CAL STATE EAST BAY ANNUAL SECURITY REPORT

Message from the President

As a part of our responsibility and commitment to keeping the campus community informed, Cal State East Bay makes the Annual Security Report (ASR) available for review. Produced annually, it includes statistics regarding crimes committed on or around campus as well as University Police Department services, crime prevention, victims' rights, and resources that can raise awareness of how we create and maintain a supportive and safe campus community.

I am proud of the efforts that our faculty, staff, and students make to keep our campus secure and safe. Under Interim Chief Omar Miakhail, the entire University Police Department strives to collaborate with all members of the university community, developing partnerships and keeping lines of communication open. However, it is incumbent upon each of us to look out for one another and to speak up by reporting potentially unsafe situations.

I encourage each of you to read the report and familiarize yourself with the resources available. With best wishes for the upcoming year.

Cathy Sandeen, President

Preparing the Annual Security Report

This Annual Security Report (ASR) is prepared, published, distributed and maintained by the Clery Director in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The ASR is a disclosure of various institutional policy, procedure and program statements related to the safety and security of the university community. This includes disclosure regarding the number of Clery-reportable crimes and administrative discipline referrals for law violations that occurred on or within Cal State East Bay's Clery-reportable geography for the three most recent calendar years.

The report is prepared in collaboration with the University Police Department (UPD) and the cross-divisional Clery Compliance Team (CCT) and Working Group, which include members from: Athletics, Human Resources, Risk Management, University Housing and Residence Life, Student Life and Leadership, Student Conduct, Rights, and Responsibilities, Title IX, Emergency Management, International Education, and Parking and Alternative Services, among others. Monthly meetings are held in order to foster working relationships with these groups and each reporting entity provides information on crimes that may have been reported to their office for inclusion in our annual crime statistics as well as updated information on their educational efforts and programs to comply with the Clery Act.

In addition to gathering information and statistics from our campus stakeholders, crime statistics and referrals for discipline contained in this report are collected by the UPD through its record management system and from CSUEB Campus Security Authorities (CSAs) through the online CSA reporting form or through direct outreach to the Clery Director. These CSAs are campus staff and faculty with significant responsibility for student and campus activities and include, but are not limited to: Residential Life staff, Athletics staff, Student Club advisors and Student Affairs personnel. Under the Clery Act, a crime is "reported" when it is brought to the attention of a CSA, the University Police or local law enforcement personnel by a victim, witness, other third party or even the offender. CSAs must promptly report allegations of Clery crimes that occur within a Campus' Clery Geography that are reported to them. A report may be a written or verbal disclosure made by any person to the CSA, including information shared with the CSA by witnesses or other third parties. CSA reports must include the following, if known: The crime that was reported and the information provided, the exact location where the reported crime occurred, the date and time the reported crime occurred, any witness and perpetrator information, victim information, unless the victim requests confidentiality (employees may be required to share this information with other offices if they have responsibilities under other laws and policies including, but not limited to, Mandatory Reporting of Child Abuse and Neglect, and Interim CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation). In the event the victim does request confidentiality, enough information must be obtained and provided by the CSA about the criminal incident to prevent over-reporting or "double-counting" of the incident.

The UPD conducts outreach and establishes collaborative relationships with local and state law enforcement agencies to encourage statistical Clery reporting by those agencies having jurisdiction over locations the university has identified as non-campus buildings or property, and public property, according to Clery reporting requirements.

The Clery Director is responsible for collecting, analyzing, and ensuring the accuracy of all data related to the campus's reporting requirements under the Clery Act.

The Clery Act requires our institution to include four general categories of crime statistics:

- Criminal Offenses which include: Criminal Homicide, including Murder and Non-negligent Manslaughter, and Manslaughter by Negligence; Sexual Assault, including Rape, Fondling, Incest and Statutory Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; and Arson.
- Hate Crimes—Any of the above-mentioned offenses, and any incidents of Larceny-Theft, Simple Assault, Intimidation, or Destruction/Damage/ Vandalism of Property that were motivated by bias due to: race, gender, religion, sexual orientation, ethnicity, national origin, gender identity or disability, where evidence indicates that the victim was intentionally selected because of the perpetrator's bias against the victim.
- Violence Against Women Act (VAWA) Offenses—Any incidents of Domestic Violence, Dating Violence and Stalking. (Note that Sexual Assault is also a VAWA Offense but is included in the Criminal Offenses category for Clery Act reporting purposes); and
- Arrests and Referrals for Disciplinary Action for Weapons—Carrying, Possessing, Etc. Law Violations, Drug Abuse Violations and Liquor Law Violations.

The statistics include crimes that occurred on campus, in residential facilities, in adjacent public property, and on non-campus buildings or property. Crimes that occurred in residence halls are reported both in the "On-Campus" category and in the "Campus Residential" categories. Thus, the "Campus Residential" category is a subset of the "On-Campus" category. The presentation of the statistics in this report is designed to enable the reader to compare crimes committed during the past three years. The federal definition of each crime may differ from the definition of comparable crimes under California statutes and University policy. Clery statistics represent the number of reported crimes counted when they are *reported*, not when they occurred.

Each year, the Clery Director sends an e-mail to all current students and employees that provides a direct link to the ASR and information on how to receive a paper copy. In addition, the ASR can also be accessed from the footer of the University's homepage: www.csueastbay.edu. Links to the report are also placed on the HR Careers webpage for prospective employees and on the Admissions webpage for prospective students.

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Hate crimes include any offense in the following group: murder and nonnegligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin. Hate crime reporting is considered for all Clery geography including on campus, residential facilities, noncampus buildings or property, and public property.

Procedures for Students and Others to Report Criminal Actions or Other Emergencies on Campus

All members of the CSUEB community are strongly encouraged to accurately and promptly report all criminal activity occurring on or immediately adjacent to the campus, to the University Police Department. The University police will respond immediately or as reasonably possible to each incident. The University Police Department recognizes how important it is to empower victim-survivors to report a crime on their own, however, if a victim survivor elects to or is unable to report a crime, the University Police encourages other campus community members to report crimes directly to the

University Police. If a crime occurs off campus, members of the community can always contact the University Police Department at 510-885-3791, who can help determine if the crime should be reported to University Police or to another appropriate law enforcement jurisdiction.

Directly to the Police

- Hayward Campus - The University Police Department can be contacted at 510-885-3791 or by dialing 911 at any time. If visiting in person, the police department is located at the street level basement of the library building. Office hours are Monday through Friday from 8:00 am– 5:00 pm. University Police Dispatch is available 24 hours a day, 365 days a year.
- Concord Center - The University Police Department can be contacted at 925-602-6737 or by dialing 911 at any time. If visiting in person, the police station is located in the Facilities building, room FO180. A University Police Department staff member is available Monday through Thursday from 9:30 a.m. to 6:30 p.m. This schedule will remain in place at least through the Fall 2023 semester. There are no on-site police services Friday through Sunday. However, University Police Dispatch is available 24 hours a day, 365 days a year.
- Oakland Center - There are no university police services available at the Oakland Center. All police services at the Oakland Center are provided by the Oakland Police Department. The Oakland Police Department may be contacted by dialing 510-777-3333 or dialing 911. The Oakland Police Department is located at 455 7th St, Oakland, California.

Anonymous/Confidential Reports of Crimes to the Police

The California State University, East Bay Police Department accepts voluntary reports of criminal activity in confidence. To make a voluntary report, call University Police at 510-885-3791 and request it to be confidential.

Reports of Crimes to Campus Security Authorities (CSAs)

In some instances, members of the campus community may feel more comfortable reporting criminal activity to a Campus Security Authority. The term Campus Security Authority, or CSA, “is a Clery-specific term that encompasses four groups of individuals and organizations associated with an institution.”

- A campus police department or a campus security department of an institution
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property)
- Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses
- Any official of an institution who has significant responsibility for student and campus activities, including, but not limited to, University Housing, student discipline and student conduct proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

If a CSA has knowledge of a reportable crime that was not reported for investigation or disciplinary action, that person is required, in most instances, to report the crime to the Clery Director or the university police department for inclusion in the statistics and potential campus timely warning notifications.

For Clery purposes, a crime is considered “reported” when, in good faith, it is brought to the attention of a Campus Security Authority by anyone (victim, witness, offender, 2nd/3rd party), whether or not they are affiliated with the University. CSUEB has identified and provided training to CSAs on campus. The Clery Act does not require the University to publish the name and title of every CSA, however, here is a list of key individuals who have been identified as campus security authorities that can accept reports of crimes:

- The University Police Department and its employees, including officers, community service officers and student service officers
- Alameda County Sheriff’s Office dispatchers
- All resident advisors (RAs) in University Housing and Residence Life
- All professional on-call staff members in University Housing and Residence Life
- Director and Associate Director of University Housing and Residence Life
- Director of Athletics, athletic staff and all athletic coaches, for all sports
- Director of Student Life and Leadership Programs
- Director of Student Health and Counseling Services
- Director of Student Conduct, Rights and Responsibilities
- Coordinators of Greek organizations and affairs
- Faculty and staff advisors for Greek organizations
- Faculty and staff advisors for academic and social clubs and organizations
- Faculty and/or Staff who chaperone CSUEB study abroad programs and field trips
- Parking and Alternative Transportation Services Manager
- Title IX Coordinator and Investigators

California Education Code section 67380(a)(6)(A)

Pursuant to California Education Code section 67380(a)(6)(A), Campus Security Authorities (CSAs) who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or noncampus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

Timely Warning Policy

This policy describes the procedures that will be used to provide members of the community with information to aid in preventing them from becoming victims of crimes posing a serious or ongoing threat to the Campus communities. It is intended to provide faculty, staff, and students with timely information about Clery reportable crimes occurring within the defined Clery Geography of their Campuses, and to comply with the Timely Warning requirements of the Jeanne Clery Act.

As required by the Clery Act, CSU Campuses will keep their Campus communities informed by providing a timely warning when appropriate.

- Upon receipt of a Campus Security Authority (CSA) report of a Clery crime on Clery Geography, a Timely Warning analysis shall be completed and documented by the Clery Director. The Clery Director shall have authority to delegate this responsibility as appropriate. It is not necessary to document the completed Timely Warning analysis for referrals to disciplinary action.
- If it is determined that the report includes a Clery crime on Clery Geography, the Clery Director and Chief of Police (or management designee) will confer to analyze the known pertinent facts to determine whether they constitute a serious or ongoing threat to the Campus community. The unavailability of the Clery Director shall not unduly delay the issuance of a Timely Warning.

- If a CSA report includes 1) a Clery crime 2) on Clery Geography and 3) a discernible serious or ongoing threat, a timely warning as described below shall be issued expeditiously.
- In the absence of any of these three elements, no timely warning will be issued.
- The Chief of Police (or the management designee) shall have ultimate authority and responsibility for determining whether to issue a Timely Warning. The Clery Director or designee will issue the Timely Warning notice. UPD personnel, the Clery Director, and the Clery Compliance Records Specialist maintain a repository of Timely Warning templates.

Each reported incident must be analyzed on a case-by-case basis. All known factors shall be considered in the case-by-case analysis to determine whether a timely warning should be issued. No single factor should govern the decision regarding the issuance of a timely warning. Campuses are prohibited from circumventing a case-by-case analysis by issuing a blanket rule that timely warnings will be issued for all reports of any given Clery reportable crime. Requests from an outside law enforcement agency to refrain from issuing a timely warning is insufficient grounds on its own for not issuing or delaying the issuing of a timely warning, unless the Chief of Police concurs that by issuing a timely warning, an identified risk can be articulated that would compromise the law enforcement efforts of the outside agency investigating the crime to gather evidence and/or apprehend suspect(s).

