STATE OF THE STATE ADDRESS  
GOVERNOR DOUG DUCEY  
January 8, 2018

Speaker Mesnard, President Yarbrough, Chief Justice Bales, Members of the Legislature and Judiciary, all of my fellow Arizonans, I'm again grateful to be here. We gather here to continue our work moving Arizona forward.

Sometimes that work is accomplished through legislation and policy, debated and voted on here in these halls. Other times, it's through the actions of every day citizens, stepping up and making a difference for others. But more often than not, change and progress happens through the capacity of our state, and its people, to always be ahead of the curve – knocking down barriers and breaking *with* conformity.

This April marks 30 years since one of our state's most beloved and cherished leaders took to this podium – beehive and all – and in doing so shattered the glass ceiling, through all nine floors of the Executive Tower, right up to the Governor's Office.

What better way to honor and further Governor Rose Mofford's legacy than with a new historic achievement reached this past August: The highest percentage of female legislators of any state in the nation.

Senators, representatives – will all the women who have achieved this awesome accomplishment on behalf of our great state please stand, so that we can recognize your service to Arizona.

Think about it. Here are three additional milestones that only Arizona can claim:

One: More women governors to date than any state in American history

Two: The home of the first female United States Supreme Court justice and

Three: The state that two decades ago voted women into every single statewide elected executive position.

There are no lack of powerful and impressive women role models for the young people of our state, inside and outside of government – Moms and grandmothers. Judges and mayors. Congresswomen and CEOs. The first female NFL coach. A university president. The chancellor of the largest community college in the country. The police and fire chiefs of the fifth largest city in America.

We applaud your leadership, including that of Secretary Michele Reagan, Superintendent Diane Douglas, Justice Ann Timmer, and Leaders Rebecca Rios and Katie Hobbs. This trail was blazed long ago. Icons like Rose Mofford and Sandra Day

O'Connor fought with grit and determination for fair treatment, and achieved greatness. And they didn't do it for women in the year 2018 to face discrimination, misogyny or harassment. The reason, they did it, was so the women who followed them, would not only have their voices heard in our country – but so they would help lead and shape our great country.

It should go without saying, but it bears repeating: Every individual deserves to be treated with dignity and respect. Always. No exceptions. Private sector. Public sector. In my office. In state agencies. In this chamber. And everywhere else.

In Arizona, we are blessed to stand on the shoulders of giants. Rose Mofford and Sandra Day O'Connor are two in a long list.

Whether it's Bruce Babbitt's work ushering in the historic water policy that's allowed us to grow and thrive in the desert; John McCain's selfless service to country; Gabby Giffords' resilience against all odds; Mo Udall and Barry Goldwater showing us what bipartisanship really looks like; or Lori Piestewa giving the ultimate sacrifice to protect her fellow Americans – we have no lack of heroes.

As we begin our work, these leaders should serve as a reminder of why we all went into public service. Ladies and gentlemen – we enter 2018 with confidence and conviction, promise and possibility. The state of our state is strong, and our future is without limits. By working together, with a spirit of service; with integrity, humility – by forgetting about who should get the credit – we can move Arizona forward, and in a way that will make our fellow citizens proud. So let's get to work.

We have a good foundation to build on. While Washington can't seem to get much done, we have a solid track record of getting down to business and working across this aisle on solutions. True, we don't always agree. But that's the exception, not the rule. Last year, more than 90 percent of the legislation we passed together was bipartisan. In fact, much of it is best described as “nonpartisan.”

It's a good thing, because there's an ongoing crisis we face that calls for this no nonsense approach, and it's one that must unite us if we are to take action with care and urgency.

Since I last stood at this podium, we've lost more than 800 Arizonans to opioids. These are real lives and real people. Gone. Someone's mom, their dad. Daughters and sons. All ages. All incomes. Families, marriages and lives torn apart, tragically and unexpectedly because of a potent drug mis-prescribed, overprescribed – and then, before you know it, it's too late. There's no turning back.

We've taken some important steps to date. Cracking down on doc shopping. Making Naloxone readily available to stop an overdose. Limits on first fills. But this much is clear: This epidemic requires a more aggressive approach.

When we have four doctors, in one small, rural county of 200,000 people, prescribing 6 million opioid pills in just one year – 6 million – something has gone terribly, terribly wrong. And we know that 75 percent of heroin addicts started on opioids. So last June, I declared a public health emergency to bring awareness and solutions to this crisis. Out of that, Arizona's top medical, addiction and public safety officials have presented thoughtful and serious policy proposals to stop the deaths. I'm grateful for their work.

Of the proposals, some are aggressive, some may be controversial, and some frankly don't go far enough.

For those of you who think this is not the role of government, you must have misread your Russell Kirk. Rules and regulations are there to protect public health and public safety. And I intend to do both.

In the coming days and in partnership with Legislative leadership, I will call for a special session, so we can focus on this, as one of our first orders of business, with the priority it deserves.

Our package will attack this issue from all angles, hear this, while protecting individuals who suffer from chronic pain, and maintaining compassion for those struggling with addiction.

This much I commit: All bad actors will be held accountable – whether they are doctors, manufacturers or just plain drug dealers.

**JOURNAL OF THE SENATE**  
**Monday, January 8, 2018**

When it comes to protecting public safety, we know who's on the front lines: Our cops, firefighters, first responders and members of our Armed Forces. Talk about the ultimate demonstration of public service.

Their families, too. When mom or dad walks out the door, they are walking straight into danger. As the son of a cop, I know this first-hand.

Last year – we faced an especially aggressive fire season. And because of the dedication and commitment of the fire professionals at the state and local level, combined with National Guard and first responders, these fires were contained, and homes, lives and pets were saved.

But their work did not stop there. More than 150 Arizona firefighters stepped-up to assist our neighbors in California during the tragic fires that blazed through LA.

With the sacrifice of the Yarnell 19 still fresh in our minds, we thank all of you for your courage and bravery.

Our police officers are also facing new challenges, and are rising to the occasion with valor.

Two years in, our Border Strike Force continues to stop the flow of illegal drugs, weapons and cash into our state. We made a decision: If Washington D.C. wasn't going to secure our border; Arizona would.

So far, the stats are staggering. 238 guns. Seized. 167,745 rounds of ammunition. Seized. 47,842 pounds of marijuana. Seized. And 11 million – 11 million – hits of heroin. Seized. All by our brave and smart Troopers working alongside local, federal and Mexican authorities. This is without a doubt making Arizona – and America – a safer place, and it's worthy of our continued investment.

Contributing to this effort: Cindy McCain's tireless work to shine a light on human trafficking, and to end it. She's here today. Cindy, you and Senator McCain have all Arizona's love, prayers and support.

On the topic of public safety, we wake up too frequently these days to the report of another death on our highways. A wrong-way driver – and in many cases, it comes back to drugs or alcohol. You'd think it was obvious by now, but to anyone out there who hasn't gotten the memo: Booze, drugs and driving don't mix. Your actions are beyond foolish – they are lethal. And we will not tolerate it.

Let's pass a bill: Those reckless enough to put lives on the line by driving the wrong-way on our highways, under the influence of drugs or alcohol, should face a felony conviction and prison time. No exceptions.

And if you break the law, our troopers will have their sights set on you, because we're targeting even more efforts here: An enhanced "Wrong-Way Driver Night Watch," with resources to match. We're going to zero-in on these criminals, with the goal of stopping these accidents and saving lives.

Whether you're wearing a uniform, or you're a good Samaritan -- everyone plays a part when it comes to public safety. We've all heard the mantra: see something; say something. Or, do something.

On January 12, 2017, Ed Andersson started his day as he did most others – he put on his work uniform, kissed his wife goodbye and began his shift in one of the most dangerous professions: as a law enforcement officer. Ed had experienced a lot during his 27 years of service as a state trooper – but nothing would prepare him for the day ahead.

While en route to a scene, Trooper Andersson spotted a rollover car wreck. He stopped to assist a woman ejected from the crash and was immediately ambushed by the meth-infused driver of the car: first he was shot and then physically assaulted.

Enter Thomas Yoxall. Thomas was on his way out of town on the I-10 when he encountered the terrifying scene: a wounded Trooper Andersson under assault by a man Thomas described as having the look of "evil" in his eyes. Thomas acted fast; on gut instinct. Pulling over, grabbing his gun, and after the aggressor refused to stop – Thomas took action.

Thomas Yoxall says the good Lord put him there that day – and we are blessed that he did. And that fact, combined with the Second Amendment, and a citizens' God-given right to keep and bear arms, ended up saving Trooper Andersson's life

The men have formed a bond that will last a lifetime. They are here today. Thank you both for your heroic service to the state of Arizona and God Bless you.

Two decades ago, Thomas Yoxall says it wouldn't have ended this way. He was on probation, after a series of mistakes he made in his youth. Today, his life is back on track, his rights have been restored, and he represents the ultimate second chance story and a reminder that every life matters – and no one should fall through the cracks in our society.

If someone has paid their debt to society, the last thing we want is for them to find themselves back in trouble with the law, and our policy can play a role.

At second chance centers we launched last year at prisons outside of Tucson and Phoenix, we're teaching life and career skills to inmates who are scheduled to leave prison soon. Dozens of employers are participating, and hundreds of inmates who have graduated through these programs to date. Many are leaving prison with multiple job prospects. So let's expand these programs, with capacity for 975 more inmates to participate each year.

I've learned a lot from these people. From their letters, and from meeting with them. One said: "For future inmates, a word of encouragement – God placed you here for a reason. You must want to help yourself in order to be successful."

One example of that is Donald Stevenson. Donald spent 10 years behind bars. Nearly his entire 20s. At age 29 he was released, and found stability in the form of an entry-level job at Austin Electric. Three years later, Donald has his life turned around, he's risen through the ranks, owns a home and is now focused on helping others: Training inmates to become skilled electricians, like him.

