INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Elton John AIDS Foundation, Inc.:

We have audited the accompanying financial statements of Elton John AIDS Foundation, Inc. (the "Foundation"), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

The summarized comparative information presented herein as of and for the year ended December 31, 2016, was derived from the financial statements of Elton John AIDS Foundation, Inc. as of December 31, 2016 which were audited by other auditors whose report dated May 11, 2017, expressed an unmodified opinion on those statements.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017 (WITH COMPARATIVE TOTALS FOR 2016)

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization The Elton John AIDS Foundation, Inc. ("EJAF" or the "Foundation") is a 501(c)(3) not-for-profit corporation incorporated in Georgia, which provides funding for the care and needs of individuals infected with the human immunodeficiency virus ("HIV") and education relating to HIV. The Foundation is supported primarily through public contributions. The Foundation is headquartered in New York, New York.

Basis of Accounting The Foundation prepares its financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Classification and Reporting of Funds The Foundation reports net assets based on the existence or absence of donor-imposed restrictions. The Foundation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Foundation had temporarily restrictions on expendable funds of \$2,000,000 in 2017. (Note 3). There were no temporarily restricted net assets as of December 31, 2016.

Comparative Financial Statements The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2016, from which the summarized information was derived.

Cash and Cash Equivalents The Foundation considers all highly liquid investments purchased with original maturities of three months or less to be cash equivalents.

Revenue Recognition The Foundation recognizes contributions, including unconditional promises to give to the Foundation, as revenue in the period received or pledged. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. A donor restriction expires when a time restriction ends or when the purpose for which it was intended is attained. Temporarily restricted net assets are reclassified to unrestricted net assets upon expiration of donor restrictions and are reported in the statements of activities as net assets released from restrictions.

Donated marketable securities and other noncash donations are recorded at estimated fair market value at the date of donation. Revenues from special events are recognized in the month the event occurs. Cash received in advance of the event is recorded as deferred revenue on the accompanying statement of financial position until the month of the event, at which time revenue is recognized.

Contributions Receivable Contributions receivable are stated at the amount pledged by donors net of net present value discounts. The Foundation provides an allowance for doubtful pledges receivable, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Delinquent pledges receivable are written off based on the

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017 (WITH COMPARATIVE TOTALS FOR 2016)

specific circumstances of the donor making the pledge. As of December 31, 2017 and 2016, the Foundation had no allowance for doubtful contributions receivable.

Donated Services and Materials Donated services are recognized if the services received either create or enhance long-lived assets or require specialized skills, are provided by individuals processing those skills, and would typically need to be purchased if not provided by donation. Donated materials and equipment are reflected as contributions at the estimated fair value when received.

The Foundation received the following donated services at estimated at fair value:

For The Years Ended December 31,	2017	2016
Legal services	\$ 119,129	\$ 49,212
Tax return preparation services	34,000	36,500
Airline tickets	150,000	106,000
Commissions waived for auction house	33,150	-
Total	\$ 336,279	\$ 191,712

Other Assets Other asset includes donated artwork for a fundraising event as of December 31, 2017.

Charitable Donations and Grants Charitable donations are recognized in the period the grant/donation is approved, provided the grant/donation is not subject to future conditions. Conditional grants/donations are recognized as donation expense and as a promise to give in the period in which the grantee meets the terms of the conditions. Grants that are expected to be paid in future years are recorded at the present value of expected future payments.

Functional Allocation of Expenses The costs of supporting the various programs and other activities have been summarized on a functional basis in the statement of activities. Certain costs have been allocated among the grants and grant oversight, public education/advocacy, management and general, and fundraising categories based on the management estimates.

Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. Significant estimates include the collectability of contributions receivable, the allocation of functional expenses, and the fair value of donated services and materials. Actual results could differ from these estimates.

Fixed Income Securities The Foundation's fixed income securities consist of certificates of deposit which mature in one to two years.

The investments are classified as held-to-maturity based on the Foundation's positive intent and ability to hold the securities to maturity, and accordingly, the investments are stated at amortized cost.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017 (WITH COMPARATIVE TOTALS FOR 2016)

The amortized cost of securities and their approximate fair values are as follows:

		2017		2016		
As of December 31,	Amortized Cost	Gross Unrealized Gain/(loss)	Fair Value	Amortized Cost	Gross Unrealized Gain/(loss)	Fair Value
Certificates of Deposit	\$6,798,000	(\$712)	\$6,797,288	\$3,948,000	\$855	\$3,948,855

Management evaluates securities for other-than-temporary impairment at least on an annual basis, and more frequently when economic or market concerns warrant such evaluation. No impairment losses were recognized during the years ended December 31, 2017 and 2016.

The Foundation has recorded total investment income of \$79,358 and \$54,963 related to its investments for the years ended December 31, 2017 and 2016, respectively. Investment management fees were \$11,581 and \$10,619, and are included in management and general expenses for the years ended December 31, 2017 and 2016, respectively.

Concentrations of Business and Credit Risk The Foundation's cash and cash equivalents are maintained in various bank accounts. The Foundation has exposure to credit risk to the extent that its cash and cash equivalents exceed amounts covered by federal deposit insurance. The Foundation believes that its credit risk is not significant.

The Foundation invests in fixed income securities which are subject to appreciation/depreciation depending on various factors, which affect the investment balances. The Foundation believes that the risk is mitigated because the Foundation invests in certificate of deposits that are federally insured. The Foundation has professional investment firms manage the investments.