The case-by-case analysis will involve reviewing relevant factors including, but not limited to, the following, if known:

- The timing of the report: shortly after the occurrence of the crime vs. days or weeks after the occurrence of the crime, i.e., a "cold report"
- Physical injury to the victim
- Use of weapons
- Forced entry used and/or tools used in commission of the crime
- A suspect arrested or incapacitated by injury
- A suspect that is identified or otherwise can be located by law enforcement
- A suspect that is out of the area
- A victim who fears for their safety from the suspect
- A clear modus operandi and/or pre-planning indicated
- Multiple suspect(s) involved
- A pattern of similar crimes established
- The possible risk of compromising law enforcement efforts, such as to gather evidence and/or apprehend suspect(s), if a warning was issued

Additional Considerations

The Clery Director (or management designee) shall notify the Campus president, as soon as practicable, that a timely warning will be or has been issued.

The Chief of Police (or management designee) is responsible for collaborating with surrounding law enforcement agencies to encourage them to share information with University Police Department (UPD) about crimes reported to local law enforcement that occur in Clery Geography.

Nothing in this policy precludes Campuses from maintaining a Campus policy about informing, re-publicizing and/or sharing with the Campus community crimes or other informational notices, (e.g., traffic advisories, events, prevention information) the Campus deems may be of interest to the Campus

community. Such a policy is separate and distinct from the Timely Warning Policy. Such notices must differ in appearance or be distributed in a manner that assures that members of the community understand such notices are different from a timely warning notification required by the Clery Act; members of the Campus community should not be misled to believe such notices are timely warnings.

Contents of a Timely Warning

When a timely warning is issued it shall be entitled "Timely Warning Crime Bulletin" and contain the following:

- A statement that reads, "This Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the Campus community to aid members from becoming the victim of a similar crime."
- Identify the Clery reportable crime that occurred (i.e., rape, burglary, motor vehicle theft, arson, etc.)
- The date, time, and location the crime occurred
- The date the Timely Warning Bulletin is issued
- Description of the suspect when deemed appropriate, and if there is sufficient detail. Only include a description of the suspect when the descriptors provided by the reporting party could reasonably lead to conclusive identification of the perpetrator(s)
- At least three preventative tips or points of information specifically related to the circumstances of the crime which occurred that could help others from becoming the victim of a similar crime
- The phone number of UPD and a statement encouraging community members to report all information about crimes to UPD
- If appropriate, the phone number of support services

The Timely Warning shall not include, under any circumstances, the name of the victim, or information so specific (i.e., specific address or dorm room number or floor) that would or likely could identify the victim of the crimes of Sexual Violence, Rape, Dating Violence, Domestic Violence, or Stalking. Timely Warning Bulletins should use gender-inclusive and culturally appropriate language and avoid victim blaming and bias language.

Methods of Distribution

Timely warnings will be distributed as quickly as possible in a manner that will likely reach the entire Campus community. Distribution methods vary from Campus to Campus and include, but are not limited to, any of the following:

- All employee and student email distribution
- University website
- Public area video display monitors
- Hard copies posted on Campus building entrance doors
- Press Release

California State University, East Bay may use the following additional distribution method for timely warnings:

- University notification system - computer desktop alerts, phone calls and / or text messages

This list is not intended to be exhaustive or intended to prioritize the method of distribution. The Chief of Police will confer with the Clery Director (or management designee), if available, to determine the most appropriate method(s) to distribute a Timely Warning. In the absence of the Clery Director (or management designee), the Chief of Police will determine the appropriate method of distribution. Campuses are required to maintain a list of the methods of distribution for timely warnings and include said list in the Campus's Annual Security Report.

Emergency Notification Policy

This policy describes the procedures that will be used to immediately notify the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees occurring on the Campus, as required by the Clery Act.

Any member of the Campus community with information believed to constitute a significant emergency or a dangerous situation that poses an imminent or immediate threat shall report the information to University Police Department (UPD) and/or by calling "911." Examples include, but are not limited to, the following types of incidents:

- Severe weather warning (e.g., flash flooding, tsunami, hurricane, etc.)
- Environmental emergency within an on-campus facility (e.g., hazardous chemical spill, fire, earthquake, building collapse)
- Criminal activity with an imminent threat to Campus community (e.g., active shooter, murder, fleeing suspect with a weapon)
- Public Health Emergency (e.g., measles outbreak, swine flu outbreak, etc.)

Once UPD has received the report, the Chief of Police (or management designee) will, without delay and taking into account the safety of the community, confer with any appropriate public official (e.g., fire chief, health department) and any Campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) a legitimate emergency or dangerous situation exists impacting on-Campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community. This confirmation process may include, but is not limited to, visual observation, officer investigation, the assistance of key Campus administrators, local or Campus first responders, and/or official government reporting through agencies such as the National Weather Service.

If both of the above factors are not met, no emergency notification is required. If it is determined that both of the above factors are met, then an emergency notification as described below shall be issued. The Chief of Police (or management designee) will confer with the Clery Director, if available, to prepare the content of the notification and determine which members of the Campus community are threatened and need to be notified. The content of the message will be developed based on a careful but swift analysis of the most critical facts.

Once the notification is prepared, the Chief of Police and/or the Clery Director (or their management designees) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency,

including the ability to provide immediate, life saving measures. If an emergency notification is issued, a timely warning is not required for the same incident.

Contents of the Emergency Notification

The emergency notification shall contain the following information:

- A statement as to what the emergency or dangerous situation is, in specific terms (e.g., chemical spill, active shooter, building fire)
- A statement providing direction as to what actions the receiver of the message should take to ensure their own safety
- A statement as to where or when additional information may be obtained

The Chief of Police and/or Clery Director (or management designees) will provide updates to the emergency notification with pertinent updates or direction to persons for their safety when new information becomes available. Updates will be provided in regular intervals until the emergency has been mitigated or no longer poses an imminent threat, e.g., fire is out, and building has re-opened.

Methods of Distribution

Emergency Notifications will be distributed as quickly as possible in a manner that will likely reach the segment(s) of the on-campus community threatened by the emergency. Segmentation will be considered by the Chief of Police (or management designee) by evaluating which persons are likely to be at risk based on the circumstances at the time and notifying those persons. Segmentation should not be considered if making this determination would delay issuing the emergency notification. The Chief will determine if notification to the larger community is appropriate. Distribution methods, including distribution to the larger community, vary from Campus to Campus and depending on the nature of the emergency, may include:

- A Campus mass notification system, including but not limited to phone, Campus email, or text messaging. Systems should provide currently enrolled students, faculty and staff the ability to adjust their subscription preferences to select multiple contact methods from text messages, emails and phone calls, or if desired, to 'opt out' of the service and not receive any notifications
- Audio/visual message boards
- Audible alarms/sirens
- Campus public address systems
- In person or door-to-door notifications in a building or residence halls
- Local media
- Social media
- Other means appropriate under the circumstances, which campuses shall disclose in their ASRs as applicable.

Testing and Evacuation System

Testing of the Emergency Notification System and evacuation will be done at least once annually. The Tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises and appropriate follow-through activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, the campus emergency response and evacuation procedures will be publicized in conjunction with at least one test per calendar year. Each Test will be documented to include a description of the exercise, the date of the Test, the start and end times of the Test, and whether the Test was announced or unannounced. The California State University Emergency Management policy describes these Tests and defines responsibility for their completion. A copy of the documentation will be provided to the Clery Director.

Security of and Access to Campus Facilities, and Security Considerations for the Maintenance of Campus Facilities

Hayward Campus

Access to campus buildings is restricted during non-business hours. Campus buildings are opened by University custodians on weekdays at approximately 7:00 a.m. and are secured by University police at approximately 11:00 p.m. All campus buildings are secured using a combination of key and electronic card access.

On weekends, buildings are opened and closed by Department personnel for scheduled classes, events and by building pass only. It is the responsibility of each staff and faculty member on campus to ensure that all doors allowing access to their offices, rooms and other areas are secured at the conclusion of their workday. The University Police Department conducts routine patrols and provides assistance as requested.

Within the University Housing and Residence Life buildings, access is restricted. Residents and staff use access cards and keys for entrance into residential communities. Overnight guests are only permitted with an Approved Guests form. Housing policy requires all residents to ensure that all doors allowing access to residential buildings remain closed when not in use. Visitors are only permitted to enter a building with the escort of the host.* Entrance by any other means is not permitted. University Housing allows 24-hour visitation for guests, when an Overnight Guest Request form is submitted and approved at least 72 hours prior to arrival. Licensees may have non-Licensee overnight guests stay in Licensee's room for up to three nights total per semester. Housing live-in staff conducts community rounds of the University Housing and Residence buildings on a daily basis. Students and staff are required to complete a LiveScan prior to employment. Surveillance cameras are available through Housing facilities to monitor community areas and frequent passageways. Camera footage is accessible by the University Police Department and the Housing staff as needed.

*Visitation rights were suspended during the academic year 2020-2021 due to COVID concerns. No external visitors were permitted for short term or overnight during this time. Likewise, the University Village residential community was completely vacated during this period and increased security was provided through private security and support by the University Police Department. Physical security improvements were also added to the property, including new window barricades.

Campus facilities and grounds are frequently inspected by various entities, such as Facilities Development and Operations, Risk Management and Internal Control, and Environmental Health and Safety. Safety walks are frequently held to identify security concerns, such as broken lighting in parking areas and pathways, trip hazards, excessive shrubbery, etc. Any security concerns are promptly reported to Facilities Development & Operations for corrective actions. Environmental Health and Safety is responsible for and conducts facility safety inspections throughout the year, including but not limited to egress and evacuation routes and lighting in stairwells, hallways, and related public circulation areas. Emergency call boxes are regularly inspected and maintained. UPD conducts patrols 24 hours a day, 7 days a week of all campus grounds, buildings, roadways, pathways, parking facilities, and lots.

Concord Center

Access to buildings is restricted during non-business hours. Buildings are opened by the custodial staff on weekdays at approximately 7:00 a.m. and are secured at approximately 11:00 p.m. On Fridays and Saturdays, buildings are both opened and closed by custodial staff for scheduled classes, events and by building pass only. It is the responsibility of each staff and faculty member on campus to ensure that all doors allowing access to their offices, rooms and other areas are secured at the conclusion of their workday. The center is closed on Sundays. The University Police Department will provide assistance as requested from Monday through Thursday only.

Oakland Center

University classrooms are open during standard business hours, Monday through Friday from 8:00 a.m. – 5:00 p.m. Contingent on course scheduling, the Oakland Center is often open Monday through Friday evenings until 10:00 p.m. The Center is also typically open on Saturdays from 8:00 a.m. to 5:00 p.m., contingent on extended education class meeting patterns. There are occasional instances in which the Center is open on Sundays. University classrooms are opened by administrative staff and student assistants. There are no University Police services available at this location. Staff are available on site at the welcome desk during normal business hours. General building security is available from the kiosk in the lobby across from the Oakland Center or they can be called at 510-839-5078. Police services for the Oakland Center are provided by the Oakland Police Department, which can be reached at 510-777-3333 or dial 911.

