# Current Programme-wise Strength

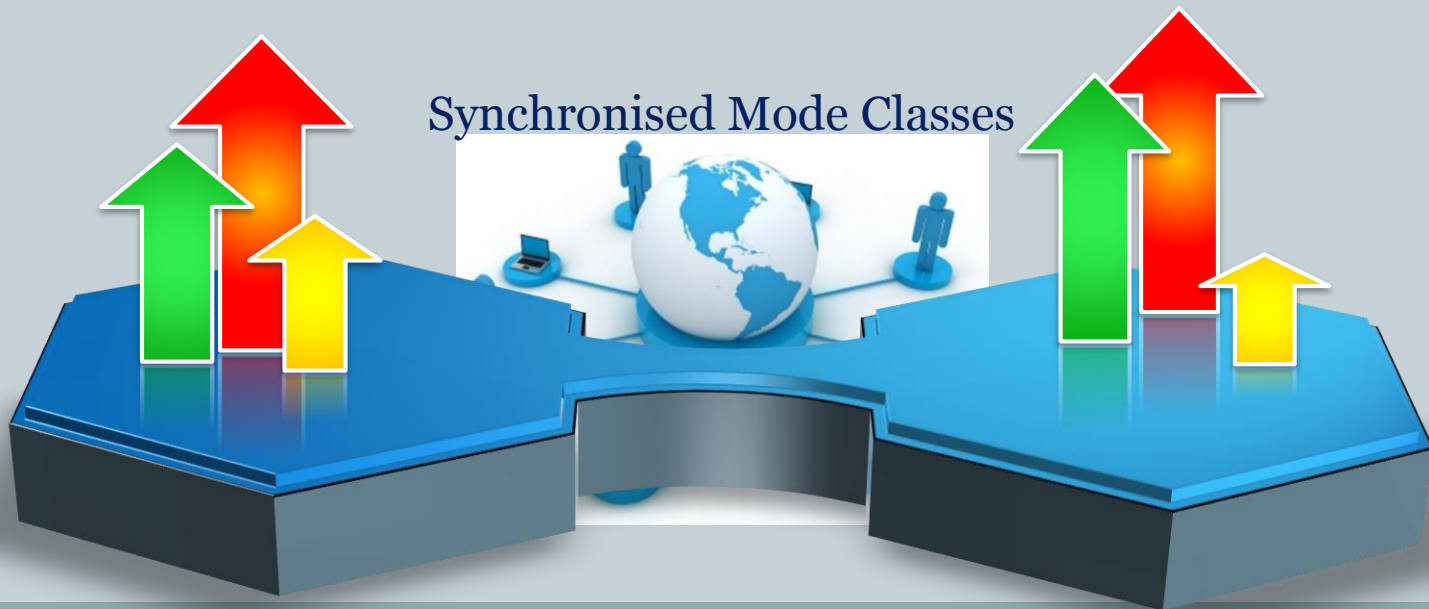

# Staff and Support faculties

## ➤ Staff

- Coordinator to manage day to day activity
- Contractual staff: Two such staffs are appointed to support coordinator and run daily synchronized classes from DEI for all three courses.
- Separate Boys and Girls hostel warden

## ➤ Support Faculties

In order to support students on important subjects, experienced people are connected from different locations like USA (South Carolina and NY), Uttarakhand, NCR, Jamshedpur (through Polycom) and Patna along with some local faculties.

# DEI ICT Murar: Key Activities

## Hole-in-the-wall

### What it is...

A DEI activity in the arena of computer literacy

Started in December 2014 at ICT Murar

Conducted every first Sunday of the Month

Supported by ICT Students, DEI staff & Hospital

Strength benefited: 1200 till date

### Objective...

To spread computer literacy among the masses

Providing right environment for rapid peer learning

To make conversant in basic Information and Communication Technology (ICT) skills

Environment provides to give up hesitation or inhibition and quickly pick up computer skills
