DEVELOPMENTS LOCATED IN SMALL AND MEDIUM COUNTIES**

Issued By:

FLORIDA HOUSING FINANCE CORPORATION

Issued: June 18, 2024

Due: July [910](#), 2024

**SECTION ONE
INTRODUCTION**

This Request for Applications (RFA) is open to Applicants proposing the development of affordable, multifamily housing located in the Small and Medium Counties listed in Section Four A.5.a. of the RFA.

Under this RFA, Florida Housing Finance Corporation (the Corporation) expects to have (i) an estimated \$21,042,000 of Housing Credits available for award to proposed Developments that are located in Medium Counties and (ii) an estimated \$1,676,520 of Housing Credits available for award to proposed Developments that are located in Small Counties.

The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation’s generally applicable construction and financial standards.

**SECTION TWO
DEFINITIONS**

Capitalized terms within this RFA shall have the meaning as set forth in this RFA, in Exhibit B, Rule Chapter 67-48, F.A.C. (effective July 7, 2024) and Rule Chapter 67-60, F.A.C., (effective July 6, 2022) or in applicable federal regulations.

**SECTION THREE
PROCEDURES AND PROVISIONS**

Unless otherwise stated within the RFA, the Application package, forms and other information related to this RFA may be found on the RFA Webpage at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2024/2024-201> (also available by clicking [here](#)).

A. Submission Requirements

1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on July 9¹⁰, 2024.**

2. Completing the Application Package

a. Downloading and completing the documents provided by the Corporation

Download and complete the following documents found on the RFA Webpage:

- (1) The Application/Development Cost Pro Forma (Exhibit A of the RFA); and
- (2) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) in Excel (“Principals Disclosure Form”). If a Principals Disclosure Form was approved during the Advance Review Process, which is described in Section Four A.3.c. of the RFA, the stamped

"Approved" Principals Disclosure Form should be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA ("All Attachments Document").

Compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

As described in Section Four, B.2., to be awarded 5 points, bookmark the pdf of the All Attachments Document before uploading. It is not necessary to bookmark the individual documents within the Application Package (e.g. the Exhibit A document or the Principals Disclosure Form). Acrobat Standard DC or Acrobat Pro DC are the programs required to create bookmarks.

Note: The Corporation has provided instructions on how to bookmark the Attachments as well as sample pages that may be used to separate the attachments on the RFA Webpage. If any of the attachments are not applicable, the Applicant should insert a page stating "Not Applicable" behind the separation page.

3. Uploading the Application Package

To upload the Application Package described in 2.a. above:

- a. Go to the RFA Webpage.
- b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, click "Upload Application Package." Enter the Development Name and click "Browse" to locate the following completed saved documents:
 - (1) The Application (Exhibit A) in Excel format;

- (2) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);
- (3) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and may take a few minutes to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

- d. After the documents are displayed in the Upload webpage, click “Upload Selected Files” to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all four documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

For scoring purposes, the Corporation will not consider any documentation beyond the Application Package that is uploaded as described above.

Note: If the Applicant clicks “Delete” prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

4. Submitting the Application Fee

a. Application Fee

By the Application Deadline, provide to the Corporation the required non-refundable \$3,000 Application fee, payable to Florida Housing Finance Corporation via check, money order, ACH, or wire transfer.

To ensure that the Application Fee is processed for the correct online Application, the following is **strongly recommended**: (i) whether paying by check, money order, ACH or wire transfer, include the Development Name, RFA number with the payment; and (ii) if paying by wire, include the Federal Reference Number, or if paying by ACH, include the Trace Number at question B.1 of Exhibit A.

To ensure that the Application Fee is received prior to the Application Deadline, the following is **strongly recommended**: (i) provide the Application Fee at least two business days prior to the Application Deadline; (ii) if paying by check or money order, provide the payment in person or via method requiring signature upon delivery, (iii) if paying by wire or ACH, ensure with banking institution that funding has been received by Florida Housing.

At least 24 hours prior to the Application Deadline, the Corporation expects to post a list of the check numbers and wire/ACH reference numbers for all Applications that follow the above recommendation. If the online submission is not received by the Application Deadline, the payment will be refunded.

by having the Corporation's internal auditors run the total number of Applications received through a random number generator program.

6. Withdrawing an Application

Pursuant to subsection 67-60.004(2), F.A.C., any Applicant may request withdrawal of its Application from a competitive solicitation by filing a written notice of withdrawal with the Corporation Clerk. For purposes of the funding selection process, the Corporation shall not accept any Application withdrawal request that is submitted between 5:00 p.m., Eastern Time, on the last business day before the date the Review Committee meets to make its recommendations until after the Board has taken action on the Review Committee's recommendations, and such Application shall be included in the funding selection process as if no withdrawal request had been submitted. Any funding or allocation that becomes available after such withdrawal is accepted shall be treated as Returned Funding and disposed of according to Section Five B. of the RFA.

- B. This RFA does not commit the Corporation to award any funding to any Applicant or to pay any costs incurred in the preparation or delivery of an Application.
- C. The Corporation reserves the right to:
 - 1. Waive Minor Irregularities; and
 - 2. Accept or reject any or all Applications received as a result of this RFA.
- D. Any interested party may submit any inquiry regarding this RFA in writing via e-mail at RFA_2024-201_Questions@floridahousing.org (also accessible by clicking [here](#)) with "Questions regarding RFA 2024-201" as the subject of the email. All inquiries are due by 5:00 p.m., Eastern Time, on June 26, 2024. Phone calls or written inquiries other than at the above e-mail address will not be accepted. The Corporation expects to respond to all inquiries by 5:00 p.m., Eastern Time, on July 2, 2024, and will post a copy of all inquiries received, and their answers, on the RFA Webpage. The Corporation will also send a copy of those inquiries and answers in writing to any interested party that requests a copy. The Corporation will determine the method of sending its answers, which may include regular United States mail, overnight delivery, fax, e-mail, or any combination of the above. No other means of communication, whether oral or written, shall be construed as an official response or statement from the Corporation.
- E. Any person who wishes to protest the specifications of this RFA must file a protest in compliance with Section 120.57(3), F.S., and Rule Chapter 28-110, F.A.C. Failure to file a protest within the time prescribed in Section 120.57(3), F.S., shall constitute a waiver of proceedings under Chapter 120, F.S.
- F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:
 - 1. **Public Records.** Any material submitted in response to this RFA is a public record. Section 119.071(1)(b)2, F.S. authorizes the Corporation to exempt this material from disclosure requirements; however, the Corporation intends to post the Applications to the RFA Webpage sooner than 30 days after the Application Deadline.

2. **Noninterference.** The RFA has a Noninterference Period that is effective as of the Application Deadline through the time of the Board's final determination of the awards for the RFA. During the Noninterference Period, Applicants and their representatives are prohibited from contacting Board members or Corporation staff, unless it is Corporation legal staff, concerning their own or any other Applicant's Application in any attempt to influence the scoring or selection process. If an Applicant or its representative does contact a Board or non-legal Corporation staff member in violation of this section, the Board shall disqualify the Application.
3. **Requirements.** Proposed Developments funded under this RFA will be subject to the requirements of the RFA, inclusive of all Exhibits and all provisions of Rule Chapters 67-48, F.A.C., 67-60, F.A.C., and the Compliance requirements of Rule Chapter 67-53, F.A.C.
4. **Modifications.** Any modifications that occur to the Request for Application will be posted on the web site and may result in an extension of the deadline. It is the responsibility of the Applicant to check the website for any modifications prior to the Application Deadline.

To the extent that a modification gives rise to a protest, failure to file a protest within the time prescribed in Section 120.57(3), F.S., shall constitute a waiver of proceedings under Chapter 120, F.S.

- G. The Corporation expects to select one or more Applications to award the funding contemplated by this RFA. Any such Applications will be selected through the Corporation's review of each Application, considering the factors identified in this RFA.

SECTION FOUR INFORMATION TO BE PROVIDED IN APPLICATION

Provided below are the instructions to be used in completing Exhibit A of this RFA. Unless stated otherwise, all information requested in the RFA pertains to the Development proposed in this Application upon completion of the work.

A. Exhibit A Items

1. Review of Application

During the Review Committee scoring process, the Corporation (i) may rely on the answers submitted by the Applicant in Exhibit A, the Development Cost Pro Forma, and the Principals Disclosure Form; and (ii) may, but is not obligated to, review the substance of the documentation that is submitted as Attachments to the Application.

If it is determined that the Attachments do not meet the RFA requirements or the Applicant submitted materially incorrect information in the Application, the Corporation may take any or all of the following actions, even if the Application was not selected for funding, was deemed ineligible, or was withdrawn: deem the Application ineligible, rescind the award, and consider all Principals of the Applicant to have made a material misrepresentation subject to Section 420.518, F.S.

