**To:** Burlington Board of School Commissioners  
**From:** Tom Flanagan, Superintendent  
**CC:** Stephanie Phillips, Executive Director of Teaching and Learning  
**Date:** November 1, 2022  
**Subject:** **2.10 Monitoring Report: Annual School Scorecards**

---

**Statement:** The following document presents the district's progress toward and compliance with **Policy Title: 2.10 Annual Scorecards.**

**Recommended Motion:** *I move to approve the recommendation that the Superintendent complies with Policy Title 2.10.*

**Monitoring Report - Policy Title: 2.10 School Scorecards**

**Submitted by:** Tom Flanagan, Superintendent

**Date Submitted:** November 1, 2022

**Status:** In Compliance

**Overview**

This monitoring report explains Burlington School District's progress with **Policy Title: 2.10 School Scorecards** for the School Year 2021-2022 and includes our annual policy compliance ratings with specific detail regarding our work to ensure greater compliance.

**Policy Statement**

The Superintendent shall not fail to develop, maintain and regularly share with the Board an objective and detailed scorecard or rubric that tracks and measures the progress and success of each of our schools in achieving our Global Ends.

**Interpretation**

The Superintendent interprets this to mean the District will maintain a snapshot of school data that identifies the key goals and progress toward those goals for each school, and share these with the board and community.

**Evidence**

In SY22, BSD produced and disseminated school snapshots for the first time. The goal of these snapshots, which can be found on the BSD website, is to identify measurable goals and progress toward those goals. In SY23, BSD continued the practice of producing these [school-level scorecards based on data collected through the fall of 2022](#).

In addition to the District's work, the Vermont Agency of Education (AOE) produces [school snapshots](#) that include detailed school-level information. To date, the AOE SY21 snapshot data remains embargoed.

Principals use the data from our District goals to inform their school goals and their continuous improvement mandates. BSD's [Equity and Inclusion Data Report](#) highlights data related to our equity initiatives across the district. Our [2021 Annual Report](#) documents our progress towards our shared district goals.
