

Residential heating oil price decreases

The average retail price for home heating oil on June 10 was \$3.66 per gallon. That's down 14.3 cents from our last published price on May 13, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region were \$3.62 per gallon, down 15.9 cents from May 13. Heating oil prices will be published monthly from April to September.
