. In March 2015, I directed the State Board to review, revise and replace the state's academic standards with input by Arizona parents, teachers, principals and content experts. The State Board of Education and the Arizona Department of Education are currently working collaboratively to that end and they have engaged the public from every corner of the state with community meetings and through thousands of online and written public comments. My expectation is that these new standards should outperform the ones already adopted but also reflect the skills that we believe Arizona students should possess.

I have communicated to the State Board of Education that the new academic standards must include instruction in cursive reading and writing and that by the 5th grade, students should be able to read and write documents through legible cursive handwriting.

I want to make it very clear that I do not agree with others who proclaim that handwriting is a "lost art" or a "relic of the past." Research shows a link between stronger handwriting skills and pedagogical benefit, including increased cognitive and learning development, brain activation, letter recognition and greater reading coherence. For students who struggle with diminished fine motor skills and/or reading impairments, cursive writing can be an effective learning tool. And for many, handwriting also allows a process of reflection that can lead to better understanding and memory encoding.

I'd like to express my appreciation to Senator Griffin for bringing this bill forward and ensuring that we do not forget the importance of teaching cursive handwriting skills in a student's course of academic study.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

Re: Senate Bill 1268 (adequate water supply requirements; municipalities) and  
Senate Bill 1400 (county water supply provision; renewal)

Dear President Biggs,

Today, I vetoed Senate Bill 1268 and Senate Bill 1400.

Arizona enjoys a proud and longstanding reputation as a global leader in water management. Historically, we've planned ahead for the needs of our citizens and the future of our state but these bills undermine those efforts. While I appreciate the sponsor's efforts to protect Arizona from federal overreach, I'm concerned S.B. 1268 and S.B. 1400 would encourage a patchwork of water ordinances throughout our cities and leave our water supply securities in peril.

Ensuring the certainty and sustainability of Arizona water is a top priority. I will not sign legislation that threatens Arizona's water future.

I look forward to working with legislators to build on the success our state has experienced with the Groundwater Management Act of 1980, and the hard work of leaders from Carl Hayden, to Mo Udall and Jon Kyl, by implementing additional conservation opportunities and exploring new, sustainable water sources for our state.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

Re: House Bill 2524 (uniform firearms transfer compact)

Dear Speaker Gowan:

Today, I was glad to sign Senate Bill 1266 and House Bill 2338 – two pieces of legislation that protect our Second Amendment rights. Earlier this year I signed House Bill 2224 (private firearm transactions; prohibited encumbrances), reinforcing my commitment to allowing the exchange of firearms without government intrusion. I have signed several other firearms bills, with a commitment to safeguarding our liberties relating to firearms.

Arizona has led the nation in ensuring the right of our citizens to keep and bear arms, and I intend to preserve that status. That is why I'm vetoing House Bill 2524.

This bill is unnecessary. As a strong supporter of the Constitution, the Second Amendment and the Tenth Amendment, I believe it's important that Arizona continue to chart its own course and retain its sovereignty. I see no reason for Arizona to tie ourselves to other states' decisions on public policy relating to the transfer of firearms. We know what's best for our state, and I trust the citizens of Arizona and their elected leaders to continue to make wise decisions to protect our Second Amendment rights, whenever and wherever those rights are infringed.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

Re: House Bill 2568 (community facilities districts; formation; governance)

Dear Speaker Gowan:

Today, I vetoed House Bill 2568.

As you know, I'm a strong advocate for building our economy, and I know that growth and development are key to that success. I've been a champion for our business community and will continue to be. I also understand there are issues to be addressed with our community facilities districts.

However, I'm concerned that this bill does not provide needed protections for the taxpayer. These districts, like all of government, need to be accountable, and when the balance of power disproportionately favors any one side, homeowners and businesses are the ones who suffer.

In any future efforts on this issue, I encourage more emphasis on accountability and reforms that ensure protection for both businesses and taxpayers.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

Re: House Bill 2484 (estimates; state budget; notice)

Dear Speaker Gowan:

Today, I vetoed House Bill 2484. I strongly support the underlying policy of truth in spending. Unfortunately, the language in the bill is unclear and vague, and doesn't take into account fiscally conservative actions such as eliminating debt.

I look forward to working with the proponents of this bill so that we can correct these concerns and consider it as part of a broader package of needed budget reforms next session.

Dear President Biggs:

Today, I vetoed Senate Bill 1141. While I support tax policies that make Arizona as competitive and fair as it can be, I cannot support this bill in its current form. This provision is ambiguous and may have unintended consequences beyond the intent of the proponents.

Re: House Bill 2434 (abandoned vehicles; towing reimbursement)

Dear Speaker Gowan:

Today, I vetoed House Bill 2434.