2. Demographic Commitment

Select one of the following Demographic Commitments:

- a. Family – The proposed Development will serve the general population.
- b. Elderly – Indicate whether the proposed Development will be an Elderly Assisted Living Facility (ALF) or an Elderly Non-ALF.

If the Elderly demographic commitment is selected, the Applicant understands, acknowledges and agrees that it will comply with the Federal Fair Housing Act requirements for housing for older persons and rent at least 80 percent of the total units to residents that qualify as older persons pursuant to that Act or as provided under any state or federal program that the Secretary of HUD determines is specifically designed and operated to assist elderly persons (as defined in the state or federal program). Further, the Applicant understands, acknowledges and agrees that all such units are subject to the income restrictions committed to in the Set-Aside Commitment section of this Application.

3. Applicant/Developer/Management Company/Contact Person

Per subsection 67-48.002(94), F.A.C., the Applicant, Developer(s) and all Principals of the Applicant and Developers that are not a natural person must be a legally formed entity as of the Application deadline.

- a. Applicant Information
 - (1) State the name of the Applicant.
 - (2) The Applicant must be a legally formed entity [i.e., limited partnership, limited liability company, etc.] qualified to do business in the state of Florida as of the Application Deadline. Include, as **Attachment 1** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Applicant satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.
 - (3) Non-Profit Applicant Qualifications

Indicate whether the Applicant is applying as a Non-Profit. Applicants that meet the definition of Non-Profit will qualify for a lower administrative fee, as described in Item 5 of Exhibit C.

As described in Exhibit D, during credit underwriting, documentation must be submitted demonstrating (a) how the Non-Profit entity is materially and substantially participating in the predevelopment, management, and operation of the proposed Development throughout the compliance period, within the

meaning of material participation as defined in 26 USC §469, 26 USC §42; and
(b) the Non-Profit entity meets the IRS and Section 42 qualifications.

If the Applicant applies as a Non-Profit entity and meets the requirements outlined above to be considered a Non-Profit for purposes of this RFA, it must remain a Non-Profit entity and the Non-Profit entity must (i) receive at least 25 percent of the Developer's fee; and (ii) contractually ensure that it substantially and materially participates in the management and operation of the Development throughout the Compliance Period. Any Applicant that applies as a Non-Profit but is not considered a Non-Profit will still be eligible for funding as a for profit entity.

The Applicant's Non-Profit status will be verified during credit underwriting. If this cannot be verified, the Applicant will no longer be considered a Non-Profit Applicant.

b. Developer Information

- (1) State the name of each Developer, including all co-Developers.
- (2) Each Developer entity identified (that is not a natural person, Local Government, or Public Housing Authority) must be a legally formed entity qualified to do business in the state of Florida as of the Application Deadline. For each stated Developer entity that is not a natural person, Local Government, or Public Housing Authority, provide, as **Attachment 3*** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Developer satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

***Attachment 2 intentionally omitted in this RFA.**

(3) Developer Experience

(a) Required Developer Experience

A natural person Principal of at least one experienced Developer entity, which must be disclosed as a Principal of the Developer on the Principals of the Applicant and Developer(s) Disclosure Form, Rev. 05-2019, ("Principals Disclosure Form"), must have, since January 1, 2004 completed at least three affordable rental housing developments, at least one of which was financed utilizing low-income housing tax credits pursuant to Section 42, IRC, and completed since January 1, 2014. At least one of the three completed developments must consist of a total number of units no less than 50 percent of the total number of units in the proposed Development.

The individual meeting the Developer Experience requirements must be disclosed as a Principal of the Developer on the Principals Disclosure Form and must also remain with the Development for three years following the issuance of a final certificate of occupancy or, in the event a final certificate of occupancy is not routinely provided by the applicable jurisdiction, such other information evidencing completion of the Development which is deemed acceptable to the Corporation.

Provide the information in Exhibit A to meet the required Developer experience.

For purposes of this provision, completed development means (i) that the temporary or final certificate of occupancy has been issued for at least one unit in one of the residential apartment buildings within the development, or (ii) that at least one IRS Form 8609 has been issued for one of the residential apartment buildings within the development. As used in this section, a Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity.

(b) Requests for additional Corporation Funding for a recently funded Development

Applications that request additional Corporation funding due to sizing (e.g., Viability Loan Funding or similar), regardless of whether the request is via approval of the Board of Directors or application for funds through a competitive process will, if the future RFA so provides, result in a point reduction in the scoring of Developer experience in future Applications in which the Developer, Co-Developer or any Principal of the Developer(s) named in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the Application is named for purposes of satisfying the Developer experience requirement in the future Application.

(c) Reduction in number of Priority 1 Application submissions allowed in the Future Corresponding RFA cycle

Applicants must either (i) close on the limited partnership agreement or limited liability company operating agreement, as applicable,* and provide a copy of the recorded Notice of Commencement from the Official Records of the applicable jurisdiction(s) by the closing deadlines as set forth in the Carryover Allocation Agreement; or (ii) if the Development has any HUD funding, including but not limited to rental

subsidy, development funding, or insured mortgage financing, at least 90 days prior to the closing deadline set forth in the Carryover Allocation Agreement, the Applicant must submit evidence to the Corporation that the Financing Plan, Subsidy Layering Review Package, rental subsidy transfer documentation, or Firm Commitment Application, or similar necessary documentation for the application process has been submitted to HUD or the Public Housing Authority, as applicable. If the Application fails to meet these requirements and either requires a closing and/or Notice of Commencement extension, or does not submit the required documentation outlined in (ii) above to HUD or the Public Housing Authority as applicable within the stated time frame, the Principals of the Application will be prohibited from submitting Priority 1 Applications in the Future Corresponding RFA cycle after the limited partnership agreement/limited liability company operating agreement and Notice of Commencement deadlines pass, (e.g. RFA 2026 Housing Credit Financing For Affordable Housing Developments Located In Small and Medium Counties).

*To meet the limited partnership agreement/limited liability company operating agreement closing requirement as stated in (i) above, the following requirements must be met:

- The limited partnership agreement or limited liability company operating agreement must be executed by all parties on or before the deadline as set forth in the Carryover Allocation Agreement.
- The limited partnership agreement or limited liability company operating agreement must reflect the percentage interest and all capital contributions to be contributed by the Investor Member/Limited Partner.
- At a minimum the closing of the first mortgage construction financing source must occur prior to or concurrently with the closing of the limited partnership agreement or limited liability company operating agreement.
- The 15% pay-in requirement as stated in Exhibit D of the RFA must be met. Dry closings or closing in escrow will not satisfy the limited partnership agreement/limited liability company operating agreement closing requirement.

c. Principals Disclosure for the Applicant and for each Developer and Priority Designation

(1) Eligibility Requirements

To meet the submission requirements, upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) ("Principals Disclosure Form") as outlined in Section Three above. Prior versions of the Principals Disclosure Form will not be accepted.

To meet eligibility requirements, the Principals Disclosure Form must identify, pursuant to subsections 67-48.002(94), 67-48.0075(8) and 67-48.0075(9), F.A.C., the Principals of the Applicant and Developer(s) as of the Application Deadline. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals. Per subsection 67-48.002(94), F.A.C., any Principal other than a natural person must be a legally formed entity as of the Application deadline.

For Housing Credits, the investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company (or a placeholder for the investor) must be identified on the Principals Disclosure Form.

(2) Approval during Advance Review Process (5 Points)

Applicants will receive 5 points if the uploaded Principals Disclosure Form is either (a) stamped “Approved” at least 14 Calendar Days prior to the Application Deadline; or (b) stamped “Received” by the Corporation at least 14 Calendar Days prior to the Application Deadline AND stamped “Approved” prior to the Application Deadline.

To document these dates, the Corporation will stamp the Principals Disclosure Form on the date it is received and the date it is approved. If a Principals Disclosure Form has been approved, but the Applicant must change the form for any reason, the form may be edited and resubmitted for approval, but the form will receive a new stamp reflecting the date the Corporation received the revised form. Likewise, if a form is returned to the Applicant for correction, the Applicant may make corrections and resubmit the form, but the date of the resubmission will be reflected as the date received. If a Principals Disclosure Form is submitted for an RFA with a “Received” date that is within 14 Calendar Days of the Application Deadline, the Applicant will not be eligible for the 5 Advance Review points.

The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the RFA Webpage and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

(3) Designation of Priority 1 and 2 Applications

Principals of Applications in this RFA are limited to a maximum of three Priority 1 Related Application submissions in this RFA; however, Principals of Applications submitted in previous RFAs may have further limitations on the number of Priority I Applications to be submitted in this RFA. The 2024/2025

Priority I Application Limitation Chart outlining such limitations is available on the RFA Webpage.

