STATE OF THE STATE ADDRESS
GOVERNOR DOUG DUCEY
Monday, January 14, 2019

Chief Justice Bales, Members of the Legislature, Judiciary and fellow Arizonans, I am so honored to be back here today, and just like you, I am ready to get to work.

2018 brought a lot our way. Election years tend to do that for people in our business. Elections also bring change and new faces, as we see here today, and in government, that's a really good thing. Let's work together in the months ahead to transform our promises into progress for the state we all love.

To all who were sworn in for the first time today, and to the other public servants who took the oath with me last week, congratulations and welcome. It wasn't so long ago that I was new here, too. I ran because I cared, believed I could make a difference, and felt we needed some fresh ideas. No doubt, you're all here for many of the same reasons.

You've also lucked out, because you've got some real pros here to show you the ropes. Speaker Bowers and President Fann, you're well suited and well prepared for these new roles. I'm hoping today's not the last day you'll have my back.

Leaders Fernandez and Bradley, I'm looking forward to working together. I think we can all agree, there's plenty of opportunities to find common ground.

"Bipartisanship" is a word that gets tossed around a lot. And today, it seems everyone has their own definition. So let me be clear on the approach I intend to take. I'm not here just to work with Republicans on Republican ideas. And bipartisanship doesn't simply mean working with Democrats on Democratic ideas. I'm here as governor of all the people to work with all of you on good ideas.

And now's the time to do so. Because the state of our state is strong, and it's getting stronger. The challenge before us is to lay the groundwork today to make sure the Arizona of tomorrow remains strong. Doing so requires action now to do the things that matter and secure Arizona's future.

The issues we need to tackle aren't partisan ones. In some cases, they aren't even political. At the top of that list: securing our water future.

Now stay with me, this is not an issue that leads the news. It doesn't make for a snappy headline, or a provocative soundbite, and it can't be explained in 280 characters. But as I traveled the state this past year, it's one of the issues I was asked about most by real people, especially in rural Arizona.

It's an issue that deserves your focus and attention, which is why it's first on my list. Here's the bottom line:

We're in a 19-year drought. It's going to get worse before it gets better.

Arizona and our neighboring states draw more water from the Colorado River than Mother Nature puts back.

It's time to protect Lake Mead and Arizona. It's time to ratify the Drought Contingency Plan and we have 17 days to do it.

Doing so will require compromise. No one stakeholder is going to get everything they want. Everyone is going to have to give. And I've been impressed by the willingness of those involved to do just that.

It's been said: whiskey's for drinking; water's for fighting.

We have two leaders here today who've got the scars to prove it. They are giants, who deserve the credit for getting Arizona to this point, not to mention our gratitude for their lifetime of public service: Governor Bruce Babbitt and Senator Jon Kyl.

JOURNAL OF THE SENATE
Monday, January 14, 2019

Bruce Babbitt served in public office for 20 years, first as Arizona Attorney General and Governor and later as Secretary of the Interior under President Bill Clinton.

Jon Kyl served Arizona in Congress for 26 years, including three terms as a U.S. Senator. Then, when Arizona needed him most, he returned to the Senate last September.

Governor Babbitt and Senator Kyl have shown us the path. Working with others. Setting aside differences. Putting our state, and the greater good first.

Now it's our turn to do the heavy lifting.

This issue is important and it's urgent. Our economy. Our environment. Our future.

Let's prove we can work together in a bipartisan fashion and get this done.

Same goes for a lot of other things, frankly.

We've implemented a hiring freeze and held the line on out of control growth in government. Today, our state government operates more efficiently.

We've gotten government out of the way of job creation, cutting red tape and placing a moratorium on new regulations. In fact, we've eliminated over 1,000 regulations.

Imagine if we took that same approach this legislative session regarding laws. We're not short on laws here in our state. Over 107 years we've built up a hearty 11,000 plus pages.

Certainly, many of our laws have merit. But many don't.

So why does each legislative session seem to be a competition to pass the most new laws?

What if we found a way to get rid of old unneeded laws, rather than just creating new ones? If for every law we passed, we repealed three, or if new laws had sunsets.

I'm challenging this legislature: let's chop the stacks and stacks of statutes down, so that the laws make sense and are relevant to the Arizona of today.

And how about we start with eliminating the most unnecessary law of them all: legislative immunity.

We are a nation of laws, not men. No one, not me, nor you, is above the law.

Now, congress likes to exempt themselves from the law, but isn't that why Americans hold them in such contempt?

Let's show the people of Arizona that their elected leaders will live under the same laws as every man and woman in this state.

Send T.J. Shope's referral to the ballot and let the people speak on special privileges for elected officials.

And when there are emerging issues that need to be addressed, let's not ignore them, let's solve them.

One year ago, most of us didn't know Parkland, Florida, even existed. But now, tragically, it's another on the list. Ingrained in our memories and American vernacular. Columbine. Virginia Tech. Sandy Hook.

So last spring, I convened Arizonans in my office. Parents. Teachers. Principals. Law enforcement. Prosecutors. Mental health experts. Democrats and Republicans. People who weren't Democrats or Republicans. Students themselves. With a goal of being proactive, and taking action to stop a tragedy from happening here. We researched the five deadliest school shootings of the last 20 years, and asked: How could these have been prevented?

We built a plan that could make a real difference: The Safe Arizona Schools Plan.

More cops on campus. More school counselors. Improved background checks. A STOP order that protects Second Amendment rights while keeping guns out of the hands of individuals who are a lethal threat.

These are solutions that will make schools safer, and it's time for us to get it done. I'll be including some elements of this plan in my budget that you'll see Friday, with an even greater investment than I proposed last year.

We know when a police officer is around, it makes things safer. Who do we call whenever there's trouble? Our brave men and women in blue. And that's why we're including enough dollars to put a cop on every campus that needs one.

And I'll be working with legislative leaders to pass the rest.

This plan is a reasoned and balanced approach. Which is why thought leaders like David French at the National Review and Hugh Hewitt have endorsed it; why the Arizona PTA supports it; and why we modeled elements of it from Gabby Giffords' plan.

This is simply too important an issue to let partisan politics and special interests get in the way. We've got a responsibility to do something for our kids, and we've got to do it this session.

Whether it's water or school safety, these are things that matter. We know that.

We've been here before. We did it on Prop 123. Who thought that lawsuit would ever get settled? We did it with the 20-year extension of 301. Nobody believed that would happen. University bonding, the obituaries were written on it, but we got it done. Opioids, a unanimous vote of the entire Legislature.

And it was just 8 months ago we delivered a 20 percent pay raise for hardworking teachers.

When we unveiled that proposal, many said it was not possible. And there's no doubt, forces were standing in the way. But because of teachers, lots of them, and principals, and superintendents, PTAs, parents, education champions and business leaders, with the leadership of J.D. Mesnard, and former President Yarbrough. With bipartisan support from leaders like David Bradley, Sean Bowie, Andrea Dalessandro and Steve Farley, we got that pay raise passed and into teachers' paychecks.

Half of this commitment was added last fall, with some school leaders going even further. Payson. Yuma. Marana. The Washington Elementary School District, right up the street. Many others. And to anyone out there considering using these resources somewhere else, I have one message: don't even think about it. These are raises teachers earned and they are raises we are going to fulfill and protect.

And more is needed on K-12 education. A focus on results, resources and reforms.

Arizona has been the leader in school choice. It's good for parents, and most of all, it's good for kids.

Healthy choice and competition brings about innovation, and that's been the case in Arizona public education. But we also know improvements can be made. More transparency, more accountability, and granting more financial review and oversight over taxpayer dollars, all with the purpose of making sure every public school is improving and providing Arizona kids with the best-possible education.

Same goes for addressing the teacher shortage.

In my past life, I used to tell my team at Cold Stone Creamery, if you find a good idea, grab it. So as we built Cold Stone, we borrowed ideas from others: McDonald's. Subway. Starbucks.

And I confess, I've kept the habit going.

JOURNAL OF THE SENATE
Monday, January 14, 2019

Four years ago, I heard what sounded like a really good idea to address the teacher shortage. If someone graduates from an Arizona university, is willing to stay in Arizona, and teach in a public school, why not allow them to graduate debt-free by providing a scholarship?

So we turned it into reality and launched the Arizona Teachers Academy. Already, 221 students have started moving through the program.

This year we plan to significantly expand it: more dollars, more support. We are going to create a pipeline of talent and the next generation of Arizona teachers.

And today, as a guest of Angela and I, we have the person who came up with the idea. He's had an incredible career of public service, he's continuing that service as newest member of the Arizona Board of Regents, and his wife, Jennifer, is with him today. Arizona thanks you, Fred Duval.

Education and our economy go hand in hand.

Many of us remember a class back when we were in high school called shop.

It's where a lot of good people discovered a passion, they turned into a purpose, and then a pretty good paycheck.

Our education leaders are creating the "shop" classes of the 21st century, it's called Career and Technical Education, CTE.

Today, students in these programs are training to becoming nurses, pilots, pharmacists, bankers, firefighters and software developers, all before graduation.

In fact, 99 percent of CTE students graduate high school, 99 percent, a rate much higher than the national average.

They perform better in mathematics and reading, and their technical skills rival professionals in the same trade.

Just take a look at some of these programs:

Aviation at Pima Community College. Advanced manufacturing at Maricopa Community Colleges. Diesel mechanics at the Western Maricopa Education Center. And culinary arts at the East Valley Institute of Technology.

Today, we have more jobs available in the state of Arizona than we have people to fill them.

Whatever and wherever the skilled trade is needed, Arizona is prepared to meet the demand.

I want to recognize education leaders who are paving the way:

Lee Lambert, Maria Harper-Marinick, Greg Donovan, Doug Pruitt, and Sally Downey. Thank you for your leadership.

These are programs we plan to build, expand and align with the jobs of tomorrow. And my budget will do just that.

If people want to work, let's let them work! 100,000 people will move here this year. There's a job available for every one of them. Lots of them are trained and certified in other states. Standing in their way of earning a living in Arizona, our own licensing boards, and their cronies who tell them, "You can't work here. You haven't paid the piper."

Let's stop this foolishness. Pass Warren Petersen's bill to grant universal recognition for all occupational licenses, and let them work.

JOURNAL OF THE SENATE

And before those unelected boards feign outrage - let's remember: workers don't lose their skills simply because they move to Arizona.

And, in the name of good government, let's have the bullies on these boards answer three questions: what do you exist to do, how do you know if you're doing it well, and who would miss you if you were gone?

There's dignity in all work.

Last fall, I visited our state prison in Buckeye, Arizona. There, joined by Arizona Cardinals defensive back Antoine Bethea and D lineman Corey Peters along with Cardinals President Michael Bidwill, we saw the possibilities of Opportunity for All first hand.

At a job fair, soon-to-be-released men and women were excited to participate in a program that equips them with the skills to successfully re-enter society. They lined up at employers like Jacksons Car Wash and Hickman's Family Farms, some left with multiple job offers.

This is a program we need to secure well into the 21st century to protect public safety and reduce Arizona's prison population.

Arizona's economy is booming. There's no doubt about it. We've added nearly 300,000 new jobs in the last four years.

And I'm proud to say, our relationship with Mexico is stronger than ever. With an updated North American trade deal, known as the USMCA, this will mean even more trade coming through our ports and more jobs for Arizonans.

I've become fond of saying that the last time unemployment was this low, you were renting your movies at Blockbuster.

But the benchmark is moving. By the end of this year, unemployment is forecasted to plummet to levels we haven't seen since before you knew what a hashtag was.

Some said the teacher pay raise was unsustainable and based on "rosy" projections. Turns out those projections weren't rosy. They were in response to a growing economy that has led to a record balance in our general fund.

