v.

FLORIDA HOUSING FINANCE
CORPORATION,

Respondent.

_____ /

FORMAL WRITTEN PROTEST
AND PETITION FOR ADMINISTRATIVE HEARING

HTG Princeton Grove, Ltd. (“Petitioner”) files this Formal Written Protest and Petition for Administrative Hearing (“Petition”) pursuant to sections 120.57(1) and (3), Florida Statutes, and Rules 67-60 and 28-110.004, Florida Administrative Code (“F.A.C.”) to challenge the eligibility determinations, evaluations and proposed allocations set forth in the Notice of Intended Decision posted on December 10, 2021, by Respondent, Florida Housing Finance Corporation (“Florida Housing”), relative to Request for Applications 2021-201 Housing Credit Financing for Affordable Housing Developments Located in Medium and Small Counties (“The RFA”).

Parties

1. Petitioner is a Florida limited liability company engaged in the business of providing affordable housing. Petitioner's address is 3225 Aviation Avenue, 6th Floor, Coconut Grove, Florida 33133. Petitioner filed a response to the RFA for its proposed affordable housing project Princeton Grove, which was assigned application number 2022-033C (“Petitioner’s Application”). For purposes of this proceeding, Petitioner's address, telephone number and email address are those of its undersigned counsel.

2. Florida Housing is the affected agency. Florida Housing's address is 227 North Bronough Street, Suite 5000, Tallahassee, FL 32301. Florida Housing's file number for Petitioner's application is 2022-033C.

3. Florida Housing is a public corporation created by Section 420.504, Florida Statutes, to administer the governmental function of financing or refinancing affordable housing and related facilities in Florida.

Notice

4. Petitioner received notice of Florida Housing's intended decision to award funding pursuant to the RFA on December 10, 2021, when Florida Housing posted RFA 2021-201 Board Approved Preliminary Awards (Exhibit A) and the Board Approved Scoring Results (Exhibit B) on its website. Petitioner's Application was deemed eligible but was not included in the applications selected for a preliminary award based on the sorting and selection criteria in the RFA. For the reasons set forth below, Petitioner contends that its Application should have been selected for funding.

5. Petitioner timely filed its Notice of Intent to Protest Florida Housing's intended award decisions on December 15, 2021. See Exhibit C.

Background

6. Florida Housing administers several programs aimed at assisting developers in building affordable housing in the state in an effort to protect financially marginalized citizens from excessive housing costs. A portion of the units constructed with funding from these programs must be set aside for residents at or below a specified percentage of area median income.

7. One of the programs through which Florida Housing allocates resources to fund affordable housing is the State Housing Credit Program (the "Tax Credit Program"), which is

established in Florida under the authority of Section 420.5093, Florida Statutes. Florida Housing is the designated entity in Florida responsible for allocating federal tax credits to assist in financing the construction or substantial rehabilitation of affordable housing.

The RFA

8. Chapter 67-60, F.A.C., establishes “the procedures by which the Corporation shall . . . [a]dminister the competitive solicitation process to implement the provisions of the Housing Credit (HC) Program authorized by Section 42 of the IRC and Section 420.5099, F.S.” See Rule 67-60.001(2), F.A.C.

9. On July 20, 2021, Florida Housing issued the RFA seeking applications for development of affordable, multifamily housing located in the Medium and Small Counties, specified in the RFA. The RFA was issued pursuant to and in accordance with Rules 67-60.001 and 67-60.003, F.A.C.

10. The RFA was issued by Florida Housing as the competitive solicitation method for allocating funding to competing affordable housing developments. The RFA solicited proposals from qualified applicants for the award of up to an estimated \$14,971,500 of Housing Credits for proposed developments located in the specified Medium Counties and up to an estimated \$1,573,250 of Housing Credits available for proposed developments located in the specified Small Counties. See RFA, pp. 2. Applications in response to the RFA were due on August 26, 2021 (the “Application Deadline”).

