

Residential heating oil price decreases

The average retail price for home heating oil fell 2 tenths of a cent from last week to \$4.04 per gallon. That's down 9.7 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$4.01 per gallon, down 1.7 cents from last week, and down 5.3 cents from a year ago.