I want to salute Donald, as well as Toby Thomas – president of Austin Electric – and Connie Wilhelm, with the Homebuilders who are private sector partners in giving people a fresh start and a real second chance.

These efforts and others are paying off. We've seen a 10 percent drop in released inmates going back to prison on a technical violation, and Arizona is experiencing the largest drop in the number of inmates in our prisons since 1974.

So let's keep going. One of the biggest impediments for released inmates to get back on their feet is the lack of a legal form of identification. I've instructed the Department of Transportation to work with the Department of Corrections, to do everything they can to start getting soon-to-be released inmates IDs before they walk out the doors.

Let's get people off the streets; and in a job – with the goal of shutting down prisons, not building new ones.

For too many years, Arizona saw spending on prison facilities go up, and spending on K-12 education go down. Not any more. For the second year in a row, my budget will add no new prison beds. All of this while fighting crime and improving public safety. In addition, my cabinet continues to identify millions in wasteful spending, opportunities for consolidation and streamlined services.

Let's spend these dollars – tens of millions of dollars combined – where they can go to better use: In our public schools and for our teachers.

But before we talk dollars and cents – let's address something. Some folks think the best argument for a greater investment in our public schools is to claim that our schools are failing. Well, they're wrong.

The most compelling argument for investing in our public schools is that they are improving and getting better. And that argument has the added benefit of actually being true.

You wouldn't always know it from picking up the newspaper or turning on the TV, but Arizona public schools are showing real, measurable signs of progress, and they are leading the nation in some important areas:

**JOURNAL OF THE SENATE**  
**Monday, January 8, 2018**

Four of the top five public high schools in America are right here in Arizona.

Arizona students continue to lead the nation in improvements in reading and math.

Three Arizona school districts – Chandler, Peoria and Washington Elementary – placed in the top 20 nationwide for academic gain.

We know how to educate a child in the state of Arizona. We need to do it more often and in more locations across our state.

We have two leaders here who do this every day. My guests, the Superintendents of the Chandler and Mesa School Districts, Camile Castille, and Mike Cowan.

Thank you for your leadership.

So let's get some facts straight:

Overall per student spending is up 10 percent since 2015 – that's adjusted for inflation.

Over the last three years, we've committed 1.7 billion new state dollars to K-12 education.

Since fiscal year 2015, school districts have increased their investment in teacher salaries by nine percent. It is clear: principals, superintendents and school board members are directing these dollars where they should go, to our dedicated teachers.

I've pledged to increase spending on K-12 education, above and beyond inflation, every year I'm in office. I've also said, we'll never check the box on public education. We can always do more for our kids and teachers.

This week, I will release my budget. It will include a full commitment to accelerate the state's K-12 investment, and restore long-standing cuts from the recession made before many of us were here.

At the same time, we will maintain our investments in targeted programs that are working, and making a difference for Arizona families:

All-day kindergarten.

Career and technical education.

Computer science and coding.

Reducing waitlists.

Closing the achievement gap.

High-speed internet to rural schools.

And new school buses.

In fact, 80 percent of our new budget priorities you'll see Friday will be for public education.

We know what works and we know how to get big ideas done. We've done it before. Prop 123 was the result of a partnership between Democrats and Republicans. The Education and Business communities. The voters, for saying "yes." And of course, our teachers – the biggest difference-makers of them all.

If we are to succeed on future efforts around public education, we must work in the same way. Together.

And the excellence in our public education system doesn't end at 12<sup>th</sup> grade. Our three public universities continue to be national pillars in higher education. And our three university presidents are leaders among their peers. President Michael Crow, President Rita Cheng, and President Bobby Robbins – Arizona is lucky to have you.

In November, I attended President Robbins' installation at the U of A. He spoke about innovation; about the role of higher education in making this a better, safer and more noble world. And he spoke about diversity. Diversity of heritage; diversity of tradition – and diversity of thought.

We all see the headlines. From Berkeley to Harvard, from Missouri to Middlebury—protests and violence aimed at silencing speech that some just don't want to hear. One college student protesting a visiting speaker, was asked about the 1<sup>st</sup> amendment by a reporter. The student responded that the Constitution just isn't that relevant anymore. Unbelievable.

I want to salute our university presidents, our community college leaders, our professors, and our students. Here in Arizona, on our campuses, debate is encouraged; free speech is protected; and diversity of thought isn't just a platitude – it's alive and well in lecture halls, on debate stages and in the pages of college newspapers.

And as someone who has taken the oath of office to preserve and protect the United States Constitution – I am here to tell you, the Constitution is not only relevant – it's the law of the land, and in Arizona, it will be respected and the government will abide by it.

It's worth remembering: For centuries, American men and women have laid down their lives to protect this Constitution.

Every day we say goodbye to members of our Greatest Generation, including our Navajo Code Talkers. And it's important our kids – the *next* Greatest Generation – know their history, and know these stories.

There's also more we can do for those who have served so nobly and bravely.

Like letting our vets keep more of the benefits they have so courageously earned. It's been nearly 30 years since Arizona created the tax exemption for military retirement pay. But it's capped and not once, have we increased it.

Arizona has more than 600,000 veterans, and for the military retirees who qualify for the exemption, inflation alone has chopped it in half. Their service has earned them a lifetime benefit from our nation. So please, send me a bill that increases the exemption and demonstrates to our vets that we value this service.

There are so many issues we can find common ground on. Like protecting the lives of children in our state.

That's why we acted to prevent 24,530 low-income children from getting health insurance cancellation notices days before Christmas, as Washington continues to dither on this issue. And while Members of Congress give meaningless floor speeches and drag their feet, we've got a plan to fund KidsCare through the spring. But in the meantime, I've got a message for congress. Do. Your. Job.

Meanwhile, just two years ago, the problems at the state's new Child Safety department seemed insurmountable. But because of the committed service of our state's child safety workers, non-profit organizations and the faith-based community, combined with legislative support – the Casey Family Programs just named Arizona the best in the country for its foster care reduction.

The average caseload has dropped from 145 cases to 16. The backlog that plagued the agency for so long, has been eliminated. And since a year ago, we've found safety and permanency for nearly 11,000 children. So I'm proud to announce that our budget investment this year will be in adoption services, because we are finding kids loving homes.

Again I want to thank our faith-based community for stepping up to the plate. This is where we need your energy and action. Please – don't let up.

It's not just churches, though. We can all make a difference. Sometimes we forget, and we need a reminder.

Well, a young Arizonan named Xavier recently provided us that reminder. At nine years old, Xavier has already worked magic for one special foster child – literally.

In anticipation of his family's visit to the Wizardly World of Harry Potter, Xavier decided other kids – less fortunate kids – deserved the same fun. So he started making Harry Potter wands, and selling them. His family held a bakesale at a local preschool. His sister, sold lemonade. Before he knew it, Xavier and his family had raised nearly \$2,000 – and he used all of it, to send a foster child – all expenses paid – to see the Harry Potter world for themselves at Universal Studios.

**JOURNAL OF THE SENATE**  
**Monday, January 8, 2018**

Xavier is here today. Xavier – You and your family an inspiration. Thank you for reminding us what it means to treat others with respect.

When it comes to new parents, we can always offer more support.

Last year, we expanded our Happy Babies initiative – letting new moms and dads bring their newborns to work in the early months.

It's been a huge success. Just ask Lucas, Ryker and Milena – three graduates of the program from my office. They're here with us today. These are three successful graduates of the program.

Happy Babies is now deployed in nine state agencies, and more than 250 babies have graduated. We've got plans to continue expanding it. Even better? Private sector companies have reached out wanting to model their own programs after it, helping more Arizona parents avoid having to decide between work and family.

After all, it's these dedicated state employees who are driving results and efficiencies throughout our government. They are valued members of our team.

They are a model to other states, counties, cities, and even the federal government of how to provide quality customer service to the taxpayer.

For example, while bureaucrats in Washington DC target Arizona's Salt River horses, we're targeting needless state regulations.

Last year we wiped out 676. Eliminated them. And our estimates show that these reforms have saved real people more than \$48 million. That's the equivalent of a \$48 million tax cut, without costing the general fund one dollar. But we're not stopping there. For decade, after decade, after decade, red tape has been added – and for too long, no one in government ever stopped to ask "why?"

Well, Juan Carlos in Tucson did ask "why." Juan Carlos wanted to give back, providing haircuts to homeless veterans. The way he saw it – it was a way to recognize their service, and give them a helpful hand, maybe to prepare for a job interview.

That was, until the bullies at the State Cosmetology Board sought to stop him and stall his career, because he hadn't yet kissed their ring.

This is the kind of service that should be celebrated – not sanctioned.

Juan Carlos is here today. Juan Carlos, you go ahead and keep cutting hair and keep doing the right thing.

These same special interest bullies are at it again. This time, going after people who simply want to make a living blow-drying hair. No scissors involved. It's the latest craze, and one where the government currently requires 1,000 hours of training. 25 weeks. More than an EMT, Certified Nursing Assistant, or a truck driver. Representative Ugenti-Rita has a bill to change that. Let's get more Arizonans to work and get it passed.

Over the past 3 years we've worked hard to transform the culture of this government. Shutting down unnecessary state agencies. Waiving licensing fees for those in poverty. We're cutting red tape, chipping away at regulations and opening up economic freedom.

A word of advice to those bureaucrats – and, yes, even some elected officials – who are resisting this effort: The train is leaving the station. Get on board, or you're going to get left behind.

The good news is, should you get left behind – you'll re-enter a workforce with lots of new private sector jobs waiting.

Because in Arizona -- we know the recipe for success. Lower taxes. Light regulation. Great public schools. Superior quality of life. And responsible water policies that will protect us from sharing in California's water crisis.