This bill would cost the state nearly a million dollars annually. With so many priorities facing Arizona, and with our budget finally structurally balanced, I don't believe this makes sense in this form, at this time.

I'm open to changes in the fee structure, however, I'd rather see an approach that is revenue neutral.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

The Honorable Michele Reagan  
Secretary of State

Dear Secretary Reagan:

Today, after much consideration, I signed House Bill 2537, which increases the number of justices on the Arizona Supreme Court from five to seven. The measure puts Arizona on par with states that have similar or smaller resident populations, yet more Supreme Court justices, including Nevada, Colorado, Wisconsin, and Massachusetts.

Arizonans deserve swift justice from the judicial branch. Adding more voices will ensure that the court can increase efficiency, hear more cases and issue more opinions.

I appreciate the array of viewpoints on this issue. I have listened, researched and weighted all the arguments carefully before making a final decision.

Some, particularly national activists and media who aren't familiar with our system here, have inaccurately described this as "court packing." That's just wrong. Arizona's two new justices will be selected under our state's nationally-renowned merit selection system, which includes nominations of qualified applicants by the Commission on Appellate Court Appointments.

The fact is, unlike the federal system, I can't simply appoint anyone. My experience so far has been that the merit selection produces excellent candidates – Democrats, Republicans and Independents. When I made my first appointment to the Supreme Court early this year, the candidates were superb and the decision very hard to make. The record will show that in my judicial appointments to date I have selected several judges who are not members of my own political party, including my selection for the Supreme Court.

Some has said this bill is unnecessary, and that the court can handle its caseload just fine. But I believe you'll hear a different story from the businesses and individuals facing litigation, who are in need of certainty.

Finally, some have suggested this policy is at odds with the goal of streamlining and simplifying state government. I disagree. Our goal is a state government that works for the people and that's efficient and effective. I believe this bill is consistent with that objective.

The judicial branch is a critical and co-equal branch of our state government. This bill provides the court with the resources to do its job in a growing and prosperous state.

I appreciate Representative J.D. Mesnard's leadership on this legislation.

I would also like to note my high regard for Chief Justice Scott Bales. He is of the utmost integrity and our court is in excellent hands under his stewardship. Arizona is lucky to have such a qualified and thoughtful justice guiding our Supreme Court. I look forward to continuing to work with him and our entire judicial branch in the years ahead.

Sincerely,

Re: Senate Bill 1367 (Assyrian genocide; monument; procedures)

Dear President Biggs:

Today, I vetoed Senate Bill 1367.

As Arizona progresses into its second century, it's important to both reflect on the past as well as plan for the future. With limited space remaining in Wesley Bolin Plaza, it's a good time to take a thorough look at the Capitol complex and plan ahead.

Before moving forward with any additional monuments on our Capitol mall, I would like the Arizona Department of Administration to work with the Governmental Mall Commission to review our current monuments and develop a plan for the future of Wesley Bolin Plaza.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

Re: Senate Bill 1401 (trade names; trademarks; application)

Dear President Biggs:

Today, I vetoed Senate Bill 1401.

While I understand the genesis behind the bill, I am concerned about the additional -- and subjective -- requirements it places on businesses and entrepreneurs. I support reducing frivolous lawsuits in the state, but this bill would not insulate any business from litigation and in fact could actually expose trademark applicants to additional litigation due to the new requirements contained in the bill.

Sincerely,

Re: Senate Bill 1434 (information technology; consolidated purchasing)

Dear President Biggs:

Today, I vetoed Senate Bill 1434.

It's time for state government to enter the 21st century, and major advances in technology are needed to get there. This bill appears to add extra layers of bureaucracy that are unnecessary and will stall needed advancements in technology.

Re: Senate Bill 1443 (health profession regulatory boards)

Dear President Biggs:

Boards can serve an important role in protecting public health and safety, but in many ways, they lack accountability and transparency. While nominally part of the executive branch, in practice these boards operate independently, often outside of the line of sight, and lack appropriate oversight or checks and balances.

There is such a lack of accountability that we've relied on the press to uncover wrongdoings. Thanks to aggressive reporting in the media we've learned of significant problems that need to be addressed. But it shouldn't get to that point. There needs to be more oversight.

This bill doesn't do it. It's watered down and weak, and it would give protectors of the status quo the excuse to say we've done something, when we really haven't. I do not believe the best way to address needed reform at the board level is small, isolated changes that do not address the root of the problem. Additionally, I am disappointed that this bill fails to include reforms necessary to address recent Supreme Court precedent, which leaves the state vulnerable to antitrust liability and intrusion by the federal government.