Systemwide Law Enforcement Policy, Law Enforcement Authority

Persons employed and compensated as members of a California State University police department, when so appointed and duly sworn, are peace officers. However, such peace officers shall not exercise their powers or authority¹ except (a) at the headquarters or upon any campus of the California State University and in an area within one mile of the exterior boundaries of each campus or the headquarters, and in or about other grounds or properties owned, operated, controlled, or administered by the California State University, or by trustees or the state on behalf of the California State University, and (b) as provided in Section 830.2 of the Penal Code.

The arrest authority outside the jurisdiction of the CSU Police Department includes (Penal Code § 830.2(c); Penal Code § 836):

- a. When the officer has probable cause to believe the person committed a felony.

¹ Including the authority to make arrests

- b. When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to the person or property or of escape.
- c. When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to the person or property or of escape or the arrest is mandated by statute.
- d. When authorized by a cross-jurisdictional agreement with the jurisdiction in which the arrest is made.
- e. In compliance with an arrest warrant.

On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed within the State, or while assisting another agency.

On-duty officers who discover criminal activity outside the jurisdiction of the State should when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

California State University encourages accurate and prompt reporting of crime. All members of the Campus community are encouraged to promptly contact the UPD and/or other appropriate police agencies when they have been the victim of or have witnessed criminal actions, including when the victim of crime elects to or is unable to make such a report.

As a State Agency, the University Police Department shares law enforcement information with all the law enforcement agencies in California including the California Highway Patrol (CHP) and California Department of Corrections and Rehabilitation. The University Police Department maintains a close working relationship with surrounding law enforcement agencies through mutual aid agreements that include addressing investigations of alleged criminal offenses.

Hayward Campus

At the Hayward Campus, the primary jurisdiction of the University Police Department is the campus and a radius of about 1 mile beyond the campus borders. By a written memorandum of understanding (MOU) with the City of Hayward, university police officers may also enforce and investigate federal, state, and local laws within the City of Hayward. The Hayward Police Department is notified whenever a Part 1 violent crime occurs on campus.

Concord Center

At the Concord Center, the primary jurisdiction of the University Police Department is the campus and a radius of 1 mile beyond campus borders. By a written memorandum of understanding (MOU) with the City of Concord, our police officers may also enforce and investigate federal, state, and local laws within the City of Concord. The Concord Police Department is notified whenever a Part 1 violent crime occurs on campus.

Oakland Center

The Oakland Center is completely within the jurisdiction of the Oakland Police Department.

Security Awareness and Crime Prevention Programs

CSUEB stresses the importance of campus safety through a variety of means. Various departments coordinate and administer programs available to members of the campus community and encourage students and employees to be responsible for their personal safety and the safety of others. Below is a list of programs offered:

- The University Police Department offers several trainings that encourage students and employees to be responsible for their own personal safety and the safety of others. The Violent Intruder Training is offered annually and throughout the year upon request. University Police personnel provide training on “what to do” during an active intruder incident. The training assists attendees in learning how to take active steps to protect themselves during an emergency. Attendees are shown a “Run, Hide, Fight” video and are taught how to make an action plan that will be reviewed by police personnel.
- Human Resources - new employee orientations are offered monthly for new employees. Various departments present policies and procedures to new employees. Risk Management discusses injury and illness prevention. All new employees are required to take the “Gender Equity and Title IX” training.
- University Housing & Residence Life Student Staff - The Residential Life professional staff and student staff, such as Resident Assistants, Graduate Assistants, and Themed Community Assistants are provided annual training regarding safety and crisis response to the residential community. These employees are considered mandated reporters and offered voluntary training. Emergency training topics may include fire, earthquake, active shooter, medical transport, students in crisis, and more. In addition, residents are provided self-guided learning through emails and websites, and a fire drill during each semester. To ensure the safety of all on-campus residents, University Housing premises are held to university conduct policies as outlined in CSUEB Code of Conduct, as well as additional University Housing & Residence Life policies.
- All Community Service Officers, Student Service Officers and full-time employees from the Parking & Transportation Department are encouraged to take the Active Shooter Training offered by UPD annually. Because of the nature of the work in the Parking & Transportation department (i.e., issuing tickets in the lots, assisting with jump starts, providing escorts, opening/closing buildings). In addition, all employees are trained to immediately report anything suspicious or out of the ordinary to their supervisor or University Police.
- International Programs covers Health & Safety topics during Pre-Departure Orientation programs for students who will participate in Study Abroad throughout the year, as needed. (Risk Management, SHCS/CAPs as well as study abroad alumni are also invited).
- The Title IX Office offers several trainings that encourage students and employees to be responsible bystanders and encourages reporting sexual assault, sexual misconduct, dating, and domestic violence, stalking, sexual harassment, and sexual exploitation when they experience themselves or when they see happening to other pioneers. The training is offered annually online. The Title IX Office also offers in-person trainings for small groups of students like international students and athletic teams as needed and when requested. The Title IX Office also heads up the “You Are Not Alone” ad campaign on campus that uses a QR code to get students to the Title IX webpage easily. The Title IX Office also plans events around SAAM or Sexual

Assault Awareness Month such as Talk About Consent Raffle, 4/26 Denim Day, and informational tabling throughout the month.

Monitoring and Recording Crime Activity at Noncampus Locations of Student Organizations

The University does not have any non-campus properties that are owned or controlled by officially recognized student organizations and therefore does not require monitoring or recording of criminal activity by students at this type of location, nor does such a policy for this exist.

Possession, Use, Sale and Enforcement of Federal and State Alcohol and Drug laws

California State University, East Bay complies with the Drug-Free Schools and Communities Act Amendments of 1989 and the Higher Education Act section 1213 in its implementation of the Drug and Alcohol Abuse Prevention Plan (DAAPP). The University is committed to creating and maintaining a safe and healthy learning environment for all members of the campus community. In keeping with this commitment, the University prohibits the illegal use, sale and/or abuse of alcohol and other drugs, intoxication, and any resulting misconduct. The University Police Department (UPD) enforces Business and Professions (B&P) code BP 2556 for underage drinking. The possession and/or consumption of alcoholic beverages by anyone under 21 years of age is prohibited at any time on campus and is enforced. UPD also enforces California Penal Code (PC) PC 23140 for drivers under the age of 21 for driving while intoxicated. The University Police Department also enforces all California and federal laws regarding the possession, use and sale of illegal drugs. Any person found to be in violation of these laws may be arrested and transported to jail or arrested and cited out with a notice to appear in court.

- The sale of alcoholic beverages is not permitted on campus, with the exception of the sale of beer and/or wine conducted in accordance with applicable campus regulations.
- Alcoholic beverages may be served to persons 21 years of age or older on special occasions with prior approval.
- Non-alcoholic beverages and food that are appropriate to the nature, size, time of day, and duration of the event on campus must be served at all events where alcoholic beverages are served.
- Alcohol drinking contests are prohibited on campus.
- In cases where an individual becomes intoxicated, event sponsors will immediately alert the University Police Department to intervene to prevent the individual from driving.
- The sale of alcohol on campus or university sponsored facilities is limited to beer and wine. Exceptions may be granted to faculty, staff, off-campus groups and auxiliary organizations upon approval of the Vice President, Administration and Finance/CFO.
- The Office of Student Conduct, Rights & Responsibilities, in collaboration with University Housing and Residence Life, and Recreation & Wellness offers educational sanctions, known as AOD classes, for students who have been found responsible in incidents related to alcohol or other drugs.

A description of drug and alcohol abuse education programs required by the Drug-Free Schools and Communities Act (DFSCA) including standards of conduct, applicable legal sanctions, associated health risks, available treatment and support programs and discipline and sanctions can be found at: <https://www.csueastbay.edu/atod/drug-alcohol-abuse-prevention-plan.html>

Sexual Violence Prevention

The California State University (CSU) promotes a safe living, learning, and working environment through systemwide policies and through a variety of campus educational programs provided to students, faculty, and staff. The CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, and provides programs to prevent, educate, and promote awareness of these topics, in accordance with the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Nondiscrimination Policy”). These prohibited behaviors are also crimes as defined by 34 C.F.R. §668.46, and California criminal definitions.

The CSU provides comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to stop dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking before they occur through the promotion of behaviors that foster healthy relationships, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The CSU’s prevention programs and initiatives are sustained over time and focus on increasing awareness and understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, using a range of strategies with audiences throughout the CSU community. This includes both community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, reduce perpetration, promote safety and a culture of respect.

Campus programs must include primary prevention and awareness training: (1) for all new Students²; and new Employees; (2) refresher programs at least annually for all Students; (3) twice a year for all Students who serve as advisors in residence halls; (4) annually for all Student members of fraternities and sororities; (5) annually for all Student athletes and coaches; and (6) annually for all Employees consistent with their role in responding to and reporting incidents. Ongoing prevention and awareness campaigns for all Students and Employees will also be conducted. The CSU system will provide online training for all Employees and each campus will provide online training for all Students. All training must be consistent with the applicable CSU policy and state and federal regulations.

Each campus must assess which student organizations participate in activities that may place Students at risk and ensure that they receive annual supplemental training focused on situations the group’s members may encounter.

To ensure that all Students receive the necessary information and training enumerated above on dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking,

² This includes incoming transfer, graduate, online, and extended education Students. The programs should occur no later than the first few weeks of the semester.

campuses should impose consequences such as registration holds on those Students who do not participate in and complete such mandatory training.

Training for Employees

Training will be mandatory for all employees within six months of their initial hiring, and on an annual basis thereafter. Such training will include, but not be limited to: what constitutes discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking under applicable law; the rights and responsibilities of each Employee relating to discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking including the duty to report and exceptions; the protection against retaliation for Employees who report discrimination, harassment, retaliation, sexual misconduct, dating and domestic violence, sexual exploitation and stalking; the procedures provided under the CSU Nondiscrimination Policy for filing, investigating and resolving a complaint; and the option and method for filing complaints with external government agencies such as the Department of Fair Employment and Housing (DFEH) and the Equal Employment Opportunity Commission (EEOC).

Under Cal. Govt. Code § 12950.1, each campus shall provide supervisory Employees at least two hours of interactive sexual harassment training within six months of the Employee's assignment to a supervisory position and every two years thereafter. Each campus shall maintain documentation of the delivery and completion of these trainings. For detailed guidance regarding the definition of "supervisor" and the implementation of this training, campuses shall consult Coded Memoranda HR 2005-35 and other applicable policies.

Prevention and Awareness Programming

California State University campuses provide primary prevention programs to all incoming students and new employees. California State University campuses provide ongoing prevention programs to all students and employees during their time at the institution. To comply with CSU Policy and 34 C.F.R. §668.46., campus-specific programs to prevent dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking will include:

1. A statement that the CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking as defined under CSU policy and 34 C.F.R. §668.46.
2. The definitions of "dating violence," "domestic violence," "sexual assault," and "stalking" in the applicable jurisdiction, California (California Penal Code) and the definitions under CSU policy (to also include the CSU policy definition of "sexual exploitation").
3. The definition of "consent," in reference to sexual activity, in the applicable jurisdiction, California (California Penal Code), and the definition of "affirmative consent" under CSU policy.
4. Common facts and myths about the causes of sexual misconduct/sexual assault.

8. Information about reporting, adjudication, and disciplinary procedures as required by 34 C.F.R. §668.46 and as described in the procedures under the CSU Nondiscrimination Policy.