Earning Arizona's reputation as a national leader in water management was no easy feat and it didn't happen by accident. It was the proactive nature of our predecessors, and our state's willingness to take-on complex issues. This session, we must follow their lead

and put forward responsible policies that will ensure Arizona speaks with one-voice to secure the state's future for generations to come.

Our economy is growing, so a plan is needed.

Look how far we've come. We went from a billion dollar budget shortfall three years ago, to discussion today over where to spend our additional dollars.

Since 2015, we've added more than 160,000 private sector jobs. The last time unemployment was this low, we were all renting movies from Blockbuster.

And today, Silicon Valley companies are flocking to Arizona. The *New York Times* recently featured our success, labeling it a "tech boom." When's the last time the *New York Times* had anything positive to say about Arizona? Keep it up and who knows – the Daily Show might even have something nice to say about us.

Meanwhile, we're used to attracting companies from California – that's easy. But now we are even taking them from Texas. We're doing something right. People vote with their feet, and today Arizona is at an all-time record-high 7 million plus residents.

Credit goes to our citizens, job creators, and their workers.

We want Arizona to be the entrepreneurial Capitol of the US – the place where new technologies come to flourish. And we are well on our way.

Helping our advantage? Our proximity to our largest trading partner – times four: Mexico. The cooperative relationship we've forged is improving things at every level—trade, growth in the economy, jobs, and increased border security. I want to acknowledge the leadership of the first female Governor in the history of our sister state of Sonora – here today as a guest of Angela and mine, Governor Claudia Pavlovich. Governor, Sergio, Muchas Gracias for your friendship and partnership in creating a safer and more prosperous place for all our people.

A lot of work will get done at this Capitol over the next several weeks – and I want to emphasize – weeks – but the real work in our state is happening outside these walls.

These last three years, I've been to every county in the state – and I like what I've seen. Public schools. Small businesses. Large companies. Farms. Churches. Tribal nations. Little leagues. Non-profits. Northern Arizona. Southern Arizona. Arizonans looking out for each other. Lifting each other up. There are no party labels out *there*. Just good, hard-working people looking to make this a better place to live – not only for them and their families, but for others.

Just take a visit to St. Mary's Food Bank, and you'll see it. They just celebrated their 50<sup>th</sup> anniversary. To date they've provided more than 1 billion meals to those who need it most.

Every day, dozens of volunteers show up at these food banks, and roll up their sleeves. And for no other reason than to help their fellow citizens.

It's that spirit of service that got us here.

And it's that same service that will lead Arizona, into the future.

Now, I don't want to sound naïve. I realize we are a country divided and in many ways a people divided, our state as well.

But as a country we've been here before—in more difficult circumstances.

So let's remember the words of that great original American nationalist, Abraham Lincoln at the close of his first inaugural address:

"We are not enemies, but friends. We must not be enemies. Though passion may have strained it must not break our bonds of affection. The mystic chords of memory, stretching from every battlefield and patriot grave to every living heart and hearthstone all over this broad land, will yet swell the chorus of the Union, when again touched, as surely they will be, by the better angels of our nature"

Thank you and God Bless.

**PERSONAL PRIVILEGE**

Senator Griffin asked for a point of Personal Privilege and requested that without objection, her remarks of more than 200 words relating to the Vietnam War, the Tet Offensive be entered into the Journal:

Vietnam War: The Tet Offensive, 1968 by COL Joe Abodeely, USA (Ret)

A half a century ago, in late January 1968, during the lunar new year (or "Tet" holiday), North Vietnamese and Communist Viet Cong forces launched a coordinated attack against numerous targets in South Vietnam. U.S. and South Vietnamese repelled the assault; however, the Tet Offensive weakened U.S. public support for the war in Vietnam due to slanted media reporting of the war.

The Communist North Vietnamese government and the Viet Cong claimed they were fighting to reunify Vietnam even though the Republic of Vietnam (South Vietnam) was an internationally-accepted independent nation-state. On the other hand, the U.S. government's involvement in the war was to prevent a Communist takeover of South Vietnam and to stop the spread of communism--the "domino theory".

Leaders in Hanoi planned the Tet Offensive believing a successful attack on major cities might force the United States to negotiate, withdraw, or stop the ongoing escalation of guerilla attacks and bombing in the North. Hanoi selected the Tet holiday because it was traditionally a time of truce, and because Vietnamese traveling to spend the festival with their relatives provided cover for the movement of Communist forces.

The first phase of the assault began on January 30 and 31, 1968 when National Liberation Front (NLF) forces simultaneously attacked mostly populated areas and places with heavy U.S. troop presence. The strikes on the major cities of Hue and Saigon had strong psychological impact. The NLF even managed to breach the outer walls of the U.S. Embassy in Saigon. U.S. troops regained control of the embassy only hours later. Hue was occupied by North Vietnamese Army (NVA) forces who killed thousands of innocent Vietnamese civilians at Hue. The U.S. Marines retook Hue only after bloody fighting.

THE U.S. AND SOUTH VIETNAMESE FORCES WON ALL MAJOR BATTLES, BUT THE MEDIA DOWNPLAYED THIS FACT. In the months that followed, U.S. and South Vietnamese forces retook the towns the NLF previously took during the Tet offensive.

At the end of the Tet Offensive, the U.S. and South Vietnamese military response almost eliminated the NLF forces and regained all the lost territory, but the vivid reporting on

the Tet Offensive by the U.S. media made it appear that an overall victory in Vietnam was not imminent.

The most misleading and devastating media broadcast was Walter Cronkite's "We are Mired in Stalemate" on February 27, 1968:

Who won and who lost in the great Tet offensive against the cities? I'm not sure. The Vietcong did not win by a knockout, but neither did we. The referees of history may make it a draw... Khe Sanh could well fall, with a terrible loss in American lives, prestige and morale, and this is a tragedy of our stubbornness there ... To say that we are mired in stalemate seems the only realistic, yet unsatisfactory, conclusion... But it is increasingly clear to this reporter that the only rational way out then will be to negotiate, not as victors, but as an honorable people who lived up to their pledge to defend democracy and did the best they could.

After Cronkite, "the most trusted man in America", lied about U.S. success during Tet, President Johnson said he knew he lost the war due to Cronkite's lack of support. U.S. and Vietnamese forces won the war with the Paris Peace Accords in 1973, but NVA forces took two years to take over Saigon in 1975 after U.S. forces had gone and South Vietnam's resources to fight the war were depleted.

While people are busy recognizing WW I, WW II, and "Global War on Terrorism" veterans, don't forget those who honorably served in the Vietnam War. On this 50<sup>th</sup> anniversary of the Tet Offensive, let's remember the honorable, heroic, and patriotic service of our Vietnam veterans.

MESSAGES FROM THE HOUSE

(February 12, 2018)

House unanimously adopted House Concurrent Resolution 2019

INTRODUCTION AND FIRST READING OF BILLS  
 UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2019

House Concurrent Resolution 2019 was introduced and read in full by Senator Fann as follows:

A Concurrent Resolution honoring Arizona state parks and trails on being named by the National Recreation and Park Association as the winner of the Gold Medal Award in the state parks category.

Whereas, the National Recreation and Park Association (NRPA) presents the Gold Medal Award each year to honor communities throughout the United States that demonstrate excellence in long-range planning, resource management and innovative approaches to delivering superb parks and recreation services with fiscally sound business practices; and

Whereas, at the beginning of each calendar year, agencies are invited to submit applications for consideration. Finalists are announced at the end of April, and the grand award recipients are announced at the NRPA annual conference in the fall; and

Whereas, a panel of five parks and recreation professionals reviews and judges all application materials. Judges are chosen for their considerable experience and knowledge in parks and recreation on both local and national levels; and

Whereas, on March 12, 2017, Arizona State Parks and Trails (ASPT) submitted its application for the NRPA Gold Medal Award as the Best Managed State Park System in the United States; and

Whereas, on September 26, 2017, at the annual NRPA Conference in New Orleans, Louisiana, in front of six thousand parks professionals and a live national audience, ASPT was named the winner of this year's Gold Medal Award in the state parks category; and

Whereas, under a new state governor and new agency executive director, ASPT has experienced record attendance and revenue growth in the last three years and has begun expanding the state parks system for the first time in more than 18 years; and

Whereas, in fiscal year 2017, attendance at ASPT's 35 parks and natural areas topped nearly three million visitors, with record revenues of nearly \$18 million; and

Whereas, three new state parks are planned across the state, including Havasu Riviera State Park, Cattail Cove State Park and Rockin' River Ranch State Park. Last year, ASPT dedicated the Granite Mountain Hotshots Memorial State Park in Yarnell to honor the 19 hotshots who perished there in June 2013. Since opening to the public, the park has received more than 21,000 visitors from around the world; and

Whereas, each year, more than half a million visitors enjoy the beautiful waters of Lake Havasu State Park and explore Sedona and Oak Creek Canyon at Red Rock and Slide Rock State Parks; and

Whereas, five parks across the state offer a total of 32 camping cabins, with 100 more cabins planned for installation over the next year; and

Whereas, the executive director and staff of Arizona State Parks and Trails are to be commended for their hard work, collaboration and innovation in establishing and maintaining stellar recreational and historical areas and facilities for this state's citizens and tourists to enjoy.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature recognize Arizona State Parks and Trails on receiving the Gold Medal Award and extend their appreciation to Executive Director, Sue Black, and the ASPT staff for their tremendous efforts in achieving this honor.

Senator Fann moved that House Concurrent Resolution 2019 be unanimously adopted. The motion carried.

House Concurrent Resolution 2019 was signed in open session and returned to the House.

INTRODUCTION AND FIRST READING OF BILLS  
 UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1038

Senate Concurrent Resolution 1038 was introduced and read in full by Senator Brophy McGee as follows:

A Concurrent Resolution proclaiming February 28, 2018 as Alzheimer's Awareness Day in Arizona.

