### III. Employment/Transfer Rates

Through data sharing arrangements with the Maryland State Department of Education; Maryland Higher Education Commission; Department of Labor; and Maryland Longitudinal Data System Center, BCCC graduates' employment data are collected and reported annually for many occupational programs or program clusters via the Perkins Program Quality Index (PQI)/Data Storyboard. Records for graduates of the selected programs are compared with payroll records to determine how many are employed in any field, whether full-time or part-time, are in the military or a service program, or are in postsecondary education or advanced training.

Program Cluster	% FY 2020 Graduates Employed or Transferred Six Months After Graduation
Business, Management, and Finance	77.7%
Health and Biosciences	85.2%
Human Resource Services	75.0%
Information Technology	69.7%
Manufacturing, Engineering, and Technology	68.2%
<i>Total</i>	77.7%
