Warm Up Policy

Horses in the first five races are permitted to enter the paddock beginning 1 hour and 30 minutes before the first scheduled post time.

Please see Paddock schedule for exact times. Paddock times provided in Race Office and Paddock Office.

After the sixth race, all horsemen must follow the designated paddock times. Please do not attempt to enter the paddock any earlier than scheduled times as there will still be horses in the paddock race stalls.

The listed times may change if there is an Inquiry. That would push back post time thus the times to enter the paddock would also change.