Whereas, according to the Alzheimer's Association, "Alzheimer's is a type of dementia that causes problems with memory, thinking and behavior. Symptoms usually develop slowly and get worse over time, becoming severe enough to interfere with daily tasks"; and

Whereas, there are more than five million Americans living with Alzheimer's disease; and

Whereas, every 66 seconds, someone in the United States develops Alzheimer's disease; and

Whereas, Alzheimer's disease is the fourth leading cause of death in Arizona; and

Whereas, there has been a 138% increase in Alzheimer's deaths in Arizona since 2000; and

Whereas, further research of Alzheimer's disease is critical as it is the only cause of death among the top ten causes in the United States that currently cannot be prevented, cured or even slowed; and

Whereas, in 2017, Medicaid spent an estimated \$44 billion caring for people with Alzheimer's disease and other dementias, with \$332 million going toward Arizonans; and

Whereas, as many as half of Americans with dementia have never been diagnosed, and only 33% of those who have been formally diagnosed are aware that they have the disease; and

Whereas, roughly 325,000 Arizona caregivers of people with Alzheimer's disease and other dementias provided 370 million hours of unpaid care last year, totaling approximately \$4.69 billion in unpaid care; and

Whereas, these caregivers report that their own health has deteriorated due to their caregiving responsibilities; and

Whereas, caregivers and family members are crucial in maintaining a healthy quality of life for those battling Alzheimer's disease and other dementias, and it is important that they be recognized and supported.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature proclaim February 28, 2018 as Alzheimer's awareness day in the State of Arizona.

Senator Brophy McGee moved that Senate Concurrent Resolution 1038 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1038 was signed in open session and transmitted to the House.

House unanimously adopted House Concurrent Resolution 2033

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT MEMORIAL 1016

Senate Concurrent Memorial 1016 was introduced and read in full by Senator Brophy McGee as follows:

A Concurrent Memorial urging the President and Congress of the United States to swiftly renegotiate and ratify the North American Free Trade Agreement to maintain the global competitiveness of Arizona's businesses and citizens.

To the President and Congress of the United States:

Your memorialist respectfully represents:

Whereas, the North American Free Trade Agreement (NAFTA) created the largest single free trade area in the world and has produced significant economic benefits to the State of Arizona; and

Whereas, one in five Arizona jobs are linked to trade in goods and countless others are linked to trade in services and international tourism; and

Whereas, in 2014, over 236,000 Arizona jobs relied on trade and investment with our two largest trading partners, Canada and Mexico; and

Whereas, NAFTA has facilitated the growth of significant new cross-border manufacturing and supply chains in industries such as aerospace, agriculture, electronics and automotive; and

Whereas, NAFTA has facilitated the expansion of Arizona businesses into the Mexican market; and

Whereas, the NAFTA-member countries of Canada and Mexico are Arizona's largest foreign direct-investment and trading partners; and

Whereas, in 2016, Arizona had \$15.7 billion in combined trade, nearly 38% of the state's total trade, with Mexico and maintained a trade surplus of \$830 million; and

Whereas, in 2016, Arizona had \$3.5 billion in combined trade with Canada and maintained a trade surplus of \$810 million; and

**JOURNAL OF THE SENATE**  
**Monday, March 5, 2018**

Whereas, tourism with our NAFTA partners is a significant driving force of Arizona's economic success; and

Whereas, 3.8 million annual Mexican visitors are responsible for \$7.3 billion per day, or 66% of all Arizona visitor expenditures, and the annual economic impact to Arizona from Mexican and Canadian visitors is \$5 billion; and

Whereas, NAFTA may usefully be updated to include new opportunities for Arizona companies; and

Whereas, withdrawing the United States from NAFTA would negatively impact Arizona's exporting and importing companies, the vast majority of which are small businesses, as well as the entire Arizona tourism industry; and

Whereas, withdrawing the United States would further discourage foreign investment in this state and the resulting job creation, would result in significant job losses across all sectors, with aerospace, tech, and agribusiness likely the hardest hit, and would be potentially devastating to the economic vitality of this state.

Wherefore your memorialist, the Senate of the State of Arizona, the House of Representatives concurring, prays:

1. That the President of the United States constructively and swiftly negotiate modifications to NAFTA to strengthen and modernize the agreement, maintain the trilateral nature of the agreement as it currently exists between Canada, Mexico and the United States and conclude the negotiations by the date agreed.
2. That the Congress of the United States swiftly ratify and certify the new terms of NAFTA to reduce business uncertainty and maintain the global competitiveness of Arizona's businesses and citizens.
3. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States, the United States Trade Representative, the President of the United States Senate, the Speaker of the United States House of Representatives and each Member of Congress from the State of Arizona.

Senator Brophy McGee moved that Senate Concurrent Memorial 1016 be unanimously adopted. The motion carried.

Senate Concurrent Memorial 1016 was signed in open session and transmitted to the House.

WHEREAS, according to the US Department of Justice, only 40 percent of sexual assaults are reported; and

WHEREAS, research and information by the Pennsylvania State University in 2005, and a United States Senate sub-committee in 2010 hearing on crime and drugs listed that the primary reason victims of sexual assaults do not report crime is for fear of not being believed and being blamed for the attacks; and

WHEREAS, sexual assault is a violent crime with devastating safety and health implications for every person in Arizona, be they a victim, a survivor or family member, loved one, friend, neighbor, or co-worker of the victim; and

WHEREAS, End Violence Against Women International has developed a program entitled "Start by Believing" a message that in part confronts the reality that many victims do not get the support they need when they do report the crime; and

WHEREAS, local governments and private business organizations around the states are adopting the Start By Believing Campaign, it is appropriate for Arizona as a whole to support this simple message of support for survivors of sexual assault; and

WHEREAS, in light of April being National Sexual Assault Awareness Month and Wednesday, April 4<sup>th</sup> being Global Start By Believing Day.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1009

Senate Concurrent Resolution 1009 was introduced and read in full by Senators Brophy McGee and Kerr as follows:

A Concurrent Resolution on the death of Norman P. McClelland.

Norman P. McClelland passed away on July 11, 2017 at the age of ninety.

A lifelong Arizonan, Norman was born in Tucson on June 21, 1927 to Irish immigrants. After graduating from Tucson High School, he received a dual degree in agriculture and business administration from the University of Arizona.

Norman was one of the driving forces behind the success of Shamrock Foods Company, the parent company of Shamrock Farms and Shamrock Foods. Norman's father founded the business in 1922 with a Model T truck and twenty cows. After 95 years in business, Shamrock is now one of the top privately held companies in America and one of the top 100 employers in America. Norman served as chief executive officer of the company for 45 years and continued to lead the company as chairman of the board until his passing.

Norman was an iconic leader and leaves behind a tremendous legacy of business leadership and devotion to public service. He personified Shamrock's longstanding commitment "to treat associates like family and customers and suppliers like friends." Norman believed that it was just as much the company's duty to give back to the community as it was to provide superior products. As a result of his leadership, today Shamrock supports more than 80 nonprofit groups, many of which are education-focused, and donates more than 450,000 pounds of food annually to local food banks.

Despite the demands of his work, Norman gave selflessly of his time, energy and abilities to many charitable, business and community organizations, including St. Mary's Food Bank Alliance, Phoenix Children's Hospital, Phoenix Mountain Preserve, the Boy Scouts of America, the Boys and Girls Club and Interfaith Ministries. As a respected member of the business community, he served as a leader with many organizations, including the Arizona State Fair, the 100 Club of Arizona, the Phoenix Mountain Preserve Commission, the Save Our Mountains Foundation, the University of Arizona Eller School of Management, the Rockford Institute, the Howard Center, the Goldwater Institute, the Joe Foss Institute, Duet and the Irish Cultural Center. He was also actively involved with the Young Presidents' Organization.

Norman's Irish heritage was a source of tremendous pride for him, and he dedicated much of his time to ensuring that Irish culture continued to thrive in Arizona. He kept in close contact with his relatives in Ireland and frequently traveled there to visit friends and family. He was actively involved in the Irish Cultural Center in Phoenix and led the charge to create the center's 11,000-square-foot state-of-the-art library. In 2016, he received the Presidential Distinguished Service Award for the Irish Abroad from the Irish President in recognition of his commitment to promoting Irish culture and history.

Norman placed a high value on education and remained an active supporter of his alma mater, the University of Arizona, throughout his lifetime. Norman and his sister, Frances H. McClelland, were both loyal alumni, and in 2008, Norman worked with their close friend, John Norton, to build McClelland Park to house the John and Doris Norton School of Family and Consumer Sciences. He was lifelong friends with Karl Eller, and, in 1992, the new Eller College of Management facility was dedicated and named McClelland Hall in their honor.

Humble, honest and kind, Norman had a true passion for people. At every event he attended, Norman would walk around and personally shake everyone's hand. He had a keen sense of humor and was known for always being ready with an Irish joke.

Norman's life was a true reflection of his commitment to God and his active participation in the Christian community. He was a dedicated Presbyterian and a member of the Valley Presbyterian Church where he served on numerous committees, often with his close "Band of Brothers" who met every week.

**JOURNAL OF THE SENATE**  
**Tuesday, March 13, 2018**

Dedicated to his family, Norman will be deeply missed by his wife, Barbara A. McClelland, son, Kent McClelland and his wife Celia, daughter, Kathe McClelland, stepdaughter, Heather Helsler, grandchildren, Chandra McClelland, Kerani McClelland, Devon McClelland, Joshua Alvarez, Joy Huneycutt and her husband David, Harlan Helsler and Jaeyln Helsler, great grandchildren, Malachi Huneycutt and Joshua Lincoln Huneycutt, and wife from a previous marriage, Barbara S. McClelland.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature sincerely regret the passing of Norman P. McClelland and extend their sympathies and condolences to his family and many friends.

Senator Brophy McGee moved that Senate Resolution 1009 be unanimously adopted and that the Senate stand in a moment of silence in memory of Norman McClelland. The motion carried.