Information About Campus Reporting, Adjudication, and Discipline Procedures

Campus training programs will reference the procedures outlined in the CSU Nondiscrimination Policy that victims/survivors may follow if an incident of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking has occurred. Training programs will also reference information about preserving evidence, reporting to the appropriate authorities, confidentiality options, available protective and supportive measures.

Campuses apply the relevant CSU policy and procedures when responding to all reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Campuses shall establish processes to provide a print and/or digital copy of the "Rights and Options for Victims" as outlined in the CSU Nondiscrimination Policy to any community member who reports experiencing such harm, regardless of whether the incident occurred on or off campus.

Campus training programs regarding the procedures for reporting and addressing reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking will include the following:

- A statement explaining that the campus' primary concern is the safety of members of the campus community; that the use of alcohol or drugs never makes the victim/survivor at fault for sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking should not be deterred from reporting incidents out of a concern that they might be disciplined for related violations of drug, alcohol, or other CSU policies; and that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking shall not be subject to discipline for related violations of conduct policies at or near the time of the misconduct unless the violation is egregious (including actions that place the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.)
- A statement that "CSU policy prohibits retaliation against a person who: reports sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; assists someone with a report of such conduct; or participates in any manner in a related investigation or resolution.
 - Retaliation means that a substantial motivating reason for an Adverse Action taken against a person was because the person has or is believed to have:
 - Exercised their rights under this policy,
 - Reported or opposed conduct which was reasonably and in good faith believed to be in violation of this policy,
 - Assisted or participated in an investigation/proceeding under this policy, regardless of whether the Complaint was substantiated,
 - Assisted someone in reporting or opposing a violation of this policy or assisted someone in reporting or opposing Retaliation under this policy.
 - Adverse Action means an action engaged in by the Respondent that has a substantial and material adverse effect on the Complainant's ability to participate in a university program, activity, or employment. Minor or trivial actions or conduct not reasonably likely to do more than anger or upset a Complainant does not constitute an Adverse Action.
 - Retaliation may occur whether or not there is a power or authority differential between the individuals involved.

- What someone should do if they have experienced or witnessed sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- Individuals to whom incidents may be reported along with information regarding what degree of confidentiality may be maintained by those individuals.
- The availability of, and contact information for, campus and community resources for victims/survivors of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- A description of campus and systemwide policies and disciplinary procedures available for addressing alleged violations and the consequences of violating these policies, including the fact that such proceedings shall:
 - Provide a prompt, fair, and impartial investigation and resolution; and,
 - Be conducted by officials who receive annual training on issues related to sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking and how to conduct an investigation and hearing process that protects the safety of victims/survivors and promotes accountability.
- The fact that the Complainant and the Respondent will be afforded the same opportunities to have others present during a disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the Advisor of their choice.
- The fact that both the Complainant and the Respondent shall be simultaneously informed in writing of:
 - The outcome of any disciplinary proceedings that arises from an allegation of a sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
 - The CSU's procedures for the Complainant or Respondent to appeal the results of the disciplinary proceeding.
 - Any change to the disciplinary results that occurs prior to the time such results become final.
 - When disciplinary results become final.
- Possible sanctions or remedies the campus may impose following the final determination of a campus disciplinary procedure regarding sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- How the campus will protect the confidentiality of Complainants, including how publicly available recordkeeping (e.g., campus Clery reports) will be accomplished without the inclusion of identifying information about the Complainant to the extent permissible by law.
- That all students and employees must receive written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims/survivors, both on campus and in the community.³
- That all students and employees who report being a victim/survivor of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking must receive written notification of available assistance in, and how to request changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim/survivor chooses to report the incident to campus police or local law enforcement.

³ California State University, East Bay complies with this requirement by providing this information to the campus community in writing each year through CSULearn assignment.

- Procedures victims/survivors are recommended to follow if sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking has occurred, as well as the fact that the following written information must be provided to victims:
 - The importance of preserving evidence following an incident of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking, which may also be used to obtain a temporary restraining or other protective order.
 - The name and contact information of the campus Employee(s) to whom the alleged incident should be reported.
 - Reporting to law enforcement and campus authorities, including the option to: (a) notify law enforcement authorities, including on-campus and local police; (b) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and, (c) decline to notify such authorities.
 - Where applicable, the rights of victims/survivors and the campus' responsibilities regarding orders of protection, no contact directives, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

Risk Reduction

The CSU provides community members with information and strategies for risk reduction designed to decrease perpetration, promote bystander intervention and healthy relationships, empower marginalized voices, and support victims/survivors. Information and strategies for risk reduction help promote safety and help individuals and communities address conditions that facilitate violence.

Sexual Misconduct/Sexual Assault

The CSU is committed to maintaining a safe campus for all members of the CSU community. Risk reduction strategies are focused on creating a culture of respect, reducing the risk for perpetration and for victimization. It is important to emphasize that only those who engage in sexual misconduct/sexual assault, dating violence, domestic violence, sexual exploitation, and stalking are responsible for those actions. With this in mind, the following tips provide some possible strategies to help promote a caring community and mitigate personal risk.

- Communication is key to healthy relationships and healthy sexual interactions. Obtain Affirmative Consent from your partner for all sexual activity.
 - Affirmative Consent means an informed, affirmative, conscious, voluntary, and mutual agreement to engage in sexual activity.
 - Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.
 - Affirmative Consent can be withdrawn or revoked at any time.
 - Affirmative Consent to sexual activity in the past does not mean consent in future – there must be voluntary consent for all sexual activity.
 - Lack of protest, resistance, or mere silence does not equal Affirmative Consent.
 - Sexual activity between a minor (a person younger than 18 years old) and a person who is at least 18 and two years older than the minor always constitutes Sexual Misconduct, even if there is Affirmative Consent to all sexual activity.
- Do not engage in sexual activity with someone who is incapacitated.
 - A person who is incapacitated by alcohol or drugs cannot give Affirmative Consent.
 - A person who is unconscious or asleep cannot give Affirmative Consent.

- A person's own intoxication or incapacitation does not diminish their responsibility to obtain Affirmative Consent from any person with whom they engage in sexual activity.
- Signs that someone does not respect the importance of consent:
 - They pressure or guilt you into doing things you may not want to do.
 - They suggest you "owe" them something (including sexual acts) because you're dating or because they have done or claim to have done something for you.
 - They react negatively with sadness, anger, or resentment if you don't consent to something or don't do so immediately

Dating/Domestic Violence

Common signs of abusive behavior in a relationship

According to the National Domestic Violence Hotline, one feature shared by most abusive relationships is that an abusive partner tries to establish or gain power and control through many different methods, at different moments. Even one or two of the following behaviors is a red flag that a partner may be abusive.

- Showing extreme jealousy of friends or time spent away from a partner.
- Preventing or discouraging one's partner from spending time with friends, family members, or peers.
- Insulting, demeaning, or shaming a partner, especially in front of other people.
- Preventing one's partner from making their own decisions about working or attending school.
- Controlling finances in the household without discussion, including taking a partner's money or refusing to provide money for necessary expenses.
- Pressuring one's partner to have sex or perform sexual acts they are not comfortable with.
- Pressuring a partner to use drugs or alcohol.
- Threatening to harm or take away a partner's children or pets.
- Intimidating one's partner with weapons
- Destroying a partner's belongings or home

If you notice warning signs in your relationship or that of someone you care about, remember there are support resources available on your campus, including individuals with whom you can speak confidentially and who can assist you with making a safety plan. A good starting place for a list of resources is your campus Title IX webpage. You can also contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

Abusive behaviors can be difficult to recognize in a relationship, even if you are the one engaging in them. In addition to some of the common signs of abusive behavior outlined above, ask yourself if your partner:

- Seems nervous around you,
- Seems afraid of you,
- Flinches, cringes, or retreats when you are emotional,
- Seems scared, or unable to contradict you or speak up around you, and/or
- Restricts their own interactions with friends, family, coworkers, or others in order to avoid upsetting you

If you recognize the behaviors above in yourself, or in how your partner reacts, these could be signs that you are hurting them. This can be a difficult realization to come to but it's vital that you do so if you want to change and stop harming your partner. By acknowledging that your actions are harmful and taking responsibility for them, you can continue to progress on the path toward correcting them.

You could consider contacting the psychological counseling center on your campus to speak with a counselor confidentially, or you could contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

Stalking

Respecting boundaries

If someone tells you that they do not want you to contact them or do something like visit their home or send them gifts, or if they have stopped interacting with you, respect their choice. Everyone has the right to set boundaries.

Recognizing stalking behaviors

A person who engages in stalking may:

- Repeatedly call or send other unwanted communication such as text messages, emails, social media messages, letters, etc.
- Follow the person and seem to “show up” wherever they are.
- Send unwanted gifts.
- Damage home, car, or other property.
- Monitor phone calls or computer use.
- Drive or linger near the home, school, or work of the person they are stalking.
- Use other people to try and communicate with the person they are stalking, like children, family, or friends.

[Source: [Victim Connect Resource Center](#)]

Below are some tips from the Stalking Prevention Awareness and Resource Center (SPARC) regarding steps one can take if they are experiencing stalking:

- Trust your instincts – if you/someone feels they are in immediate danger or fear a threat of harm, call 911
- Keep a record or log of each contact with the stalker
- Save evidence when possible, such as emails, text messages, postings on social media, etc.

Know that there are support resources available on each CSU campus, including individuals with whom individuals can speak confidentially and who can assist in making a safety plan and/or seeking a protective order. A good starting place for a list of resources is your campus Title IX webpage.

Bystander Intervention

The California State University and the campuses provide training on safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Bystander

intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Information about bystander intervention is included in a variety of prevention, outreach, and awareness programs across the CSU.

This training encourages employees and students to:

- Notice the Event
- Interpret the Event as a Problem
- Assume Personal Responsibility
- Learn How to Help
- And intervene by utilizing the acronym A.C.T
 - A- Assess the situation.
 - C -Choose your best action.
 - T –Take action you can

CSU Policy Definitions

Definitions of conduct that is prohibited under CSU policy are found in Article VII of the CSU Nondiscrimination Policy. These definitions are applicable in relation to the University's administrative processes and may differ from the criminal law definitions (California) found in Appendix A.

The Title IX Coordinator, University Police Department and victim/survivor advocate on your campus can provide some of these services directly and/or provide you with information about and a referral to these and additional resources on and off campus for support.

Supportive Measures

Supportive Measures are individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent regardless of whether a Formal Complaint is filed. Supportive Measures are designed to restore or preserve equal access to CSU education programs or activities, or the workplace without unreasonably burdening the other Party, including to protect the safety of all Parties or the educational or work environment. Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The Title IX Coordinator/DHR Coordinator is responsible for coordinating the effective implementation of Supportive Measures. Supportive Measures will remain confidential except when it is not possible to maintain confidentiality in order to provide the Supportive Measures.

The following is a list of on-campus and off-campus resources that offer a variety of services in the areas of victim advocacy, counseling, health, mental health, legal assistance, visa and immigration assistance, student financial aid and other areas. Campus advocates can help provide information about and referral to any of these resources if requested. Regardless of whether a victim/survivor decides to maintain confidentiality, these individuals will still assist victims/survivors in receiving other necessary protection and support, such as victim advocacy, medical, mental health services, and/or legal services. However, these individuals may have limited ability to assist a victim/survivor with university academic support or accommodations, or changes to university-based living or working schedules, as such accommodations likely require the involvement of other University officials.

