March 24, 2020

Greetings BSD Parents and Staff,

Earlier this evening, Governor Scott issued a **"Stay Home, Stay Safe"** order directing the closure of in-person operations for all non-essential businesses effective 5:00 PM on Wednesday. The order is to be in effect until April 15, 2020.

I know that those of you reading this have several questions about what this means for BSD's operations. Many of the District's leadership team members have already been communicating this evening and we are setting up to meet virtually. We will be working hard to get you as many answers as we can as soon as we can. I anticipate sending more communication later tomorrow afternoon or evening as we get clearer guidance from the State and Agency of Education. Please stay patient with us.

As we gear up as a community and state for this order taking effect tomorrow, please remember to prepare for this time, but take care not to panic or hoard materials others may also need.

Be kind to each other and be safe - practice physical distancing.

Thank you,

Superintendent Obeng
