The 2024 TVFC/ASN Provider Policy Training is now available on the [TVFC/ASN program re-enrollment center](#) for primary vaccine coordinators (PVC) and backup vaccine coordinators (BVC). TVFC/ASN program policy states that during re-enrollment the PVC and BVC must complete the most current TVFC/ASN Provider Policy Training module and upload the certificate of completion to the electronic re-enrollment form.

To complete the 2024 training, the PVC and BVC are required to:

2. [Complete the 2024 TVFC/ASN Provider Policy Training Quiz](#) after reviewing the training content.
  - Score 80% or higher to pass and fulfill the training requirement.
  - Unlimited quiz attempts are permitted.
3. Save and upload the entire PDF certificate of completion with the passing score to the re-enrollment form.
  - The PDF will be delivered from "No Reply" [noreply@alchemer.com](mailto:noreply@alchemer.com) with the subject "2024 TVFC/ASN Provider Policy Training Certificate".
  - The PDF will be delivered to the email used on the training quiz.
  - Allow 30 minutes to receive the email and check junk/spam folders.
  - The certificates of completion uploaded during re-enrollment must have the name and passing score for the PVC/BVC.