Reporting Options

Reporting to University Administration

Complaints of discrimination, harassment, sexual misconduct and sexual assault, dating and domestic violence, sexual exploitation, and stalking may be addressed through the University administrative process⁴. A complainant or reporting party can report an incident to the University by contacting the Title IX Coordinator on their campus. A complainant has the right to have a support person present with them while making a complaint.

The University will protect the privacy of everyone involved in a report to the greatest degree possible under applicable law and University policy. Personally identifiable information about the involved parties will be shared only on a need-to-know basis, e.g., to those who are investigating/adjudicating the report or those involved in providing support services. By only sharing personally identifiable information with individuals on a need-to-know basis, the University will maintain as confidential any supportive measures and remedies provided to the parties, to the extent that maintaining such confidentiality would not impair the ability of the University to provide supportive measures and remedies.

The CSU does not publish the name of victims/survivors or other identifiable information regarding victims/survivors in the Daily Crime Log or in the crime statistics that are disclosed in the *Annual Security and Fire Safety Report*. Furthermore, if a Timely Warning is issued on the basis of a report of sexual assault, dating violence, domestic violence, sexual exploitation, or stalking, the name of and other personally identifiable information about the victim/survivor will be withheld.

The importance of preserving evidence

Victims/survivors are encouraged to preserve all physical evidence, including but not limited to: clothing worn during the assault, bed sheets, and/or photos of any injuries. This evidence may be helpful in proving that a crime occurred, in the event the victim/survivor chooses to report now or in the future. It may also be helpful in obtaining a court-ordered protective or restraining order. If a victim/survivor does not have any evidence preserved, they still have an option to report the crime and request a medical evidentiary examination.

Victims/survivors of sexual misconduct, sexual assault, sexual exploitation, stalking, dating violence and domestic violence are also encouraged to preserve evidence by saving text messages, instant messages, social networking pages, other communications, pictures, logs or other copies of documents that may be useful to University investigators or police should the victim/survivor decide to report now or in the future.

Reporting to law enforcement and making a criminal report

Some forms of misconduct prohibited under the Nondiscrimination Policy may also be prohibited by law. You have a right to be informed of law enforcement options and information regarding the availability of a criminal or civil prosecution for victims of crime.

⁴ See page # 43

It is a victim's/survivor's choice to report a crime. You have the right to report or decline to report an incident to law enforcement. You have the right to not be forced, coerced, or pressured into reporting to law enforcement.

A victim/survivor may report an incident to law enforcement at any time. In the event of an emergency where immediate assistance is required, a victim/survivor should dial 9-1-1 to be connected with the nearest police department. If there is no emergency, victims/survivors can file a police report at any time in the jurisdiction where the assault occurred. A confidential victim advocate can assist the victim/survivor in filing the report if requested.

Victims/survivors of crimes such as sexual assault, sexual exploitation, stalking, dating violence, domestic violence, abuse, threats of abuse and/or serious harassment all have a right to petition the court in the appropriate jurisdiction for a protective order (also referred to as a restraining order).

Your Campus Advocate, University Police Department and Title IX Coordinator are all able to provide you with more information about pursuing criminal prosecution, civil prosecution and/or protective orders. A victim/survivor of specific offenses [enumerated in California Government Code 7923.615(b)(1)] has the right to request to be listed as a confidential victim in a law enforcement agency's report. Being listed as a confidential victim in a law enforcement agency's report prevents the law enforcement agency from disclosing the confidential victim's name and address as a matter of public record. However, the confidential victim's information can be released to the prosecutor, parole officers of the Department of Corrections and Rehabilitation, hearing officers of the parole authority, probation officers of county probation departments, or other persons or public agencies where authorized or required by law. Please see California Penal Code section 293 for more information.

Protective Orders

Civil reporting options & protective orders

A victim/survivor may choose to file a civil lawsuit against the alleged offender, whether or not criminal charges have been filed. A civil lawsuit provides an opportunity to recover actual money damages, which may include compensation for medical expenses, lost wages, pain, suffering and emotional distress. An Advocate can assist a victim/survivor with identifying the necessary steps and processes for filing a lawsuit if requested.

Court-Ordered Restraining Orders

A victim/survivor may choose to obtain a restraining order (such as a domestic violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can help protect a victim/survivor who has experienced or is reasonably in fear of physical violence, sexual violence, domestic violence, dating violence and stalking.

Emergency Protective Order (EPO)

An Emergency Protective Order (EPO) is a type of restraining order that only law enforcement can ask for by calling a judge. Typically, this is done by an officer responding to the scene of a domestic violence incident. Judges are available to issue EPOs 24 hours a day. The EPO takes effect immediately and can

last up to seven calendar days. The judge can order the alleged abuser to leave the domicile and stay away from the victim and their children for up to a week. This provides the victim with time to go to court to request a temporary restraining order.

Temporary Domestic Violence Restraining Order (TRO)

A TRO is a type of protective order. In order to obtain one, the victim/survivor must fill out paperwork explaining the facts and why a protective order is needed. If a judge agrees that protection is needed, the judge will issue a temporary restraining order. Temporary restraining orders usually last until the court hearing date, typically 20 to 25 days after the petition is filed.

Criminal Protective Order (CPO)

When there is a claim that a domestic violence incident occurred, a criminal charge (or charges) may be filed by a prosecutor (such as the City Attorney or District Attorney) against the person who allegedly committed the criminal act. The prosecutor commonly asks a judge to issue a Criminal Protective Order while the criminal case proceeds. A CPO typically requires the defendant (the person who allegedly committed the criminal act) to stay away from and not to hurt, threaten, or communicate with the victim/accuser. If the defendant is convicted of or pleads guilty to the criminal charge(s), the CPO may last for up to ten years after the case is over.

Civil Harassment Restraining Order

This type of court order is available to individuals who have been harassed by any of the following: a neighbor, roommate (as long as no dating/romantic relationship existed or exists), friend, family member more than two degrees removed (e.g., an aunt/uncle, niece/nephew, cousin, or more distant relative), stranger, or another person not closely related to the victim of the harassment.

An individual who has been civilly harassed by a current or former spouse/partner, or someone with whom a dating/romantic relationship existed, or a close relative (parent, child, brother, sister, grandmother, grandfather, in-law) may qualify for a domestic violence restraining order but would not qualify for a civil harassment restraining order.

The CSU, Restraining Orders and Protective Orders

The CSU complies with California law in recognizing restraining orders and protective orders. If you obtain a restraining order, a copy should be provided to your campus Police Department. In order to comply with the restraining order, Title IX Coordinators, DHR Administrators, Advocates and/or the University Police Department on your campus may assist with setting up escorts, establishing special parking arrangements, changing classroom or employment locations, or additional measures as needed. Victim/Survivor Advocates on your campus can offer assistance with obtaining a restraining order.

Disciplinary Procedures

Disciplinary procedures for sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking will provide a prompt, fair, and impartial process and resolution, outlined in the following excerpts from the [CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation \("the Policy"\)](#). As required by law, the excerpts in this Annual Security Report capture the steps, decisionmakers, and

anticipated timelines for both formal and informal resolution processes, as applicable. For details beyond the steps, decisionmakers, and anticipated timelines, please see the policy.

The campus Title IX Coordinator is the designated administrator to receive reports of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and associated Retaliation.

Cal State East Bay's Title IX Coordinator is Terri La Beaux and she can be contacted by phone and/or email at: (510) 885-4918 and title9@csueastbay.edu to file a disciplinary complaint. A complaint can also be entered online through [Cal State East Bay's Title IX and Discrimination, Harassment, and Retaliation Incident Reporting Form](#).

Complaints against a Chancellor's Office employee, or a campus Title IX Coordinator/ Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator") will be made to the Chancellor's Office at eo-wbappeals@calstate.edu.⁵

The campus will respond in a timely and appropriate manner to all Complaints and will take appropriate action to prevent continuation of and correct Policy violations.

After receiving a report, the Title IX Coordinator will assess the report and provide outreach to the possible Complainant named in the report. This outreach will include the following:

- a. A statement that the campus has received a report of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, or Retaliation.
- b. A description of the role of the Title IX Coordinator/DHR Administrator.
- c. Information regarding counseling and other support resources.
- d. A statement regarding the importance of preserving evidence.
- e. A statement that the Complainant may, but is not required to, report to law enforcement any allegations that could constitute criminal behavior.
- f. A request for the Complainant to meet with the Title IX Coordinator/DHR Administrator, or other designated employee, to discuss the Complainant's options and next steps.
- g. A statement that the Complainant can be accompanied by an Advisor of their choice during any meeting relating to the report and any subsequent Complaint process.
- h. Information regarding potential Supportive Measures, where applicable.
- i. A brief summary of the investigation procedures.
- j. An explanation of how the campus responds to reports of Nondiscrimination Policy violations and a description of potential disciplinary consequences.

⁵ Complaints against a President should be made to the Chancellor's Office, but only if it is alleged that the president directly engaged in conduct that violates the Policy. Any other Complaints against a president (for example, that the president had no substantial involvement other than to rely on or approve a recommendation made by another administrator) will be made to and addressed by the campus.

- k. A statement that retaliation for making a Complaint or participating in a Complaint process is prohibited by the Nondiscrimination Policy.

Along with the information regarding potential in the outreach communication, the Title IX Coordinator will provide Complainants alleging Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, or Stalking, with the information in Attachment D - Rights and Options for Victims of Sexual Misconduct/Sexual Assault, Sexual Exploitation, Dating and Domestic Violence, And Stalking. The Title IX Coordinator will describe and offer Supportive Measures to Complainants during the initial assessment (even if the Complaint is ultimately not investigated).

The Title IX Coordinator will make reasonable efforts to ensure that anyone involved in conducting investigations, finding facts, and making disciplinary decisions in a matter will be impartial, neutral, and free from actual Conflicts of Interest.

All persons involved in implementing these procedures (e.g., the campus Title IX Coordinator and any Deputy Title IX Coordinator(s), Investigators, Human Resource Directors and Hearing Officers presiding over hearings) shall have relevant annual training on issues related to Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. Such annual training shall include the CSU complaint processes, as well as the handling, investigation, and analysis of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. The annual training shall also address applicable confidentiality issues, especially with respect to the Title IX Coordinator's duty to weigh any victim's request for confidentiality against the duty to provide a safe and nondiscriminatory environment for all members of the campus community. For matters involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking, the training shall also include how to conduct an investigation and hearing process that protects the safety of the person(s) involved and promotes accountability.

The Complainant and Respondent may choose to be accompanied by an Advisor of their choice during meetings or any stage of the Complaint process. The Parties also have the right to consult with an attorney, at their own expense, or a union representative at any stage of the process if they wish to do so. An attorney or union representative may serve as a Party's chosen Advisor. The unavailability of a specific Advisor will not unduly interfere with prompt scheduling.

Applicable Procedures

The campus will investigate or otherwise respond to reports of alleged misconduct committed by a student in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against a Student ("Student Respondent Procedures") if the alleged misconduct violates the Policy and:

- occurred on campus; or
 - involved or impacted a campus program or activity (including campus employment); or
 - affected a student's or Employee's ability to participate in a program, activity, or employment;
- AND
- The alleged misconduct was committed by a person who at the time of the alleged misconduct was a student.

The campus will investigate or otherwise respond to reports of alleged misconduct committed by an Employee or Third-Party in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party (“Employee or Third-Party Respondent Procedures”) if the alleged misconduct violates the Policy and:

- occurred on campus; or
 - involved or impacted a campus program or activity (including campus employment); or
 - affected a student's or Employee's ability to participate in a program, activity, or employment;
- AND
- The alleged misconduct was committed against a person who at the time of the alleged misconduct was a student, or the alleged misconduct was committed by or against an Employee.