When I stood here four years ago, we faced a \$1 billion deficit. It's not by accident that today, we've got a \$1 billion surplus.

And breaking news: somebody call The Daily Show, we even own this building again.

Arizona weathered the storm. Made tough decisions. Held the line on raising taxes and will continue to hold the line on raising taxes.

It's the Arizona way, it's a winning game plan, and I have no intention of changing course.

Government didn't rebuild Arizona. People rebuilt their businesses. They hired and invested. Workers and families rolled up their sleeves.

So for their sake, let's make sure we're on strong footing today and into the future.

With revenue soaring, some have suggested loosen up, let the good times roll.

Ladies and gentleman: We've seen that movie before, and we know how it ends.

It wasn't that long ago that this state racked up a massive tab, went on a spending binge, with no long-term plan of how to pay for any of it. And when the economy tanked, every one of those false promises evaporated.

It was painful, for real people. Let's learn from the mistakes of the past.

JOURNAL OF THE SENATE
Monday, January 14, 2019

To the big spenders: On November 6th, the people spoke. They want their teachers paid and their budgets balanced.

So, the balanced budget I will present to you on Friday fully funds the priorities we know are important, public safety, child safety, education, above and beyond inflation. There are some targeted investments in critical areas. But frankly, for a surplus year, this budget is pretty light reading.

Because I'm proposing that we secure Arizona's future and prepare responsibly for the unexpected and the inevitable, by bringing our Rainy Day Fund, to record-breaking balance of one billion dollars.

If ever there were a way to protect public education, to protect the pay raises our teachers have earned and deserve, to prevent budget gimmicks, Band-Aids and massive cuts down the line; to avoid tax increases and budget standoffs and government shutdowns, it's through this thoughtful, prudent and fiscally-conservative approach.

Four years ago, as a new governor, I inherited 35,000 hardworking state employees, 40 billion in combined spending, over 200 boards and commissions and 43 plus state agencies. We got to work restructuring a government that should operate at the speed of business.

We've made a lot of progress. We've got less bureaucracy, more efficiencies. And still, more can be done. Remember when Andy Tobin worked his way out of a job?

Well, buckle your seatbelts, because there's going to be a lot more of that as we look to save taxpayer dollars and streamline state government.

And our dedicated state employees will continue to play a critical role in shaping our direction. We'll rely on their expertise and know-how as we apply technology and customer service techniques to further consolidate our government.

This is another non-partisan issue. It's not Republican versus Democrat. In our nation's capitol, both parties are equally guilty for bloated government, spending sprees and unmanageable debt. If anything it's an Arizona versus Washington, D.C. issue. The federal government is broke, broken and broken-down, and has been for decades. Washington could learn a lot from us.

When the federal government failed to secure our border, we created the Border Strike Force, combating crime without interrupting trade.

We know the value of time, so we reduced wait-times at the MVD.

Our Department of Child Safety has become a national model and the envy of other states.

And yes, when congress failed to do their job, we kept the gates of the Grand Canyon open.

I've spent a lot of time these last four years, making a lot of new friends. I've been to every county. In dozens of schools. In our state agencies. Businesses, large and small. It's been fun and pretty darn delicious. The chocolate chip cookies at Beyond Bread in Tucson. The Especial at Lute's Casino in Yuma. And you've got to try the pies at The Mogollon Moose out in Payson. Let's just say you don't have to guess my new year's resolution.

We've got great people in this state. Some have been here for generations, others just got here yesterday.

And then there are those we said goodbye to last year for the final time. Their memory and their legacies will live on:

Congressman Ed Pastor

Superintendent of Public Instruction Carolyn Warner

Treasurer Carol Springer
Chief Justice Bud Jones
Senator John McCain

Others had names we were not familiar with, their lives cut short in the line of duty. Their service will be honored and remembered all the same:

Staff Sergeant Maximo Flores
Chief Warrant Officer Taylor Galvin
Staff Sergeant Alexander Conrad
First Sergeant Nicholas Amsberry
Army Specialist Robert Jones
U.S. Deputy Marshal Chase White
Nogales Police Officer Jesus Cordova
Salt River Police Officer Clayton Townsend
Trooper Tyler Edenhofer

Their ultimate sacrifice reminds us of the sacrifices made every day by our heroes in uniform, law enforcement, first responders, correctional officers, our National Guard, and military personnel. We salute you. We are proud of you. And we thank you.

We know to truly secure Arizona's future, we can't do it without you. And we pledge to continue to support and invest in you and your families.

Ladies and gentlemen of the Legislature, we've got our work cut out for us. But with the leadership here, and the passion and purpose that you and I bring to the issues that face us, I have high hopes and great enthusiasm that this will be our most productive session yet.

Let's put party labels aside.

Let's put Arizona first.

Let's do the things that matter.

Let's get to work.

Thank you and God bless.

PERSONAL PRIVILEGE

Senator Quezada requested that without objection, his remarks of more than 200 words relating to Reframing Justice Day in Arizona be entered in the Journal. Hearing no objection, the remarks were inserted as follows:

Today we celebrate Reframing Justice Day in Arizona.

We as a nation and state uphold our shared values of forgiveness and redemption, and a belief in the possibility that people can change for the better;

One key purpose of our criminal justice system is to reform and rehabilitate individuals, thereby reducing recidivism and crime.

The state of Arizona currently has the fourth highest incarceration rate in the nation, affecting thousands of families, absorbing 11% of the state General Fund, and delivering an unacceptably high recidivism rate.

Since 2000, the prison population has gone up nearly 60%—almost twice as fast as the resident population.

Arizona's prison sentences are significantly longer than those in other states, particularly for non-violent and drug related crimes.

State leaders including Governor Ducey, legislative leaders and others have affirmed a need for Arizona to address recidivism reduction and criminal justice reform and have signaled an openness to legislative proposals to achieve these goals.

We welcome those directly impacted by our state's criminal justice policies (including formerly incarcerated people, crime victims, and their families) who have an important perspective to share with lawmakers regarding the larger impacts of criminal justice policies and deserve to be heard.

I would like to see it declared that January 22, 2019 is Reframing Justice Day in Arizona

INTRODUCTION AND FIRST READING OF BILLS
 UNANIMOUS ADOPTION OF SENATE RESOLUTION 1004

Senate Resolution 1004 was introduced and read in full by Senator Bradley as follows:

A Resolution recognizing and honoring Fred T. Korematsu.

Whereas, Fred T. Korematsu was an American citizen born on January 30, 1919 and raised in Oakland, California; and

Whereas, Mr. Korematsu was one of approximately 120,000 innocent people of Japanese descent, two-thirds of whom were American citizens, who were subject to Executive Order 9066, issued by President Franklin D. Roosevelt, that required Japanese Americans be removed from their homes and placed in internment camps; and

Whereas, two large internment camps were located in Arizona. Approximately one-fourth of all those interned, 31,000 men, women and children, were placed in camps in Arizona. The Colorado River Relocation Center, operating from April 1942 to March 1946, near Poston, in La Paz County, (formerly part of Yuma County) had a population of approximately 18,000 persons. The Gila River Relocation Center, operating from May 1942 to February 1946, at Rivers in west central Pinal County, had a population of approximately 13,000 persons; and

Whereas, Mr. Korematsu refused to comply with this order and was arrested and later convicted in federal court and placed in an internment camp along with his family members; and

Whereas, Mr. Korematsu courageously appealed his conviction to the United States Supreme Court; and

Whereas, the United States Supreme Court voted 6 – 3 in the landmark case of Korematsu v. United States that the enforced internment was justified based on "military necessity"; and

Whereas, a review in the early 1980s found that the United States Solicitor General had intentionally withheld reports from military intelligence confirming Japanese-Americans had not committed any wrongdoing; and

Whereas, Mr. Korematsu's conviction was overturned in 1983; and

Whereas, Mr. Korematsu spent the remainder of his life on a quest to ensure civil liberties for all Americans; and

Whereas, before his death in 2005, Mr. Korematsu traveled the nation teaching the next generation to "protest, but not with violence, and don't be afraid to speak up. One person can make a difference, even if it takes 40 years."; and

Whereas, Arizona stands strong in its commitment to equal justice under the law.

Therefore

Be it resolved by the Senate of the State of Arizona;

That the Members of the Senate honor Fred T. Korematsu for his remarkable courage in condemning injustice and his commitment to advancing civil liberties.

Senator Bradley moved that Senate Resolution 1004 be unanimously adopted. The motion carried.

Senate Resolution 1004 was signed in open session and transmitted to the Secretary of State.

PERSONAL PRIVILEGE

Senator Carter requested a point of Personal Privilege and read a Proclamation as follows:

"Wear Red Day 2019"

Whereas, cardiovascular diseases are the number one killer of women in the United States; and

Whereas, cardiovascular diseases kill one woman almost every 80 seconds in the United States; and

Whereas, nearly eighty percent of cardiovascular diseases may be preventable; and

Whereas, many risk factors for heart disease, such as blood pressure, smoking and high cholesterol levels, can be controlled; and

Whereas, women are encouraged to commit to making physical activity and healthy eating a priority to improve their health; and

Whereas, the American Heart Association's Go Red for Women movement motivates women to learn their family history and to meet with a health care provider to determine their risk for cardiovascular disease and stroke; and

Whereas, Go Red for Women encourages women to take charge of their heart health by knowing their total cholesterol, HDL (good) cholesterol, blood pressure, blood sugar and body mass index; and

Whereas, events such as National Wear Red Day are vitally important in the ongoing fight against heart disease and stroke through their efforts to increase awareness and speak out about heart disease and to empower women to reduce their risk for cardiovascular disease.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature proclaim February 2, 2019 as Wear Red Day in Arizona and encourage all citizens to show their support for women and the fight against heart disease by wearing the color red on this day.

PERSONAL PRIVILEGE

Senator Pace requested a point of Personal Privilege and requested that his remarks of less than 200 words relating to SCR 1006 and SCR 1009 be entered in the Journal. The remarks were inserted as follows:

Secretary Aceves:

I no longer intend to cosponsor SCR 1006 and SCR 1009 and I request that my remarks be entered in the journal.

Madam President and Senators, it takes great fortitude to stand for what you believe, especially in the face of great opposition, but perhaps at times, it takes even more strength to acknowledge where you fall short. I will never retire on the fight against discrimination or give up on those who are heavy laden with burdens put on them by the injustices of this world.

But, I rise before you in humility to admit the language of the Equal Rights Amendment contained in these bills, does not in its current form solve the problem I hoped it would do. This conclusion did not come without thoughtful persistent study, thorough investigation and personal reflection. I visited with countless supporters and opponents. I devoured numerous articles, legal cases, and opinion pieces.

This opinion is my own and was made without any coercion or thought to political recourse; and I firmly stand by those who will differ from my opinion and I will forever fight for their right to do so.

MESSAGES FROM THE HOUSE

President Fann announced that without objection, Messages from the House as listed on the calendar would not be read. The messages would be entered in the Journal and the bills placed under Introduction and First Reading of Bills.

The Honorable Karen Fann
Senate President
Arizona State Senate
1700 W. Washington
Phoenix, AZ 85007

Re: Senate Bill 1143 conformity; internal revenue code; rates

Dear President Fann:

Today, I vetoed Senate Bill 1143.

This legislation is the wrong policy, and any bill with a fiscal impact should be considered as part of budget discussions agreed to by the Legislature and Executive, just as every budget bill is considered, every session.

Let's conform, secure Arizona's future by investing in our rainy day fund, and let's get to work on a fiscally conservative balanced budget.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

When I originally cosponsored this bill I was told this was something that would benefit the Arizona Schools for the Deaf and Blind and that this is something good for them.

I've since spoken to them and they have not had an opportunity to present and discuss this bill at their next board meeting, which won't occur until March. Further, they don't need this legislation nor is it something they are interested in pursuing.