11. Florida Housing received numerous applications in response to the RFA. Petitioner timely submitted its application in response to the RFA requesting financing for its proposed affordable housing project, Princeton Grove, located in Okaloosa County. Petitioner’s application satisfied all of the required elements of the RFA and is eligible for a funding award.

12. The RFA sets forth the information required to be submitted by an applicant and provides a general description of the type of projects that will be considered eligible for funding. All applicants must meet the requirements set forth in the RFA, include with their applications the specified exhibits and comply with the requirements of Chapter 67-60, 67-48 and 67-53, Florida Administrative Code. See RFA pp. 6-7. The RFA also delineates the funding selection criteria and specifies that only those applications that meet all of the Eligibility Items will be eligible for funding and considered for funding selection. See RFA, p. 73.

13. The RFA set forth goals for funding, including the selection of one proposed development in each of the following categories: (1) six Medium County Developments that qualify for the Local Government Areas of Opportunity Funding Goal; (2) one Development that qualifies for the SunRail Goal; (3) one Development that qualifies for the Local Revitalization Initiative Goal; and, (4) two Developments with a Demographic commitment of Family that select and qualify for the Geographic Areas of Opportunity/SADDA Goal. See RFA, p. 77-78. An application that is selected for funding may meet more than one goal, but applications selected to meet the Local Government Areas of Opportunity Goal, SunRail Goal, or Local Revitalization Initiative Goal will not count towards meeting the Geographic Areas of Opportunity / SADDA Goal, even if the application also qualifies for the Geographic Areas of Opportunity / SADDA Goal. See RFA, p. 78.

14. The applications were sorted first within the various goals as follows:

2. Application Sorting Order

a. Sorting Order when selecting Applications to meet the Local Government Areas of Opportunity Funding Goal

The highest scoring Applications will be determined by first sorting together all eligible Priority I Medium County Applications that qualify for the Local Government Area of Opportunity Goal from highest score to lowest score, with any

scores that are tied separated in the following order. This will then be repeated for Priority II Applications:

(1) First, Applications that submit a Local Government Verification of Contribution Loan Form or Local Government Verification of Contribution - Grant Form executed by any of the following Local Governments will receive lower preference, as further described in Section Four, 11.c. of the RFA: Bradenton; Cape Coral; Clay County; Cocoa; Lakeland; Milton; New Smyrna Beach; Panama City; City of Sarasota; St. Lucie. The remaining Local Governments will receive higher preference.

(2) Next, by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.10.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(3) Next, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(4) Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);

(5) Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(6) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

b. Sorting Order when selecting Applications to meet the SunRail Goal

The highest scoring Priority I Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for Priority II Applications:

(1) First, by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.10.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(2) Next, by the Application's eligibility for the Development Category Funding

Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(3) Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);

(4) Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(5) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

c. Sorting Order when selecting Applications to meet the Local Revitalization Initiative Goal

The highest scoring Priority I Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for Priority II Applications:

(1) First, Applications that submit a Local Government Verification That Development Is Part Of A Local Revitalization Plan form executed by any of the following Local Governments will receive lower preference, as further described in Section Four, 5.h. of the RFA: Bradenton, Cape Coral, New Smyrna Beach, City of Sarasota, Newtown, City of Tallahassee, Escambia County, Pasco County, Sanford. The remaining counties will receive higher preference.

(2) Next, by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.10.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(3) Next, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(4) Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);

(5) Next, by the Application's eligibility for the Florida Job Creation Funding

Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(6) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

d. Sorting Order after selecting Applications to meet the Local Government Areas of Opportunity Funding Goal, SunRail Goal, and Local Revitalization Initiative Goal

The highest scoring Priority I Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for Priority II Applications:

(1) First, by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.10.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(2) Next, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(3) Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);

(4) Next, by the Application's eligibility for the Proximity Funding Preference (which is outlined in Section Four A.5.e. of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;

(5) Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

(6) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

See RFA, pp. 78-81.