Depending on the circumstances, the campus response may or may not include a formal investigation. When a Complainant requests that no investigation occur, the Title IX Coordinator will balance the request against the campus' duty to provide a safe and nondiscriminatory environment for all members of the campus community.

The Track System

There are three possible sets of procedures ("tracks") for formal resolution of Complaints against a Student⁶(Track 1, Track 2, Track 3) as required by federal and state law. There are two sets of procedures ("Tracks") for formal resolution of Complaints against an Employee or a Third-Party (Track 1 or Track 3) as required by federal and state law. The remaining track, track 2: State Mandated Hearing Process, is not applicable to Complaints against Employees or Third-Parties, as it applies only to certain Complaints against Students. Which procedure applies to any given Complaint will depend on a variety of factors described below. Questions about which procedures apply to any specific case should be directed to the campus Title IX Coordinator and/or the Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator").

Prior to a Notice of Investigation being sent to the Complainant and the Respondent, the Title IX Coordinator/DHR Administrator will determine which Track applies.

- Track 1 applies when the alleged conduct:
 - Meets the definition of Sexual Harassment as defined in Article VII.C of the Policy; and
 - Occurred in the United States; and
 - Occurred in an education program or activity at the university, as defined in Track 1
- Track 2 applies when:
 - The Complaint is against a student; and
 - The Complaint is one of Sexual Misconduct, Dating Violence, or Domestic Violence; and
 - The credibility of one (or both) of the Complainant and the Respondent ("the Parties"), or any witness is central to the determination as to whether the student violated the policy; and

⁶ A Complaint against a Student-Employee where the alleged conduct arose out of the Respondent's status as an Employee and not their status as a student, should be made using the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party.

- The student is facing a severe disciplinary sanction (expulsion or suspension) if found to be in violation of university Policy.
- Track 3 applies to all other Complaints under these procedures that allege a Policy violation.

Under Track 1 or 2, the campus will conduct an investigation, and the Complaint will proceed to a hearing unless otherwise resolved. An Investigator will first interview the Complainant, the Respondent, and any witnesses, and gather any documentary evidence. The hearing will occur once an investigation has finished. During the hearing, a hearing officer listens to the witnesses, including the Complainant and the Respondent, and analyzes the evidence, before deciding whether or not the Respondent violated the Policy.

Under Track 3, an Investigator interviews the Complainant, the Respondent, and any witnesses, gathers any documentary evidence, analyzes the evidence, and decides whether or not the Respondent violated the Policy. There is no hearing in Track 3 cases.

Standard of Evidence

The Preponderance of the Evidence based on the facts available at the time of the decision is the standard for demonstrating facts and reaching conclusions in an investigation and hearing that uses the Procedures. Preponderance of the Evidence means the greater weight of the evidence; i.e., that the evidence on one side outweighs, preponderates over, or is more than, the evidence on the other side.

Dismissal/Referral

When the Title IX Coordinator receives a Formal Complaint under Track 1, or where new information or events arise under this Track, the Title IX Coordinator will assess whether the Formal Complaint meets the requirements of the Federal Regulations to move forward under the process under Track 1. A determination that allegations in a Formal Complaint do not meet the requirements of the Federal Regulations will result in a mandatory dismissal of the allegations in the Formal Complaint that do not meet the requirements and, in some cases, a referral of the allegations to another process as the campus may have an obligation to address the matter under other laws and policies. The Title IX Coordinator will determine whether allegations in a Formal Complaint must be dismissed for purposes of the Federal Regulations. If a Formal Complaint is dismissed it may still be referred, if appropriate, to be addressed under the processes in Track 2 or Track 3, CSU Executive Order 1098, or other applicable policies.

At any time after a Complaint has been accepted for investigation, it is within the discretion of the Title IX Coordinator/DHR Administrator to dismiss a Complaint, or any part of a Complaint, if the Complainant notifies the Title IX Coordinator/DHR Administrator in writing that they would like to withdraw the Complaint or any part of it, or if the specific circumstances prevent the campus from gathering evidence necessary to reach a determination as to the Complaint or part of the Complaint.⁷

Written notice of dismissal (mandatory or discretionary) and reason(s) for the dismissal will be sent simultaneously to the Parties when a Title IX Coordinator dismisses any Complaint. The notice will inform the Parties of their right to appeal the dismissal, whether the matter will be referred to another process, and the process for submitting an appeal.

⁷ Formal complaints under track 1 may be discretionarily dismissed for the additional reason that the Respondent is no longer a student or Employee

Either Party may appeal from a dismissal of a Complaint or any part of the Complaint. The appeal must be filed within 10 Working Days from the date of the notice of dismissal.

Appeals against a dismissal under Track 1 will be filed with the Chancellor's Office (CO) and will be addressed to:

Systemwide Title IX Unit
Systemwide Human Resources
Office of the Chancellor
TIX-Dismissal-Appeals@calstate.edu

Appeals against a dismissal under Track 2 or Track 3 will be submitted to the Chancellor's Office and will be addressed to:

Equal Opportunity and Whistleblower Compliance Unit
Systemwide Human Resources
Office of the Chancellor
401 Golden Shore
Long Beach, California 90802
eo-wbappeals@calstate.edu

If a Party is unable to file an appeal or a response to an appeal electronically, they should contact the campus Title IX Office for assistance. When an appeal is submitted, the other Party as well as the campus Title IX Coordinator will be notified in writing. In response to the appeal, the other Party will be given 5 Working Days from their receipt of notice of the appeal to submit a written statement in support of or challenging the dismissal. Within 10 Working Days of the CO's receipt of the appeal, the Parties will simultaneously receive (via email) a written decision with explanation.

Informal resolution

The CSU recognizes some Parties may desire resolution of their matter through an Informal Resolution process ("Informal Resolution"), instead of through the formal resolution process (described below). Accordingly, Parties may mutually agree, with the agreement of the Title IX Coordinator, to resolve a Complaint through an Informal Resolution process, instead of undergoing the formal resolution process⁸. The Informal Resolution process is entirely voluntary and will not occur unless both Parties agree in writing to participate in an Informal Resolution process.

The Title IX Coordinator/DHR Administrator will oversee the Informal Resolution process, conduct an initial and on-going assessment as to whether the Informal Resolution process should continue, and make the final determination on all Informal Resolutions facilitated by the Title IX Coordinator or designee regarding whether the terms agreed to by the Parties are appropriate in light of all of the circumstances of the Complaint. In some circumstances, depending on the nature and/or severity of the allegations, an Informal Resolution may not be appropriate, and the Title IX Coordinator/DHR Administrator will not approve an Informal Resolution. Prior to approving an Informal Resolution, the Title IX Coordinator/DHR Administrator will consult with the appropriate administrator in human resources or faculty affairs.⁹

⁸ Track 1, a Formal Complaint must be filed before the informal resolution process may take place and that under Track 1, informal resolution cannot be used to resolve allegations that an employee sexually harassed a student

⁹ For matters involving students, this consultation will be with the student conduct administrator

Prior to engaging in an informal resolution process, the campus will obtain the Parties' voluntary, written consent. Parties who choose to participate in the voluntary Informal Resolution process will be sent a notice of agreement to engage in Informal Resolution. The notice will include the following:

- An explanation that at any time prior to agreeing to a resolution, any Party has the right to withdraw from the Informal Resolution process and resume the investigation process.
- The Parties' right to consult with an Advisor.
- Any resolution must be in writing and signed by both Parties and the Title IX Coordinator/DHR Administrator.
- Once the Informal Resolution process is finalized, neither Party is permitted to file another Complaint arising from the same allegations.

The Informal Resolution process may take place at any time before a determination of responsibility is made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the Informal Resolution process.

Any agreed-upon Remedies and disciplinary sanctions agreed to in an Informal Resolution have the same effect as Remedies given and sanctions imposed following an investigation (and/or hearing), consistent with any applicable collective bargaining agreements.

The terms of any Informal Resolution must be put in writing and signed by the Parties, and the Title IX Coordinator. The resolution will be final and not appealable by either Party.

Investigation and Hearing for Track 1

Supportive Measures

After receiving a report of Sexual Harassment, the Title IX Coordinator will contact the Complainant promptly to discuss the availability of Supportive Measures. The Title IX Coordinator will conduct an intake meeting with any Complainant who responds to outreach communication, or otherwise makes a report of a potential Policy violation to discuss the Complainant's options, explain the process, and provide information about Supportive Measures. During the discussion, the Title IX Coordinator will consider the Complainant's wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without the filing of a Formal Complaint¹⁰, and explain the process for filing a Formal Complaint.

Notice of Allegations

When the Title IX Coordinator receives a Formal Complaint, the Title IX Coordinator will Simultaneously provide both Parties a written notice of allegations. If new allegations are raised during the investigation that were not included in the notice of allegations, a revised notice of allegations will be issued Simultaneously to the Parties. If the notice of allegations also serves as notice of a Respondent's expected attendance at an interview, it will include details of the date, time, location, participants, and purpose of that interview. The notice of allegations must be provided to a Respondent at least 5 Working Days prior to the interview. If a Respondent requests to meet sooner than 5 Working Days after receipt of the notice of allegations, they should verbally confirm at the start of the meeting that they are aware that

¹⁰ Formal Complaint means a document or electronic submission filed by a Complainant that contains the Complainant's physical or digital signature¹⁵ or a document signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting an investigation of the allegation of Sexual Harassment. At the time that the Formal Complaint is filed, a Complainant must be participating in or attempting to participate in an Education Program or Activity of the CSU.

they were provided notice of at least 5 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

Investigation of a Formal Complaint

The Title IX Coordinator will either promptly investigate the Formal Complaint or assign this task to another Investigator. If assigned to another Investigator, the Title IX Coordinator will monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation is sufficient, appropriate, impartial, and in compliance with Track 1.

The investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The investigator will document the steps taken to gather evidence, even when those efforts are not successful.

The Complainant and the Respondent may each elect to be accompanied by an Advisor to any meeting, interview, or proceeding regarding the allegations that are the subject of a Formal Complaint. The advisor may be anyone, including a union representative from the Complainant's or Respondent's collective bargaining unit, an attorney, or, in the case of the Complainant, a Sexual Assault Victim's Advocate. Parties will be provided written notice of the date, time, location, names of participants, and purpose of all meetings and investigative interviews at which their participation is expected. This written notice should be provided with at least 3 Working Days for the Party to prepare to participate in the meeting or interview. This requirement will not apply where a Party themselves requests to meet with the Title IX Coordinator or Investigator or as addressed in Article VI of Track 1.

If a Party requests to meet with the Title IX Coordinator sooner than 3 Working Days after receipt of written notice of an investigative interview or meeting, they should verbally confirm at the start of the interview or meeting that they are aware that they were provided notice of at least 3 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

Review of Evidence

Before issuing a final investigation report, the investigator will send to the Complainant and Respondent, and their respective advisors, if any, all evidence (including evidence upon which the campus does not intend to rely) obtained as part of the investigation that is Directly Related to the allegations raised in the Formal Complaint (preliminary investigation report).

