

**RENEWAL OF COMPUTER MATCHING AGREEMENT BETWEEN
VIRGINIA DEPARTMENT OF SOCIAL SERVICES,
UNIVERSAL SERVICE ADMINISTRATIVE COMPANY,
AND
THE FEDERAL COMMUNICATIONS COMMISSION**

Verification of Eligibility of Lifeline Program and Affordable Connectivity Program Subscribers

The Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act of 1988, provides that a matching agreement shall remain in effect only for such period, not to exceed eighteen (18) months, as the Data Integrity Board of the agency determines is appropriate.

Within three (3) months prior to the expiration of such an agreement, the Data Integrity Board of the agency may, without additional review, renew the matching agreement for a current, ongoing matching program for not more than one (1) year if: (i) such program will be conducted without any change; and (ii) each party to the agreement certifies to the board in writing that the program has been conducted in compliance with the agreement. 5 U.S.C. § 552a(o)(2)(D).

The following meets the conditions for renewal.

I. TITLE OF THE MATCHING PROGRAM: Lifeline and Other Federal Connectivity Benefit Programs Computer Matching Agreement with the Virginia Department of Social Services

II. RECIPIENT AGENCIES: Federal Communications Commission (FCC) and Universal Service Administrative Company (USAC)

III. SOURCE AGENCY: Virginia Department of Social Services (DSS)

IV. PURPOSE AND LEGAL AUTHORITY OF THE MATCHING PROGRAM

The purpose of this matching agreement is to provide the FCC's Lifeline program and Affordable Connectivity Program (ACP), as administered by USAC, with information about whether an individual participates in the Supplemental Nutrition Assistance Program (SNAP) or Medicaid. Since participation in such programs makes individuals eligible for the Lifeline program, 47 C.F.R. § 54.409(a)(2), and the ACP, 47 C.F.R. § 54.1800(j), the automated matching undertaken through this agreement is a cost-effective and efficient way to verify that an individual may receive the benefits of these programs.

Section 254 of the Communications Act of 1934, as amended, authorizes the FCC to establish federal universal support mechanisms, including the Lifeline program for low-income consumers. 47 U.S.C. § 254(b). The FCC has appointed USAC as the permanent Administrator of the federal Universal Service Fund support mechanisms, including the Lifeline program. 47 C.F.R. §§ 54.701-717. Under the Consolidated Appropriations Act, 2021, Pub. L. No. 116-260, 134 Stat. 1182, as amended by the Infrastructure Investment and Jobs Act, Pub. L. No. 117-58, 135 Stat. 429, and pursuant to the Memorandum of Understanding between the FCC and USAC, USAC administers the ACP. See 47 U.S.C. § 1752(i)(5).

DSS is responsible for the oversight and supervision of SNAP and Medicaid eligibility under the Code of Virginia, section 63.2-801, and Medicaid under section 32.1-323, as delegated by the Department of Medical Assistance Services. DSS maintains the case records and confidential personally identifiable information (PII) of individual applicants and recipients for SNAP and Medicaid.

V. EFFECTIVE PERIOD OF THE MATCHING AGREEMENT

The current effective period of the matching agreement is April 4, 2022, through October 3, 2023.

VI. EFFECTIVE PERIOD OF THE RENEWAL OF THE MATCHING AGREEMENT

Upon execution of the certification by the parties and approval of the Data Integrity Board of the Federal Communications Commission, the effective period is renewed for the period of October 4, 2023, through October 3, 2024.

VII. AGENCY CERTIFICATION

As designated representatives of the agencies participating in the matching program, we certify that: (i) the matching program will be conducted without change; and (ii) the matching program has been conducted in compliance with the current agreement.