As such, I no longer intend on cosponsoring SB 1228.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1002

Senate Resolution 1002 was introduced and read in full by Senator Mendez as follows:

A Resolution recognizing the scientific community for its contributions to the state of Arizona.

Whereas, the State of Arizona has a rich history of scientific discovery and excellence that is sustained today by a new generation of scientists and engineers; and

Whereas, early Arizonan scientists made major breakthroughs, from Clyde Tombaugh's discovery of Pluto to A.E. Douglass's pioneering in the field of dendrochronology, the science of counting tree rings, which has contributed directly to forest fire management practices; and

Whereas, this legacy is continued by the nearly 100,000 scientists and engineers working in the State of Arizona as of 2017, as determined by the United States Bureau of Labor Statistics; and

Whereas, these scientists continue to make major contributions that support the health and well-being of Arizona's citizens through biomedical and clinical research; and

Whereas, these scientists explore and protect Arizona's history through their work in the field of archaeology; and

Whereas, Arizona's scientists and engineers make the state safer through infrastructure research and construction; and

Whereas, Arizona's scientific community fuels economic growth through innovation; and

Whereas, these scientists promote a culture of excellence that draws opportunities to Arizona, including the addition of over 4,000 technology-sector jobs in 2017; and

Whereas, Arizona's scientific community is actively innovating to solve the state's most pressing scientific issue of water conservation to support the health of Arizona's citizens and economy; and

Whereas, all scientific work done in the state directly and indirectly benefits the citizenry of Arizona; and

Whereas, a strong relationship between Arizona's scientists and this state improves life for all Arizonans.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate recognize the tremendous contributions Arizona's scientific community makes to the State of Arizona, specifically their work in promoting the health and prosperity of Arizona's citizens through scientific inquiry.

Senator Mendez moved that Senate Resolution 1002 be unanimously adopted. The motion carried.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1010

Senate Concurrent Resolution 1010 was introduced and read in full by Senator Mendez as follows:

A Concurrent Resolution proclaiming February 2-8, 2019 as Chicana History Week in Arizona.

Whereas, February 2, 1848, the date the Treaty of Guadalupe Hidalgo was signed, is commonly regarded as the birth date of Chicana; and

Whereas, people of Mexican origin and descent have greatly contributed to the economy, development and growth of this state and the nation, serving the arts, business, media, industry, agriculture, education and society in myriad ways; and

Whereas, despite being promised the rights of citizenship by treaty, early Mexican-Americans were stripped of their land, homes and property; and

Whereas, early Mexican-Americans faced seemingly insurmountable hardships as their basic rights were denied, their language and culture were suppressed and their opportunities for employment, education and political representation were thwarted; and

Whereas, as frequently is the case with national boundary changes resulting from war treaties, early Mexican-Americans found their historical documentation destroyed and their constitutional rights abrogated, leaving them stripped of their dignity, unique culture and recorded contributions to society; and

Whereas, the presumed superiority of the conquerors of the Mexican-American people resulted in the promotion of a disparaging image of those of Mexican descent; and

Whereas, historian Rodolfo Alvarez has divided the development of the Mexican-American population into four categories: the pre-1900 creation generation, the migrant generation, which is allied with Mexico by culture, language and loyalty, the Mexican-American generation, consisting of individuals who regard themselves as American citizens of Mexican descent, and the Chicana generation of today, which is a combination of, but distinctly separate from, the previous three; and

Whereas, Chicana recognize that they are the result of a unique confluence of histories, cultures, languages and traditions: the *mezcla*, which is *La Raza*; and

Whereas, during the Chicana Movement of the 1960s and the 1970s, valiant Chicana adamantly decried capricious attempts by the dominant Anglo culture to mold them into a monocultural, monolingual image; and

JOURNAL OF THE SENATE
Thursday, February 7, 2019

Whereas, in a complex and diversified cultural society, it is essential to understand, accept and appreciate all traditions and lifestyles in order to eliminate prejudice and the other effects of stereotyping that have plagued our nation for centuries; and

Whereas, the people of this state must recognize that the cultural and intellectual development of the proud Mexican-American people includes not only American accomplishments but also those of indigenous origin, which predate the first English settlement in the United States by over half a century.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature proclaim February 2-8, 2019 as Chicana History Week in Arizona to commemorate the signing of the Treaty of Guadalupe Hidalgo on February 2, 1848.
2. That the Members of the Legislature extend accolades of tribute, high praise, appreciation and appropriate recognition to these North Americans and their descendants whose citizenship, under the terms of the Treaty of Guadalupe Hidalgo, literally changed overnight from Mexican to American.

Senator Mendez moved that Senate Concurrent Resolution 1010 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1010 was signed in open session and transmitted to the House.

PERSONAL PRIVILEGE

Senators Carter and Quezada requested a point of Personal Privilege and read a Proclamation as follows:

A Proclamation urging support for diabetes awareness

Whereas Diabetes is the seventh leading cause of death in the U.S., and

Whereas the American Diabetes Association estimates nearly 30 million adults and children in the U.S. have diabetes and 84 million have pre-diabetes and

Whereas in Arizona nearly 700,000 people or 1 in every 9 people have diabetes; and

Whereas 1,796,000 people or 37.5% of the adult population, have prediabetes with blood glucose levels higher than normal but not yet high enough to be diagnosed as diabetes; and

Whereas medical costs of Diabetes in the state of Arizona is 6.8 billion dollars per year; and

Whereas Everyday an estimated 112 people or 41,000 a year in Arizona are diagnosed with diabetes; and

Whereas nearly half of those diagnosed with the disease are not reaching their blood glucose target levels - A1c levels - using a blood test that measures blood sugar control daily over a three month period; and

Whereas not gaining control of blood glucose levels puts these patients at risk for serious complications including cardiovascular disease, blindness, kidney disease and dialysis, and nerve damage and amputation; and

Whereas learning how to self manage this condition through diabetes self-management education is a cornerstone of treatment; and

Whereas best practice guidelines to prevent the further onset of clinical diabetes and to treat diabetes, include but not limited to, insulin, oral medication, diet, physical activity and fitness, and daily management routine treatments; and

Whereas an increase in community awareness of diabetes, its human impact, and the work of the American Diabetes Association, may stimulate public action to increase research toward a cure, and encourage better health outcomes and treatments for people with diabetes until that cure is found.

Now, therefore, the Arizona Senate in the state of Arizona does hereby proclaim February 14, 2019 Diabetes Awareness Day at the State Capitol.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Fann announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On February 14, 2019, the Governor signed and transmitted to the Secretary of State Senate Bill 1014 and House Bill 2075.

The Governor signed House Bill 2075 with the following message:

February 14, 2019

The Honorable Katie Hobbs
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: HB 2075 electronic prescribing; exceptions; deadlines

Dear Secretary Hobbs:

Today I signed HB 2075 electronic prescribing; exceptions; deadlines.

Through last year's Opioid Epidemic Act, Arizona has demonstrated its strong commitment to preventing and treating addiction. One provision of last year's legislation required e-prescribing for opioids beginning this year, but gave providers an option for a one-year delay via a waiver process.

This bill removes a cumbersome waiver process which many providers opted for and replaces it with a clean and firm deadline for all providers - January 1, 2020.

Arizona remains firmly committed to combating the opioid epidemic and will continue to take aggressive actions.

Sincerely,

/s/Douglas A. Ducey
Governor
State of Arizona

Private First-Class Oscar Palmer was killed in the line of duty on February 23, 1969, marking this year the 50th anniversary of his sacrifice to our country.

Private First-Class Oscar P. Austin enlisted in the United States Marine Corps on April 22, 1968 and after extensive training, was promoted to Private First Class on October 1, 1968. Later that month, he was transferred to the Republic of Vietnam where he served as ammunitions man with Company E, 2nd Battalion, 7th Marines, 1st Marine Division.

On the morning of February 23, 1969 Private First-Class Oscar P. Austin's observation post was subjected to a fierce ground attack by a powerful North Vietnamese Army force. INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1001

Senate Resolution 1001 was introduced and read in full by Senator Carter as follows:

A Resolution recognizing the 100th anniversary of Grand Canyon National Park.

Whereas, on February 26, 2019, Grand Canyon National Park marks 100 years since its establishment as a national park; and

Whereas, the Grand Canyon's exposed geologic layers span nearly half of Earth's history and record environments from erupting volcanoes to quiet seas; and

Whereas, Grand Canyon National Park's centennial celebration is an acknowledgment of the Grand Canyon's place in American history, along with the park's historical association with eleven Native American tribes; and

Whereas, the Grand Canyon has been continuously inhabited by indigenous groups for almost 12,000 years. Six Native American tribes still live in and around the canyon, including the Hualapai, the "people of the pines," who make their home atop the West Rim, and the Havasupai, the "people of the blue-green waters," who live on the canyon floor; and

Whereas, in the early 1800s, expeditions sent by the United States government began to explore and map the Grand Canyon. In 1869, John Wesley Powell, a one-armed Civil War veteran, led a three-month exploratory river trip through the canyon. The voyage produced the first detailed descriptions of the Grand Canyon and garnered public interest in this natural wonder; and

Whereas, shortly after Powell's voyage, concern for preserving the Grand Canyon's unique resources began to grow as more people visited and settled there; and

Whereas, President Theodore Roosevelt declared the Grand Canyon a national monument in 1908, urging Americans to "let this great wonder of nature remain as it now is. Do nothing to mar its grandeur, sublimity and loveliness. You cannot improve on it."; and

Whereas, the Grand Canyon achieved national park status eleven years later, in 1919; and

Whereas, in 1979, Grand Canyon National Park was designated a World Heritage Site by the United Nations Educational, Scientific and Cultural Organization; and

Whereas, the Grand Canyon is Arizona's most famous natural landmark, one of the seven wonders of the natural world and a tourism destination that attracts visitors from around the world; and

Whereas, outdoor recreationists seek out the challenges, inspirations and life-altering experiences that the Grand Canyon wilderness provides; and

Whereas, according to the National Park Service, more than 6.2 million people visited the Grand Canyon National Park in 2017, spending \$667 million in nearby communities. Visitor spending at Grand Canyon National Park supports more than 9,400 jobs and has a cumulative benefit to the local economy of \$938 million.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate recognize the 100th anniversary of Grand Canyon National Park as an occasion to celebrate its incredible impact on Arizona's citizens, economy, history and global reputation, and to inspire future generations to experience the park and protect its beauty, natural resources and cultural significance.

Senator Carter moved that Senate Resolution 1001 be unanimously adopted. The motion carried.

Senate Resolution 1001 was signed in open session and transmitted to the Secretary of State.

PERSONAL PRIVILEGE

**State of Arizona
Senate Proclamation**

Whereas, there are nearly 7,000 diseases and conditions considered rare (each affecting fewer than 200,000 Americans) in the United States, according to the National Institutes of Health (NIH); and

Whereas, while each of these diseases may affect small numbers of people, rare diseases as a group affect almost 30 million Americans; and

Whereas, many rare diseases are serious and debilitating conditions that have a significant impact on the lives of those affected; and

Whereas, while more than 450 drugs and biologics have been approved for the treatment of rare diseases according to the Food and Drug Administration (FDA), millions of Americans still have rare diseases for which there is no approved treatment; and

Whereas, individuals and families affected by rare diseases often experience problems such as diagnosis delay, difficulty finding a medical expert, and lack of access to treatments or ancillary services; and

Whereas, while the public is familiar with some rare diseases such as “Lou Gehrig’s disease” and sympathetic to those affected, many patients and families affected by less widely known rare diseases bear a large share of the burden of funding research and raising public awareness to support the search for treatments; and

Whereas, thousands of residents of **Arizona** are among those affected by rare diseases since nearly one in 10 Americans have rare diseases; and

Whereas, the National Organization for Rare Disorders (NORD) is organizing a nationwide observance of Rare Disease Day on February 28, 2019 for which thousands of patients and caregivers, medical professionals, researchers, companies developing orphan products to treat people with rare diseases, and others in the state of **Arizona** will participate in that observance.

