Safety Moment ~ Heat-Related Illness*

* Scouting Safety Moments' Heat-Related Illness (see <https://www.scouting.org/health-and-safety/safety-moments/heat-related-illness/>)

Heat-Related Illness...

Each year, heat-related illnesses strike the unprepared. **Prevention is key!** Be prepared by acclimating to the environment for at least seven days before going on an outdoor adventure; drinking plenty of fluids and eating a healthy diet beforehand; and continuing to drink fluids when outdoors on hot or humid days. Be sure to drink only when you're thirsty to avoid overhydrating. Take extra rest breaks, especially if you are exercising strenuously.

Heat-Related Illness General Info...

- The body cools itself primarily through evaporating sweat
- This is why it is so important to stay hydrated
- But in hot and humid weather, the sweat does not evaporate—it puddles, and sweat that puddles is not cooling
- In that case, a person is at greater risk for a heat-related illness, either because of excessive water loss, and increased body temperature, or both
- The four most common illnesses are heat syncope, heat cramps, heat exhaustion, and heatstroke

Common Heat-Related Illnesses ...

1. **Heat syncope** is dizziness or fainting that usually occurs when standing for long periods of time (such as at summertime flag ceremonies) or when suddenly standing up. Being hot and dehydrated increases the risk for syncope
2. **Heat cramps** occur when sweating depletes the body's salt and fluids. In situations of either heat syncope or heat cramps, have the person rest in a cool area and drink water or diluted sports drink. If the person does not feel better within an hour, get medical attention
3. **Heat exhaustion** occurs due to an excessive loss of water through excessive sweating. Uncontrolled heat exhaustion is an urgent medical situation; it can progress to heatstroke if not treated. Provide cold water or diluted sports drink. Cool the person—get them out of the heat, remove excess clothing, spray or douse the person with cold water, and fan them. Do not give them salt tablets. Evacuate if the person does not improve within 30 minutes

Common Heat-Related Illnesses continued

4. **Heatstroke is a true medical emergency. Immediate cooling, evacuation and activation of the EMS system is required, as the body is no longer able to cool itself. It is critical to cool the person quickly by any means possible—move the person to a cool, shaded area; remove as much clothing as possible; spray, douse, or immerse them in cold water; place ice packs in the person’s armpits, groin, and sides of the neck. These actions should happen simultaneously, if possible. If the person is unconscious, maintain their airway. Continue to monitor them and prepare for a rapid evacuation. Do not give an unconscious person anything by mouth. Do not use fever reducers like acetaminophen to bring down the temperature. You may stop cooling the person if their mental status improves**

Again, the best way to prepare for heat-related illnesses is to prevent the illness

Heat Exhaustion & Stroke Symptoms...

Heat Exhaustion Symptoms ~

- Inability to concentrate
- Pale or ashen skin
- Rapid pulse
- Severe thirst
- Heavy sweating, skin may be clammy, not hot
- Fatigue, weakness, irritability
- Nausea, dizziness, headache

Heat Stroke Symptoms ~

- Extremely hot-feeling, flushed skin
- Altered mental status
- Fatigue
- Headache, body aches
- Nausea, vomiting

Heat-Related Illness Prevention...

- **Monitor:** Know how hot & humid it will be
- **Acclimate:** It takes 7+ days of heat exposure to prepare the body for hot environments
- **Hydrate:** Drink when thirsty, preferably water
- **Observe:** Watch all group members for signs of heat-related illness

National Exploring Subject Matter Experts & Exploring National Resource Associate Advisors

In support to our fourteen Council Service Territories* (CSTs), formerly National Service Territories (NSTs), our National Exploring Program is currently supporting each CST, along with their territory's councils, with a National Exploring Subject Matter Expert (SME), who serves as that territory's Exploring National Resource Associate Advisor. As a caveat, we do not presume this role is either formally or informally part of the CST organizational structure but rather a service being made available by the National Exploring Program to each CST and/or their councils. Additionally, we have an Exploring National Resource Advisor dedicated to supporting the California Highway Patrol (CHP) and the councils with CHP Law Enforcement Posts as well as the posts themselves

* In April 2024, CST 2 & 11 were eliminated and their councils moved into adjacent CSTs

