### TRY IT... BEFORE YOU BUY IT!

Test the performance of Cooper Lighting Solutions LED products before you pay for them with this 90-day LED product program.

### HERE'S HOW IT WORKS

- Select an approved LED fixture style from Cooper Lighting Solutions product lines. (Contact your local Cooper Lighting Solutions representative for approved fixtures).
- Enter an order for up to eight approved lighting fixtures with your local lighting representative. PDRs not eligible for program participation. Standard lead times will apply..
- Mark your order: **Light Ahead**
- Install the fixtures in your facility and measure the visible results of quality lighting.
- Cooper Lighting Solutions will allow up to 90 days delayed billing from invoice date, or you can return the fixtures (freight prepaid) within 90 days.