Senate Concurrent Resolution 1009 was signed in open session and transmitted to the House.

#### MESSAGES FROM THE HOUSE

(March 13, 2018)  
 House unanimously adopted House Concurrent Resolution 2044

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2044

House Concurrent Resolution 2044 was introduced and read in full by Senator Pratt as follows:

A Concurrent Resolution on the death of Minnie A. Griffin.

Minnie A. Griffin passed away on February 4, 2018 at the age of ninety-six.

Born on October 12, 1921 in Stoughton, Massachusetts, Minnie grew up with her family in New England during the Great Depression years. After graduating from Brookline High School in 1939, she attended a Western Union training school to learn how to use the teletype machines and paste the messages onto telegrams, and began working for the company in Boston. She remembered the December 7, 1941 bombing of Pearl Harbor as a frightening and terrible day; the war soon became close and personal to her through her work at Western Union sending telegrams to the family of soldiers who were killed or missing in action.

Wishing to do more to serve her country, Minnie enlisted in the Women's Army Corps in 1943. She attended basic training, radio training school and overseas training before being assigned to the 8th Air Force post in Watford, England. There, she was responsible for reporting the weather conditions in Germany and the English Channel to military bases throughout England so that the fighter planes could determine their missions.

It was while stationed in Watford that she met Jimmy Griffin, a soldier from Globe, Arizona. The couple began their relationship and worked together at the Watford base, then continued their courtship over the next couple of years as she was sent to work in France and Belgium. They were reunited when she was transferred back to England, and the two married on June 11, 1945 in High Wycombe, England.

In October of that year, Minnie received an honorable discharge from the military. Her admirable service to her country earned her medals for serving in the European Theatre of Operations and in the Battle of the Bulge. She soon set sail for home aboard the Queen Mary, leaving Jim behind in England. On returning to the United States, Minnie was overcome with emotion at the sight of the Statue of Liberty in New York Harbor, something she thought she might never again see. A month later, Jimmy returned to the states as well, and the two traveled by train to Globe, Arizona, which became her beloved home for the next seventy-two years. In Globe, she happily embraced the ranch life; she served as owner of the Griffin Cattle Ranch and as a member of the Gila County Cowbelles.

After raising her six children, Minnie worked at Gila Pueblo College as administrative assistant to the dean for fifteen years. She loved music and had a wonderful sense of humor. She enjoyed going to the casino and cajoled many friends and family into taking her there. Minnie was dearly loved by all who knew her and leaves a legacy of courage, humility, faith and strength.

Dedicated to her family, Minnie will be deeply missed by her children, Linda, Sue, JoAnn, Therese, John and Janet, her nineteen grandchildren, twenty-one great-grandchildren and two great-great-grandchildren. She was preceded in death by her husband, Jimmy Griffin, parents, Chester and Christine Cummings Keeler, brother, Chester, and elder sister, Minnie Keeler.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature sincerely regret the passing of Minnie A. Griffin and extend their sympathies and condolences to her family and many friends.

Senator Pratt moved that House Concurrent Resolution 2044 be unanimously adopted and that the Senate stand in a moment of silence in memory of Minnie A. Griffin. The motion carried.

House Concurrent Resolution 2044 was signed in open session and returned to the House.

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT MEMORIAL 1014

Senate Concurrent Memorial 1014 was introduced and read in full by Senator Peshlakai as follows:

A Concurrent Memorial urging the Arizona department of transportation to designate the portions of State Highway 264 that fall under Navajo jurisdiction as the "Navajo Code Talker Highway" and the portions that fall under Hopi jurisdiction as the "Hopi Code Talker Highway" in honor of the Native American Code Talkers.

To the Arizona Department of Transportation:

Your memorialist respectfully represents:

Whereas, on December 7, 1941, the Japanese Empire attacked Pearl Harbor, and the United States Congress declared war the following day; and

Whereas, the military code developed by the United States for transmitting messages had been deciphered by the Japanese and a search was made by United States intelligence to develop new means to counter the enemy; and

Whereas, military commanders explored the possibility that the extreme complexity of the Navajo language might make it a valuable military code. Navajo, an unwritten language that has no alphabet or symbols, proved to be an indecipherable code since its syntax and tonal qualities, including its dialects, make it unintelligible to all except those who have had extensive training and exposure to it. Initial tests using the Navajo language as a code demonstrated that the Navajos could encode, transmit and decode a three-line English message in twenty seconds, a feat that took machines thirty minutes to accomplish. The Navajo Marine Corps radio operators, who became known as the "Navajo Code Talkers," developed an unbreakable code using their native language to communicate military messages and created a dictionary and numerous words for military terms that did not exist in Navajo; and

Whereas, eleven Hopi men developed a code language that they used to assist United States army intelligence in the Marshall Islands, New Caledonia and the Philippines during World War II; and

**JOURNAL OF THE SENATE**  
**Tuesday, March 20, 2018**

Whereas, the Native American Code Talkers distinguished themselves in performing a unique, highly successful communications operation that saved countless lives and hastened the end of World War II in the Pacific. The Native American Code Talkers have performed an important service to the preservation of democracy, and they are deserving of continuing recognition for their efforts.

Wherefore your memorialist, the Senate of the State of Arizona, the House of Representatives concurring, prays:

1. That the Arizona Department of Transportation designate the portions of State Highway 264 that fall under Navajo jurisdiction as the "Navajo Code Talker Highway" and the portions that fall under Hopi jurisdiction as the "Hopi Code Talker Highway" pursuant to section 41-514, Arizona Revised Statutes.

2. That the Arizona Department of Transportation approve, place and maintain appropriate signage to identify the Navajo and Hopi Code Talker Highways.

3. That the Secretary of State transmit copies of this Memorial to the Director of the Arizona Department of Transportation, the President of the Navajo Nation and the Chairman of the Hopi Tribe.

Senator Peshlakai moved that Senate Concurrent Memorial 1014 be unanimously adopted. The motion carried.

Senate Concurrent Memorial 1014 was signed in open session and transmitted to the House.

President Yarbrough announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On March 26, 2018, the Governor signed and transmitted to the Secretary of State Senate Bill 1390.

The Governor signed Senate Bill 1390 with the following message:

March 26, 2018

The Honorable Michele Reagan  
Secretary of State of Arizona  
1700 W. Washington, 7<sup>th</sup> Floor  
Phoenix, AZ 85007

Re: S.B. 1390-TPT; additional rate; education

Dear Secretary Reagan:

Today, I signed Senate Bill 1390.

Nearly 20 years ago, Governor Jane Dee Hull and the voters of Arizona passed Proposition 301, which today provides almost \$700 million dollars to public schools, community colleges and universities annually.

Arizona's elected leaders worked together, in a bipartisan fashion, to keep this funding stream alive for our schools, teachers and students for the next twenty years.

Along with resources from Proposition 123 and through the restoration of additional assistance formula funding I proposed in my budget this year we believe these are steps in the right direction. But there is more work to be done and we are committed to increasing funding for public schools every year.

I am proud to sign this bill and continue Proposition 301 for years to come.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT MEMORIAL 1013

A Concurrent Memorial urging the Arizona department of transportation to designate the portion of United States Route 89 that is located between the Utah state line and Flagstaff as the "Native American Veterans Highway" in honor of Native American Veterans.

To the Arizona Department of Transportation:

Your memorialist respectfully represents:

Whereas, Native Americans have served with honor and distinction in the United States armed forces and have defended the United States of America for more than two hundred years; and

Whereas, Native Americans have served in wars involving the United States from Valley Forge to the hostilities in Afghanistan and Iraq; and

Whereas, Native Americans have served in the armed forces with the highest record of military service of any group in the United States; and

Whereas, the courage, determination and fighting spirit of Native Americans have strengthened and continue to strengthen the United States, including the United States armed forces; and

Whereas, Native Americans have made the ultimate sacrifice in defense of the United States, even in times when Native Americans were not citizens of the United States; and

Whereas, the designation of the portion of United States Route 89 that is located between the Utah state line and Flagstaff as the "Native American Veterans Highway" will honor the continuing service and sacrifice of Native Americans in the United States armed forces.

Wherefore your memorialist, the Senate of the State of Arizona, the House of Representatives concurring, prays:

1. That the Arizona Department of Transportation designate the portion of United States Route 89 that is located between the Utah state line and Flagstaff as the "Native American Veterans Highway" pursuant to section 41-514, Arizona Revised Statutes.
2. That the Arizona Department of Transportation approve, place and maintain appropriate signage to identify the Native American Veterans Highway.
3. That the Secretary of State transmit copies of this Memorial to the Director of the Arizona Department of Transportation and the President of the Navajo nation.

March 29, 2018

The Honorable Steve Yarbrough  
President of the Senate  
Arizona State Senate  
1700 W. Washington  
Phoenix, AZ 85007

RE: Senate Bill 1510 (irrigation grandfathered right; containerized plants)

Dear President Yarbrough,

Today, I vetoed SB1510. The citizens of the State of Arizona expect legislative and executive leaders to meet the challenges of water management in a serious, comprehensive and consequential way. Standing alone, this bill does nothing to meet those expectations and fails to address out most pressing needs for the management of the state's Colorado River resources and groundwater resources.