15. The RFA included the following funding test:

For purposes of this RFA, Funding Test means that (a) Small County Applications will be selected for funding only if there is enough Small County funding available to fully fund the Eligible Housing Credit Request Amount, and (b) Medium County Applications will be selected for funding only in there is enough Medium County funding available to fully fund the Eligible Housing Credit Request Amount.

See RFA, p. 81. The RFA also included a prioritization process based on county tally. The RFA provided:

As each Application is selected for tentative funding, the county where the proposed Development is located will have one Application credited towards the County Award Tally.

Throughout the selection process, the Corporation will prioritize eligible unfunded Priority I Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority I Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority I Applications with a higher County Award Tally are higher ranked, and above all Priority II Applications.

The Corporation will prioritize eligible unfunded Priority II Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority II Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority I Applications with a higher County Award Tally are higher ranked.

See RFA, p. 81.

16. With respect to the Local Revitalization Initiative Goal, the Funding Selection

Process was as follows:

C. One Application that qualifies for the Local Revitalization Initiative Goal

If an Application that was selected to meet the Local Government Areas of Opportunity Goal described in a. above or SunRail Goal described in c. above, above also qualifies for the Local Revitalization Initiative Goal, this Goal will be considered met without selecting an additional Application.

If none of the Applications selected to meet the Local Government Areas of Opportunity Goal or SunRail Goal, also qualify for the Local Revitalization Initiative Goal, the next Application selected for funding will be the highest ranking eligible unfunded Priority I Application that qualifies for the Local Revitalization Initiative Goal, subject to the Funding Test and the County Award Tally.

If there are no eligible unfunded Priority I Applications that qualify for this Goal, then the highest ranking eligible unfunded Priority II Application that qualifies for the Local Revitalization Initiative Goal will be selected, subject to the Funding Test and the County Award Tally.

See RFA, p. 83.

17. A Review Committee comprised of Florida Housing staff was assigned to conduct the initial evaluation and scoring of the RFA responses. The Review Committee scored the applications and developed a chart listing the eligible and ineligible applications. See Exhibit B. The Review Committee also applied the funding selection criteria set forth in the RFA to develop a proposed allocation of funding to eligible participants. The preliminary rankings and allocations were presented to and approved by the Florida Housing Board on December 10, 2021. See Exhibit A.

18. Of the applications received in response to the RFA, ten applications were preliminarily selected for funding. See Exhibit A. Petitioner's Application satisfied all of the required elements of the RFA and is eligible for funding under Goal #3 as a Local Revitalization Initiative Development but was not preliminarily selected for funding. Six applications, including Florence Place and Dogwood Village at issue here, were selected within the Local Government Areas of Opportunity Goal (Goal #1); one application was selected within the SunRail Goal (Goal #2); because of the applications selected for funding within Goals 1 and 2, no application was preliminarily selected for funding within the Local Revitalization Initiative Goal (Goal #3); two applications were selected for funding within the Geographic Areas of Opportunity / SADDA Goal (Goal #4); and, one Small County application was funded. In addition, two more applications were approved for funding by the Board on December 10, 2021. See Exhibit A.

19. The RFA and applicable rules provide an opportunity for applicants to file administrative challenges to the scoring and rankings set forth in the preliminary allocations. After

resolution of the administrative challenges, results will be presented to the Florida Housing Board for final approval prior to issuing invitations to the applicants in the funding range to enter the credit underwriting process.

20. A correct determination of the developments eligible for funding under the RFA has not been made. As a result of errors in the eligibility determinations, scoring and ranking process, applications that should have been deemed ineligible were included in the rankings and preliminary funding allocations posted on December 10, 2021. Three applications (Florence Place, Dogwood Village and Valencia at Twin Lakes) initially deemed eligible for funding are currently ranked higher than Petitioner's application. As set forth below, the eligibility determinations and preliminary ranking of those three applications failed to take into account the failure of each applicant to meet certain mandatory Eligibility Items set forth in the RFA and applicable Rules. Under the terms of the RFA and Florida Housing's rules, the higher-ranked applicants noted above, should be deemed ineligible and Petitioner's Application should be awarded housing tax credits for its proposed development in Okaloosa County under Goal #3, Local Revitalization Initiative.