THEREFORE, BE IT RESOLVED, by the Members of the Arizona State Senate, that February 28th, 2019 will be observed as Rare Disease Day in Arizona.

DATED THIS 28TH DAY OF FEBRUARY 2019

PRIVILEGES OF THE FLOOR

PERSONAL PRIVILEGE

Senator Carter requested a point of Personal Privilege and read a Senate Proclamation as follows:

**State of Arizona
Senate Proclamation**

Whereas, nearly 2,000 people in Arizona and 95,000 people are waiting for a kidney on the national kidney transplant list; and

Whereas, each year more than 80 people in Arizona die without receiving the life-saving transplant, and almost 50 more Arizonans are removed from the transplant wait list each year due to advanced illness caused by the long, unpredictable wait for a deceased donor's kidney; and

Whereas, our nation's organ shortage continues to steer an ill-fated destiny of these kidney patients; and

Whereas, the only hope for these kidney patients is to get their name to the top of the transplant wait list before it is too late; and

Whereas, living kidney donation can end the life-threatening wait by offering a better and longer quality of life to those in need, at the time of their need; and

Whereas, most healthy people do not realize they can impact or even save a life by donating one of their two kidneys to someone in need; and

Whereas, though a living donor must be healthy enough to qualify for donation, the donor does not have to be related by blood or even blood type-compatible with the recipient in a paired exchange program; and

Whereas, the majority of those who donate go on to live full and vibrant lives; and

Whereas, to date, living kidney donors have successfully improved and extended the lives of more than 151,000 kidney transplant recipients, 3,100 of whom received transplants in Arizona; and

Whereas, while living kidney donor transplants in Arizona have decreased significantly for nearly a decade, this trend has begun to reverse; and

Whereas, after the introduction of this resolution in the House, and ongoing outreach

efforts from the Transplantfirst Academy, National Kidney Foundation of Arizona, Erma Bombeck Organ Donor Awareness Project and local transplant centers, 32% more Arizonans received transplants from living kidney donors in 2018; and

Whereas, while living kidney donation is not for everyone and the procedure is not without risk, those who participate should be honored and respected for their remarkable gift of life.

NOW, THEREFORE, BE IT RESOLVED, THAT WE, THE MEMBERS OF THE ARIZONA STATE LEGISLATURE, proclaim March 8th, 2019 as Living Kidney Donors Day in Arizona for the purpose of acknowledging the brave citizens of Arizona who selflessly donate a kidney to save a life, and inspire others to follow their lead.

DATED THIS 7TH DAY OF MARCH 2019

INTRODUCTION AND FIRST READING OF BILLS
 UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1015

Senate Concurrent Resolution 1015 was introduced and read in full by Senator Alston as follows:

A Concurrent Resolution recognizing March 3, 2019 as world hearing day in the state of Arizona.

Whereas, hearing plays a critical role in communication and personal relationships, overall health outcomes, psychological well-being and safety; and

Whereas, hearing loss, which is typically irreversible, has been tied to cognitive decline, dementia, falls, depression and isolation, and hearing loss can be a symptom of an underlying medical condition such as infection, tumor, otosclerosis and Meniere's disease; and

Whereas, a study conducted by the Better Hearing Institute concluded that untreated hearing loss has significant income ramifications, including negatively impacting household income in the United States by up to \$12,000 annually and costing \$122 billion in lost earnings; and

Whereas, noise-induced hearing loss is a preventable and significant, though often unrecognized, health problem among American adults and is a growing problem with adolescents due to overamplification of personal listening devices; and

Whereas, according to the National Institutes of Deafness and Other Communications Disorders (NIDCD), more than 37 million American adults, or 15%, report some trouble hearing, and about 28.2 million adults in the United States could benefit from using hearing aids; and

Whereas, according to the NIDCD, fewer than 30% of adults aged 70 and older with hearing loss and 16% of adults aged 20 to 69 with hearing loss who could benefit from hearing aids have ever used them; and

Whereas, the Hearing Healthcare Providers of Arizona, a chapter of the International Hearing Society, is composed of hearing health care professionals, including hearing aid dispensers and audiologists, who are trained and who specialize in identifying and

assessing hearing loss, rehabilitating through the use of hearing aids and related devices, and counseling; and

Whereas, World Hearing Day, founded by the World Health Organization, is observed annually on March 3rd to raise awareness about how to prevent deafness and hearing loss and to promote ear and hearing care across the world; and

Whereas, World Hearing Day provides an opportunity to focus on preventing hearing loss and promoting access to necessary rehabilitation services and communications tools for individuals with hearing loss.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature proclaim March 3, 2019 as World Hearing Day in the State of Arizona and encourage the citizens of Arizona to protect their hearing and seek the services of licensed hearing health care professionals for regular hearing checks.

Senator Alston move that Senate Concurrent Resolution 1015 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1015 was signed in open session and transmitted to the House.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1003

Senate Resolution 1003 was introduced and read in full by Senator Brophy McGee as follows:

A Resolution proclaiming March 2019 as athletic training month in Arizona.

Whereas, quality health care is essential for individuals participating in or preparing for games, sports, recreational activities or physical fitness activities; and

Whereas, athletic trainers have a long history of providing quality health care for individuals involved in these activities; and

Whereas, in Arizona, athletic trainers are licensed by the state to perform specific health care functions, including preventing, recognizing, examining, evaluating, rehabilitating and managing athletic injuries, preventing, evaluating, monitoring and providing immediate care for athletic illnesses, administering athletic training programs, and providing education and counseling related to the practice of athletic training; and

Whereas, licensed athletic trainers are on the front lines for various health conditions that affect athletes of all ages and are often the first health care professional to render care in serious or life-threatening medical emergencies, including cardiac and respiratory arrest, concussion, spinal cord injuries, heat illnesses and severe injuries to bones and joints; and

Whereas, in Arizona, licensed athletic trainers are the primary on-site health care professionals for more than 40,000 high school student athletes and more than 100,000 other Arizona residents who are engaged in games, sports and recreational and physical fitness activities; and

Whereas, athletic training was recognized by the American Medical Association in 1990 as an allied health care profession; and

Whereas, the National Athletic Trainers' Association represents and supports more than 40,000 members of the athletic training profession; and

Whereas, the Arizona Athletic Trainers' Association represents and supports more than 700 Arizona members of the athletic training profession who are employed in professional sports, colleges and universities, high schools and junior high schools, Olympic and other elite amateur sports programs, youth and other community recreational sports programs, hospitals, clinics and physician offices; and

JOURNAL OF THE SENATE
Thursday, March 7, 2019

Whereas, leading organizations concerned with athletic training and sports health care have joined together to raise public awareness of the importance of the athletic training profession and to emphasize the importance of quality health care for those participating in or preparing for games, sports and recreational and physical fitness activities; and

Whereas, this joint effort will improve health care for all who participate in or prepare for games, sports and recreational and physical fitness activities and will increase public awareness of the vital role of certified athletic trainers as allied health professionals.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate proclaim March 2019 as Athletic Training Month in Arizona and express support for the work of athletic trainers throughout this state.

Senator Brophy McGee moved that Senate Resolution 1003 be unanimously adopted. The motion carried.

Senate Resolution 1003 was signed in open session and transmitted to the Secretary of State.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE MEMORIAL 1002

Senate Memorial 1002 was introduced and read in full by Senator Leach as follows:

A Memorial urging the United States Congress to ratify the recently negotiated United States-Mexico-Canada agreement.

To the Congress of the United States of America:

Your memorialist respectfully represents:

Whereas, North American trade is vital to the United States economy; and

Whereas, together, the United States, Canada and Mexico promote a shared belief in freedom, representative democracy and market principles as recognized in the United States Constitution; and

Whereas, the North American Free Trade Agreement (NAFTA) created the largest single free trade area in the world; and

Whereas, a longstanding, close trilateral relationship, codified in NAFTA, has existed between the three countries for close to 25 years and has proved to be economically, culturally and strategically important for all parties; and

Whereas, more than 280,000 jobs in Arizona depend on trade and investment from Mexico and Canada; and

Whereas, since NAFTA entered into force in 1994, trade with Canada and Mexico has nearly quadrupled to \$3.5 billion daily, or \$1.3 trillion annually, and the two countries buy more than one-third of American merchandise exports; and

Whereas, Canada and Mexico are Arizona's two largest trading export markets; and

Whereas, for 43 states in the United States, Canada and Mexico represent their first or second largest export market, and all states but one count Canada or Mexico as a top three trading partner; and

Whereas, NAFTA has contributed to a 405% increase in American agricultural exports to Canada and Mexico; and

Whereas, ratification of the recently negotiated United States-Mexico-Canada Agreement (USMCA) will continue the many benefits of the stellar trade relationship between the three North American economies that has flourished under NAFTA; and

Whereas, thanks to new market access and clearer rules afforded by NAFTA, United States service exports to Canada and Mexico have tripled, rising from \$27.5 billion in 1993 to \$91.3 billion in 2017. These benefits will continue to be enhanced under USMCA; and

Whereas, the modernized USMCA may prove to be even more beneficial to the agricultural sector than NAFTA and will offer a higher degree of certainty and stability for cross-border business opportunities; and

Whereas, in 2017, the State of Arizona sent \$2.2 billion in exports to Canada and \$7.5 billion to Mexico; and

Whereas, Canada and Mexico are the top two export destinations for small and medium-sized American enterprises, more than 120,000 of which sell their goods and services in these two countries; and

Whereas, due to modernized ports of entry, improved access roads and outstanding cooperation with our counterparts in Mexico, Arizona is well-positioned for continued trade growth under USMCA, as evidenced by the Unified Cargo Processing inspection model that allows U.S. Customs and Border Protection and Mexican Aduanas personnel to inspect cargo side-by-side in the United States, forgoing any delay caused by additional inspections in Mexico; and

Whereas, the USMCA's modernized de minimis provisions will facilitate even more of Arizona's small and medium-sized businesses in exporting to Canada and Mexico; and

Whereas, the intellectual property provisions found in the USMCA are the most comprehensive of any United States trade agreement and are vastly superior to those included in NAFTA; and

Whereas, a seamless transition between the current NAFTA and the newly negotiated USMCA will ensure that none of the benefits of continuity in trade accomplished by the integration of the three North American economies will be lost.

Wherefore your memorialist, the Senate of the State of Arizona, prays:

1. That the United States Congress ratify the newly negotiated USMCA to ensure continuity in trade among the three North American economic partners.

2. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States, the Members of the United States Senate Finance Committee, the Members of the United States House of Representatives Ways and Means Committee, the Members of the Senate and House Advisory Groups on Negotiations, the United States Trade Representative, the United States Secretaries of Commerce, State and Labor, the Director of the Office of Management and Budget, the Intellectual Property Enforcement Coordinator and each Member of Congress from the State of Arizona.

Senator Leach moved that Senate Memorial 1002 be unanimously adopted. The motion carried.

Senate Memorial 1002 was signed in open session and transmitted to the Secretary of State.

MESSAGES FROM THE HOUSE

(March 14, 2019)

House unanimously adopted House Concurrent Resolution 2035

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2035

House Concurrent Resolution 2035 was introduced and read in full by Senator Brophy McGee as follows:

A Concurrent Resolution on the death of officer Clayton Townsend.

Salt River Police Officer Clayton Townsend was tragically killed in the line of duty on January 8, 2019 at the age of 26.

Officer Townsend was born on May 30, 1992 and always dreamed of becoming a police officer. He had a genuinely caring and compassionate heart which enabled him to serve and protect others as a true guardian of the people.

