WOMEN OF POWER

They did what? They went where? These go-getting women are as fascinating as they are empowering. Learn about how they flew, ran, or sailed outside the lines to achieve their dreams. And how you can, too.

ASK QUESTIONS

1. Identify mentors and role-models.
2. Construct a list of interview questions
3. Ask who, what, where, when, why, and how.

FIND YOUR PASSION

- Brainstorm the things you like to do
- Freewrite about what you're good at and what you'd like to learn more about.
- Imagine a path forward. What obstacles are there along the way?

STUDY SUCCESS

- Discover how ordinary women became extraordinary leaders
- Pinpoint your passion and the steps to get there
- Open your eyes to a world of possibility

HIGH FLYERS

This book shares the stories of 15 aviators and astronauts. There are three sections, organized by elevation.

*In the lowest airspace are pilots of helicopters, single-engine planes, and a hot air balloon.

*Higher up are commercial, jet, and military pilots.

*The last section is for those who have traveled beyond Earth.

FIND YOUR PASSION

- Brainstorm the things you like to do
- Freewrite about what you're good at and what you'd like to learn more about.
- Imagine a path forward. What obstacles are there along the way?

QUESTIONS

*What challenges did this woman face before she was able to achieve her dream?

*Think of something difficult you once did. How was your experience the same and different from the woman you read about?

*Who do you look up to? What makes this person special?

THRILL SEEKERS

This book shares the stories of 15 women in extreme sports. There are Olympians, a stuntwoman, a model, professionals, and amateur athletes.

*All have a passion to push themselves further.

*All are determined and have refused to give up.

*None was born with an easy path; all strived hard to achieve her goal.