21. Specifically, Florence Place (Application number 2022-029C) located in Polk County was determined to be eligible and preliminarily selected for funding under Goal #1, Local Government Area of Opportunity and also met Goal #3, Local Revitalization Initiative. See Exhibits A, B. As is more fully explained below, Florence Place should be deemed ineligible for funding for failure to meet the RFA requirements to demonstrate site control as of the Application Deadline. Dogwood Village (Application number 2022-068C) located in Alachua County, was also determined to be eligible and preliminarily selected for funding under Goal #1 and would also meet Goal #3. See Exhibits A, B. Florida Housing erred in determining that Dogwood Village met the qualifications and criteria to be considered eligible for a funding award because the

Dogwood Village application erroneously listed principals on its Applicant and Developer Disclosure Forms that are not principals and failed to list other individuals that are principals. Valencia at Twin Lakes (“Valencia”) (Application Number 2022-014C) located in Polk County, was not preliminarily selected for funding, but would be next in line for funding within Goal #3 if Florence Place and Dogwood Village are determined ineligible. See Exhibit B. Valencia, however, does not meet the qualifications and criteria to be considered eligible for a funding award because it failed to disclose that its development has scattered sites and, therefore, failed to meet the requirements for demonstrating site control and at least 2 other eligibility items listed on page 73 of the RFA.

Substantial Interests Affected

22. Petitioner’s substantial interests are affected because deeming Florence Place, Dogwood Village and Valencia eligible for funding results in those applications being ranked higher for funding selection purposes than Petitioner’s Application under Goal #3, Local Revitalization Initiative. See Madison Highlands, LLC v. Florida Housing Finance Corp., 220 So. 3d 467, 474 (Fla. 1st DCA 2017).

Errors in the Preliminary Awards and Determinations of Eligibility

Florence Place - Failure to Demonstrate Site Control

23. As a mandatory eligibility item, the RFA requires an Applicant to demonstrate that it has site control as of the Application Deadline. See RFA, p. 39. The evidence must be included with the application when submitted to be considered. See RFA, p. 2.

24. To demonstrate site control, the RFA states, in pertinent part:

7. Readiness to Proceed

a. Site Control

Demonstrate site control by providing, as Attachment 8 to Exhibit A, the properly completed and executed Florida Housing Finance Corporation Site Control Certification form (Form Rev. 08-18), which is provided on the RFA Webpage.

For the Site Control Certification form to be considered complete, as an attachment to the form, include the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

(1) An eligible contract must meet all of the following conditions:

- (a) It must have a term that does not expire before February 28, 2022 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than February 28, 2022;
- (b) It must specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance;
- (c) The Applicant must be the buyer unless there is an assignment of the eligible contract, signed by the assignor and the assignee, which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant; and
- (d) The owner of the subject property must be the seller, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to sell the property to the seller. Any intermediate contract must meet the criteria for an eligible contract in (a) and (b) above. [Emphasis added.]

See RFA, p. 39.

25. In its application, Florence Place sought to demonstrate site control by providing an Assignment of Vacant Land Contract, which purports to assign rights to a "Vacant Land Contract, dated April 15, 2021, as amended." (emphasis supplied). An amended vacant land contract, however, is not included in the Application. The failure to include the amendment to the land contract is contrary to the requirements of the RFA that mandates all relevant intermediate contracts must be included to demonstrate site control as of the Application Deadline. Because Florence Place failed to include all required documents necessary to demonstrate site control as of the Application Deadline, its application is ineligible.