My administration has publicly stated that this legislative session should include a package of significant water management policies that move Arizona forward on those important topics. Delivering this bill to my desk, by itself, does nothing to address the consumer protections, legal protections or water conservation that are needed to secure the future of Arizona's most precious resource.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

March 29, 2018

The Honorable J.D. Mesnard

RE: H.B. 2092 (police vehicles; HOV lanes)

Dear Speaker Mesnard:

Today, I vetoed House Bill 2092. I am concerned that the issues law enforcement raised were not addressed in this bill.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

#### COMMUNICATIONS FROM THE GOVERNOR

President Yarbrough announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 2, 2018, the Governor vetoed House Bill 2114 with the following message:

April 2, 2018

The Honorable J. D. Mesnard  
Speaker of the House  
Arizona State House of Representatives  
1700 W. Washington  
Phoenix, AZ 85007

RE: House Bill 2114 (power authority; procurement code; exemption)

Dear Speaker Mesnard,

Today, I vetoed HB2114. The procurement code applies to every expenditure of public monies, including federal assistance monies except as specified in statute (A.R.S. 41-2501). The procurement laws of this state exist to give structure and certainty for the use of state authority and resources, while also helping to save taxpayer money entrusted to the state through the collective purchasing power of multiple agencies.

While numerous exemptions exist in the procurement code, it is rare, if ever, to find a blanket exemption for the entirety of an agency's procurement activity. In many instances, exemptions to the procurement code are narrowly tailored to the business needs of the agency or their customers, and have been recognized by the legislative body as necessary for those purposes. This bill does not specifically tailor the need for the exemption and would set a negative precedent in its current form.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

#### REPORTS OF STANDING COMMITTEES

President Yarbrough announced that without objection, Reports of Standing Committees as listed on the calendar would not be read. The reports would be entered in the Journal and the Secretary would record the action.

#### ORDER OF BUSINESS

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1027

Senate Concurrent Resolution 1027 was introduced and read in full by Senator Yee as follows:

A Concurrent Resolution supporting a Taiwan-United States bilateral trade agreement and Taiwan's participation in international organizations.

Whereas, the trade in goods and services between the United States and the Republic of China (Taiwan) totaled an estimated \$65.3 billion in 2016, with \$37.85 billion in exports and \$27.45 billion in imports, ranking Taiwan as the tenth largest trading partner of the United States. Overall, Taiwan supports an estimated 329,853 jobs in the United States; and

Whereas, Taiwan became Arizona's seventh largest export market in 2016, reaching \$396.87 million in total United States exports to Taiwan originating from Arizona. More than sixty-eight percent of total exports to Taiwan derive from Arizona's robust industries, including machinery, computer and electronic products. In total, 5,524 jobs in Arizona are supported by Taiwanese-affiliated companies and the exports of goods and services to Taiwan; and

Whereas, the signing of a Bilateral Trade Agreement (BTA) between the United States and Taiwan would foster a more open and fair trade environment, thereby creating greater export and investment opportunities between markets. Negotiating a BTA would be a win-win strategy that will not only stimulate mutual economic growth, but will also significantly increase more jobs for both countries; and

Whereas, Arizona maintains a strong economic and cultural relationship with Taiwan since establishing sister-state relations on July 28, 1980. Arizona has proudly passed resolutions supporting the US-Taiwan Free Trade Agreement or the Bilateral Investment Agreement in the past four years; and

Whereas, on July 12, 2013, the President of the United States signed into law H.R. 1151, an act supporting Taiwan's participation as an observer in the International Civil Aviation Organization (ICAO). On March 18, 2016, the President of the United States signed into law S. 2426, an act directing the Secretary of State to develop a strategy to obtain observer status for Taiwan in the International Criminal Police Organization (INTERPOL); and

Whereas, the Arizona Legislature passed resolutions in support of Taiwan's participation in international organizations, including INTERPOL, and United Nations specialized agencies such as the World Health Organization, the ICAO and the United Nations Framework Convention on Climate Change (UNFCCC), respectively in 2012, 2014, 2016 and 2017.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature support the negotiation of a United States-Taiwan Bilateral Trade Agreement and support Taiwan's meaningful participation in international organizations.

Senator Yee moved that Senate Concurrent Resolution 1027 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1027 was signed in open session and transmitted to the House.

Senator Mendez requested a point of Personal Privilege and read a Senate recognition as follows:

WHEREAS, César Chávez was born March 31, 1927 on a small farm near Yuma, Arizona and died April 23, 1993; and

WHEREAS, As a child of migrant workers who struggled just to get by, César Chávez knew the importance of having an economy that works for everyone and devoted his life to ensuring our Nation upheld the values upon which it was founded. On his birthday, we celebrate a man who reminded us -- above all else -- that we all share a common humanity, each of us having our own value and contributing to the same destiny, and we carry forward his legacy by echoing his peaceful and eloquent calls for a more just and equal society.

WHEREAS, César Chávez demonstrated that true courage is revealed when the outlook is darkest, the resistance is strongest, and we still find it within ourselves to stand up for what we believe in. Guided by his faith in his convictions, he fasted, marched, and rallied millions to "La Causa" to expand opportunity and demand a voice for workers everywhere. Together with Dolores Huerta, he founded the United Farm Workers, and through boycotts and protests, he ushered in a new era of respect for America's laborers and farm workers.

WHEREAS, Today, we honor César Chávez by continuing to fight for what he believed in, including a living wage for workers and their right to unionize and provide for their family. Workers should have a safe workplace and the comfort of knowing that if they work hard, they can feed their family, earn decent benefits, and gain the skills they need to move up and get ahead. And as we strive for well-deserved policies for America's workers, like a higher minimum wage and paid leave, we are reminded that the movement César Chávez led was sustained by a generation of organizers who spoke out and fought for a better, fairer America -- and it is now upon us to do the same in our time.

WHEREAS, Our Nation's progress has always been driven by the belief that extraordinary things happen when we come together around a common cause, and through decades of organizing and serving others, César Chávez embodied this ideal. And now he and his late wife, Helen Fabela Chávez, who fought alongside her husband, rest in peace together. On César Chávez Day, let us unite to reach for the America he knew was possible -- one in which hard work is rewarded, prosperity is shared, and equal opportunity is the right of all our people.

THEREFORE, The Arizona Senate recognizes and expresses our gratitude for the life and work of César Chávez and observes this day with appropriate service, community, and education programs to honor César Chávez's enduring legacy.

Dated this 5<sup>th</sup> day of April, 2018

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Yarbrough announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

The Governor vetoed House Bill 2523 with the following message:

April 4, 2018

The Honorable J.D. Mesnard  
Speaker of the House  
Arizona State House of Representatives  
1700 W. Washington  
Phoenix, AZ 85007

RE: House Bill 2523 (administrative hearings; procedures)

Dear Speaker Mesnard,

Today I vetoed HB 2523. I applaud the sponsor's efforts at reducing regulatory burdens and encouraging the early settlement of disputes with administrative agencies. I am concerned, however, that the bill is too broad and could allow the proliferation of litigation from agency actions taken prior to final appealable agency decision.

Sincerely,

/s/ Douglas A. Ducey  
Governor  
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1025

Senate Concurrent Resolution 1025 was introduced and read in full by Senator Yee as follows:

A Concurrent Resolution supporting cooperative efforts between Arizona's business community and education system to develop career and technical education and workforce opportunities in this state.

Whereas, rural areas and Indian reservations in Arizona suffer from higher unemployment and high school dropout rates than urban areas of the state; and

Whereas, the data for 2016 shows that Apache, Gila and Navajo Counties suffered higher high school dropout rates than Pima and Maricopa Counties, and the dropout rate for American Indian students, which exceeds 10% in Cochise, Gila and Yuma Counties, was higher than the dropout rates for all other students in the state; and

Whereas, career and technical education (CTE) prepare students for skills that are critical to the workforce and the economy of this state; and

Whereas, the workforce shortages that CTE programs seek to address in specific technical fields and specialties are unique for different parts of the state; and

**JOURNAL OF THE SENATE**  
**Thursday, April 5, 2018**

Whereas, outdated technical training equipment and laboratory resources and statewide teacher shortages in CTE are barriers to successful education programs for students in these areas; and

Whereas, the unemployment rate in rural Arizona and on reservations is likewise higher than in urban areas of Arizona; and

Whereas, in December 2017, Maricopa and Pima Counties had a combined unemployment rate in of 3.9%, compared to 6.8% for the rural counties and an overall unemployment rate of 4.6% statewide; and

Whereas, improving the high school dropout and unemployment rates in the more remote parts of the state will allow properly skilled students to more readily enter the workforce or transition to a community college or university education; and

Whereas, the business community and the education system in Arizona must work together to develop strategies to ensure successful career and technical education and workforce opportunities in this state's rural communities, and the Office of Indian Education in the Arizona Department of Education is a crucial resource for addressing these important issues in tribal areas of the state.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature support cooperative efforts between Arizona's business community and education system to develop successful strategies for improving career and technical education and workforce opportunities in this state.

Senator Yee moved that Senate Concurrent Resolution 1025 be unanimously adopted. The motion carried.

April 5, 2018

The Honorable Steve Yarbrough  
President of the Senate  
Arizona State Senate  
1700 West Washington  
Phoenix, AZ 85007

RE: Senate Bill 1118 (expenditure reporting; fair market value)

Dear President Yarbrough,

I have issued a veto on SB 1118.

The bill's stated purpose to clarify expenditure reporting for hosted events may have merit. However, a separate provision, exempting attendance at educational events from the definition of "gift" under Arizona's lobbyist gift ban statute, troubles me. This regulation exists for the important public purpose of prohibiting the exercise of undue influence of lobbyists over elected officials. The change proposed by SB 1118 makes it more difficult to achieve this objective.

Sincerely,

/s/Douglas A. Ducey  
Governor

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1026

Senate Concurrent Resolution 1026 was introduced and read in full by Senator Yee as follows:

A Concurrent Resolution supporting computer science and coding education in schools.

