Texas Vaccines for Children (TVFC) and Adult Safety Net (ASN) Program Providers,

Tenivac (Tetanus and Diphtheria Toxoids) single-dose vials (SDV) for pediatric and adult use are temporarily unavailable to order in the Vaccine Allocation and Ordering System (VAOS). Providers who have already placed orders for Tenivac SDV will be automatically substituted with the pre-filled syringe presentation of Tenivac beginning Monday, May 8, 2023. The next available date to order Tenivac SDV will be Thursday, June 1, 2023.

No action is needed by providers for any outstanding orders. The DSHS Immunization Program will notify providers when Tenivac SDV ordering capabilities are turned back on.

Please contact your Responsible Entity (RE) for any questions.

Thank you for your continued participation,

Texas Department of State Health Services

Immunization Program