Note: In the context of a joint venture between a Public Housing Authority (“PHA”) (or an instrumentality of a PHA) and a Developer(s), separate Applicants do not affect one another’s total Related Applications if the only connection is a joint venture between the Developer and a PHA or instrumentality of a PHA. In this situation, the Applicants’ total number of Applications remain independent/autonomous of one another’s Related Applications tally.

However, in all circumstances, PHAs, Applicants, and Developers are still limited to only three Related Applications per entity, or as further limited per the 2024/2025 Priority I Application Limitation Chart.

The Corporation will review the entire Application submission to determine whether the Applicant has submitted more than the maximum number of Priority 1 Related Applications.

If, during scoring, it is determined that the maximum set forth above was exceeded, all Applications affiliated with the Principals of the affected Applications will be deemed Priority 2. If, after awards are made, it is determined that the maximum set forth above was exceeded, the award(s) for the affected Applications will be rescinded and all Principals of the affected Applications may be subject to material misrepresentation, even if the Related Applications were not selected for funding, were deemed ineligible, or were withdrawn.

If no designation is made in Exhibit A, the Application will be considered a Priority 2 Application. There is no limit to the number of Priority 2 Applications that can be submitted.

- (4) Material and non-material changes to the Applicant entity or Developer entity
 - (a) The name of the Applicant entity or Developer entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting.
 - (b) Prior to issuance of the Carryover Allocation Agreement, any change (materially or non-materially*) in the ownership structure of the named Applicant will require review and recommendation of the Corporation, as well as Board approval prior to the change. Once the Carryover Allocation Agreement has been executed by all parties, (i) replacement of the Applicant or a material* change in the ownership structure of the named Applicant will require Board approval prior to the change, and (ii) any non-material* change in the ownership structure of the named Applicant will require Corporation approval prior to the change. The Applicant entity may be changed without Board approval after a Final

Cost Certification Package has been approved by the Corporation and the IRS Forms 8609 have been issued; however, the Corporation must still be notified in writing of the change. The Applicant must comply with Principal disclosure requirements outlined in Rule Chapter 67-48, F.A.C. for the duration of the Compliance Period. Changes to the Applicant entity (material or non-material*) prior to the execution of a Carryover Allocation Agreement or without Board approval or Corporation approval, as applicable, prior to the approval of the Final Housing Credit Allocation and issuance of the IRS Forms 8609 may result in a disqualification from receiving funding and may be deemed a material misrepresentation. Changes to the limited partner of an investor limited partnership or an investor member of a limited liability company owning the syndicating interest therein will not result in disqualification; however, if a change to the investor limited partner or investor member is made after the closing of the partnership agreement, the amended agreement reflecting the change must be provided to the Corporation. Changes to the officers or directors of a Public Housing Authority or a Non-Profit entity, regardless of when they occur, shall require Corporation approval. Any allowable replacement to the natural person Principals of a Public Housing Authority or officers and/or directors of a non-profit entity will apply to all preliminarily awarded Applications and Applications pending final Board action that include the Public Housing Authority or non-profit entity. An updated Principals Disclosure Form is required for all change requests.

*A material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

- (c) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting as outlined in Rule Chapter 67-48, F.A.C.

d. **General Management Company Information**

Identify the Management Company and complete the prior experience chart for the Management Company demonstrating experience in the management of at least two affordable rental housing properties (i.e., properties funded through an affordable housing program such as Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.), at least one of which consists of a total number of units no less than 50 percent of the total number of units in the proposed Development, for at least two years each.

e. Contact Person

- (1) Enter the information for the required Authorized Principal Representative. The Authorized Principal Representative (a) must be a natural person Principal of the Applicant listed on the Principals Disclosure Form; (b) must have signature authority to bind the Applicant entity; (c) must sign the Applicant Certification and Acknowledgement section of Exhibit A; and (d) if funded, will be the recipient of all future documentation that requires a signature.
- (2) A separate Operational Contact Person may be included, if desired. If provided, the Operational Contact Person will be the recipient of any general correspondence associated with the Development activities that does not require a signature. If an Operational Contact Person is not provided, the Authorized Principal Representative will be the recipient of any such documentation.

4. General Proposed Development Information

- a. State the name of the proposed Development.
- b. Development Category/ Rental Assistance (RA) Level
 - (1) Select one of the following Development Categories:
 - New Construction
 - Rehabilitation
 - Acquisition and Rehabilitation

If the proposed Development consists of acquisition and Rehabilitation, with or without new construction (where the applicable new construction is for the building of units which will total less than 50 percent of the proposed Development's total unit count), and the Applicant is not requesting Corporation funding related to the acquisition, the Applicant should select Rehabilitation as the Development Category. However, the acquisition costs and sources must still be reflected on the Development Cost Pro Forma.

- (2) The proposed Development must meet the Development Category requirements for the applicable Development Category as listed below:

(a) New Construction

The proposed Development may consist of either (A) 100 percent new construction; or (B) a combination of new construction and Rehabilitation if at least 50 percent of the total units are new construction.

Development Subcategory of Redevelopment (with or without Acquisition)

Applications that qualify for the Development Category of New Construction will qualify for the Development Subcategory of Redevelopment (with or without Acquisition) through the following:

- (i) The Development must meet the definition of Redevelopment in Rule Chapter 67-48.002, F.A.C.; and
 - (ii) State the year built and the total number of units that will receive PBRA and/or ACC if the proposed Development is funded in Exhibit A;
 - (iii) Provide, as **Attachment 4** to Exhibit A, a Rental Assistance Qualification Letter from HUD or RD as outlined in (3)(a)(i) below.
- (b) Rehabilitation (with or without Acquisition)
- (i) The proposed Development may consist of either (A) 100 percent Rehabilitation; or (B) a combination of new construction and Rehabilitation if less than 50 percent of the total new units are new construction;
 - (ii) The proposed Development must meet the definition of Rehabilitation in Rule 67-48.002, F.A.C.; and
 - (iii) Rehabilitation expenses within one 24-month period for the building(s) being rehabilitated must meet the criteria for both items below:
 - (A) The estimated total amount of applicable development expenditures must meet the minimums provided in Section 42.(e)(3) of the IRC; and
 - (B) The estimated total amount of hard rehabilitation costs per unit must be greater than or equal to \$40,000.

The Corporation performs a calculation to verify these criteria are met and displays them within Exhibit A using the values within the Development Cost Pro Forma as identified below. The calculations are determined as follows:

Calculation information for (A) above:

To calculate the estimated total amount of rehabilitation expenses relative to Section 42.(e)(3) of the IRC: Begin with the eligible Development Cost (Column 1, Item C), subtract eligible

Total Acquisition Costs of Existing Development excluding land (Column 1, Item B), add eligible Developer Fee on Non-Acquisition Costs (Column 1, found within Item D, subject to RFA limits). When the qualified basis attributable to such amount per low-income unit is required, multiply such amount by 1.3 if a basis-boost is applicable, or 1.0 if not, and then divide by the total number of units.

Note: Regardless of the number of buildings in the proposed Development, the calculation at time of application will be based on the Development as a whole. Rehabilitation expenses are amounts chargeable to the capital account related to the rehabilitation of a building which are exclusive of the costs associated with the acquisition of the building.

To calculate the adjusted basis of the acquired building:

Begin with eligible Total Acquisition Costs of Existing Development excluding land (Column 1, Item B), add eligible Developer Fee on Acquisition Costs (Column 1, found within Item D). However, if the first line item in Column 1, Item B (Acquisition Cost of Existing Development, excluding land, Existing Building(s)) is zero, then the adjusted basis of the building shall also be zero.

Calculation information for (B) above:

Calculate the estimated total amount of hard rehabilitation costs per unit, relative to Rule requirements: Begin with Total Actual Construction Cost (Column 3, Item A1.1), add Hard Cost Contingency (Column 3, Item A1., subject to RFA limits) and divide the result by total units.

- (3) Rental Assistance (RA) Level Classification
 - (a) Rental Assistance Qualification Letter
 - (i) New Construction Developments with the Development Subcategory of Redevelopment (with or without Acquisition)

The Rental Assistance Qualification Letter is not an eligibility requirement for proposed New Construction Developments with the Development Subcategory of Redevelopment (with or without Acquisition); however, one of the qualifications for this Development Subcategory is to provide the Rental Assistance Qualification Letter **as Attachment 4**, that is dated within 12 months of the Application Deadline, which includes the following information:

- Name of the Development*;
- Address of the Development;
- Year built**;
- Total number of units that will receive PBRA and/or ACC if the proposed Development is funded;
- Total number of units that currently have or are receiving PBRA and/or ACC. If none, the total number of units that originally received PBRA; and
- The HUD or RD program currently associated with the existing development. If none, the HUD or RD program originally associated with the existing development.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

** The Development must have been built at least 30 years prior to the Application Deadline to meet the definition of Redevelopment.