Throughout his five years in law enforcement, Officer Townsend earned a richly deserved reputation as a capable, highly skilled and dedicated public servant and he distinguished himself as a humble and loyal individual. Officer Townsend was recognized several times in his career for his communication skills and excellent performance and received awards for community-based policing.

On January 8, 2019 while on a traffic stop on State Route 101 and McDowell Road in the Salt River Pima-Maricopa Indian Community, Officer Townsend was struck by a vehicle and did not survive his injuries. In the investigation, the Arizona Department of Public Safety determined that the driver of the vehicle had been texting and driving just before striking Officer Townsend. The driver was arrested and booked on manslaughter, aggravated assault and endangerment charges.

It is fitting that we recognize those individuals such as Officer Townsend who have given the ultimate sacrifice in their efforts to preserve and protect the public peace and safety of all citizens. His untimely death serves as a reminder to the citizens of this state to never text and drive, but rather, "drive and arrive safely."

The effect of Officer Townsend's sudden and unexpected death has been immeasurable to the community, his coworkers and friends and, above all, his beloved family. A devoted and caring husband, father, son, brother and grandson, Officer Townsend leaves behind his wife, Deanna, and his ten-month-old son, Brixton. Clayton Townsend will be deeply missed by his family, his colleagues at the Salt River Police Department, the community and his many friends in the State of Arizona.

JOURNAL OF THE SENATE
Thursday, March 14, 2019

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature express sincere regret on the passing of Officer Clayton Townsend and extend their heartfelt condolences to his family and friends.

Senator Brophy McGee moved that House Concurrent Resolution 2035 be unanimously adopted and that the Senate stand in a moment of silence in memory of Officer Clayton Townsend. The motion carried.

House Concurrent Resolution 2035 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

UNANIMOUS ADOPTION OF SENATE CONCURRENT MEMORIAL 1005

Senate Concurrent Memorial 1005 was introduced and read in full by Senator Alston as follows:

A Concurrent Memorial urging the Arizona Secretary of State and Arizona's county recorders to ensure that citizens of Arizona who have a disability can cast a secret ballot.

To the Arizona Secretary of State and this state's county recorders:

Your memorialist respectfully represents:

Whereas, casting a secret ballot is a cornerstone of our nation's democracy, one that enables Arizona's citizens to vote their conscience without fear; and

Whereas, title II of the Americans with Disabilities Act (ADA) requires that voters with disabilities be afforded an opportunity to exercise their right to vote in a manner that is equivalent to the opportunity afforded to voters without disabilities; and

Whereas, election technology developers have designed accessible ballot-marking devices that produce ballots that are different in size and content from the ballot that is hand-

marked by the majority of Arizona's voters, and each city and county has different voting machines and ballot layouts; and

Whereas, due to the ballot-marking devices, ballots cast by voters with disabilities can be identified as such and, as a result, are not secret ballots; and

Whereas, Arizona may be in violation of title II of the ADA when it does not provide voters with disabilities the same opportunity to cast a secret ballot that it provides voters without disabilities.

Wherefore your memorialist, the Senate of the State of Arizona, the House of Representatives concurring, prays:

1. That the Arizona Secretary of State and this state's county recorders implement procedures to ensure that voters with disabilities have the same opportunity to cast a secret ballot as voters without disabilities.
2. That the Secretary of State transmit a copy of this Memorial to the county recorder in each of the fifteen counties in Arizona.

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1013

Senate Concurrent Resolution 1013 was introduced and read in full by Senator Leach as follows:

A Concurrent Resolution supporting a closer partnership between the United States and Taiwan in trade and exchanges of officials and supporting Taiwan's international participation.

Whereas, 2019 is the 40th anniversary of the enactment of the Taiwan Relations Act, which provides the legal basis for the substantial, robust and mutually beneficial relationship between the United States and Taiwan; and

Whereas, the Taiwan Travel Act, signed into law by President Donald Trump on March 16, 2018, allows officials at all levels of the federal government to travel to Taiwan to meet their Taiwanese counterparts and allows high-level Taiwanese officials to enter the United States under conditions that demonstrate appropriate respect to such officials; and

Whereas, the trade in goods and services between the United States and the Republic of China (Taiwan) totaled an estimated \$86.2 billion in 2017. Taiwan is the eleventh largest trading partner with the United States, supporting more than 330,000 jobs; and

Whereas, Taiwan was Arizona's tenth largest export market in 2017, reaching \$493 million in exports to Taiwan originating from Arizona. In total, 5,500 jobs in Arizona are supported by Taiwanese-affiliated companies and the exports of goods and services to Taiwan; and

Whereas, the signing of a bilateral trade agreement between the United States and Taiwan would foster a more open and fair trade environment and create greater export and investment opportunities between markets, stimulating mutual economic growth and significantly increasing jobs for both countries; and

Whereas, Arizona has maintained a strong economic and cultural relationship with Taiwan since establishing sister-state relations in 1980, and the Arizona Legislature has passed resolutions supporting the U.S.-Taiwan Free Trade Agreement and the Bilateral Investment Agreement; and

Whereas, on July 12, 2013, the President of the United States signed into law H.R. 1151, an act supporting Taiwan's participation as an observer in the International Civil Aviation Organization (ICAO). On March 18, 2016, the President of the United States signed into law S. 2426, an act directing the Secretary of State to develop a strategy to obtain observer status for Taiwan in the International Criminal Police Organization (INTERPOL); and

Whereas, the Arizona Legislature passed resolutions supporting Taiwan's participation in international organizations, including INTERPOL, and in United Nations-specialized agencies such as the World Health Organization, the ICAO and the United Nations Framework Convention on Climate Change in 2012, 2014, 2016, 2017 and 2018, respectively.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature support the negotiation of a United States-Taiwan bilateral trade agreement and Taiwan's meaningful participation in international organizations.

2. PERSONAL PRIVILEGE

Senators Otondo and Kerr requested that the Senate stand in a moment of silence in memory of two Marine pilots who lost their lives in a helicopter crash Saturday at the Marine Corps Air Station Yuma training grounds.

PERSONAL PRIVILEGE

Senator Alston requested that without objection, her remarks of more than 200 words relating to Say-Shah Napa be entered in the Journal. Hearing no objection, the remarks were inserted as follows:

I am delighted to introduce my constituent Say-Shah Napa today. She is a Glendale Community College ACE program advisor, a mother, educator and community advocate, who on the evening of January 31st, demonstrated true compassion and quick-thinking, which helped to save the life of a young man in life-threatening emotional pain.

On the evening of January 31st, in the parking lot of the 7th Ave and Camelback Fry's Market, after a long day of work, Say-Shah was approached by a young man that appeared intoxicated, possibly on drugs and not steady on his feet.

The young man asked Say-Shah for money, which Say-shah did not have and food, which she gave without reservation.

The young man asked Say-Shah if she was also a member of the Navajo Nation. He then poured his heart out to Say-shay.

His sister had died of a drug overdose two weeks ago.
He had been recently released from jail and needed to talk to his group home manager.
Above all else, this young man wanted to die.

For one hour, Say-Shah stayed with the young man, waited for help to arrive, and talked him out of throwing himself into the traffic of Camelback and 7th Ave, using her **safeTALK** training.

Members, most people would have ignored this young man and gone on with their lives. But, Say-Shah is not most people. I was so impressed with Say-Shah's actions and compassion that I invited her to meet with Senator Peshlakai, Senator Gonzales and myself to discuss the issues that we are all concerned about--programs and housing for people newly released from prison, behavioral health supports for people like this young man who was screaming out for help.

I could go on and on about Say-Shah, but instead, I ask you all to join me in thanking Say-Shah Napa for her compassionate efforts to help another during a time of crisis. She is one of our un-sung heroes and I am very proud to represent her in the Senate.

PERSONAL PRIVILEGE

Senator Mendez requested a point of Personal Privilege and read a Proclamation as follows:

Senate of the State of Arizona
Proclamation

Whereas, one year from today, April 1, 2020, will be National Census Day-the twenty-fourth Census of the United States; and

Whereas, Article I, Section 2 of the United States Constitution mandates that every person living in the United States is counted every 10 years; and

Whereas, the Constitutional basis for conducting the decennial census is to reapportion the United States House of Representatives, and the State of Arizona is nearing receiving a tenth Congressional seat as a result of the 2020 Census; and

Whereas, Census data are the cornerstone to our democracy by determining how district lines are drawn at all levels of government; and

Whereas, Census data also guide the allocation of more than \$800 billion in federal funding to programs that are crucial to the well-being of families and communities; and

Whereas, 132 government programs use information from the census to allocate monies for programs including:

- Medicaid
- Supplemental Nutritional Assistance
- Medicare
- Highway Planning and Construction
- Section 8 Housing
- Title I Grants to Local Education Agencies
- National School Lunch Program
- Special Education Grants
- State Children's Health Insurance
- Head Start / Early Head Start; and

Whereas, undercounting census data by just one person would be the equivalent of Arizona losing approximately \$1,550 in federal funding in conservative estimates; and

Whereas, Census Complete Count committees are already being established at the local levels to help coordinate efforts in Arizona to ensure the public's awareness of the occurrence and importance of the upcoming census; and

Therefore, the Senate of the State of Arizona marks today the one-year countdown to Census Day 2020 and proclaims the importance of properly educating the public about the 2020 Census in order to ensure that vital necessities are adequately funded, the reapportionment Congressional seats occurs accurately, and that every Arizonan is counted.

Dated this 1st day of April, 2019.

April 9, 2019

The Honorable Rusty Bowers
Speaker of the House
Arizona State House of Representatives
1700 W. Washington
Phoenix, AZ 85007

Re: House Bill 2576 (racing; handle; breeders' award fund)

Dear Speaker Bowers,

Today I vetoed H.B. 2576. I am very supportive of Arizona horse breeders and of the Arizona breeders' award and appreciate efforts to support this industry.

I am concerned that the law does not define "in-state handle," leaving the Department of Gaming and the Division of Racing without appropriate legislative authority to implement this bill.

I look forward to working with the legislature to solve this issue.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

The Governor signed House Bill 2439 with the following message:

The Honorable Katie Hobbs
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: H.B. 2439 highway rest area program; continuation

Dear Secretary Hobbs:

Today, I signed H.B. 2439.

Among other provisions, the bill continues the innovative *Rest Area Sponsorship Sign Program* championed by the Arizona Department of Transportation (ADOT). This small program allows ADOT to transfer some of the cost of maintaining its 32 public rest areas to private sponsors.

Unfortunately, an archaic federal prohibition stops western states from entering into other innovative public-private partnerships that would result in modern, renovated, rest areas for Arizona motorists.

JOURNAL OF THE SENATE

Today, I am renewing my call for the federal government to break down these nonsensical federal barriers.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

The Governor signed Senate Bill 1090 with the following message:

April 17, 2019

The Honorable Katie Hobbs
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: S.B. 1090 emergency voting procedures; board action

Dear Secretary Hobbs:

Today, I signed S.B. 1090.

In Arizona, we are fortunate to have one of the most accessible election systems in the country. In our state, Election Day isn't just one day -- it begins 27 days before the date of the election. Through early voting, voters can vote in-person or by mail almost a month in advance of Election Day, and even have the ability to sign up for the permanent early voting list to receive a ballot automatically. We are lucky to have an election system that values convenience and fosters participation for all Arizona voters, whether they reside in Coconino County or Santa Cruz County.

I signed S.B. 1090, because voters deserve consistency. An Arizona voter who resides in one county should not be treated any differently than their fellow Arizonan in another county -- this legislation brings consistency across the state, regardless of county, when determining how county election officials administer emergency voting.