It will likely rattle some of the incumbent special interests at the Capitol, but we must pass Legislation next session that aggressively addresses needed reforms of our boards and commissions, including increasing transparency, providing appropriate accountability, and protecting the state from liability. In the meantime, I have directed my staff to explore all other options at my disposal to shine a light on this dark corner of state government.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

Re: Senate Bill 1510 (incompetent persons; mental health evaluations)

Dear President Biggs:

When it comes to improving how Arizona deals with a special class of dangerous defendants who are incompetent to stand trial, there are many issues that need to be addressed from both the state and local levels. While this bill attempts to make some of those changes, it also includes provisions that could jeopardize the licenses of our staff at the Arizona State Hospital, as well as the credentials of the hospital itself. For this reason, I must veto Senate Bill 1510.

Because of our shared concerns about finding a solution to this issue, this year's FY2017 budget includes a provision establishing a study committee comprised of behavioral health and criminal justice experts to make policy recommendations by this winter. The provisions of this bill as well as other ideas will be considered and vetted by that group. I look forward to reviewing a comprehensive strategy prepared by this group of experts to address this issue in the future.

Sincerely,

/s/ Douglas A. Ducey

The Honorable Michele Reagan  
Secretary of State  
1700 W. Washington, 7<sup>th</sup> Floor  
Phoenix, AZ 85007

Dear Secretary Reagan:

I am an unapologetic dog lover.

Like all pet owners, I consider my dog, Woody, to be a member of the family. Animal welfare is an issue that is close to my heart and of great personal importance.

Animal cruelty is disgusting and morally reprehensible.

As my record demonstrates, I will not stand for – and the state of Arizona will have zero tolerance for – the mistreatment of any animal. Last year, I issued my first veto in office for a bill that would have weakened protections for animals under state law. In recent days, we have taken significant action to expand protections for animals in Arizona – from ensuring the freedom of Salt River horses to roam free in our state, to ending live Greyhound racing for good. In my campaign for governor in 2014, I was proud to be endorsed by the U.S. Humane Society.

Today, in that same spirit, I signed SB 1248.

In my deliberation process, I ensured my staff thoroughly researched this bill, and I spent considerable time understanding the arguments for and against. In particular, the many comments from concerned citizens on social media have been ones that I've personally read and I've taken to heart because of my passion on this issue.

It's important to understand the facts of the bill. SB 1248 actually strengthens penalties for pet store owners who do not take measures to ensure that the animals under their care are from a licensed, safe, sanitary and humane place.

I'm a vocal supporter of small business and economic development. But I would never, ever, support any business operation that would endanger dogs – and subject future generations of puppies to health risks and defects. That is not a business model welcome in the state of Arizona.

Shutting down the good guys will do nothing to stop the bad actors. Rather, it will open the doors for more puppy sales through unregulated sources, where abuse and inhumane conditions are more likely. This bill ensures that puppies being sold in pet shops are coming from responsible breeders, and includes strict penalties for store owners who do not comply.

As this action demonstrates, I will continue to support measures that increase protections for animals. If there are bad actors in this state, they will be held accountable under the law.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

## SENATE RULES

RULE 1  
Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2  
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes." If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President shall vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve during the President's absence, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time in the absence of the President and President Pro Tempore. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

### RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

### RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

#### RULE 5 Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

B. Committees of the Senate except the Rules Committee shall have the following powers and duties:

1. The first Senator named on a committee shall be the chairman thereof; the second shall be the vice-chairman. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. A committee chairman may add a bill, memorial or resolution to a committee agenda by distributing a revised agenda to committee members and the Secretary of the Senate by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer

such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

- (c) The bill offers only technical or conforming changes to the statutes.
- (d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.
- (e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

## RULE 8 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10  
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11  
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

#### RULE 12

##### Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

#### RULE 13

##### Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14  
Bills, Resolutions, Memorials, Engrossed  
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy." Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, not less than 250 copies nor more than 3,000 copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House with not less than 125 copies and the Legislative Council with 5 copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . ." If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause."

#### RULE 15 Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

#### RULE 15.1 Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call," "roll call vote" or "recorded vote," such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

#### RULE 17 Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

#### RULE 18

##### Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 20  
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22  
Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23  
Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

RULE 24

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.
6. General parliamentary law.

RULE 25  
Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

RULE 26  
Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

RULE 27  
Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

#### RULE 28

##### Amendment of Rules; Suspension of Rules

A. The Senate Rules may be amended upon vote of the majority of the members of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members present.

#### RULE 29

##### Code of Ethics

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

(a) The total gross annual income value of the contract is less than one thousand dollars, or

(b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or

(c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to "have an interest in the profits of a contract" if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. "Public agency" means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. "Business" includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. "Gift" includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. "Fee" includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

### RULE 30 Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31  
Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.