(ii) Development Category of New Construction or Rehabilitation, with or without Acquisition

The Rental Assistance Qualification Letter is not an eligibility requirement for proposed Developments with the Development Category of New Construction or Rehabilitation, with or without Acquisition; however, in order to be classified as an RA Level other than RA Level 6, state the total number of units that will receive PBRA, ACC, and/or other form of federal long-term rental assistance if the proposed Development is funded and provide the Rental Assistance Qualification Letter as **Attachment 4**, which must meet the following requirements:

The Rental Assistance Qualification Letter must be a letter from a designated administrator of a federal program that provides long-term rental assistance. The rental assistance provided must be tied to the proposed Development and its units and be for a minimum of 20 years from the date the Development's units are placed in service*. The letter must include the following information and be dated within 12 months of the Application Deadline:

- Name of the proposed Development;
- Address of the proposed Development;
- Total number of units that will receive PBRA, ACC, and/or other form of federal long-term rental assistance if the proposed Development is funded;
- The federal program associated with the rental assistance; and
- A statement that the committed rental assistance will be reserved and available for use by the proposed Development by the time the units are placed in service and

committed for a minimum of 20 years upon the units being placed in service*.

*This may be subject to congressional appropriation and continuation of the rental assistance program. For developments documenting the commitment of RD rental assistance, the minimum 20-year commitment term from the date the Development's units are placed in service is not applicable.

All funded Applications will be held to the number of RA Units stated in the Rental Assistance Qualification Letter provided by the Applicant. This requirement will apply throughout the compliance period, subject to congressional appropriation and continuation of the rental assistance program.

(b) Calculating the Rental Assistance (RA) Level

The total number of units that **will** receive rental assistance (i.e., PBRA and/or ACC and, in the case of New Construction and Rehabilitation, other forms of federal long-term rental assistance) will be the basis of the Applicant's RA Level Classification. The Corporation will divide the RA Units by the total units, resulting in a Percentage of Total Units that are RA Units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the number of RA Units. The best rating of these two levels will be assigned as the Application's RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units that will receive Rental Assistance		Number of RA Units that will receive Rental Assistance
Level 1	All units (with the exception of up to 2 units)	or	At least 100 RA Units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	At least 90 RA Units but less than 100 RA Units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	At least 75 RA Units but less than 90 RA Units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units will receive rental assistance or if the Applicant fails to meet the criteria outlined above.

(4) Development Category Funding Preference

- (a) Applicants that selected the Development Category of New Construction will automatically qualify for the Development Category Funding Preference.
- (b) Qualifications for Applicants that selected the Development Category of Rehabilitation, with or without Acquisition

Applicants that selected the Development Category of Rehabilitation, with or without Acquisition, will qualify for the Development Category Funding Preference outlined in Section Five of the RFA by indicating at question 4.b.(4) of Exhibit A that the proposed Development does NOT meet the definition of Preservation as defined in Rule Chapter 67-48.002, F.A.C.

If Applicants that selected the Development Category of Rehabilitation, with or without Acquisition do not answer question 4.b.(4) of Exhibit A, or if the Application reflects an answer of “Yes”, the Application will NOT qualify for the Development Category Funding Preference.

c. Characteristics of Development

(1) Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Duplexes
- Quadraplexes
- Townhouses
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High-Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, commercial, parking, utility, or residential.

Note: Any dwelling unit that consists of more than one story, (e.g. Townhouse), is prohibited for Elderly Developments. A residential building that consists of more than one story is not prohibited for Elderly Developments if there is a minimum of one elevator per residential building provided for all Elderly units that are located on a floor higher than the first floor.

(2) Enhanced Structural Systems (“ESS”) Construction Qualifications

To qualify as “Enhanced Structural Systems Construction” or “ESS Construction” for purposes of the Total Development Cost Limitation test and the Leveraging calculation, the proposed Development must meet at least one of the specifications listed below.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements below.

(a) ESS Construction qualifications based on Development Type

(1) High-Rise Development qualifications

Any new construction buildings with the Development Type of High-Rise (7 or more stories) shall qualify as “ESS Construction.”

(2) Mid-Rise Development qualifications

Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize a ESS Podium Structure shall qualify as “ESS Construction.”

The term “ESS Podium Structure” shall mean a non-residential* support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together.

*The ESS Podium Structure must utilize at least 85 percent of the square footage for parking or non-commercial utility/ancillary building uses only. Up to 15 percent of the square footage can be used for other non-residential purposes. The top surface of the podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

(b) ESS Construction qualifications based on construction materials

For all new construction buildings, and as of the Application Deadline for all existing buildings proposed for rehabilitation**, as applicable, all of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story’s floor.

For the purposes of determining “ESS Construction,” there is no requirement regarding the materials to be used in the roof of the building.

****If the proposed work includes rehabilitation of any structural elements listed above, the structural elements must also meet the above requirements after completion of the rehabilitation work.**

ESS units must be designated on the Unit Characteristic Chart described below. This will be verified during the credit underwriting process. If this cannot be verified the units will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

d. Unit Characteristic Chart

Complete the chart in Exhibit A of the RFA reflecting the appropriate breakdown reflecting the number of units within each of the Development Categories, Development Types, or ESS/non-ESS Construction.

5. Location of Proposed Development

a. County

Indicate the county where the proposed Development will be located.

Medium		Small	
Alachua	Manatee	Baker	Jackson

b. Address of the Development site

Provide the Address of the Development site. Indicate (1) the address number, street name, and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county. If the proposed Development consists of Scattered Sites, this information must be provided for each of the Scattered Sites.

c. Scattered Sites

State whether the Development consists of Scattered Sites. If the proposed Development consists of Scattered Sites, the following conditions must be met:

- (1) For Developments located in a county other than Monroe County, a part of the boundary of each Scattered Site must be located within ½ mile of a part of the boundary of the Scattered Site with the most units. For Developments located in Monroe County, a part of the boundary of each Scattered Site must be located within 20 miles of a part of the boundary of the Scattered Site with the most units;
- (2) Site control and Ability to Proceed must be demonstrated in the Application for all Scattered Sites; and
- (3) All Scattered Sites must be located within the same county.

d. Latitude/Longitude Coordinates

- (1) Provide a Development Location Point stated in decimal degrees, rounded to at least the sixth decimal place. If the proposed Development consists of Scattered Sites, as of Application Deadline the Development Location Point must affirmatively be established on the site with the most units, as outlined in subsection 67-48.002(34), F.A.C., and latitude and longitude coordinates for each Scattered Site must also be provided.
- (2) If the proposed Development consists of Scattered Sites, for each Scattered Site that is in addition to the Development Location Point information provided in (1) above, provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

e. Proximity Requirements and Proximity Tiebreakers used in Funding Selection Process

The Application may earn proximity points based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 5.e.(2)(a) of Exhibit A) and the Community Services stated in Exhibit A. Proximity points are awarded according to the Transit and Community Service Scoring Charts outlined in Item 2 of Exhibit C. Proximity points will not be applied towards the total score. Proximity points will only be used to determine whether the Applicant meets the required minimum proximity eligibility requirements and the preferences outlined in the chart below.

Minimum number of Total Proximity Points

All Applications, with the exception of Applications that qualify for the Local Government Areas of Opportunity Designation and the SunRail Goal, must achieve a minimum number of total proximity points to be eligible for funding.

Proximity Funding Preference Qualifications

All Applications, including Applications that qualify for the Local Government Areas of Opportunity Designation and the SunRail Goal, may also qualify for the Proximity Funding Preference described in Section Five, B.2. of the RFA.

The Proximity Funding Preference is not used when selecting the highest ranking Applications to meet the Local Government Areas of Opportunity Goal or the SunRail Goal, but will be used when selecting Applications in the remaining selection process, which may include Applications that qualify for the Local Government Areas of Opportunity Goal or the SunRail Goal, but were not selected for funding to meet those goals.

Application Qualifications	Required Minimum Total Proximity Points that Must be Achieved to be Eligible for Funding	Minimum Total Proximity Points that Must be Achieved to Receive the Proximity Funding Preference
If a Medium County Application that does not qualify for the Local Government Areas of Opportunity or the SunRail Goal	7.0	9.0 or more
If a Medium County Application AND qualifies for the Local Government Areas of Opportunity or the SunRail Goal	Qualifies automatically	9.0 or more
All Small County Applications	4.0	6.0 or more

*Criteria for meeting the Local Government Areas of Opportunity Designation are outlined in Section Four, A.11.a. of this RFA.

Awarding Proximity Points

The Application may earn proximity points through the following:

- Qualifying for the PHA Proximity Point Boost or the RD 515 Proximity Point Boost;
- Providing private transportation or based on the distance between the Development Location Point and the Bus or Rail Transit Service; and
- Based on the distance between the Development Location Point and the Community Services.