Some have suggested that broadening emergency voting is a way to bypass existing law and extend in-person early voting beyond the current deadline of Friday immediately preceding Election Day. If that is the intent, let's have that debate -- let's not redefine emergency voting in a way that creates confusion and inconsistencies for voters.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

CONFERENCE COMMITTEE REPORTS

Senator Gray moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Livingston and Kerr, Senate conferees, and Representatives Biasiucci and Payne, House conferees, submitted the following conference report on House Bill 2239:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senator Contreras, Senate conferee and Representative Andrade, House conferee submitted the following Minority Report:

We oppose HB 2239 used vehicle sales; title; dealers as amended in conference committee because it does not protect consumers in the State of Arizona.

Currently in the State of Arizona, dealers and consumers have a system through Arizona Department of Transportation (ADOT) that allows for dealers and consumers to transfer titles electronically. Since the electronic system is available for dealers, it should provide for a faster process than the 30 days currently required by statute.

The conference committee amendment increases the current timeframe of 30 days to 60 days without requiring a dealer to prove a well-documented effort to submit the application for certificate of title after the purchase or transfer of the vehicle. In practice currently, a dealer has 45 days to submit the application after the purchase or transfer because the ADOT does not investigate a dealer until the 45-day temporary registration permit expires or a consumer files a complaint. Although it was stated in committee that 299 title complaints were filed in 2018, we were not provided with a breakdown of when they were filed such as, within the 30 days required by law or when the 45-day temporary registration permit expired.

Another concern regarding this legislation is how ADOT will make sure that dealers meet the 60-day timeframe. We understand the need for efficiency, but it should not come at a cost to Arizona residents.

In committee, Mr. Andrade offered an amendment that only allowed dealers that had a problem submitting the application for certificate of title to receive an extension of 30 days once they proved to ADOT that they were doing everything they could to get it done within the time frame. The amendment also allowed ADOT to compile information on the dealerships and transactions that take more than 30 days to complete, and include it in their annual report. As members of the legislature we need that information to make sure our statutes are efficient and effective.

For these reasons, we oppose HB2239 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

April 26, 2019

The Honorable Karen Fann
Senate President
Arizona State Senate
1700 W. Washington
Phoenix, AZ 85007

Re: S.B. 1141 distracted driving

Dear President Fann:

Today, I vetoed Senate Bill 1141. In the last week the legislature passed two bills aimed at reducing dangerous driving behaviors. Both of these efforts are well intentioned with the goal of saving lives and making our roads safer. House Bill 2318, which I signed earlier this week, is the preferable policy. The hands-free mobile device policy is narrowly tailored to a specific behavior-using our mobile devices while driving. Data show that prohibiting this behavior saves lives. I am concerned that Senate Bill 1141 does not give drivers clear direction about what activities are prohibited and how the law will be enforced.

The safety of Arizonans on our roads is of the highest priority to me. House Bill 2318 was an important step to educate drivers and change our habits behind the wheel. I want to continue the conversation around traffic safety, and I remain open to future legislation that addresses distracted driving.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

The Governor signed Senate Bill 1397 with the following message:

April 29, 2019

The Honorable Katie Hobbs
 Secretary of State
 1700 W. Washington, 7th Floor
 Phoenix, AZ 85007

Re: S.B. 1397 registrar of contractors omnibus

Dear Secretary Hobbs:

Today, I signed Senate Bill 1397. This bill contains important reforms of Arizona's complex licensing laws for building contractors.

This bill also contains language changing the responsibilities of contractors under the prompt pay statutes. Prompt pay is a powerful tool with an important purpose: to ensure workers are paid on time for delivering on their contractual commitments. However, like anything else, it requires that all parties behave responsibly, and the current law establishes accountability for both consumers and builders. I believe it is important to maintain this balance.

My expectation is that any language to change this balance of responsibilities be construed as narrowly as possible. I have instructed the Registrar of Contractors to monitor implementation of this legislation, to identify remaining issues with this or any other part of the state's prompt pay statutes, and to take any corrective action warranted.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Fann announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 30, 2019, the Governor signed and transmitted to the Secretary of State House Bills 2036, 2080, 2122, 2271, 2285, 2366, 2432, 2477, 2550, 2606, Senate Bills 1016, 1177, 1442 and 1453.

The Governor signed House Bill 2550 with the following message:

April 30, 2019

The Honorable Katie Hobbs
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: House Bill 2550 regulation; kratom products

Dear Secretary Hobbs:

Today I signed HB 2550 regulation; kratom products. I signed this bill because it takes a small but important step of prohibiting the sale of kratom to minors, but let me be clear - my signature on this bill should not be viewed as an endorsement of its consumption by adults.

The US Food and Drug Administration (FDA) has expressed concern about the presence of opioid compounds in kratom and has issued a public health advisory urging consumers to avoid it. The US Center for Disease Control (CDC) has identified over 150 deaths involving kratom, and the federal Drug Enforcement Administration (DEA) has also expressed its concerns.

To date, there have been no peer reviewed studies to show that kratom is a safe or effective product. In fact, there is ample evidence to suggest that this product is potentially addictive, dangerous, and in some cases deadly.

I will be writing to our federal partner agencies and strongly urging them to take a closer look at this product and promptly issue appropriate regulations. Several states and cities have already acted, and it is time the federal government takes action as well.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

The Governor vetoed Senate Bill 1164 with the following message:

April 30, 2019

The Honorable Karen Fann
Senate President
Arizona State Senate
1700 W. Washington

Re: Senate Bill 1164 (ombudsman-citizens aide; executive session; access)

JOURNAL OF THE SENATE
Wednesday, May 1, 2019

Dear President Fann:

Today, I vetoed S.B. 1164.

Arizona Revised Statutes (A.R.S.) § 38-431.06 vests the power to investigate and enforce open meeting law violations with the attorney general and the county attorneys.

There is no evidence suggesting that the attorney general or the county attorneys are not faithfully executing their statutorily mandated duties. These are duly elected constitutional officers and I trust they will continue to hold our government accountable. As such, this bill is unnecessary.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

The Governor vetoed House Bill 2596 with the following message:

April 30, 2019

The Honorable Rusty Bowers
Speaker of the House

Phoenix, AZ 85007

Re: House Bill 2596 (public land management; sovereign immunity)

Dear Speaker Bowers:

Today, I vetoed H.B. 2596.

I do not see a need for this bill at this time.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

Whereas, according to a study commissioned by the U.S. Department of Justice, in some tribal communities, American Indian women face murder rates that are more than 10 times the national average murder rate; and

Whereas, according to the Centers for Disease Control and Prevention, homicide was the third leading cause of death among American Indian and Alaska Native women and girls between 10 and 24 years of age and the fifth leading cause of death for American Indian and Alaska Native women between 25 and 34 years of age; and

Whereas, according to the National Institute of Justice, results show that more than four in five American Indian and Alaskan Native women have experienced violence in their lifetime, this included 56.1% who have experienced sexual assault and 55.5% who have experienced physical violence. Overall, 1.5 million American Indian and Alaskan Native women have experienced violence in their lifetime; and

Whereas, the comprehensive collection of data and storage in a standardized and collective manner on the number of missing American Indian and Alaska Native women in Arizona and the United States is nonexistent; and

Whereas, the United States Senate declared May 5th as a National Day of Awareness for the Missing and Murdered Indigenous Women to honor the memory of Hannah Harris, a member of the Northern Cheyenne Tribe; and

Whereas, on July 5, 2013, Hannah was reported missing in Lame Deer, Montana. Her body was found five days after she went missing; it was determined she had been raped and murdered. Hannah Harris was born on May 5, 1992.

Now, Therefore, the Members of the Arizona State Senate, recognize May 5, 2019, as a Day of Awareness for Missing and Murdered Indigenous Women and Girls.

Under this system, six million European Jews were murdered and, along with Roma (Gypsies), people with disabilities, some of the Slavic peoples and Afro-Germans, they were targeted for destruction solely for racial, ethnic or national reasons. Millions more, including homosexuals, Jehovah's Witnesses, Soviet prisoners of war and political dissidents also suffered grievous oppression and death under Nazi tyranny; and

Whereas, eighty years ago, during the year leading up to World War II, parents from Germany, Austria, Czechoslovakia and Poland put their children on trains to the United Kingdom to ensure their escape and survival from the increasing Nazi violence, most never to be reunited; and

Whereas, the children from this rescue mission, known as the Kindertransport, represent some of the youngest Holocaust survivors, and the number of living survivors is rapidly diminishing; and

Whereas, losing the live testimonies of survivors increases the likelihood that the historical significance of the Holocaust and its relevance to more recent genocidal conflicts will diminish; and

Whereas, Holocaust knowledge in the United States is significantly lacking, especially among younger generations, as nearly 22 percent of millennials have not heard of the Holocaust and only about 50 percent identify it as an attempted extermination of the Jewish people; and

Whereas, the study of the Holocaust offers an opportunity to reflect on the moral responsibilities of individuals, societies and governments; and

Whereas, nearly 58 percent of Americans believe something like the Holocaust could happen again; and

Whereas, comprehensive education on the Holocaust and other genocides is vital to deterring such a devastating event from repeating and to preserving history and the voices of the survivors; and

Whereas, there is an abundance of local resources for educators and communities to engage in Holocaust remembrance and education events, including special programs and exhibits sponsored by the United States Holocaust Memorial Museum's special programs, exhibits and biannual trainings for teachers and the Bureau of Jewish Education's Annual Educators' Conference on the Holocaust; and

Whereas, Arizona is home to the nation's largest annual educational event about genocide, Genocide Awareness Week, which is hosted by Scottsdale Community College and presents an occasion for people of all ages and backgrounds to gather, discuss and learn about the Holocaust and other genocides; and

Whereas, the State of Arizona has resources to ensure our students are exposed to and taught about this important part of history, including the Anti-Defamation League's Echoes and Reflections teacher lessons and trainings and the Phoenix Holocaust Association's Speaker Bureau, which facilitates speaking engagements by survivors and their families at Arizona schools; and

Whereas, the Holocaust is not a required topic in the Arizona academic standards and is therefore not required to be taught in our schools.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature prioritize educating children and citizens on the Holocaust and other genocides by urging the inclusion of this information in school curricula, support the provision of resources to schools to ensure that all educators are knowledgeable and trained on the subject, and encourage all students in grades eight through twelve to be taught about the Holocaust and other genocides.

PRIVILEGES OF THE FLOOR

Privileges of the floor were extended to former State Senators David Lujan and Alan Stephens.

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1027

Senate Concurrent Resolution 1027 was introduced and read in full by Senator Alston as follows:

A Concurrent Resolution on the death of the Honorable Stan Furman.

The Honorable Stan Furman passed away on Monday, April 1, 2019 at the age of eighty-seven in Phoenix, Arizona, surrounded by his loving family.

Born on March 16, 1932 in St. Louis, Missouri, Stan Furman was a socially conscious family man, a patriot and veteran of the United States Air Force, a voracious reader and wordsmith, and a staunch fighter for the oppressed—a trait he demonstrated not only through his words but through a lifetime of actions.

Stan Furman served two terms in the Arizona State Senate from 1991 to 1995, serving on the Judiciary, Education, Appropriations and Government committees. During his tenure, he led with compassion and dignity, fearless of resistance in order to stand for what he felt was right. Senator Furman crafted, sponsored and was instrumental in passing legislation supporting his ideals in criminal justice and lobbyist reform as well as education. He pushed for and helped establish the 1992 referendum to make Martin Luther King, Jr. Day a paid state holiday. This was a personal favorite accomplishment of his and he was most proud to have worked with colleagues to achieve this goal. Never one to rest on his laurels, Senator Furman also initiated the Capitol Legislators as Volunteers to Education program (CLAVE), whose mission was to encourage legislators to participate in a wide variety of volunteer activities at Capitol Elementary School.