Each Party will be given a minimum of 10 Working Days for the initial review of evidence to respond to the list of disputed facts and evidence and submit additional questions for the other Party and witnesses. This timeframe may be extended at the discretion of the Title IX Coordinator (either on their own or in response to a Party's request). The extension must be made available to both Parties, who must be notified as such. During the review of evidence, each Party may:

- Meet again with the investigator to further discuss the allegations.
- Identify additional disputed facts.
- Respond to the evidence in writing.
- Request that the investigator ask additional specific questions to the other Party and other witnesses.
- Identify additional relevant witnesses.
- Request that the investigator gather additional evidence.

The investigator will share with the Parties the answers to questions posed during the review of evidence. If additional disputed material facts are identified or evidence is gathered, it will be included in the preliminary investigation report (or in a separate addendum) and shared with all Parties, who will be given a reasonable opportunity to respond to the new evidence and submit additional questions to the other Party and other witnesses about the new evidence only. The investigator determines when it is appropriate to conclude the review of evidence.

Final Investigation Report

After the review of evidence phase is concluded, the Parties will receive a final investigation report that will summarize all Relevant evidence (inculpatory and exculpatory), including additional Relevant evidence received during the review of evidence. Any Relevant documentary or other tangible evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator will be attached to the final investigation report as exhibits. The final investigation report shall be sent to the Parties and their respective advisors, if any, in electronic format (which may include use of a file sharing platform that restricts the Parties and any Advisors from downloading or copying the evidence) or hard copy. The Parties and their advisors will be provided 10 Working Days to review and provide a written response to the final investigation report.

Timeframe

Absent a determination of good cause made by the investigator or Title IX Coordinator (of which the Parties will receive written notice): (i) the investigation should be concluded within 100 Working Days from the date that the notice of allegations is provided to the Parties; and (ii) the final investigation report should be completed and provided to the Parties within 10 Working Days after the review of evidence has concluded. Extensions may be granted for good cause as determined by the Title IX Coordinator. The Parties will receive written notice from the Title IX Coordinator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Formal Complaint process.

Within 10 Working Days after the Parties have been provided the final investigation report, the Parties will be informed of the timelines that will apply to the pre-hearing and hearing processes described below. The Parties will be required to provide the name and contact information for their hearing advisor within 5 Working Days after notice of the hearing timeline.

Track 1 Hearing

The Parties will be given written notice of the date, time, location, participants, and purpose of the hearing, as well as the identity of the hearing officer. Notification of the hearing will be sent to the designated CSU campus email address, unless the recipient has specifically requested in writing to the hearing coordinator that notice be given to a different email address. Communications from the hearing coordinator will be deemed received on the date sent. The hearing will not be set sooner than 20 Working Days after the date of notice of hearing. Any objections to an appointed hearing officer must be made in writing to the hearing Coordinator within 5 Working Days after notice of the identity of the hearing officer has been communicated to the Parties.

No later than 15 Working Days before the hearing, each Party may provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness's testimony and

the disputed issue to which the witness's testimony relates. The hearing officer may also identify witnesses from the final investigation report.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be directed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator.

No later than 5 Working Days prior to the hearing, the Parties may submit a list of proposed questions to the hearing coordinator. The questions will be provided to the hearing officer. Parties are strongly encouraged to provide questions in advance of the hearing in order to streamline the hearing process and provide the hearing officer an opportunity to resolve relevancy concerns prior to the hearing. The proposed questions will not be shared with the other Party.

The hearing will begin with an overview of the hearing process given by the hearing officer, after which the Parties will be given an opportunity to ask questions about the hearing process. Each Party will be given an opportunity to make an opening statement that may not last longer than 10 minutes. Only the Parties themselves will be permitted to make opening statements. The hearing advisor and any advisor are not permitted to make the opening statement. The advisor may not speak during the hearing. Closing arguments will not be made.

Generally, the hearing officer will start the questioning of witnesses and Parties. The Investigator or the Title IX Coordinator (if not the Investigator) will be the first witness and will describe the Formal Complaint, investigation process, and summarize the evidence. Hearing advisors will be permitted to ask Relevant questions once the hearing officer has concluded their questioning of the other Party and each witness. The hearing officer may ask questions of any Party or witness who participates in the hearing.

Determination and notification Regarding Responsibility Under Track 1

After the hearing, the hearing officer will make written findings of fact and conclusions about whether the Respondent violated the Policy with respect to the definition of Sexual Harassment¹¹. The hearing coordinator will Simultaneously send the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the appropriate campus administrator, usually within 15 Working Days of the close of the hearing.

If no violation of the Policy is found, the president (or designee) will be notified along with the Parties. The notification will include the outcome of the hearing, a copy of the hearing officer's report (redacted as appropriate or as otherwise required by law) and notice of the Complainant's and Respondent's right to appeal to the Chancellor's Office.

If a violation of the Policy is found, within 5 Working Days of receiving such finding the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and/or appropriate campus administrator responsible for discipline and Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors that provides a recommendation regarding the disciplinary outcome, including information regarding prior

¹¹ See definition of Sexual Harassment in the [CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation](#)

disciplinary outcomes for similar conduct and whether the Respondent was previously found to have violated university policy.

Within 5 Working Days after receiving and considering any impact or other statements submitted by the Parties and other statements described above, the hearing officer will submit the hearing officer's report to the president (or designee). The hearing officer's report will be amended to include a statement of, and rationale for, any recommended disciplinary sanctions to be imposed on the Respondent ("final hearing officer's report"). The final hearing officer's report will attach the final investigation report. In cases where the hearing officer has found a violation of the Policy, the president (or designee) will review the final investigation report and the final hearing officer's report and issue a decision ("decision letter") concerning the appropriate sanction or discipline within 10 Working Days of receipt of the final hearing officer's report.

The president (or designee) will simultaneously send the decision letter electronically to the Respondent and Complainant at the campus-assigned or other primary email address linked to their campus accounts.¹² The decision letter will include:

- The outcome of the hearing, including any sanction imposed, and the name of the Respondent(s).
- Information regarding the procedures and permissible bases for the Complainant and Respondent to appeal to the Chancellor's Office.
- If a finding of responsibility is made against the Respondent, a statement as to whether Remedies will be provided to the Complainant that are designed to restore or preserve equal access to the campus's education program or activity. The specifics of any such Remedies may be discussed separately between the Complainant and the Title IX Coordinator and need not be included in the decision letter.
- A copy of the final hearing officer's report will be attached to the decision letter, redacted as appropriate or as otherwise required by law.

The determination regarding responsibility and any sanctions become final either on the date that the Chancellor's Office provides the Parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely (11 Working Days after the date of the decision letter).

Investigation and Hearing (if applicable) for Tracks 2 and 3

At the onset of the investigation, the Title IX Coordinator/DHR Administrator will simultaneously provide both Parties a notice of investigation.

In the notice of investigation, the Title IX Coordinator/DHR Administrator will schedule an initial meeting with the Respondent. At this meeting, the Title IX Coordinator/DHR Administrator will explain the allegations against the Respondent, as well as the investigation process, and the Respondent's rights during the process. The Title IX Coordinator/DHR Administrator will also explain that during the investigation, the Respondent and the Complainant will have the opportunity to present evidence, identify witnesses, and review evidence.

¹² Communication with Parties who are neither Students nor Employees will be sent to an email address that they designate.

During the investigation, the Investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful. Before finalizing the investigation, the Investigator will share with the Complainant and Respondent a preliminary investigation report, along with all relevant evidence gathered. Each Party will be given a reasonable opportunity to respond to the preliminary investigation report and any attached evidence and ask questions.

In matters where a hearing is not required (Track 3 cases)¹³, a final investigation report will be provided to the Parties along with a notice of investigation outcome. The final investigation report will include a summary of the allegations, the investigation process, the Preponderance of the Evidence standard, a detailed description of the evidence considered, analysis of the evidence including relevant credibility evaluations, and appropriate findings. Relevant exhibits and documents will be attached to the written report. The final investigation report will be attached to a notice of investigation outcome and include the following: a summary of the allegations and the investigative process, that the Preponderance of the Evidence standard was employed, a summary of the findings of fact, a determination as to whether the Nondiscrimination Policy was violated, and if so, any Remedies to be afforded to the Complainant, and notice of Parties' right to appeal under these procedures. The notice may be delivered to the Parties electronically. If the notice includes a determination that the Policy was violated, the Title IX Coordinator/DHR Administrator will notify the campus student conduct administrator (where the Respondent is a student)/appropriate campus administrator (where the Respondent is an employee) of the investigation outcome and provide a copy of the final investigation report.

The Title IX Coordinator/DHR Administrator or designee will send the Final Investigation Report to the Parties within 100 Working Days from the date that the Notice of Investigation is provided to the Parties. Extensions may be granted for good cause as determined by the Title IX Coordinator/DHR Administrator. The Parties will receive written notice from the Title IX Coordinator/DHR Administrator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Complaint process.

Any communications relating to the outcome of an investigation or hearing, including any changes to the outcome or when the outcome becomes final, will be provided in writing simultaneously to the Complainant and the Respondent.

Track 2 Hearing process:

As stated above in the explanation of Track 2, a hearing will be required (unless the case is resolved by way of Informal Resolution). Below are the steps, decision-makers, and anticipated timelines for a Track 2 hearing process that commences after the issuance of the final Investigative report.

Prior to a hearing:

Parties will be given written notice of the date, time, location, and purpose of the hearing as well as the identity of the hearing officer. The Parties will be sent a notice of the hearing at least 20 Working Days

¹³ Under Track 2, the process will proceed to a hearing, as outlined below, and the final investigation report will include all of the information included in the preliminary investigation report as well as additional relevant evidence received during the review of evidence. Any relevant evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator, will be attached to the final investigation report, or made available for review by the Parties. Evidence offered by the Parties or any other witnesses that the Investigator concluded is not relevant will be noted but not included in the final investigation report and should be available at the time of the hearing such that it can be provided to the hearing officer if requested.

before the hearing. Objections to an appointed hearing officer will be made in writing to the hearing coordinator no later than 5 Working Days after notice of hearing has been sent to the Parties.

No later than 15 Working Days before the hearing, each Party will provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness' testimony. The hearing officer may also identify witnesses from the Final Investigation Report.

Where there is more than one Respondent or Complainant in connection with a single occurrence or related multiple occurrences, the hearing officer and the Parties may agree to a single hearing. A Party may request consolidation with other cases, or the Title IX Coordinator, may initiate the consolidation (subject to FERPA and other applicable privacy laws). Request for consolidation will be made no later than 15 Working Days before the hearing. The hearing officer makes consolidation decisions.

Parties must provide the name of, and contact information for, the Party's Advisor and Support Person (if any) to the hearing coordinator 15 Working Days before the hearing.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be instructed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator. No later than 5 Working Days before the hearing, the Parties will submit to the hearing coordinator any objections to, or questions about, the witness list.

At the hearing:

Each Party will be given an opportunity to make an opening statement that will last no longer than 10 minutes. The Parties will not make closing statements. An opening statement is intended to give the Parties the opportunity to share their perspective regarding the facts and discuss the core disputes in the investigation. It should focus on the facts of the matter and not be argumentative.

Parties will have the opportunity to submit written questions to the hearing officer in advance of the hearing. The Parties may also submit written follow-up questions to the hearing officer during the hearing, at appropriate times designated by the hearing officer. The hearing officer will ask the questions proposed by the Parties except for questions that:

1. Seek information about the Complainant's sexual history with anyone other than the Respondent (unless such evidence about the Complainant's sexual behavior is offered to prove that someone other than the Respondent committed the alleged misconduct).
2. Seek information about the Respondent's sexual history with anyone other than the Complainant, unless such information is used to prove motive or pattern of conduct.
3. Seek information that is unreasonably duplicative of evidence in the hearing officer's possession.
4. The hearing officer determines are not relevant to material disputed issues, are argumentative or harassing or unduly intrude on a witness' privacy.