Whereas, there are currently 500,000 computer science job openings across every industry and state that can be filled immediately and nearly 10,000 open computing jobs in Arizona; and

Whereas, an individual with a computer science major can earn 40% more than the average college graduate; and

Whereas, every child in this state should have a chance to learn about algorithms, application development, coding and how the internet works; and

Whereas, women who enroll in an advanced placement computer science class in high school are ten times more likely to major in computer science in college, and African American and Hispanic students are seven times more likely to do so; and

Whereas, 71% of all new STEM jobs are in computing, but only 8% of STEM graduates are in computer science; and

Whereas, only 40% of schools teach computer programming; and

Whereas, the gender gap in computing has significantly widened in recent years; and

Whereas, in 1984, 37% of all computer science graduates were women, but currently women represent only 18% of computer science graduates; and

Whereas, reported interest in computer science among girls significantly drops between the ages of thirteen and seventeen; and

Whereas, 1.4 million jobs in computing-related fields will be available by 2020. United States graduates are projected to fill 29% of those jobs, but women are projected to fill just 3%; and

Whereas, national nonprofit organizations, such as Girl Scouts and Girls Who Code, are committed to closing this gender gap in technology; and

Whereas, Girl Scouts are almost twice as likely as non-Girl Scouts to participate in STEM activities and excel in STEM fields (60% versus 35%), and 77% of girls say that because of Girl Scouts, they are considering a career in technology; and

Whereas, Girl Scouts, both nationally and locally through the Girl Scouts-Arizona Cactus-Pine Council, are committed to encouraging girls to discover and excel in STEM fields and have expanded their existing STEM programming with new STEM badges, including badges specifically related to computer science.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature recognize the importance of nonprofit organizations' exemplary work in closing the gender gap in technology and express a commitment to supporting women and girls in the computer sciences.

2. That the Members of the Legislature support expanded opportunities for computer science education in schools.

CONFERENCE COMMITTEE REPORTS

Senators Kerr and Borrelli, Senate conferees and Representatives Shope and Allen J, House conferees, submitted the following conference report on House Bill 2604:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senator Mendez, Senate conferee and Representative Clark, House conferee submitted the following Minority Report:

I oppose HB2604, consolidated elections; voter turnout, as amended in conference committee, because the amended bill infringes on the constitutional rights of charter cities and removes local control over decisions that are fundamental to the functioning of political subdivisions, namely the timeline in which they choose to hold local elections and elect their leaders.

The Arizona courts have ruled time and again that the legislature does not have any authority over the elections of charter cities, but despite those admonitions, HB2604 again tries to force all cities, specifically calling out charter cities, to hold their local elections on the dates that the state legislature has chosen for them.

Furthermore, it was clear during study and debate that there is no demonstrable correlation between turnout and whether an election is consolidated or not; certainly not enough to justify a wide-sweeping law such as this.

The amended bill demonstrates the haste in which it was drafted, the lack of stakeholder input, and a fundamental mistrust in the ability of local government to determine what is best for its residents.

For these reasons, I oppose HB2604 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

April 17, 2018

The Honorable J.D. Mesnard  
Speaker of the House  
Arizona State House of Representatives  
1700 W. Washington  
Phoenix, AZ 85007

RE: House Bill 2205 (JTED governing boards; membership; prohibition)

Dear Speaker Mesnard,

Today I vetoed House Bill 2205. I am concerned that this bill creates a conflict between eligibility standards for appointed and elected members of the Joint Technical Education District (JTED) boards. Local school district governing boards preclude all employees, including teachers, from serving as elected or appointed members of the board. This bill

**JOURNAL OF THE SENATE**  
**Wednesday, April 18, 2018**

would also create a discrepancy between how we treat membership on school district governing boards and those JTEDs.

Sincerely,

/s/ Douglas A. Ducey  
 Governor  
 State of Arizona

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1028

Senate Concurrent Resolution 1028 was introduced and read in full by Senator Yee as follows:

A Concurrent Resolution expressing a commitment to support greater science, technology, engineering and mathematics opportunities in the state of Arizona.

Whereas, according to a January 2017 United States Bureau of Labor Statistics report entitled "STEM Occupations: Past, Present, and Future," there were nearly 8.6 million science, technology, engineering and mathematics (STEM) jobs in May 2015, representing 6.2% of the United States employment; and

Whereas, the national average wage for all STEM occupations, \$87,570, is nearly double the national average wage of \$45,700 for non-STEM occupations; and

Whereas, while employment in non-STEM occupations grew by 5.2% between May 2009 and May 2015, employment in STEM occupations grew by 10.5% during that same period; and

Whereas, between May 2009 and May 2015, over 800,000 net STEM jobs were added to the United States economy; and

**JOURNAL OF THE SENATE**  
**Thursday, April 19, 2018**

Whereas, according to the United States Bureau of Labor Statistics, "[e]conomic projections point to a need for approximately 1 million more STEM professionals than the U.S. will produce at the current rate over the next decade if the country is to retain its historical preeminence in science and technology," and supporting individuals in STEM careers is essential if the United States is to achieve this goal; and

Whereas, women remain particularly underrepresented in STEM education and careers. Women, who represent 47% of the overall workforce, comprise only 29% of STEM-related occupation. Likewise, women earn only 19% of bachelor's degrees in engineering, 18% of bachelor's degrees in computer sciences and 39% of bachelor's degrees in physics; and

Whereas, vocational education and career and technical education provide critical educational foundations for students who wish to pursue certain STEM careers; and

Whereas, shortages currently exist in Arizona in both the number of STEM instructors and the number of workers to fill STEM positions statewide; and

Whereas, there is a need for greater STEM training in this state, including more internships in STEM-related areas to better prepare knowledgeable, skilled students to transition into the workforce; and

Whereas, in Arizona, STEM-related instructors who are experts in their fields can bring crucial workforce experience to their classroom through alternative pathways to teaching.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature express a commitment to supporting greater opportunities for STEM education and STEM careers in the State of Arizona.
2. That the Members of the Legislature recognize entrepreneurial programs in the State of Arizona that are aimed at supporting women in technology.

Senator Yee moved that Senate Concurrent Resolution 1028 be unanimously adopted. The motion carried.

That the House accept the Senate amendments and the bill be further amended.

The motion carried and the Secretary recorded the action and notified the House.

Senator Yee moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Worsley, Otondo and Pratt, Senate conferees, and Representatives Townsend, and Campbell, House conferees, submitted the following conference report on House Bill 2422:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Representative Andrade, House conferee submitted the following Minority Report:

I oppose HB 2422 personal delivery devices as amended in conference committee because it does not address the safety of the citizens of the State of Arizona.

Personal delivery devices can operate in Arizona with a minimum weight requirement 200 pounds and a speed of 7 MPH that can both be waived by a local authority. The devices with this legislation can operate on sidewalks and roadways. Although there is a requirement that a person who owns and operates a personal delivery device must maintain an insurance policy, it can be waived by a local authority.

The conference committee amendment fails to make sure that legislators and state agencies have data on personal delivery devices. I understand the need for innovation and technology, but as a legislature we should be collecting information in a report from the businesses testing in Arizona to make sure that the devices are working as intended. This information will assist legislators when the bill as written is discussed.

Another concern regarding personal delivery device testing is that the definition of personal delivery device operator was removed. The bill as introduced had the definition of a personal delivery device operator as an eligible entity or its agent that has direct physical control or monitoring of the navigation and operation of the device and clarified that an operator did not include a person that requests delivery or service that is completed by the device or a person that only arranges for and dispatches a device. This was a safeguard that made sure someone was overseeing the device, especially if it was in autonomous mode. The statute as passed the conference committee is silent on that matter. This bill should have some written protections on how personal delivery devices are operated if it is already a business practice.

In committee, someone stated that Arizona is a testing ground for businesses, but we should not forget that Arizona is a state where our citizens live and our priority should be their safety.

For these reasons, I oppose HB2422 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

CONFERENCE COMMITTEE REPORTS

Senator Yee moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Fann and Griffin, Senate conferees, and Representatives Norgaard, and Grantham, House conferees, submitted the following conference report on Senate Bill 1140:

That the Senate accept the House amendments with exceptions and the bill be further amended.

Senator Mendez, Senate conferee and Representative Espinoza, House conferee submitted the following Minority Report:

We oppose SB 1140, now: certificates of authority; video service, as amended in conference committee because it does not address important issues such as the termination of contracts.

The bill would prohibit local governments (cities, towns, and counties) from charging a fee for the cable companies to file or process applications, affidavits, notices or other documents with the local government. The filing or processing stage takes time from city employees' other duties and local governments should be able to charge a fee if necessary.

Local governments should not be used as a rubber stamp for cable companies and instead should look out for the best interests of their constituents. The amended bill would only allow local governments to review the uniform video service license, which includes the names of individuals in the business, telephone number, description of the service area, customer service rules of the Federal Communication Commission, and other specific criteria. The bill also clearly states that the local government is prohibited from adding other provisions that are not written in state statutes. Citizens expect that local laws are enacted to meet their needs not just a standard that makes it easy for business.

We have heard some cities just negotiated contracts with Cox that were implemented in January 1, 2018. Once this bill takes effect on December 31, 2019, Cox and any other cable operator has the choice to terminate the contract that was negotiated and instead apply for a uniform video service license, which is an unconstitutional impairment of contracts.

We also fully acknowledging that there will be discussions during the interim, but now there are serious concerns that have not been addressed. Rushed legislation is not good public policy. If the cable operators wanted to fix an issue they were experiencing, they should have taken the last interim to hold meetings and discussions instead of rushing this bill through the legislative process.

**JOURNAL OF THE SENATE**  
**Thursday, April 26, 2018**

For these reasons, we oppose SB 1140 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

Senator Yee moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Smith, Borrelli and Peshlakai, Senate conferees, and Representatives Engel, Leach and Syms, House conferees, submitted the following conference report on Senate Bill 1498:

That the Senate accept the House amendments and the bill be further amended.

The motion carried and the Secretary recorded the action and notified the House.

**FINAL READING OF BILLS**

The following bills were read on Final Reading by number and title, passed on roll call and signed in open session:

Senate Bill 1140: An Act amending title 9, ARS, by adding chapter 13; amending section 41-1092.01, ARS; relating to video and cable service providers.