- (1) PHA or RD 515 Proximity Point Boost
 - (a) PHA Proximity Point Boost

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3-point boost toward its proximity score if the Applicant states that it qualifies and provides a letter from the PHA dated within 12

months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 5** to Exhibit A.

or

(b) RD 515 Proximity Point Boost

An Application that involves property that is currently assisted with RD 515 funding will qualify to receive a 3-point boost toward its proximity score if the Applicant demonstrates RD 515 funding as outlined in Section Four A.10.b.(1) of the RFA, and either (i) selects the Development Category of Rehabilitation; or (ii) qualifies for the Development Subcategory of Redevelopment, with or without Acquisition.

(2) Transit Services (Maximum of 6 points)

Select Private Transportation or provide the location information for one of the remaining four Transit Services to achieve Proximity Points to use for calculating the Application's Transit Score. The Transit Service Scoring Charts, reflecting the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

Location of coordinates for Transit Services

To receive proximity points for Transit Services other than Private Transportation, provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points.

For a Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, and Rail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

(a) Private Transportation (2 Points)

This service is defined in Exhibit B and may be selected only if the Applicant selected the Elderly (ALF or Non-ALF) Demographic Commitment.

or

- (b) Public Bus Stop (Maximum 6 Points)
 - (i) This service is defined in Exhibit B and may be selected by all Applicants.
 - (ii) Each Public Bus Stop must meet the definition of Public Bus Stop as defined in Exhibit B. Each Public Bus Stop, except for Sister Stops, must serve at least one unique route. Up to two of the selected Public Bus Stops may be Sister Stops as defined in Exhibit B.

or

- (c) Public Bus Transfer Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

- (d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

- (e) Public Rail Station (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

- (3) Community Services (Up to three Community Services may be selected, for a maximum 4 Points for each service)

The Community Services that are available to all Demographics are Grocery Store, Medical Facility, Pharmacy, and Public School.

Up to three Community Services may be selected, for a maximum 4 Points for each service. If all four Community Services are selected, the Corporation will only award points for the three Community Services that are closest to the Development Location Point based on the distance stated in Exhibit A, even if the service that is furthest from the Development Location Point would have achieved a higher point value. In the event that the two Community Services that are furthest from the Development Location Point have an equal distance, the Corporation will select the service that is listed higher on the Community Service chart in Exhibit A. Under no circumstance will the fourth service be considered for points, even if during the litigation process, one of the Community Services is determined to not qualify for proximity points.

Provide the location information and distances for Community Services on which to base the Application’s Community Services Score. The Community

Service Scoring Charts, which reflect the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

The distance between the Development Location Point and each Community Service must be calculated from a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located. If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same location for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

(4) Scoring Proximity to Services (Transit and Community)

(a) Private Transportation

Applicants that selected the Elderly (ALF or Non-ALF) Demographic Commitment and wish to provide Private Transportation as the Transit Service must select “Yes” at question 5.e.(2)(a) of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services

Applicants that wish to receive proximity points for Transit Services other than Private Transportation must provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location Point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on “WGS 84” and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

(c) Community Services

Applicants that wish to receive proximity points for any community service must provide the name and address for that service, and the distance between the Development Location Point and the location for the service. The distances between the Development Location Point and the doorway threshold for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on “WGS 84” and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

(5) SunRail Goal

To qualify for this Goal, the Development Location Point must be within 0.5 miles of a SunRail Station. State the name of the SunRail Station at question 5.e.(2)(c) of Exhibit A.

Applications that qualify for the Local Government Areas of Opportunity Designation or SunRail Goal will automatically meet the Mandatory Distance and Proximity eligibility requirements outlined in this RFA.

f. Mandatory Distance Requirement

To be eligible for funding, Applications must qualify for the Mandatory Distance Requirement. Applications may qualify automatically as outlined below. Applications that are not eligible for the automatic qualification will only qualify if the distance between the Development Location Point, (and the latitude and longitude coordinates provided for any Scattered Sites, if applicable), and the coordinates for the other properties identified on the June 7, 2024 FHFC Development Proximity List (the List) that serve the same demographic group as the proposed Development meets the Mandatory Distance Requirement as outlined in (2) below. The List is available on the RFA Webpage. Applications that do not qualify for the Mandatory Distance Requirement under (1) or (2) below will not be eligible for funding.

(1) Applications Eligible for the Automatic Qualification for the Mandatory Distance Requirement

- (a) The Applicant selected the Rehabilitation Development Category (with or without Acquisition), the proposed Development involves the Rehabilitation of an existing, occupied residential rental property in operation as of the Application Deadline, and the proposed Development meets all of the following criteria: (i) the Applicant commits to set aside 30 percent of the total units as ELI Set-Aside units

- on the Total Set-Aside Breakdown Chart, and (ii) the proposed Development is classified as RA Level 1 or RA Level 2; or
 - (b) The Applicant qualifies for the Development Subcategory of Redevelopment (with or without Acquisition) and the proposed Development meets all of the following criteria: (i) the Applicant commits to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart, (ii) the proposed Development is classified as RA Level 1 or RA Level 2, and (iii) the Percentage of Total Units that will have Rental Assistance is greater than 75 percent;
 - (c) The proposed Development qualifies for the Local Government Areas of Opportunity Designation outlined in Section Four A.11.a. of the RFA; or
 - (d) The Application qualifies for the SunRail Goal outlined in Section Four, A.5.e.(5) of the RFA.
- (2) Applications not eligible for the automatic qualification for the Mandatory Distance Requirement will qualify for the Mandatory Distance Requirement if the distance between the latitude and longitude coordinates provided for the Development Location Point, and any Scattered Sites, if applicable, to the coordinates for the other properties identified on the List that serve the same demographic group as the proposed Development meet the following distance requirements:

County Size	Distance between the proposed Development and Developments on the List if proposed Development <u>is</u> an LDA Development	Distance between the proposed Development and Developments on the List if proposed Development is <u>not</u> an LDA Development; AND the Development on the Proximity List has <u>at least</u> 31 Total Units	Distance between the proposed Development and Developments on the List if proposed Development is <u>not</u> an LDA Development; AND the Development on the Proximity List has <u>less than</u> 31 Total Units
All Small Counties	5 miles	2.0 miles	1.0 miles
All Medium Counties	N/A	1.0 miles	0.50

The List and mapping software displaying both the Proximity List properties on the list and the Mandatory Distance Requirement buffers described in the chart above are available on the RFA Webpage.

An Applicant may disregard any Development(s) on the List that serves the same demographic group as the proposed Development if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior

phase of the proposed Development. If this provision applies to the proposed Development, Identify the Development(s) on the List that it wishes to disregard.

g. Limited Development Areas (LDA)

- (1) A proposed Development will be designated as an LDA Development if it is located within Franklin County. The boundaries for the 2024 Limited Development Areas are reflected on the <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/lda-information/2024>.
- (2) For an LDA Development to be deemed eligible for funding, it must meet all of the following LDA Development Conditions. The conditions are:
 - (a) The Applicant demonstrated its commitment to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart; and
 - (b) The proposed Development is classified as RA Level 1 or RA Level 2; and
 - (c) The Percentage of Total Units that will have Rental Assistance is greater than 75 percent.
 - (d) The proposed Development consists of a total of 250 units or less. (Note: the total number of units is further restricted by the Elderly Demographic provisions if the Applicant selected the Elderly Demographic Commitment (ALF or Non-ALF).

h. Racially and Ethnically Concentrated Areas of Poverty (RECAP)

Indicate whether any part of the proposed Development is located in a RECAP designated area. The Racially and Ethnically Concentrated Areas of Poverty, effective February 1, 2024 are available on the Corporation's Website at [https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/racially-and-ethnically-concentrated-areas-of-poverty-\(recap\)](https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/racially-and-ethnically-concentrated-areas-of-poverty-(recap)) (also accessible by clicking [here](#)). If any part of the proposed Development is located in a RECAP designated area, the entire proposed Development will be considered to be located in a RECAP designated area.

If the question is not answered, the Corporation will consider the proposed Development to be located in a RECAP designated area.

Applications for proposed Developments that are located in a RECAP designated area or that fail to answer this question will be ineligible for funding unless one or more of the following conditions are met:

- (1) The Application qualifies for the Development Subcategory of Redevelopment, with or without Acquisition; or

- (2) The Application is proposing a Development that is part of a Local Government Revitalization Plan. To demonstrate this, all of the following criteria must be met:
- The question at 5.h.(2) of Exhibit A must reflect confirmation that the Application is proposing a Development that is part of a Local Government Revitalization Plan;
 - The properly completed Florida Housing Finance Corporation Local Government Verification That Development Is Part Of A Local Revitalization Plan form (Form Rev. 08-2020) must be submitted as **Attachment 5**; and
 - The form must demonstrate that the plan was adopted on or before January 1, 2024.