After leaving the Senate, Senator Furman continued to remain active within his community. He served on numerous charitable and civic boards and worked extensively with the Arizona Civil Liberties Union. It came as no surprise when he was named Arizona Civil Libertarian of the Year in 1995 and Mediator of the Year by the Phoenix Community Mediation Program in 1998. His experience and expertise and his leadership and longtime participation with the Arizona ACLU led to his presidency of the state affiliate, a post he held from 2000 to 2006. He later served on the organization's National Board of Directors and remained active in the cause.

Albert Einstein said, *“All I have is a sense of duty toward all people and an attachment to those with whom I have become intimate.”* A true adherent of this credence, Senator Furman was an advocate, a leader and a champion for civil rights and education. His

profound impact on individuals, groups and the community at large benefitted and continues to benefit the State of Arizona.

Following a European vacation in the 1970s, Stan and his wife, Gloria, began a successful translation business. This business and their love of travel allowed them the flexibility and opportunity to see the world. They explored different cultures and countries, including Italy, Spain, China and Mexico. These trips typically included family and friends. Although many consider Senator Furman's professional work to also be his hobby, he very much enjoyed challenging his mind with word puzzles and playing Boggle with his children and grandchildren. He was an avid reader and shared his love of words and knowledge with his family. He stayed active playing tennis until he retired from the game on his eightieth birthday and continued to play golf until a year before his death.

Stan Furman left a lasting impact on each person he met. His caring nature knew no bounds, and anyone who walked in his door was greeted with kindness, warmth and humor. Dedicated to his family, Stan Furman is survived by his wife and love of his life, Gloria, his daughters Diane (Randy) and Susan, his son Phil (Deb), his grandsons Spencer, Dylan, Nate, Harrison, Alex (Jessi), Hugo and Oscar, and his great-granddaughter Cheyanne. He will be greatly missed by his family, his many friends and the citizens of Arizona.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature sincerely regret the passing of Stan Furman and extend their deepest sympathies to his surviving family members.

Senator Alston moved that Senate Concurrent Resolution 1027 be unanimously adopted and that the Senate stand in a moment of silence in memory of Stan Furman. The motion carried.

Senate Concurrent Resolution 1027 was signed in open session and transmitted to the House.

PERSONAL PRIVILEGE

Senator Alston requested a point of Personal Privilege to introduce family and friends in the gallery of the Honorable Stan Furman. His wife Gloria Furman their children Diane Ross, Randy Jones, Philip Furman, Debbie Crick-Furman and Susan Coleman. His grandchildren Spencer Coleman, Dylan Ross, Oscar Crick-Furman, Nate Ross, Courtney Jones, Harrison Coleman, Coral Mundall, Alex Coleman, Jessi Coleman, Hugo Crick-Furman. His friends Alan Stephens, John Hay, Ruth Murphy, Marilyn Curry, Barbara Lubin, Kristen Curry, Alessandra Soler, Rivko Knox, Carol Vandercooks and Signa Oliver.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Fann announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On May 13, 2019, the Governor signed and transmitted to the Secretary of State House Bills 2074, 2241, 2433, 2442, 2453, 2692, Senate Bills 1026, 1096, 1112, 1139, 1261, 1315, 1441, 1483, 1526, 1534 and 1535.

On May 14, 2019, the Governor signed and transmitted to the Secretary of State House Bills 2097, 2117, 2118, 2266, 2446, 2454, 2495, 2570, 2687, 2707, Senate Bills 1111, 1181 and 1182.

The Governor signed House Bill 2118 with the following message:

May 14, 2019

The Honorable Katie Hobbs
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: House Bill 2118 (unauthorized practice; health professions)

Dear Secretary Hobbs:

Today, I signed H.B 2118. The dangers associated with healthcare "imposters" was the focus of a recent investigative series by ABC15. This reporting uncovered a concerning policy gap in protecting consumers. This legislation addresses many of these issues and will help better protect Arizona patients and hold bad actors accountable.

There is still more we can do. In January, I asked for a full account of how all licensing entities address the issue of unlicensed activity to ensure that this behavior cannot exist elsewhere in our system. We will review this information to determine what further action can be taken to protect Arizona consumers.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

JOURNAL OF THE SENATE
Tuesday, May 14, 2019

The Governor vetoed House Bill 2473 with the following message:

May 14, 2019

The Honorable Rusty Bowers
 Speaker of the House
 Arizona State House of Representatives
 1700 W. Washington
 Phoenix, AZ 85007

Re: House Bill 2473 (state liquor board; membership)

Dear Speaker Bowers:

Today I vetoed H.B. 2473. This bill adds an extra step to the nomination of one of the seven seats on the State Liquor Board, resulting in inconsistencies in the selection process and creating a new, burdensome hurdle for appointment. We should be focused on reducing red tape, not adding to it.

I am open to discussions to include a municipal representative on the Liquor Board, but adding a new step in the nomination process is unnecessary.

Sincerely,

/s/ Douglas A. Ducey
 Governor
 State of Arizona

CONFERENCE COMMITTEE REPORTS

Senator Gray moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Borrelli and Brophy McGee, Senate conferees, and Representatives Rivero, Blackman and Sierra, House conferees, submitted the following conference report on House Bill 2315:

That the House accept the Senate amendments and the bill be further amended.

Senator Peshlakai, Senate conferee submitted the following Minority Report:

I oppose H.B. 2315 designation; Charles Keating IV Peak as amended in conference committee because it fails to consider the concerns of the Gila River Indian Community.

In a letter to Governor Doug Ducey dated April 10, 2019, Gila River Indian Community Governor Stephen Lewis stipulated the Community's concerns regarding the naming of the peak within the Sierra Estrella Mountains.

The Sierra Estrella Mountains, known in the traditional languages as *Komatke Do'ag* (Akimel O'odham)/ *Vii Alhá* (Pee Posh), border the Gila River Indian Community's

western border and encompass lands that are a Traditional Cultural Property of the Pee Posh and Akimel O'odham people.

The U.S. Department of Interior, National Register of Historic Places defines Traditional Cultural Properties as one that is eligible for inclusion in the National Register because of its association with cultural practices or beliefs of a living community that are rooted in the community's history and are important in maintaining the continuing cultural identity of the community.

The *Komatke Do'ag/Vii Alhá* mountain range retains traditional religious and cultural importance and figures prominently in oral traditions of both the Akimel O'odham and Pee Posh.

Additionally, the O'odham teachings stipulate that a place on the cultural landscape should not be named after a deceased person.

In a resolution adopted by the Gila River Indian Community on January 18, 2017 the Community Council strongly opposed any alteration of the *Komatke Do'ag/Vii Alhá* mountain range for any purpose that would be a violation of their cultural and religious beliefs. The Council stipulates that the mountain range in its entirety is a sacred place and must not be altered from its natural state to maintain its physical and spiritual integrity.

For these reasons, I oppose H.B. 2315 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

CONFERENCE COMMITTEE REPORTS

Senator Gray moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Carter and Livingston, Senate conferees, and Representatives Toma and Weninger, House conferees, submitted the following conference report on House Bill 2358:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senator Mendez, Senate conferee and Representative Butler, House conferee submitted the following Minority Report:

We oppose HB 2358 landlord tenant; partial payment; assistance as amended in conference committee because it is too broad.

In committee, the proponents of the bill stated that it is needed because a landlord is not able to evict an individual who received Section 8 payments when the individual was threatening and intimidating or not paying rent.

In fact, the Landlord Tenant Act in the State of Arizona allows for a landlord to deliver a written notice for immediate termination of the rental agreement and proceed under eviction statutes for an expedited eviction if an individual was threatening and intimidating on the premises. There are various current statutes that also allow for an individual who does not pay rent to be evicted and for the landlord to recover all reasonable damages resulting from noncompliance by the tenant with the rental agreement.

There are also federal statutes and agreements that require participants of Section 8 housing to pay their share of the rent and to follow the landlord's rules. According to a

contract for Section 8 housing, a landlord can terminate the tenancy of a tenant for assorted reasons such as violation of federal, state or local law, or criminal activity that threatens the "health or safety or right to peaceful enjoyment"

The proponents of the bill claimed the following events occurred in the lawsuit that gave rise to this legislation:

1. July 16, 2017
 - a. Tenant allegedly engaged in threatening and intimidating behavior on the landlord's premises
2. July 27th
 - a. Landlord gave tenant statutory notice of immediate termination
 - b. Tenant tried to pay her portion of Section 8 rent, but landlord did not accept rent
3. July 31st
 - a. Landlord filed eviction action
4. August 2nd
 - a. Tenant filed her answer stating she was a veteran suffering from PTSD
5. August 3rd
 - a. Landlord received its payment from Section 8
6. August 11th
 - a. Landlord was awarded judgment
7. October 5th
 - a. Ruling overturned because landlord accepted payment from Section 8 with full knowledge of the alleged breach

If the landlord knew the tenant had breached the rental agreement, since the landlord refused to take payment, the landlord should have communicated with Section 8 about the breach of agreement and not accepted the next month's payment. The bill as amended in conference committee will allow a landlord to knowingly take a housing assistance payment when the tenant does not meet terms of the rental agreement and then the landlord can evict the tenant.

The conference committee amendment makes a good change, which removes all nonprofits from the definition of housing assistance payment. Although it has made some good changes, the conference committee amendment should have also included reporting requirements. The reporting requirements should document how many landlords take public assistance funds when they know the tenant has breached the contract or are in the process of evicting a tenant. The State of Arizona has an affordable housing crisis, and we should not be enacting legislation that exacerbates the problem.

For these reasons, we oppose HB2358 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

COMMITTEE OF THE WHOLE

Upon motion of Senator Gray and agreed to, the Senate at 10:40 a.m. resolved itself into Committee of the Whole for consideration of the bill on the calendar with Senator Eddie Farnsworth in the chair.

At 10:57 a.m., the Committee of the Whole was dissolved and Senator Eddie Farnsworth submitted the following recommendation:

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Fann announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On May 21, 2019, the Governor signed and transmitted to the Secretary of State House Bill 2672.

The Governor signed House Bill 2672 with the following message:

May 21, 2019

The Honorable Katie Hobbs
 Secretary of State
 1700 W. Washington, 7th Floor
 Phoenix, AZ 85007

Re: House Bill 2672 vacation rentals; short-term rentals; regulation

Dear Secretary Hobbs:

Today, I signed H.B. 2672.

In Arizona we respect the right to do what we want with our property without undue government interference. That's why three years ago I signed S.B. 1350 to stop local governments from prohibiting homeowners from renting their homes on platforms like Airbnb and VRBO. That bill also narrowed the scope of permissible short-term rental regulations. Local governments may enforce rules related to building codes, traffic control, noise, zoning, and other areas that ensure that neighborhoods are safe and pleasant places to live.

Most short-term rental homeowners are good neighbors. H.B. 2672 provides a straightforward enforcement mechanism to penalize "party house" operators for not upholding existing laws on their properties.

After solving this important enforcement challenge, I am hopeful that additional legislation regulating short-term rentals will not be needed. My expectation is that this

bill will have no impact on most short-term rental homeowners. I am open to corrective action if this law is applied too broadly.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

CONFERENCE COMMITTEE REPORTS

Senator Gray moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Leach and Gowan, Senate conferees, and Representatives Townsend and Carroll, House conferees, submitted the following conference report on Senate Bill 1451:

That the Senate accept the House amendments with exceptions and the bill be further amended.

Senator Quezada, Senate conferee and Representative Salman, House conferee submitted the following Minority Report:

We submit this minority report for SB1451 statewide ballot measures; circulators; procedures, because the measure infringes on the constitutional right of initiative and referendum that is guaranteed by the state constitution, which specifically provides that the constitutional right is reserved by the voters to be exercised "independently of the legislature." Ariz. const. art. 4, pt. 1, § 1(1). SB1451 is an unconstitutional intrusion into that reserved right and is precisely the kind of heavy-handed and unnecessary regulation that was barred by the state's founding fathers.