# SUPPLEMENT

Resignation letter from Senator Debbie Lesko:

January 8, 2018

The Honorable Steven B. Yarbrough  
President of the Senate

Dear President Yarbrough,

I ran for the state legislature to make a difference. I believe I have done that with the help of you and each and every one of my fellow legislators and with the help of the Senate and House staff. Together we passed historic pension reform, tax reform, and education reform and worked together to improve the lives of Arizona citizens.

After much thought and prayer, I have decided to run for Congress for the same reason I ran for the state legislature....to make a difference. It is with bittersweet feelings then, that I announce that I will be resigning from the Senate at 5pm today, January 8<sup>th</sup>, 2018, to devote full-time to my campaign for Congress in Congressional District 8.

I want to thank you, my fellow legislators and both the Senate and House staff for the hard work that all of you do for our state, for your friendship and help throughout the nine years that I have served in the legislature and for your devotion to serving our great state. The friendships I've found and the experiences I've had are priceless and cannot be replaced.

Thank you and May God continue to Bless you, my fellow legislators, the staff and the work done here at the Arizona legislature.

It has been a true honor serving with you and my fellow Senators and Representatives for the past nine years.

Sincerely,

Re: H.B. 2324 community health workers; voluntary certification

Dear Secretary Reagan:

Today, I signed House Bill 2324.

My administration has prioritized occupational licensing reform with the goal of reducing barriers that make it more difficult, time-consuming, or expensive for someone to earn a living in a career of his or her choice.

While there are certainly instances where licensing is necessary to protect public health and safety, the pendulum has swung too far in favor of licensing. Nationally, in the 1950's, approximately 5% of jobs required a license. Today, that number has increased five-fold to 25% of all jobs. It is time to reverse that trend.

I appreciate that this legislation forgoes mandatory licensing, and instead implements a voluntary certification. This legislation recognizes the valuable service that our health workers provide across the state, without introducing overly burdensome licensing requirements.

Sincerely,

/s/Douglas A. Ducey  
Governor  
State of Arizona

Re: Senate Bill 1091 (income tax payments; bitcoin)

Dear Secretary Reagan:

Today, I vetoed Senate Bill 1091. I am concerned about the unintended consequences this bill could have on private industry.

RE: House Bill 2498 (historic preservation; rangeland improvements; requirements)

Dear Secretary Reagan:

Today, I vetoed House Bill 2498.

The men and women who work across Arizona's rangeland are among the most capable and responsible business people that we have in this state. Their stewardship of the land, and our state's history, is well recognized and goes back many generations.

I strongly agree with the goal of reducing regulatory burdens and correcting wasteful activities – especially if it will bolster our state economy. My administration took significant steps to improve the processes referenced in this bill in October 2017.

This administration will continue to be open to addressing the needs and concerns of all the stakeholders who abide by historic preservation laws, and we will eagerly pursue well-defined improvements to those processes.

Sincerely,

/s/Douglas A. Ducey  
Governor  
State of Arizona

Re: House Bill 2478 (sports authority districts; extension)

Dear Secretary Reagan:

Today, I vetoed House Bill 2478. This bill is unnecessary and could undermine some of the original protections in statute.

For our state's economy to succeed, it's important Pima County's economy succeeds. That's why I've placed such a focus on the region - whether it's working with local partners to recruit jobs in metropolitan Tucson or signing the extension of Rio Nuevo.

In 2010, Pima County was given the ability to attract and retain youth and professional sports teams using sports authority districts. Maricopa County used a similar tool in 2000, with the safeguards established by the Legislature both then and in 2010. Under the current law, Pima County has the ability to ask voters to create a sports authority district with these important protections.

I'm confident Pima County already has the necessary tools in its tool box for continued economic development.

Sincerely,

/s/Douglas A. Ducey  
Governor  
State of Arizona

Re: House Bill 2254 (minimum limits; vehicle liability insurance)

Dear Secretary Reagan:

Today, I vetoed House Bill 2254.

I am open to the idea of revising our minimum liability limits. However, I'm concerned about the potential unintended consequences including increased premium costs for individuals who rely on affordable plans.

Sincerely,

/s/Douglas A. Ducey

State of Arizona

Re: House Bill 2002 (automobile theft authority; appropriation)

Dear Secretary Reagan:

Today, I vetoed House Bill 2002. This legislation should be considered as a part of general appropriations agreed to by the Legislature and Executive, and should include a larger discussion to ensure administrative efficiencies are realized. My priority is in making sure that more of these dollars go to law enforcement and not to administrative overhead.

Re: House Bill 2004 (Arizona State Retirement System; waiting period; repeal)

Dear Secretary Reagan:

Today, I vetoed House Bill 2004. I am concerned about the fiscal impact the legislation will have on the State General Fund.

Re: House Bill 2062 (permits; licenses; denials; agency hearings)

Dear Secretary Reagan:

Today, I vetoed HB 2062. Reducing regulatory burdens and ensuring clarity and certainty for Arizona businesses and individuals is one of my top priorities. However, I have concerns about the unintended consequences of this legislation, which would remove agencies' ability to resolve issues through informal processes. These processes are often faster, more efficient and more customer friendly.

Parties to a dispute should be able to come to a resolution as simply and efficiently as possible, while being fully informed of their rights and options. Components of this bill would create significant barriers for citizens to access the administrative hearing process and likely require them to seek legal representation.

Sincerely,

/s/Douglas A. Ducey  
Governor  
State of Arizona

## SENATE RULES

RULE 1  
Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2  
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes." If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President shall vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve at the President's request, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

### RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

### RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

#### RULE 5 Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

B. No Senator shall voluntarily be absent from the service of the Senate without leave of the President.

#### RULE 6 Questions of Privilege

Questions of privilege shall be: First, Privilege of the Senate, which relates to the privilege and rights of the Senate collectively, its organization, safety, dignity, comfort and the integrity of its proceedings; second, Personal Privilege, which relates to the rights, reputation and conduct of the members individually in their representative capacity only; third, Personal Privilege which relates to matters personal to the members which may be received only by permission of the Senate or the Presiding Officer. Questions of privilege shall have precedence over all other questions, except motions to adjourn or recess, or the call of the Senate when no quorum is present.

#### RULE 7 Committees

A. Standing Committees of the Senate shall consist of the following:

1. Appropriations
2. Commerce and Public Safety
3. Education
4. Finance
5. Government
6. Health and Human Services
7. Judiciary
8. Natural Resources, Energy and Water
9. Rules
10. Transportation and Technology

B. Committees of the Senate except the Rules Committee shall have the following powers and duties:

1. The first Senator named on a committee shall be the chairman thereof; the second shall be the vice-chairman. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this

subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

RULE 8  
Calendars

- A. There shall be the following calendars of business reported from committees:
1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.
  2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.
  3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.
  4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.
  5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9  
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

#### RULE 10 Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

#### RULE 11 Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

#### RULE 12 Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

#### RULE 13 Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

#### RULE 14 Bills, Resolutions, Memorials, Engrossed Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy." Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . ." If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause."

RULE 15  
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1  
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call," "roll call vote" or "recorded vote," such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16  
Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at a time certain as determined by the President, receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

B. The order of business shall be as follows:

Roll Call  
Reading of the Journal  
Business on the President's Desk  
Petitions, Memorials, and Remonstrances  
Orders of the Day  
Introduction and First Reading of Bills  
Reference of Bills  
Second Reading of Bills  
Reports of Standing Committees  
Reports of Select Committees  
Committee of the Whole  
Report of the Committee of the Whole  
Third Reading of Bills  
Other Business of the Senate

C. The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17  
Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

#### RULE 18

##### Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

#### RULE 19

##### Journals

A. The proceedings of the Senate and of the Committee of the Whole shall be briefly and accurately stated in the Journal. Titles of all bills, resolutions and measures, and such parts as shall be affected by proposed amendments, readings, references, reports and every vote, motion and roll call, and a brief statement of the contents of each petition, memorial or paper presented to the Senate shall be entered on the Journal.

B. All confidential legislative and executive proceedings and the proceedings when sitting as a Court of Impeachment shall be recorded in a separate book.

C. The protest or remarks of any Senator and reasons therefor shall be entered on the Journal, if presented in writing, but no protest or remarks shall exceed two hundred words in length without the consent of the Senate.

#### RULE 20

##### Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting

confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

#### RULE 21 Messages

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

#### RULE 22 Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

#### RULE 23 Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

#### RULE 24 Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.
6. General parliamentary law.

#### RULE 25 Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

#### RULE 26 Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

#### RULE 27 Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

#### RULE 28 Amendment of Rules; Suspension of Rules

A. The Senate Rules may be amended upon vote of the majority of the members of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members present.

RULE 29  
Code of Ethics

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

(a) The total gross annual income value of the contract is less than one thousand dollars, or

(b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or

(c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to "have an interest in the profits of a contract" if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. "Public agency" means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. "Business" includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. "Gift" includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. "Fee" includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

RULE 30  
Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31  
Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.

Dear Secretary Reagan:

Re: S.B. 1001- controlled substances: regulation; appropriation

Dear Secretary Reagan:

Today, I signed Senate Bill 1001.

I want to thank the Arizona legislature and legislative leaders for acting with urgency and in a bipartisan manner to address the opioid crisis.

This bill was the result of months of data analysis and stakeholder engagement. Arizona's top medical, addiction and public safety officials were all at the table to craft this detailed and serious policy proposal.

Not only should this process serve as a model to other states – the policy should serve as a model for the country. Senate Bill 1001 is the most comprehensive and thoughtful package any state has passed to address this crisis to date.

This is a national epidemic. Other states would be wise to follow Arizona's lead.

Since taking office, I have heard hundreds of first-person stories of individuals who have been impacted by this crisis.

But there are so many others stories we haven't heard, because the individuals impacted didn't survive – more than 800 since June of last year.

This bill is for them.

State of Arizona