6. Number of Units and Buildings

- a. State the total number of units that will be in the proposed Development upon completion. The total units include all set-aside units, Manager Units as described in Rule Chapter 67-53, F.A.C., and if applicable, market rate units.
- (1) Minimum total unit and Set-Aside Unit requirement
- All proposed Developments must consist of a minimum of 30 **total** units; however, if the Applicant is a for profit Applicant, Family and Elderly Non-ALF Developments with a total set aside commitment that is less than 80 percent of the total units, the Development must have a minimum of 75 **Set-Aside** Units.
- (2) The maximum total number of units, if applicable, is limited as follows:
- (a) Elderly Non-ALF Developments
- (i) There is no total unit limitation for proposed Developments with the Development Category of Rehabilitation, with or without Acquisition, of an existing, occupied housing facility that is operating as housing for older persons as set forth in the Federal Fair Housing Act as of the Application Deadline.
- (ii) Proposed Developments that do not meet the conditions in (a) above that are located in all other counties may consist of up to 160 total units.
- (b) Elderly ALF Developments may consist of up to 125 total units.
- (c) Family Developments
- If the Development is deemed an LDA Development, the limit is 250 units. For all other Developments, there is no total unit limitation for Family Developments.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been invited to enter into credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

b. If the Development Category is Rehabilitation, with or without Acquisition, indicate whether there are any existing units on the Development site as of Application Deadline, and if so, the occupancy status of such units. Regardless of the Development Category, if there are existing occupied units and if the Development is funded, a plan for relocation of existing tenants will be required to be provided to the Credit Underwriter, as outlined in Exhibit D.

c. Set-Aside Commitments

(1) Minimum Set-Aside Commitments per Section 42 of the IRC

Per Section 42 of the IRC, elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL Set-Aside Units at 50 percent or less of the AMI. Applicants may select the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income.

(2) Set-Aside Commitments per Corporation Requirements

The Corporation has additional minimum set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

(a) Total Income Set-Aside Commitment

- (i) For Applications that commit to the Family or Elderly Non-ALF Demographic Commitment and qualify as Non-Profit Applications

If Average Income Test is not selected, set aside a total of at least 80 percent of the Development's total units at 60 percent AMI or less.

If the Average Income Test is selected, set aside a total of at least 80 percent of the Development's total units at 80 percent AMI or less, but the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60 percent.

- (ii) For Applications that commit to the Family or Elderly Non-ALF Demographic Commitment, and do not qualify as Non-Profit Applications

Applicants that commit to the Family or Elderly Non-ALF Demographic Commitment, and do not qualify as Non-Profit Applications may commit to set aside less than 80 percent of the Development's total units at or below 60 percent AMI, if the proposed Development has a minimum of **75 Set-Aside Units**. If the Average Income Test is selected, the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60 percent.

- (iii) For Applications that commit to the ALF Demographic Commitment

If the Average Income Test is not selected, Applications that commit to the ALF Demographic Commitment must set aside a total of at least 50 percent of the Development's total units at 60 percent AMI or less.

If the Average Income Test is selected, Applications that commit to the ALF Demographic Commitment must set aside a total of at least 50 percent of the Development's total units at 80 percent AMI or less, but the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60 percent.

*The Average AMI of the Qualifying Housing Credit Units is further described in (3)(b) below.

(b) Extremely Low Income (ELI) Set-Aside Requirements

The proposed Development must set aside a required percentage of total units for ELI Households.

If the Development is deemed an LDA Development, the proposed Development must set aside at least 30 percent of total units for ELI Households. If the Average Income Test is not selected and the Development is not an LDA Development, the proposed Development must set aside at least 10 percent of total units for ELI Households. The requirement to set aside units for ELI Households refers to the ELI Area Median Income (AMI) level for the county where the proposed Development is located, as outlined on the chart below.

If the Development is deemed an LDA Development, the proposed Development must set aside at least 30 percent of total units for ELI Households. If the Average Income Test is selected and the Development is not an LDA Development, the proposed Development must set aside at least 15 percent of total units for ELI Households and the ELI AMI level will be 30%, regardless of county.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant’s ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required ELI Set-Aside percentage.

(c) Link Units for Persons with Special Needs

With the exception of Developments financed with HUD Section 811, a United States Department of Agriculture RD program, and Applicants that select the Elderly ALF Demographic Commitment, all Developments must commit to set-aside 50 percent of the ELI Set-Aside units, rounded up, as Link Units for Persons with Special Needs.

At least one member of each Link unit’s household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation’s Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). The owner must execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development’s county. The deadline for the Corporation’s approval of the fully executed Link MOU is outlined in Exhibit D.

- Link Unit requirements for Non-LDA Developments

If the proposed Development is not an LDA Development, 50 percent of the ELI Set-Aside units, rounded up must be set aside as Link units for Persons with Special Needs.

For example, Application A consists of 107 total units, but does not commit to the Average Income Test. 11 units, (10 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. Six of the ELI Set-Aside units, (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

In another example, an Applicant submits Application B, which consists of 106 total units, and commits to the Average Income Test. 16 units, (15 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. Eight of the ELI Set-Aside units, (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

- If the proposed Development is an LDA Development, 30 percent of the ELI Set-Aside units, rounded up, must be set aside as Link units for Persons with Special Needs.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E of the RFA.

(d) Tenant Selection Plan

Unless the Development meets an exception outlined in (i) below, a Tenant Selection Plan must be submitted to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting. The Tenant Selection Plan must be approved by the Corporation and, if required, HUD prior to the completion of the final credit underwriting report.

(i) Exceptions to Tenant Selection Plan requirements

- Developments financed with HUD Section 811;
- Developments financed with a United States Department of Agriculture RD program; or
- Applicants that select the Elderly ALF Demographic Commitment.

All other Applications must achieve Corporation approval and, if required, HUD approval prior to the completion of the final credit underwriting report.

(ii) Achieving Corporation approval

To achieve approval by the Corporation, the Tenant Selection Plan must be submitted by the owner to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

The Tenant Selection Plan Guidelines and Tenant Selection Plan Checklist can be found on the webpage <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive> (also available by clicking [here](#)). Exhibit G of the RFA also describes requirements for tenant selection policies.

(iii) Achieving HUD approval, if required

In addition to the Corporation's approval, if HUD approval is required because a Development has a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, HUD approval of the Tenant Selection Plan must be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

HUD's approval process may take several months. Owner's should send the Corporation-approved Tenant Selection Plan to HUD for approval as soon as possible to meet this requirement.

(3) Total Set-Aside Breakdown Chart

Complete the applicable Total Set-Aside Breakdown Chart provided in question 6.c.(2) of Exhibit A.

- (a) Completing the Total Set-Aside Breakdown Chart if not committing to the Average Income Test

Indicate on the chart at 6.c.(2)(a) of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. If the Total Set-Aside Breakdown Chart reflects that either the Total Set-Aside Percentage or the ELI commitment does not meet the Set-Aside requirements, this Application will not be eligible for funding.

Methodology Used by the Corporation to Convert the Percentage of Total Units to Set-Aside Units and, if applicable, Market Rate Units

- (i) First, calculate of the number of Set-Aside Units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of Set-Aside Units at the lowest AMI level commitment.

- (ii) Then, calculate the number of Set-Aside Units for the second lowest AMI level.

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

The number of units calculated in (i) above will be subtracted from the result to calculate the number of Set-Aside Units at the second lowest AMI level commitment.

- (iii) Then, calculate the number of Set-Aside Units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of Set-Aside Units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of Set-Aside Units will be subtracted from the total number of units.

- (b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

If committing to the Average Income Test, Applicants must indicate on the chart at 6.c.(2)(b) of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30 percent AMI, or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment of all units by adding all Set-Aside Units and then dividing this sum by the total number of units. Exhibit A provides a calculation of the Average AMI of the Qualifying Housing Credit Units using the methodology below.

Note: After entering the number of units into Exhibit A, the percentage of total units is calculated, which may reflect numbers represented with decimal places instead of whole numbers. This is acceptable for the Average Income Test calculation.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, and/or if the number of Set-Aside Units set aside at 30 percent AMI, or less, is not equal to or greater than the required ELI commitment, and/or the overall Set-Aside Commitment requirement is not met, this Application will not be eligible for funding.

Calculation of the Average AMI of the Qualifying Housing Credit Units for the Average Income Test

- (i) First, state the total number of Set-Aside Units at each AMI commitment.
- (ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30 percent AMI would be calculated as follows: $13 \times 0.30 = 3.9$).
- (iii) Repeat this calculation at each AMI level. Then add the results together.
- (iv) Divide the number calculated in (iii) by the total number of Set-Aside Units stated in (i).

- (v) This number must be equal to or less than 60 percent to meet the eligibility requirement. If the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, this Application will not be eligible for funding.

Where reasonably possible, keep the unit mix consistent across each committed AMI level.

The above ELI and all other set-aside commitments must be taken into account during any pre-leasing and leasing activities.

d. Unit Mix

(1) Completing the Unit Mix Chart

Complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable) and the total number of units per bedroom type. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. Units may have no more than four bedrooms.