There was one donor that accounted for 10% or more of the Foundation's contribution revenue for the years ended December 31, 2017. There were no donors that accounted for 10% or more of the Foundations contribution revenue in 2016.

Property and Equipment Property and equipment are stated at cost net of accumulated depreciation and are depreciated using the straight-line methods over estimated useful lives of five years.

Property and equipment consists of the following:

As of December 31,	2017	2016
Furniture and fixtures	\$ 21,217	\$ 21,217
Office equipment	66,331	66,331

Depreciation expense for the years ended December 31, 2017 and 2016 amounted to \$6,270 and \$5,934, respectively.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017 (WITH COMPARATIVE TOTALS FOR 2016)

Income Taxes The Foundation is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and from state income tax under comparable provisions. However, income from certain activities not directly related to the Foundation's tax exempt purpose is subject to taxation as unrelated business income. The Foundation does not have any income, which it believes would subject it to unrelated business income taxes.

The Foundation follows the provisions of the accounting topic for income taxes, which provides guidance for how uncertain income tax provisions should be recognized, measured, presented and disclosed in the financial statements. The Foundation recognizes the effects of income tax positions only if those positions are more likely than not to be sustained in the future. There were no uncertain tax positions that would have a material effect on the financial statements. With few exceptions, the Foundation is no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2014. There are no tax examinations currently pending.

The Foundation has considered the provisions of the Tax Cuts and Jobs Act (the "TCJA"), which was signed into law on December 22, 2017 and which generally takes effect for taxable years beginning on or after January 1, 2018. The Foundation determined that the individual and collective impact of these provisions and other provisions of the TCJA on the Foundation is uncertain and may not become evident for some period of time.

Recently Issued Accounting Pronouncement In August, 2016, the Financial Accounting Standards Board ("FASB") issued ASU No. 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities ("ASU 2016-14"). The amendments in this update change presentation and disclosure requirements for not-for profit entities to provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. These amendments include qualitative and quantitative requirements in the following areas: (1) net asset classes; (2) investment return; (3) expenses; (4) liquidity and availability of resources; and (5) presentation of operating cash flows. ASU 2016-14 is effective for the Foundation's year ending December 31, 2018. The Foundation is currently evaluating the effect implementation of ASU 2016-14 will have on its 2018 financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842) ("ASU 2016-02")*. The new standard establishes a right-of-use ("ROU") model that requires a lessee to record an ROU asset and a lease liability, measured on a discounted basis, on the statement of financial position for all leases with terms greater than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. A modified retrospective transition approach is required for capital and operating leases existing at the date of adoption, with certain practical expedients available. ASU 2016-02 is effective for the Foundation's year ending December 31, 2019. The Foundation has not yet determined the impact of the adoption of ASU 2016-02 on its 2019 financial statements.

recorded in the temporarily restricted net assets in the accompanying statement of financial position as of December 31, 2017.

The remaining \$3,000,000 conditional grant is subject to the Foundation's reasonable and sufficient progress of the Project pursuant to the Grant Letter Agreement and will be recorded as revenue when the Foundation satisfies the grant conditions.

EJAF Event at Hammer Museum In 2017, The Foundation held a fundraising event celebrating Sir Elton John's 70th Birthday in partnership with the Hammer Museum in Los Angeles, California. EJAF and the Hammer Museum both received net proceeds from the event, which totaled \$1,057,587 and \$1,058,885 respectively, and are included in public support and grants in the accompanying statement of activities for the year ended December 31, 2017.

Smash Hits Smash Hits, the Foundation's tennis fundraiser, is produced by World Team Tennis and the Foundation's Board members Billie Jean King and Ilana Kloss. It includes a VIP reception and celebrity tennis matches. The Foundation received the net proceeds from the 2016 event, which totaled \$331,597 and is included in public support and grants in the accompanying statement of activities and change in net assets for the year ended December 31, 2016. No such event was held in 2017.

4. GRANTS AND AWARDS

The scope of EJAF's grant-making encompasses grassroots and community-based programs, regional partnerships, national strategies and policies and international cooperative efforts. The Foundation's grant-making priorities focus on HIV prevention programs, harm reduction efforts, public education to reduce the stigma of HIV/AIDS, programs empowering HIV/AIDS-impacted communities to advocate for their health and human rights, compassionate AIDS-related public policy development and direct services to persons living with HIV/AIDS. Direct services include HIV/AIDS-related medical and mental health treatment, testing and counseling services, case management and social service coordination, legal aid and professional training.

The Foundation's regional, national, and international leadership in this field is predicated upon (1) its vigilant attention to the constant changes and challenges of this ever-evolving global epidemic, (2) its commitment to the development of strong partnerships with like-minded organizations in order to maximize resources and minimize duplication of effort, and (3) its strategic investment of donor dollars to have the greatest possible impact in reducing the incidence of HIV/AIDS.

For the years ended December 31, 2017 and 2016, the total grant expenditures amounted to \$10,268,559 and \$7,686,445, of which \$976,143 and \$427,133, respectively, were disbursed to the international organizations.

5. GRANTS PAYABLE

From 2005 to the present, EJAF has invested more than \$7.2 million nationally in needle exchange and harm reduction services through the Syringe Access Fund, a grant-making partnership with AIDS United, The Open Society Foundations and the Levi Strauss Foundation. In 2017, EJAF made a two-year commitment of \$2 million in grants selected through the Syringe Access Fund. This grant