26. On its face, the Vacant Land Contract included in Florence Place's application also fails to meet the requirements of the RFA because the RFA requires the contract to have a term that does not expire before February 28, 2022. The Vacant Land Contract included in the application expired by its own terms on April 12, 2021. Section 3 of the Vacant Land Contract states:

Time for Acceptance: Effective Date: Unless this offer is signed by Seller and Buyer and an executed copy delivered to all parties on or before April 12, 2021, this offer will be withdrawn and Buyer's deposit, if any, will be returned, The time for acceptance of any counter-offer will be 3 days after the date the counter-offer is delivered. The "Effective Date" of this contract is the date on which the last one of the Seller and Buyer has signed or initialed and delivered this offer or the final counter-offer.

The Contract was signed by the Seller on April 12, 2021, but it was not signed by the Buyer until April 14, 2021. The Effective Date of the contract is specified as being April 15, 2021. There is no counter-offer noted on the face of the Vacant Land Contract or otherwise included in Florence Place's application that would extend the time for acceptance. Thus, on its face, the Contract demonstrates that it was not signed by both Buyer and Seller on or before April 12, 2021, and thus the offer, according to the specific terms of the Contract, was withdrawn.

27. In addition, paragraph 23 of the Vacant Land Contract is entitled "Additional Terms," but no additional terms are listed nor is there any indication that the parties entered into additional terms referenced in that section. Included with the documentation there is an Exhibit B labeled "Additional Terms," but there is no date on that document. Florida Housing is left to presume that those Additional Terms are additional terms to the Vacant Land Contract calling into question whether the contract submitted is the actual contract between the parties for the sale of the land.

Dogwood Village – Erroneous Applicant and Developer Principals Disclosure Forms

28. The RFA requires, as a mandatory eligibility item, that applicants identify the applicant, developer and all affiliates of the proposed development on a properly completed Principals Disclosure Form (the “Disclosure Form”). See, RFA, p. 72. The RFA provides:

c. Principals Disclosure for the Applicant and for each Developer and Priority Designation (5 points)

(1) Eligibility Requirements

To meet the submission requirements, upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) (“Principals Disclosure Form”) as outlined in Section Three above. Prior versions of the Principal Disclosure Form will not be accepted.

To meet eligibility requirements, the Principals Disclosure Form must identify, pursuant to subsections 67-48.002(94), 67-48.0075(8) and 67-48.0075(9), F.A.C., the Principals of the Applicant and Developer(s) as of the Application Deadline.

A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals. Per subsection 67-48.002(94), F.A.C., any Principal other than a natural person must be a legally formed entity as of the Application deadline.

For Housing Credits, the investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company must be identified on the Principal Disclosure Form.

See RFA, pp. 12-13.

29. “Principal” is defined as:

(a) For a corporation, each officer, director, executive director, and shareholder of the corporation.

(b) For a limited partnership, each general partner and each limited partner of the limited partnership.

(c) For a limited liability company, each manager and each member of the limited liability company.

(d) For a trust, each trustee of the trust and all beneficiaries of majority age (i.e.; 18 years of age) as of Application deadline.

(e) For a Public Housing Authority, each officer, director, commissioner, and executive director of the Authority. [Emphasis added.]

See Rule 67-48.002(94), F.A.C.

30. In its Application, Dogwood Village failed to disclose all of the Principals of the Applicant and Developer as required by Rule 67-48.002(94), F.A.C.

31. The Applicant, Ability DWV I, LLC, listed Ability DWV I MSM, LLC, as its Manager and non-investor member. Ability Housing, Inc., is listed on the second disclosure level as the sole member and manager of Ability DWV I MSM, LLC. Ability Housing, Inc. is also listed as the developer on the Developer Disclosure Form. As a corporation, Ability Housing, Inc. must list all officers, directors, executive directors and shareholders of the corporation on the Applicant and Developer Disclosure Forms. According to the Secretary of State, Division of Corporation's website, Michael L. Frumkin, is listed as a Director of Ability Housing, Inc., but he is not listed as a principal on the requisite Principals Disclosure Forms. In addition, Ann R. Reinert is listed on both Disclosure Forms as a Director, but her name is not listed as an officer or director for Ability Housing, Inc. on the Division of Corporation's website. Moreover, according to Ability Housing, Inc.'s website Cerita Battles and Belvin Perry, Jr. are listed as members of the Board of Directors of Ability Housing, but their names do not appear on the Disclosure Forms filed with Dogwood Village's application.