As amended by the conference committee, the bill creates unnecessary traps for hard-working individuals who circulate petitions for ballot measures. If this measure were enacted, a simple mistake of forgetting to include the circulator's registration number on a petition sheet will invalidate all of the signatures on the petition sheet - even if the circulator was qualified to gather signatures and properly signed the circulator affidavit on the back of the petition sheet, even if a notary properly notarized the sheet, even if the front of the petition sheet was properly filled in with all of the necessary information, and even if the petition signers properly filled out the information required of them. The legislature has placed an inordinate number of hurdles in the way of the constitutional right of the voters to initiate or refer measures to the ballot such that now the reservation of that right is almost completely unrecognizable.

SB1451 tips the scales fully against the constitutional right and in favor of the special interests that don't like the measures that voters propose and approve, such as medical marijuana and an increased minimum wage. But the initiative and referendum right is not guaranteed for the special interests, like the various chambers of commerce that support this measure, but rather for the people of Arizona.

The legislature must stop intruding on that right under the guise of "protecting election integrity." What protection interest is served by requiring a circulator registration number on a petition sheet that is already required to include a notarized affidavit of the circulator, including her address and signature? The addition of this requirement only serves to make it harder to qualify for the ballot, leading to an initiative process that can only be accessed by the exceedingly wealthy.

Finally, the conference committee adopted an amendment to create a process for candidates to submit a statement of interest once they start collecting petition signatures. This amendment has nothing to do with the subject of the underlying bill. It is not germane and violates the Arizona constitutional requirement for single subjects on all legislative measures.

The motion carried and the Secretary recorded the action and notified the House.

FINAL READING OF BILLS

The following bills were read on Final Reading by number and title, passed on roll call and signed in open session:

*Senator Alston offered the following explanation of her vote on House Bill 2750 having requested, without objection, her remarks of less than 200 words be inserted in the Journal.

This bill creates a problem for every legislator in this chamber who must vote on it. The vast majority of the bill deals with Arizona Teacher Academy Administration and Funding. It also protects university funds and the Arizona financial aid trust. All of this is related to funding education.

However, in ARS 15-1444, Section 1, the bill embraces an entirely separate subject - arbitrarily treating elected employee organizations differently from the many other kinds of employee organizations, thereby intruding on the ability of elected governing boards to use their discretion in managing employee relations and potentially throwing these colleges into disarray.

The provision in ARS 15-1444, Section 1 is substantive legislation unrelated to appropriations. If it was merited, it should have been introduced as a separate bill so it could have been considered and debated by the appropriate committees and so it would comply with our constitution's Single Subject rule.

We should not interfere with the local control of elected college governing boards while we are trying to provide them funding. Dictating these management decisions have nothing to do with appropriations, they make bad public policy, and they are bad for community college education.

House Bill 2754: An Act amending sections 13-4512 and 36-273, ARS; amending section 36-405.02, ARS, as added by Laws 2019, chapter 215, section 4; amending title 36, chapter 4, article 2, ARS, by adding section 36-425.06; amending sections 36-540 and 36-550.05, ARS; amending title 36, chapter 5, article 10, ARS, by adding section 36-550.09; amending section 36-773, ARS; amending title 36, chapter 29, article 1, ARS, by adding sections 36-2903.12 and 36-2903.13; amending sections 36-2985 and 41-3955.01, ARS; amending title 46, chapter 2, ARS, by adding article 9; repealing title 46, chapter 2, article 9, ARS; appropriating monies; relating to health budget reconciliation.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Fann announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On May 27, 2019, the Governor signed and transmitted to the Secretary of State House Bills 2152, 2466, Senate Bills 1348, 1533 and 1539.

The Governor signed House Bill 2466 with the following message:

May 27, 2019

The Honorable Katie Hobbs
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: House Bill 2466 civil action; assault; limitation; applicability

Dear Secretary Hobbs:

Today I signed H.B. 2466.

The pain and trauma suffered by victims of child sexual abuse can never be understated. This legislative session, we heard from many of these victims who have turned this pain into a passion-pursuing justice, accountability for their abusers, and to protect innocent children.

Their stories are heartbreaking. Their work-inspiring.

This we know: Victims need time. Time to process, understand what has happened and come forward. And they deserve the right to come forward.

H.B. 2466 is an important first step to providing victims of child sexual abuse with the safety, healing, and justice they deserve. I'm hopeful it will protect innocent children who may otherwise have suffered at the hands of these predators.

I want to thank Senator Boyer, Senator Carter, Representative Blackman and their colleagues for their work on this issue. I know it wasn't easy, but the really important issues rarely are.

Still, more can be done. Our laws for protecting children and young adults who have been sexually abused require evaluation for reform. To that end, I will be establishing The Justice for Victims of Child Sexual Abuse Task Force, which will serve as a statewide collaborative effort dedicated to developing recommendations for actions that can be taken to advance justice for the vulnerable citizens of the State of Arizona.

Arizona has been a leader when it comes to victims' rights, and with this bill, we will continue to be a leader on victims' rights.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommend, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
**Bills, Resolutions, Memorials, Engrossed
Copies and Amendments**

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

RULE 15
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days

after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

JOURNAL OF THE SENATE

A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

Re: House Bill 2758 (empowerment scholarships; qualified school)

Dear Secretary Hobbs:

Today I signed H.B. 2758.

While this is an important and necessary step to ensure that Arizona children on the Navajo Nation have access to the best educational opportunities available to them and their families, this bill is only a temporary remedy for the children and families who currently participate in the scholarship program. The impacted children will be allowed to attend a school that has served them well for years for just one more school year - all the time knowing that they will not be able to continue, unless a permanent solution is enacted.

To that end, I look forward to working with the legislature to pass a permanent fix that will provide certainty and stability to these children, and for all of the Arizona children living in the Navajo Nation as they seek the appropriate educational setting and delivery necessary for their individual learning needs.

Sincerely,

/s/ Douglas A. Ducey

Re: House Bill 2146 (contracts; licensure requirements; exemption)

Dear Secretary Hobbs:

Today I signed H.B. 2146.

I have a record of being open to innovation in business - which is why I signed the FinTech and PropTech Sandbox bills. This bill gives small businesses the same opportunity to innovate before investing the time and money to become fully established.

After this bill reached my desk, I received concerns related to private postsecondary education. I would like to see robust discussions with stakeholders to ensure these concerns are addressed.

Re: House Bill 2358 (landlord tenant; partial payment; assistance)

Dear Secretary Hobbs:

Today I signed H.B. 2358.

H.B. 2358 is important for preserving affordable housing options in Arizona. According to national studies, Arizona's current supply of affordable housing can only meet about one-third of the population's needs. The bill encourages landlords to offer affordable housing and to participate in public housing

assistance programs. Importantly, it does not disrupt the rent assistance provided by faith-based organizations, community action agency programs, and non-profit agencies to many Arizona citizens.

I remain committed to finding solutions to address the need for more affordable housing in Arizona.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

Re: Senate Bill 1310 (earned release credits; drug offenses)

Dear Secretary Hobbs:

Today I signed S.B. 1310.

The Department of Corrections should be about corrections; this bill reinforces that by encouraging non-violent drug offenders to seek help and earn their way to an earlier release and a successful second chance.

I am thankful to the stakeholders for working together to bring this broadly supported criminal justice reform bill to my desk. I look forward to further collaboration among the community that acknowledges public safety, while continuing to improve the system.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

Re: House Bill 2617 (renewable energy storage equipment; valuation)

Dear Secretary Hobbs:

Today, I vetoed H.B. 2617.

I appreciate Representative Cobb bringing attention to this issue. Our state's energy policy is an important subject, and one I want to work on developing together. However, any tax or policy changes that impact our budget should be done as part of the total budget discussion. For that reason, this proposal should be considered as part of a broader discussion in advance of the next legislative session.

Sincerely,

/s/ Douglas A. Ducey

Re: House Bill 2677 (JLAC; auditor general)

Dear Secretary Hobbs:

Today, I vetoed H.B. 2677.

I appreciate Representative Kern's efforts to identify fraud, waste, and improper use of public monies.

However, I am concerned this legislation may have unintended consequences.

I remain committed to finding ways to continuously improve government.

Sincerely,

Re: Senate Bill 1334 (sentencing; repetitive offenders)

Dear Secretary Hobbs:

Today, I vetoed S.B. 1334.

I am concerned with the unintended consequences that may arise from this legislation and the affect these changes would have on victims.

Re: Senate Bill 1558 (legislators; mileage rate; distance)

Dear Secretary Hobbs:

Today, I vetoed S.B. 1558.

I respect the Legislature's role as a separate and co-equal branch of government. I also value the work and time commitment that our state lawmakers dedicate to appropriately represent the people who elected them - that includes legislators on both sides of the aisle.

Arizona is the sixth largest state in terms of land area. So for rural legislators and those representing areas outside of Maricopa County, there is a strong case to be made for ensuring we are appropriately recognizing what is required for them to

be here at the state Capitol in Phoenix during session. Any change in the per diem rate should also be prospective, and apply to the next Legislature, which will be sworn in on January 11, 2021, following the 2020 election.

I am open to working with legislators on such a change next session.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes". If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President shall vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve at the President's request, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

RULE 5 Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

A. Standing Committees of the Senate shall consist of the following:

1. Appropriations
2. Commerce
3. Education
4. Finance
5. Government
6. Health and Human Services

12. Water and Agriculture

B. Committees of the Senate except the Rules Committee shall have the following powers and duties:

1. The first Senator named on a committee shall be the chairman thereof; the second shall be the vice-chairman. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

RULE 8 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9 Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10 Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11 Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12 Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13 Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy". Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read “amendments to” and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read “lines . . . through . . .”. If everything after the enacting clause is stricken the amendment shall read “strike everything after the enacting clause”.

RULE 15 Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: “Shall the Senator for the reasons assigned by the Senator, be excused from voting?” which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1 Electronic Roll Call System

A. In all cases where a rule of the Senate refers to “roll call”, “roll call vote” or “recorded vote”, such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: “You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote.”

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: “Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote.”

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16 Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at a time certain as determined by the President, receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

B. The order of business shall be as follows:

- Report of the Committee of the Whole
- Third Reading of Bills
- Other Business of the Senate

C. The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17 Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

RULE 18

Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19

Journals

A. The proceedings of the Senate and of the Committee of the Whole shall be briefly and accurately stated in the Journal. Titles of all bills, resolutions and measures, and such parts as shall be affected by proposed amendments, readings, references, reports and every vote, motion and roll call, and a brief statement of the contents of each petition, memorial or paper presented to the Senate shall be entered on the Journal.

B. All confidential legislative and executive proceedings and the proceedings when sitting as a Court of Impeachment shall be recorded in a separate book.

C. The protest or remarks of any Senator and reasons therefor shall be entered on the Journal, if presented in writing, but no protest or remarks shall exceed two hundred words in length without the consent of the Senate.

RULE 20
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21
Messages

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22
Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23
Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

RULE 24
Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.
6. General parliamentary law.

RULE 25
Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

RULE 26
Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

RULE 27
Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

RULE 28
Amendment of Rules; Suspension of Rules

A. The Senate Rules may be amended upon vote of the majority of the members of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members present.

RULE 29
Code of Ethics

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

(a) The total gross annual income value of the contract is less than one thousand dollars, or

(b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or

(c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to “have an interest in the profits of a contract” if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. “Public agency” means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. “Business” includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. “Gift” includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. “Fee” includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

RULE 30
Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. “An action in the discharge of his official duties” means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31 Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.