Note: The number of ELI Set-Aside Units are proportionately distributed across the Unit Mix within Exhibit A.

(2) Unit Mix requirements for Elderly Developments

(a) If the Elderly Non-ALF Demographic Commitment is selected and the Development Category of Rehabilitation, with or without Acquisition, is selected, at least 40 percent of the total units must be comprised of one bedroom or Zero Bedroom Units, and no more than 20 percent of the total units can be larger than two-bedroom units.

(b) If the Elderly Non-ALF Demographic Commitment is selected and the Development Category of New Construction is selected, at least 50 percent of the total units must be comprised of one bedroom or Zero Bedroom Units, and no more than 15 percent of the total units can be larger than two-bedroom units.

(c) If the Elderly ALF Demographic Commitment is selected, at least 90 percent of the total units must be comprised of units no larger than one bedroom and the sharing of a unit by two or more unaffiliated residents cannot be a condition of occupancy.

(3) If the Family Demographic Commitment is selected, and the Development Category of New Construction is selected, not more than 25 percent of the total units in the Development may consist of Zero Bedroom units.

e. Number of Buildings

State the anticipated number of residential buildings.

The number of residential buildings stated in the Application may be changed only by written request of an Applicant to Corporation staff after the Applicant has been invited to enter credit underwriting.

f. Compliance Period

All Applicants are required to set aside the units for 50 years.

In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year 14, and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Note: The Compliance Period committed to in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units and ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

7. Readiness to Proceed

a. Site Control

Demonstrate site control by providing, as **Attachment 6** to Exhibit A, the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

Note: The Corporation has no authority to, and will not, evaluate the validity or enforceability of any site control documentation.

(1) Eligible Contract

An eligible contract must meet all of the following conditions:

- (a) It must have a term that does not expire before October 31, 2024 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if

exercised, would extend the term to a date that is not earlier than October 31, 2024;

- (b) It must specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance;
- (c) The Applicant must be the buyer unless there is an assignment of the eligible contract, signed by the assignor and the assignee, which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant; and
- (d) The owner of the subject property must be the seller, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to sell the property to the seller. Any intermediate contract must meet the criteria for an eligible contract in (a) and (b) above.

- (2) Proof of Ownership through a recorded document such as a Deed or Certificate of Title

The documentation must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

- (3) Lease

- (a) If providing a lease, the lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. The owner of the subject property must be a party to the lease, or a party to one or more intermediate leases, subleases, agreements, or assignments, between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to lease the property for at least 50 years to the lessee.

- (b) If there is an existing Declaration of Trust recorded on the subject property, the Applicant may provide an Option to Enter into a Ground Lease Agreement ("eligible agreement") between the Applicant and the owner of the property. An eligible agreement must meet the following conditions:

- (i) It must have a term that does not expire before October 31, 2024 or that contains extension options exercisable by the Applicant and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than October 31, 2024;
- (ii) The Applicant must be a party to the eligible agreement unless there is an assignment of the eligible agreement, signed by the

assignor and the assignee, which assigns all of the lessor's rights, title and interests in the eligible agreement to the Applicant; and

- (iii) The owner of the subject property must be a party to the eligible agreement, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to lease the property to the lessor. Any intermediate agreement must meet the criteria for an eligible agreement in (a) and (b) above.

b. Ability to Proceed

All successful Applications will be required to demonstrate the following Ability to Proceed elements **as of Application Deadline***, for the entire proposed Development site, including all Scattered Sites, if applicable, as outlined below.

The Florida Housing Ability to Proceed Verification forms are provided on the RFA Webpage. Note: The Applicant may include the Florida Housing Ability to Proceed Verification forms that were included in a previous RFA submission for the same proposed Development, provided (i) the form(s) are the correct versions posted to the RFA Webpage and as outlined in Exhibit C, (ii) the forms are dated within 12 months of the Application Deadline, (iii) none of the information entered on the form and certified to by the signatory has changed in any way, and (iv) the requirements outlined in this RFA are met. (3) Environmental Site Assessment

As of the Application Deadline*, a Phase I Environmental Site Assessment (ESA), and if required or recommended, a Phase II ESA, must have been performed for the entire proposed Development site, including all Scattered Sites.

*** Successful Applicants will be required to demonstrate that all of these requirements were met by providing documentation outlined in Exhibit D of this RFA within 21**

Calendar Days of the invitation to enter into credit underwriting. To demonstrate that these were in place as of the Application Deadline, the documents must be dated on or before the Application Deadline. The Corporation will rescind the award of any Applications that fail to meet this requirement.

c. Permit Ready Goal

The Corporation has a goal to select one Application proposing a New Construction Development that submits a Permit-Ready Letter from the Local Government for the Development as **Attachment 7** reflecting that no additional conditions are required in order to obtain all permits for the Development, other than payment of additional fees. Applicants that apply and qualify for this goal must, within six months from the date of the invitation to enter into credit underwriting, close on the limited partnership agreement or limited liability company operating agreement* and provide a copy of the recorded Notice of Commencement from the Official Records of the applicable jurisdiction.

Principals of the Applicant and Developer(s) of all Applications that apply and qualify for this goal and are selected for funding (even if the Application is not selected for the Permit Ready Goal), but cannot meet the above stated deadlines will be prohibited from submitting Priority 1 Applications in any RFA in the 2025/2026 RFA cycle.

*To meet the limited partnership agreement/limited liability company operating agreement closing requirement as stated in (i) above, the following requirements must be met:

- The limited partnership agreement or limited liability company operating agreement must be executed by all parties on or before the deadline as set forth in the Carryover Allocation Agreement.
- The limited partnership agreement or limited liability company operating agreement must reflect the percentage interest and all capital contributions to be contributed by the Investor Member/Limited Partner.
- At a minimum the closing of the first mortgage construction financing source must occur prior to or concurrently with the closing of the limited partnership agreement or limited liability company operating agreement.

8. Construction Features

All units are expected to meet all requirements as outlined below. If the proposed Development consists of rehabilitation, the proposed Development's ability to provide all construction features will be confirmed as outlined in Exhibit F.

All features and amenities committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both.

a. Federal Requirements and State Building Code Requirements for all Developments

All proposed Developments must meet all federal requirements and state building code requirements, including the following, incorporating the most recent amendments, regulations and rules:

- Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, F.S.;
- The Fair Housing Act as implemented by 24 CFR 100;
- Section 504 of the Rehabilitation Act of 1973*; and
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35.

The above documents are available on the RFA Webpage.

*All Developments must comply with Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 (“Section 504 and its related regulations”). All Developments must meet accessibility standards of Section 504. Section 504 accessibility standards require a minimum of 5 percent of the total dwelling units, but not fewer than one unit, to be accessible for individuals with mobility impairments. An additional 2 percent of the total units, but not fewer than one unit, must be accessible for persons with hearing or vision impairments. All of the accessible units must be equally distributed among different unit sizes and Development types and must be dispersed on all accessible routes throughout the Development.

To the extent that a Development is not otherwise subject to Section 504 and its related regulations, the Development shall nevertheless comply with Section 504 and its related regulations as requirements of the Corporation funding program to the same extent as if the Development were subject to Section 504 and its related regulations in all respects. To that end, all Corporation funding shall be deemed “Federal financial assistance” within the meaning of that term as used in Section 504 and its related regulations for all Developments.

b. General Features

The Corporation requires that the design, construction, or alteration of its financed Developments be in compliance with federal and state accessibility requirements. When more than one law and accessibility standard applies, the Applicant shall comply with the standard (2010 ADA Standards, Section 504, Fair Housing Act, or Florida Building Code, Accessibility) whichever affords the greater level of accessibility for the residents and visitors. Areas required to be made accessible to mobility-impaired residents and their visitors, including those in wheelchairs, shall include, but not be limited to, accessible routes and entrances, paths of travel, primary function areas, parking, trash bins, mail and package receiving areas for residents, pool and other amenities, including paths of travel to amenities and laundry rooms, including washers and dryers.

10. Funding

a. Corporation Funding

(1) Competitive Housing Credits

(a) Housing Credit Request Amount

(i) State the amount of Housing Credits being requested.

The Eligible Housing Credit Request Amount will be based on the lesser of (A) the Applicant’s Housing Credit Request Amount and (B) the Maximum Housing Credit Request Limit (as outlined in (2) below). If the Applicant states an amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request (“Eligible Housing Credit Request Amount”).

(ii) Maximum Housing Credit Request Chart

The Housing Credit Request Amount cannot exceed the applicable County Category amount stated in the following chart:

County Category	Maximum Request Amounts
Small Counties	\$1,676,520
Medium Counties	\$3,200,000

(b) Declaration as First Phase of a Multiphase Development

To declare this proposed Development as the first phase of a multiphase Development, the question in Exhibit A must be answered “Yes” and at least one building must be located within the HUD-designated DDA or HUD-designated QCT stated in Exhibit A.