At the hearing, each Party will have an opportunity to ask questions, submit concerns, or note an objection to questions posed. All such questions, concerns, or objections will be submitted in writing to the hearing officer. The hearing officer is not required to respond to an objection, other than to include it in the record.

The hearing officer has the authority and duty to decline or rephrase any question that the hearing officer deems to be repetitive, irrelevant, or harassing. Formal rules of evidence applied in courtroom proceedings (e.g., California Evidence Code) do not apply in the hearing. However, the hearing officer may take guidance from the formal rules of evidence.

After the hearing:

After the hearing, the hearing officer will make written findings of facts and conclusions about whether the Respondent violated the Policy. The Title IX Coordinator will review the hearing officer's report to ensure compliance with the Policy. The hearing coordinator will forward the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the student conduct administrator, usually within 15 Working Days of the close of the hearing.

If no violation is found, the hearing coordinator will notify the Parties of their appeal rights. The campus president (or designee) will also be notified.

If a violation is found, the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline. The statement may not be more than 2000 words in length and will be submitted no later than 5 Working Days after the hearing officer's report is sent to the Parties. The statement is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and the Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors no later than 5 Working Days after the hearing officer's report is sent to the Parties.

Within 5 Working Days after receiving and considering the statements described above, the hearing officer will submit the hearing officer's report to the president (or designee), including recommended sanctions (as defined in Executive Order 1098 Student Conduct Procedures¹⁴) if a Respondent has been determined to have violated university Policy.

Within 10 Working Days of receipt of the hearing officer's report, the president (or designee) will review the Investigation Report and the hearing officer's report and issue a decision concerning the appropriate sanction. The president may impose the recommended sanctions, adopt a different sanction or sanctions, or reject sanctions altogether. If the president adopts a sanction other than what is recommended by the hearing officer, the president must set forth the reasons in the Decision Letter. The president will simultaneously send the decision letter electronically to the Respondent and Complainant. The decision letter will include: the outcome of the hearing, including any sanction imposed, and the name of the Respondent(s), a copy of the hearing officer's Report, and notice of the Complainant's and Respondent's right to appeal. The decision will also be sent to the student conduct administrator and the hearing officer. Unless the campus and Parties are notified that an appeal has been filed, the president's (or designee's) sanction decision becomes final 11 Working Days after the date of the decision letter.

Sanctions

Discipline for Employees includes, but is not limited to, suspension, demotion, and termination of employment.

Employees disciplined by the university may be entitled to additional processes as required by law and/or collective bargaining agreements, including in some cases the right to a hearing before an independent arbitrator or a state agency where the employee may contest the discipline.

The following sanctions may be imposed for violation of the Student Conduct Code:¹⁵

¹⁴ See Sanctions, below

¹⁵ Found in Article V, Executive Order 1098 Student Conduct Procedures

- **Restitution.** Compensation for loss, damages or injury. This may include appropriate service and/or monetary material replacement.
- **Loss of Financial Aid.** Scholarships, loans, grants, fellowships and any other types of state financial aid given or guaranteed for the purposes of academic assistance can be conditioned, limited, canceled or denied.²
- **Educational and Remedial Sanctions.** Assignments, such as work, research, essays, service to the University or the community, training, counseling, removal from participation in recognized student clubs and organizations (e.g., fraternities and sororities), and/or University events, or other remedies intended to discourage similar misconduct or as deemed appropriate based upon the nature of the violation.
- **Denial of Access to Campus or Persons.** A designated period of time during which the Student is not permitted: (i) on University Property or specified areas of Campus,² or (ii) to have contact (physical or otherwise) with the Complainant, witnesses or other specified persons.
- **Disciplinary Probation.** A designated period of time during which privileges of continuing in Student status are conditioned upon future behavior. Conditions may include the potential loss of specified privileges to which a current Student would otherwise be entitled, or the probability of more severe disciplinary sanctions if the student is found to violate the Student Conduct Code or any University policy during the probationary period.
- **Suspension.** Temporary separation of the student from active Student status or Student status.
 - A Student who is suspended for less than one academic year shall be placed on inactive Student (or equivalent) status (subject to individual Campus policies) and remains eligible to re-enroll at the University (subject to individual Campus enrollment policies) once the suspension has been served. Conditions for re-enrollment may be specified.
 - A Student who is suspended for one academic year or more shall be separated from Student status but remains eligible to reapply to the University (subject to individual Campus application policies) once the suspension has been served. Conditions for readmission may be specified.
 - Suspension of one academic year or more, withdrawals in lieu of suspension, and withdrawals with pending misconduct investigations or disciplinary proceedings shall be entered on the student's transcript permanently without exception; this requirement shall not be waived in connection with a resolution agreement.
- **Expulsion.** Permanent separation of the Student from Student status from the California State University system. Expulsion, withdrawal in lieu of expulsion, and withdrawal with pending misconduct investigation or disciplinary proceeding shall be entered on the student's transcript permanently, without exception; this requirement shall not be waived in connection with a resolution agreement.

Appeals

A written appeal may be submitted to the Chancellor's Office no later than 10 Working Days after the date of the decision letter (Tracks 1 & 2) or notice of investigation outcome (Track 3). All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Evidence/arguments submitted after the appeal submission deadline will not be considered by the Chancellor's Office. A written appeal may not exceed 3,500 words, excluding exhibits. Appeals will be submitted to:

Equal Opportunity and Whistleblower Compliance Unit
Systemwide Human Resources
Office of the Chancellor
401 Golden Shore
Long Beach, California 90802
eo-wbappeals@calstate.edu

The Chancellor's Office will provide prompt written acknowledgment of the receipt of the appeal to the appealing Party, and will provide written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the campus Title IX Coordinator/DHR Administrator. The notice will include the right of the non-appealing Party and the campus to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal response will be limited to 3,500 words, excluding exhibits. Any response to the appeal received by the Chancellor's Office will be provided to the appealing Party for informational purposes only.

The Chancellor's Office will not conduct a new investigation; however, the Chancellor's Office may make reasonable inquiries to determine if the new evidence could have affected the investigation or hearing determination. A copy of the final Chancellor's Office appeal response will be forwarded to the Complainant, the Respondent, and the Title IX Coordinator/DHR Administrator.

If the Chancellor's Office review determines that an issue raised on appeal would have affected the investigation outcome or hearing outcome, the investigation or hearing will be remanded back to the campus and the investigation or hearing reopened at the campus level. The Chancellor's Office will return the matter to the campus and will specify in writing the timeline by which a reopened investigation or hearing must be completed. The Chancellor's Office will notify the Parties of the reopening of the investigation or hearing and the timeline for completion of the reopened investigation or hearing. The campus will complete the reopened investigation or hearing and provide the Chancellor's Office with an amended final investigation report/final decision. The campus will also provide the Parties with amended notices of investigation outcome/final decision, and such notices will provide the non-prevailing Party the opportunity to appeal. Upon receipt of the amended final investigation report/final decision, if the outcome remains unchanged, the Chancellor's Office will contact the original appealing Party to determine whether that Party wishes to continue with the appeal. If the outcome is reversed by the campus, the non-prevailing Party will be given an opportunity to appeal.

If the Chancellor's Office determines that no reasonable fact finder (Investigator or hearing officer) could have made the findings as determined by the Investigator or hearing officer, the Chancellor's Office may vacate and reverse the investigation or hearing outcome, but only with respect to whether the Policy was violated (and not with respect to factual findings). If the Chancellor's Office vacates and reverses the investigation or hearing outcome, it will notify the Parties simultaneously in writing, as well as the Title IX Coordinator/DHR Administrator. Following a reversal of an investigation or hearing outcome by the Chancellor's Office, the Chancellor's Office decision is final and is not subject to further appeal. The Chancellor's Office will respond to the appealing Party no later than 30 Working Days after receipt of the written appeal unless the timeline has been extended.¹⁶

¹⁶ The Chancellor's Office has discretion to extend the timelines for the appeal process for good cause or for any reasons deemed to be legitimate by the Chancellor's Office. This includes the time for filing an appeal, the time for a reopened investigation or hearing to be completed, and the time for the Chancellor's Office to respond to the appeal. The Chancellor's Office will notify the Parties and the Title IX Coordinator of any extensions of time granted pertaining to any portion of the appeal process.

Registered Sex Offenders

California's sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e., contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan's law website at <http://www.meganslaw.ca.gov/>.

Missing Student Notification Procedures for On-campus University Housing Facilities

If a member of the University Community has reason to believe that a student who resides in on-campus Housing is missing, they should immediately notify the University Police Department by calling (510) 885-3791. All appropriate efforts will be made to locate the student to determine their state of health and well-being through the collaboration between UPD and the University Housing and Residence Life department. The Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Department gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14211).

The Jeanne Clery Act requires the institution to allow a student who resides in on-campus Housing to identify an individual as a separate confidential contact to be notified in the event they are determined to be missing. This separate missing person confidential contact is collected during the application and contracting process to live on campus. The separate missing person confidential contact information is stored and will only be accessible to authorized University Housing and Residence Life staff and it will only be disclosed to law enforcement officials in the furtherance of a missing person investigation. Once the University Police Department has determined that the student has been missing, the University Police will contact the individual identified as a missing person confidential contact within 24 hours of notification that the student is missing. If the student is under 18 years old and is not emancipated, the university will notify both the student's custodial parent or guardian and the student's contact person within 24 hours of notification that the student is missing. The University Police will notify local law enforcement within 24 hours unless the local law enforcement agency receives the original report.

Appendix A: Jurisdictional Definitions¹⁷

Rape (CA Penal Code Chapter 1 Section 261)

(a) Rape is an act of sexual intercourse accomplished under any of the following circumstances:

(1) If a person who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent. This paragraph does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.

(2) If it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) If a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) If a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets any one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) If a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) If the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that

the perpetrator is a public official. As used in this paragraph, "public official" means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.

(b) For purposes of this section, the following definitions apply:

"Duress" means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

"Menace" means any threat, declaration, or act that shows an intention to inflict an injury upon another.

Sodomy (CA Penal Code Chapter 1 Section 286)

Sodomy is sexual conduct consisting of contact between the penis of one person and the anus of another person. Any sexual penetration, however slight, is sufficient to complete the crime of sodomy.

(3) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy upon a victim who is a minor 14 years of age or older, when the act is accomplished against the victim's will by means of force or fear of immediate and unlawful bodily injury on the victim or another person, shall be punished by imprisonment in the state prison for 7, 9, or 11 years.

(e) Any person who participates in an act of sodomy with any person of any age while confined in any state prison, as defined in Section 4504, or in any local detention facility, as defined in Section 6031.4, shall be punished by imprisonment in the state prison, or in a county jail for not more than one year.

(4) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(g) Except as provided in subdivision (h), a person who commits an act of sodomy, and the victim is at the time incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act, shall be punished by imprisonment in the state prison for three, six, or eight years. Notwithstanding the existence of a conservatorship pursuant to the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent.

(h) Any person who commits an act of sodomy, and the victim is at the time incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act, and both the defendant and the victim are

(k) Any person who commits an act of sodomy, where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official, shall be punished by imprisonment in the state prison for three, six, or eight years.

As used in this subdivision, "public official" means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.