32. Dogwood Villages' failure to properly disclose all Principals on the Disclosure Forms is a material deviation from the requirements of the RFA, which renders Dogwood Village's application ineligible for funding. See HTG Village View, LLC, Petitioner v. Marquis Partners, Ltd., and Florida Housing Finance Corporation, DOAH No. 18-2156BID (DOAH July 27, 2018, FHFC Nov. 17, 2018).

Valencia – Failed to Disclose Scattered Sites and Demonstrate Site Control

33. If a proposed development is comprised of scattered sites, the RFA requires the applicant to disclose that in the application, as well as identify (1) the address number, street name,

and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county for each scattered site. See RFA, pp. 22, 72. In addition, the latitude and longitude coordinates must be provided as set forth in the RFA for the scattered sites. See RFA, p. 23.

34. In Valencia's Application, the Applicant states that there are no scattered sites. But, based on information available from the Polk County Property Appraiser's office, the property described in Valencia's Application appears to have two county rights-of-way (i.e., roads) running through the Property. A "scattered site" is defined in Rule 60-48.002(106), F.A.C., as:

. . . a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, is considered to be a "Scattered Site"). For purposes of this definition "contiguous" means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement, provided the easement is not a roadway or street. All of the Scattered Sites must be located in the same county.

Because Valencia's proposed project includes two roadways owned (by Application Deadline) by the City which divides the project's property, its development involves scattered sites which was not properly disclosed in Valencia's Application as required by the RFA.

35. Such lack of disclosure renders the Valencia application ineligible. Specifically, the application is ineligible because Valencia incorrectly answered the specific question set forth as an Eligibility Item of the RFA which mandates an applicant to disclose whether its development will be a "Scattered Sites Development" as defined in the RFA." See RFA, p. 73, 90. The Valencia application also failed to satisfy the Eligibility Item that requires Latitude and Longitude Coordinates to be provided for any Scattered Sites. See RFA, pp. 22-23, 73.

36. In addition, "if the proposed Development consists of scattered sites, site control must be demonstrated for all of the Scattered Sites." See RFA, pp. 23, 39. Attachment 8 of

Valencia's application includes a legal description referenced as Exhibit "A" as part of the Purchase and Sale Agreement which identifies the rights-of-way by outlines and specifically notes that the rights-of-way are "expected to be vacated." There is no documentation contained in Valencia's Application, however, documenting that the rights-of-way have been vacated by the Application Deadline.

37. Failure to disclose that the development includes scattered sites, failure to properly identify the scattered sites and failure to demonstrate site control over such scattered sites as of the Application Deadline, renders Valencia's Application ineligible for funding.

38. As a result of the foregoing, the applications filed by Florence Place, Dogwood Village and Valencia should be determined ineligible for funding.

39. In addition to the grounds set forth above, there may be additional grounds for reranking which may result in Petitioner being ranked in the funding range. Petitioner reserves the right to identify and raise additional scoring and ranking errors based upon information revealed during the protest process.

40. Petitioner is entitled to a formal administrative hearing pursuant to Sections 120.57(1) and 120.57(3), Florida Statutes, to resolve the issues set forth in this Petition.

Disputed Issues of Material Fact and Law

41. Disputed issues of fact and law include, but are not limited to the following:
- a. Whether Florence Place provided all requisite documentation in compliance with the RFA to demonstrate site control.
 - b. Whether Florence Place demonstrated site control as of the Application Deadline.
 - c. Whether Dogwood Village identified all Principals on the Applicant and Developer Disclosure Forms as of the Application Deadline as required by the RFA.

