### EXAMPLE PROJECT

In FY2022, EDA awarded **\$1,801,729 in American Rescue Plan Act (ARPA) – Economic Adjustment Assistance funds to support the city of Las Vegas** with expanding the pilot Culinary Training and Leadership Academy in North Las Vegas by increasing program staff and adding two mobile kitchens/learning laboratories, one passenger van, and supporting equipment that will expand the service area and allow program delivery to the highest-need communities across Clark County. The area has experienced significant economic distress due to the COVID-19 pandemic and business closures. The project supports recovery and the region's food service and hospitality industry cluster by providing culinary and leadership training.

“The Economic Development Administration projects highlighted today are great examples of what happens when we work together to invest in our communities.”

**U.S. Senator Cortez Masto**

The EDA data provided herein should be viewed as a snapshot of the data available at the time of the data request and are subject to any changes, or updates as reflected within future reports and data requests. This includes, but is not limited to, revisions to the number, dollar amount, program classification and estimated impacts of specific grant awards.

All data as of 2/23/2024; State totals are based on the location of the grantee; All dollar amounts rounded.

1 Applicant estimated at the time of award.

2 Projects may be counted multiple times across themes if they align to multiple themes.

3 Tech Hubs designees are also eligible to apply for EDA's Tech Hubs Phase 2 Notice of Funding Opportunity.
