Term: Upon Execution of Work Order # OP-0000043771 through 7/27/2024

Performance and/or Design Requirements: Florida Housing uses Microsoft Dynamics Great Plains as the Corporation's primary accounting and enterprise resource planning software. The Corporation has recently renewed an agreement for routine 'pay-as-you-go' software support/maintenance under the Corporation's discretionary spending threshold, and now wishes to execute a work order for an upgrade from Dynamics GP 18.3 to Dynamics GP. 18.5 with the latest compatible service pack and migration to Microsoft Azure.

Intended Source: Tribridge Holdings, LLC, a DXC Technology Company

Estimated Dollar Amount: \$8,600 for the software upgrade; \$10,950 for 50 hours of routine maintenance.

Justification for Single Source Acquisition: Microsoft requires that Great Plains software and support be acquired by a designated support partner. Tribridge Holdings, LLC, is Florida Housing's designated support partner.

Approved By: Florida Housing Finance Corporation's Acting Executive Director, Angeliki G. Sellers

This Description of Intended Single Source Purchases is posted in accordance with Rule 67-49.0031, Florida Administrative Code. Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If the Executive Director, after reviewing any information received from prospective vendors, determines that the commodities or contractual services are practically available from a single source, the Corporation shall provide notice of its intended decision to enter into a single-source purchase contract in the manner specified in Section 120.57(3), Fla. Stat.