- d. Whether Michael L. Frumkin was a Director of Ability Housing, Inc., as of the Application Deadline.
- e. Whether Ann R. Reinert was a Director of Ability Housing, Inc., as of the Application Deadline.
- f. Whether Cerita Battles and/or Belvin Perry, Jr. were directors of Ability Housing, Inc. as of the Application Deadline.
- g. Whether the Valencia development includes scattered sites. If so, whether Valencia complied with the requirements of the RFA regarding disclosure and identification of the scattered sites.
- h. Whether Valencia demonstrated site control over all scattered sites as of the Application Deadline.
- i. Whether Florence Place is eligible for funding under the RFA.
- j. Whether Dogwood Village is eligible for funding under the RFA.
- k. Whether Valencia is eligible for funding under the RFA.
- l. Whether the proposed awards are consistent with the RFA and the grounds on which the tax credits are to be allocated.
- m. Whether the proposed awards are based on a correct determination of the eligibility of applicants.
- n. Whether Florida Housing's proposed award of funding to Florence Place is clearly erroneous, arbitrary and capricious and/or contrary to competition;
- o. Whether Florida Housing's determination that Florence Place is an eligible Applicant is erroneous, arbitrary and capricious and/or contrary to competition;

- p. Whether Florida Housing's proposed award of funding to Dogwood Village is clearly erroneous, arbitrary and capricious and/or contrary to competition;
- q. Whether Florida Housing's determination that Dogwood Village is an eligible Applicant is erroneous, arbitrary and capricious and/or contrary to competition;
- r. Whether Florida Housing's determination that Valencia is an eligible Applicant is erroneous, arbitrary and capricious and/or contrary to competition and
- s. Such other issues as may be revealed during the protest process.

Concise Statement of Ultimate Facts

42. Petitioner participated in the RFA process in order to compete for an award of tax credits with other developers based on the scoring and ranking in the RFA. Other developments were incorrectly deemed eligible and unjustifiably elevated ahead of the Petitioner. Petitioner may be erroneously denied funding if the current proposed awards are allowed to become final.

43. Unless the eligibility determinations are corrected and preliminary allocations are revised, Petitioner may be excluded from funding and developers may be awarded tax credits contrary to the provisions of the RFA and Florida Housing's governing statutes and rules.

44. The process set forth in the RFA for determining eligible projects supports a determination that Florence Place, Dogwood Village and Valencia should be determined ineligible for funding based on the failure to meet the requisite mandatory items for funding eligibility.

45. Petitioner's Application for Princeton Grove should be selected for funding.

Reservation to Amend

46. Petitioner reserves the right to amend its Petition as discovery proceeds.

Statutes and Rules Entitling Relief

47. The statutes and rules which are applicable in this case and that require modification of the proposed allocations include, but are not limited to, Section 120.57(3) and Chapter 420, Part V, Florida Statutes, and Chapter 28-110 and 67-60, F.A.C.

Demand for Relief

48. Pursuant to Section 120.57(3), Florida Statutes, and Rules 28-110.004, F.A.C., the Petitioner requests the following relief:

- a. An opportunity to resolve this protest by mutual agreement within seven days of the filing of this Petition as provided by Section 120.57(3)(d)1., Florida Statutes.
- b. If this protest cannot be resolved by mutual agreement, that the matter be referred to the Division of Administrative Hearings for a formal hearing to be conducted before and Administrative Law Judge pursuant to Section 120.57(1) and (3), Florida Statutes.
- c. Recommended and Final Orders be entered determining that Florence Place, Dogwood Village and Valencia are ineligible for an award of funding pursuant to RFA 2021-201 and that Princeton Grove be awarded funding and invited to credit underwriting.

Respectfully submitted this 28th day of December, 2021.
