V. PLAYERS

All provisions in the Regulations for European Club Competitions apply unless stated otherwise in these regulations.

20. PROVISIONS CONCERNING THE ELIGIBILITY OF PLAYERS:

20.1 The principle of free circulation within FIBA Europe applies to the European Club Competitions for nationals from Countries belonging to the European Zone.

20.2 Each club participating in EuroCup Women may register an unlimited number of players who:

20.2.1 Have **only** the Legal Nationality of a Country or Countries belonging the European Zone; **or**

20.2.2 Have or had the legal nationality of a Country that does not belong to the European Zone and have acquired the legal nationality of a Country belonging to the European Zone by naturalisation or by any other means **before** having reached the age of sixteen (16). For the sake of clarity and for the purpose of this article (and art. 20.4), it is considered that a player acquires a legal nationality only when she claims such right, regardless if the player has the right to acquire a second nationality at birth or is legally considered having acquired it retroactively by birth when she claims it.

20.2.3 For purpose of article 20.2.2, the player’s passport will be considered by FIBA Europe as the principal mean of evidence to support the acquisition and the date of acquisition of a nationality.

20.3 Each club participating in EuroCup Women may register a maximum of:

20.3.1 **two (2) players** who do not have the Legal Nationality of a Country belonging to the European Zone; and,

20.3.2 **one (1) additional player** who has or had the Legal Nationality of a Country that does not belong to the European Zone and has acquired the Legal Nationality of a Country belonging to the European Zone by naturalisation or by any other means **after** having reached the age of sixteen (16).

For the sake of clarity, players naturalised after 16 as per art. 20.3.2 may be included in the limited amount of two foreign players provided under art. 20.3.1.

As a result, the three following options of registration shall be authorised for the clubs:

1	NON-European	NON-European	Naturalized after 16
2	NON-European	Naturalized after 16	Naturalized after 16
3	Naturalized after 16	Naturalized after 16	Naturalized after 16

20.4 These provisions on eligibility **do not** apply retroactively. Therefore, any player that has been registered or had the opportunity (by fulfilling the requested conditions) to be registered for EuroLeague Women/EuroCup Women without any restriction (not part of the quotas) under the previous regulations before 18 March 2019, shall maintain such status.

20.5 Once a player is registered for the current basketball season, no change of the player’s national status for European Club Competitions purposes shall be permitted in the course of that season. This provision applies irrespective of the player acquiring a new legal nationality during this period (i.e the national status of a player as indicated at the time of her initial registration at the beginning [or in the course] of the respective season remains unchanged until the end of the season).

The Club and its National Federation are jointly and severally responsible for the eligibility of Club’s players at all times and will bear the consequences of any infractions of the Regulations governing the EuroCup Women, the Competitions Regulations of FIBA Europe and the FIBA Internal Regulations governing Eligibility, National Status, International Transfer and Age of Players.

21. LICENCES

21.1 FIBA “B” Licences for Players are subject to a payment.

21.2 If a club does not qualify for the next round of the competition, a FIBA “A” Licence for Foreign Players may be requested upon cancellation of the FIBA “B” Licence for Players. This procedure is valid only as long as the player continues to play with the club.

22. PRELIMINARY ROSTER

22.1 National Federations shall enter into the FIBA Management and Administration Platform (MAP) all Preliminary Rosters for clubs participating in FIBA European Club Competitions.

22.2 The Preliminary Roster will open in the FIBA Management and Administration Platform (MAP) sixty (60) days prior to the start of the competition.

 Regular Season: Preliminary Roster opens on [Sunday 28th August 2022](#) and closes on [Friday 21st October 2022](#) (last day for changes)
- 22.4 The Preliminary Roster is considered as being “final and irrevocable” at noon **three (3) working days** before the first game of the [Qualifiers](#) and the [Regular Season](#).
- 22.5 Only the FIBA Europe date is valid for the above-given deadlines regardless of whether the club changed the date of the first game at the Draw.

23. PROCEDURE FOR CHANGES

- 23.1 Any changes must be made by the club through its National Federation.
- 23.2 Up to four (4) players of any given nationality may be changed on the Preliminary Roster.