Barriers to Abuse Update

- As part of our ongoing commitment to abuse prevention, the Boy Scouts of America, to include Exploring, is updating the adult supervision requirements for overnight activities
- This update enhances the minimum “two deep leadership” requirements by additionally requiring every adult present on overnight activities to be a registered member of the Boy Scouts of America or Exploring
- These adults must submit an adult application and registration fee, undergo a criminal background check, a volunteer screening database check and must complete mandatory Youth Protection training.
- A limited exception for parents and legal guardians of Cub Scout youth attending overnight with their children is planned due to the family centric nature of Cub Scouting
- All Cub Scout Packs, Scouts BSA Troops, Venturing Crews, Sea Scouting Ships, Exploring Posts, council, and district overnight programs will be required to comply with this update by September 1, 2023. We encourage early adoption prior to the effective date
- This updated Barrier to Abuse will be referenced as part of the Guide to Safe Scouting, Exploring’s Safety First Guidelines, Youth Protection and Adult Leadership section, Scouting’s Barriers to Abuse. Youth Protection and Barriers to Abuse FAQ’s will be expanded to include additional FAQ’s as they are developed

Example Nomination Write-Up

George Denise completed his Exploring Fast Start training on 1/01/2011 and his most recent position is Service Team Chair for my district since February 2018. He has been involved with every aspect from FOS and volunteer recruitment to membership, product sales, program and unit service. George helped Exploring District achieved significant growth in our FOS campaign and 5% membership growth last year. We are at 61% of our FOS goal for the year, second highest percentage in our council. As we shelter-in-place, he secured a dynamic guest speaker for our Science Night and saved us \$650 in shipping cost in our Make A Mask Challenge. His efforts made it possible for us to donate thousands of pieces of protective medical gear to 7 medical facilities in 2 counties. He supported a 15 year old Scout in the Medical Explorer program whom has wanted to make a difference. What started as a local mask-making challenge turned into a multi-city effort through connections of Scouting friends in Dallas, TX and Orange County, CA to Santa Clara county .

EXPLORING PARTICIPANT POLICY

“EP” (18 THROUGH 20 YR OLD EXPLORERS)

Effective August 1, 2020, all applicants 18 through 20 years old must complete and submit an adult application, consent to a criminal background check, and successfully complete Youth Protection training.

*However, an 18- through 20-year-old will still be considered an Adult Exploring Participant in the post and will not be considered an adult leader. **Therefore, an “EP” will not be allowed to fulfill adult leadership roles pertaining to Two-Adult Leadership and other requirements that require leadership to be at least 21 years of age.***

All Exploring Participants “EP” will continue to count as youth within your youth membership reports.

Visit the link below for an infographic as well as a Q & A to assist you in implementing this important new policy.

EXPLORING REGISTRATION FEES

Effective **August 1, 2023**, Exploring fee updates:

- Exploring Youth **\$50.00**
- Exploring Adult Participants (18-20) **\$50.00**
- Exploring Adults **\$50.00**
- Exploring Post/Club Annual Renewal Fee **\$100.00**
- There is no additional “Joining Fee” for Exploring

The updated membership fees will take effect August 1, 2023, for new members in the 2023-2024 program year.

The national membership fee helps cover the cost of essential services, including program resources, liability insurance for those participating in approved Scouting activities, criminal background checks, youth protection, and the development of intellectual property for national, council, and unit programs. As we move forward, we will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.

The screenshot shows a modal window titled "Terms and Conditions" with a blue header. The main content area is white and contains the following text:

Welcome to the BSA!

The BSA makes Scouting available to our nation's youth by chartering community organizations to operate Cub Scout packs, Scouts BSA troops, Venturing crews, and Sea Scout ships. The chartered organization provides an adequate and safe meeting place as well as capable adult leadership, and requires adherence to the principles and policies of the BSA. The BSA local and national council provide training, program, outdoor facilities, literature, professional guidance, and liability insurance protection.

Parent/Legal Guardian Role in Scouting

Scouting uses a fun program to promote character development, citizenship training, leadership, and mental and physical fitness. You can help by encouraging attendance, assisting with your child's advancement, attending meetings for parents, and assisting the unit when called upon to help. The unit cannot provide a quality program without your help.

At the bottom of the modal, there is a grey bar containing the text: "By signing here you agree and accept the Terms and Conditions of the Boy Scouts of America." To the right of this text is a yellow button with a person icon and the name "Sam Smith".

Below the modal, there are two buttons: a white "Back" button and a blue "Go to Checkout Summary" button, which is highlighted with a red border.
