PETITION FOR WAIVER OF RULE 67-48.004(3)(i) - (j) (10-8-14)
TO CHANGE THE NUMBER OF UNITS AND TOTAL SET-ASIDE PERCENTAGE

Sulzbacher Center for Women and Children, Ltd., a Florida limited partnership (the “Petitioner”) hereby petitions Florida Housing Finance Corporation (the “Corporation”) for: (i) a waiver or variance of the Corporation’s prohibition on changes in “Total Number of Units” designated by an applicant, and (ii) a waiver or variance of the Corporation’s prohibition on changes in the “Total Set-Aside Percentage” designated by an applicant. *See* Rule 67-48.004(3)(i) and (j), F.A.C. (10-8-14). In support of its petition, the Petitioner states:

A. THE PETITIONER

1. The name, address, telephone and facsimile numbers, and email address for the Petitioner and its qualified representative for Petitioner’s application:

B. THE DEVELOPMENT

3. Petitioner timely submitted an application pursuant to RFA 2014-115, "Housing Credit Financing For Affordable Housing Developments Located In Broward, Duval, Hillsborough, Orange, Palm Beach, And Pinellas Counties." The funds were intended to finance the construction of a 70-unit new construction garden-style Homeless development in Duval County, known as Sulzbacher Village (the "Development").

4. Petitioner requested \$3,500,000 SAIL and \$922,492 9% Housing Credits with set asides of 15% at 33% AMI and 85% at 60% AMI.

5. Corporation staff issued Petitioner an at-risk invitation to enter credit underwriting on November 2, 2015.

6. A Carryover Allocation Agreement was issued on December 29, 2016.

7. Petitioner's application reflected a total of 70 units, with a Total Set-Aside-Breakdown of 100%, as follows: 10 units at 33% AMI and 60 units at 60% AMI. Petitioner is seeking to increase the total number of units from 70 to 97 units. Because Petitioner intends for the additional 27 units to be at market rate, the Total Set-Aside Percentage would decrease from 100% to 72.1649%. However, 100% of the original 70 units would still be set aside with 15% of those original units at 33% AMI and 85% at 60% AMI.

C. RULES FROM WHICH WAIVER IS SOUGHT

8. Petitioner requests a waiver from Rule 67-48.004(3)(i) and (j), Florida Administrative Code in effect as of the submission of Petitioner’s Application (the “Rule”):

The Rule provides, in relevant part, as follows:

(3) For the SAIL, HOME and Housing Credit Programs, notwithstanding any other provision of these rules, the following items as identified by the Applicant in the Application must be maintained and cannot be changed by the Applicant after the applicable submission, unless provided otherwise below:

(i) Total number of units; notwithstanding the foregoing, for the SAIL and HC Programs **the total number of units may be increased after the Applicant has been invited to enter credit underwriting**, subject to **written request** of an Applicant to Corporation staff and approval of the Corporation. With regard to said approval, the Corporation shall consider the facts and circumstances, inclusive of each Applicant’s request, in evaluating whether the changes made are prejudicial to the Development or to the market to be served by the Development;

(j) For the SAIL and HC Programs, the Total Set-Aside Percentage as stated in the last row of the total set-aside breakdown chart for the program(s) applied for in the Set-Aside Commitment section of the Application. Notwithstanding the foregoing, **the Total Set-Aside Percentage may be increased after the Applicant has been invited to enter credit underwriting**, subject to **written request** of an Applicant to Corporation staff and approval of the Corporation. With regard to said approval, the Corporation shall consider the facts and circumstances, inclusive of each Applicant’s request, in evaluating whether the changes made are prejudicial to the Development or to the market to be served by the Development;

See Rule 67-48.004(3)(i) and (j), F.A.C. (10-8-14).

D. STATUTES IMPLEMENTED BY THE RULE

9. The Rule is implementing, among other sections of the Florida Housing Finance Corporation Act, Section 420.5087 (State Apartment Incentive Loan Program), and Section 420.5099 (Allocation of the low-income housing tax credit).

E. PETITIONER REQUESTS A WAIVER FROM THE RULE FOR THE FOLLOWING REASONS

10. Petitioner requests a waiver from Rule 67-48.004(3)(i) and (j), Florida Statutes.

11. It is not uncommon for development changes to occur after submission of an application to the Corporation. Under Section 120.542(1), Fla. Stat., and Chapter 28-104, F.A.C., the Corporation has the authority to grant waivers to its rule requirements when strict application of these rules would lead to unreasonable, unfair and unintended consequences in particular instances. Waivers shall be granted when: (1) the person who is subject to the rule demonstrates that the application of the rule would create a substantial hardship or violate principles of fairness, and (2) the purpose of the underlying statute has been or will be achieved by other means by the person. *See* § 120.542(2), Fla. Stat.

12. The facts and circumstances which led to this request are that 54 units were divided to create an additional 27 units. These 27 units are serving Female Homeless Veterans as well as respite units providing places for the Homeless to recover after a hospital stay. Denying this request would cause economic hardship for the community as well as the Petitioner in not being able to further their mission of providing housing for the Homeless in our community. Granting this request will not impact the number or quality of affordable housing units referenced in Petitioner's application and would augment the proposed Development by permitting additional units to help serve the communities' Homeless population.

13. The changes are not prejudicial to the Development or to the market. The Rule implements, among other sections of the Florida Housing Finance Corporation Act, Section 420.5087 (State Apartment Incentive Loan Program), and Section 420.5099 (Allocation of the low-income housing tax credit). The requested increase of the total number of units and decrease of the Total Set-Aside Percentage would serve the purposes of Section 420.5099, Florida Statutes, and the Act as a whole, because one of the Act's primary purposes is to facilitate the availability of decent, safe and sanitary housing in the State of Florida to households of limited

means, and would provide the additional benefit of meeting the critical need for more units to serve the Homelespps population.

14. A denial of this Petition (a) will result in substantial economic hardship to Petitioner; (b) could deprive Duval County of essential, affordable housing units in a timely manner, and (c) would violate principles of fairness.¹ See § 120.542(2), Fla. Stat.

15. Should the Corporation require additional information, a representative of Petitioner is available to answer questions and to provide all information necessary for consideration of this Petition.

F. PERMANENCY

16. The waiver being sought is permanent in nature.

G. ACTION REQUESTED

Petitioner requests the following:

- a. That the Corporation grant Petitioner a waiver from Rule 67-48.004(3)(i) and (j), Florida Administrative Code, allowing it to increase the total number of units from 70 to 97 and to decrease the Total Set-Aside Percentage from 100% to 72.1649%;
- b. Grant the Petition and all the relief requested therein; and
- c. Grant such further relief as may be deemed appropriate.

Respectfully submitted,

STEARNS WEAVER MILLER WEISSLER
ALHADEFF & SITTERSON, P.A.

¹“Substantial hardship” means a demonstrated economic, technological, legal or other type of hardship to the person requesting the variance or waiver. “Principles of Fairness” are violated when literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule. See § 120.542(2), Florida Statutes.