During the credit underwriting process, an opinion letter must be submitted to the Corporation by a licensed attorney that the Development meets the definition of a “multiphase project” as defined in the Federal Register related to the Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for the applicable year. The letter must also include: (i) the name of the declared first phase Development and the Corporation-assigned Application number, (ii) the total number of phases and the projected Development name for each phase, (iii) the total number of buildings in each phase, (iv) the expected completion date for each phase, and (v) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting.

To qualify for the basis boost, subsequent phases must meet the requirements in (c)(i) below.

(c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD’s notice published on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available

by clicking [here](#)) governs the eligibility for a basis boost for the Development proposed in this RFA.

(i) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was located within a HUD-designated DDA or HUD-designated QCT and appropriately identified as such, and received an award of Housing Credits (“initial award”) in one of the following: (i) the 2011 Universal Application Cycle, (ii) a Request for Proposal or Request for Application (“RFP” or “RFA”) issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023 or (iii) a Non-Competitive Housing Credit Application (awarded through a Corporation competitive RFA process or a Non-Corporation Bond issuer’s competitive application).

For the subsequent phase to be eligible for the basis boost, after the initial award, (A) the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the 730-day period following the initial award must not end prior to the submission deadline for the Corporation’s competitive RFA or a Non-Corporation Bond issuer’s competitive application, per HUD’s requirements, and (C) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development’s subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development and the Applicant’s Competitive Housing Credit award may be rescinded.

(ii) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available on the webpage

<https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)). The applicable HUD mapping software is available at

https://www.huduser.gov/portal/sadda/sadda_qct.html (also available by clicking [here](#)).

To qualify, identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

Applications that qualify for this basis boost may also be eligible to compete for the Geographic Areas of Opportunity / SADDA Development Goal outlined in (d) below.

(iii) HUD-designated Non-Metropolitan DDA

The proposed Development will be eligible for the basis boost if the Development county, as stated in Exhibit A, is located within a HUD-designated non-metropolitan DDA as defined in Section 42(d)(5)(B)(iii), IRC. The HUD-designated non-metropolitan DDAs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

(iv) HUD-designated QCT

The proposed Development will be eligible for the basis boost if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as

defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

To qualify, indicate the HUD-designated QCT census tract number.

(v) State-designated Geographic Areas of Opportunity

Applications that do not otherwise qualify for a HUD-designated QCT, DDA or SADDA basis boost may elect to be considered for the State-designated Geographic Areas of Opportunity basis boost for any buildings located within a Geographic Areas of Opportunity census tract(s).

Identify the Geographic Areas of Opportunity census tracts in Exhibit A.

The FHFC-assigned Geographic Areas of Opportunity census tracts are available on the Corporation Website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/areas-of-opportunity> (also available by clicking [here](#)).

The Geographic Areas of Opportunity census tract(s) will only apply to the building(s) located within the applicable census tract(s) and only those building(s) will be eligible for the basis boost. During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable census tract(s), the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable census tract(s) is not sufficient to support the request amount.

Applications that qualify for this basis boost may also be eligible to compete for the Geographic Areas of Opportunity / SADDA Development Goal outlined in (d) below.

(vi) State-designated Local Government Areas of Opportunity

Applications that do not otherwise qualify for a HUD-designated QCT, DDA or SADDA basis boost may elect to be considered for the State-designated Local Government Areas of Opportunity basis boost if the Application qualifies for the Local Government

Areas of Opportunity Designation as outlined in Section Four, A.11.a. of the RFA.

(vii) State-designated Public Housing Authority Areas of Opportunity

Applications that do not otherwise qualify for a HUD-designated QCT, DDA or SADDA basis boost may elect to be considered for the State-designated basis boost if the Applicant either (i) has a land lease with a PHA for the proposed Development's location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located AND the property which has a Declaration of Trust between the PHA and HUD; or (ii) has a PHA/instrumentality of a PHA as a Principal, as disclosed on the Principals Disclosure Form submitted with the Application. If such Application is selected for funding, no other Applications that elect to be considered a Public Housing Authority Areas of Opportunity will be selected for funding.

(d) Geographic Areas of Opportunity / SADDA Goal (Medium Counties)

Proposed Developments serving the Family Demographic and located in a Medium County that (i) are located entirely (including all Scattered Sites, if applicable) within a Geographic Areas of Opportunity; (ii) are located entirely (included all Scattered Sites, if applicable) within a HUD-designated SADDA; or (iii) are located entirely (including all Scattered Sites, if applicable) in a combination of (i) and (ii) are eligible to compete for the Geographic Areas of Opportunity / SADDA Development Goal outlined in Section Five. For a Development that qualifies and is selected for the Goal, the Applicant's answers in Exhibit A will be confirmed during credit underwriting. If it is determined that the entire proposed Development site is not located in a SADDA ZCTA and/or a Geographic Areas of Opportunity, the Housing Credit award may be rescinded.

(e) Housing Credit Equity Proposal

A Housing Credit equity proposal must be provided as **Attachment 8**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must meet the requirements set out below:

- (i) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and, the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be adjusted downward from the amount stated in the equity proposal. This adjusted maximum Housing Credit equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible Housing Credit Request Amount. If the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be the amount stated in the equity proposal.
- (ii) If syndicating/selling the Housing Credits, the Housing Credit equity proposal must meet the following criteria:
- Be executed by the equity provider;
 - Include specific reference to the Applicant as the beneficiary of the equity proceeds;
 - State the proposed amount of equity to be paid prior to construction completion;
 - State the anticipated Housing Credit Request Amount;
 - State the anticipated dollar amount of Housing Credit allocation to be purchased; and
 - State the anticipated total amount of equity to be provided.

If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements above or submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

- (iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided. The commitment must include the following information and evidence of ability to fund must be provided as **Attachment 8** to the Application:

b. Non-Corporation Funding

(1) If the proposed Development will be assisted with funding under the United States Department of Agriculture RD 515 Program and/or RD 538 Program, the following information must be provided:

- (a) Indicate the applicable RD Program(s) in Exhibit A.
- (b) For a proposed Development that is assisted with funding from RD 515, include the following:
 - (i) Include the funding amount at the USDA RD 515 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis), and
 - (ii) Provide a letter from RD, dated within six months of the Application Deadline, as **Attachment 9** to Exhibit A, confirming the funding source as outlined below:

or

(B) For proposed Developments with the Development Category of New Construction, the RD letter must include the following information:

Unless stated otherwise within this RFA, for funding, other than Corporation funding and deferred Developer Fee, to be counted as a source on the Development Cost Pro Forma, provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be provided as **Attachment 10** to Exhibit A.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs.

(a) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria.

Each financing proposal shall contain:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable;
- Specific reference to the Applicant as the borrower or direct recipient; and
- Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form (Form 07-2022) and/or the Local Government Verification of Contribution – Loan Form (Form 07-2022), the form must be dated within 12 months of the Application Deadline*, and such grant and/or loan is effective at least through December 31, 2024. A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant. Either the "Loan" or the "Grant" verification forms can be used. The grant and loan forms (Form 07-2022) are available on the RFA Webpage. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

* As stated in 11.a. below, to meet the Local Government Areas of Opportunity Designation, the Local Government Verification of Contribution form must be dated within **NINE** months of the Application Deadline.

- (b) Financing that has closed:
- (i) If the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:
- Amount of the construction loan, if applicable;
 - Amount of the permanent loan, if applicable; and
 - Specific reference to the Applicant as the borrower/direct recipient/mortgagee.
- (ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, provide a letter from the lender, dated within six months of the Application Deadline, that includes the following information:
- Specifically references the Applicant as the assuming party;
 - If a permanent loan, states the amount to be assumed; and
 - If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, provide a letter from HUD, dated within six months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 10.b.(1)(b) above.

- (c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the

normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller (or lessor) of the Development's property is providing a seller's or lessor's note (purchase money mortgage or equivalent) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the note is not needed so long as the Application includes a letter from the seller or lessor that meets the financing proposal criteria outlined in (2)(a) above and the amount of the note is equal to or less than the purchase price of the property.

- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

c. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated costs, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both

Corporation and non-Corporation funding). The sources must equal or exceed the uses. If a funding source is not considered, if the Applicant's funding Request Amount is adjusted downward, and/or if the anticipated costs or uses are adjusted upward, this may result in a funding shortfall. If the Application has a funding shortfall in either the Construction/Rehab and/or the Permanent Analysis of the Applicant's Development Cost Pro Forma, the amount of the adjustment(s), to the extent needed and possible, will be offset by increasing the deferred Developer Fee up to the maximum eligible amount as provided below. If it is demonstrated that an Applicant failed to disclose anticipated costs, the Applicant will be deemed ineligible if those undisclosed costs cause a funding shortfall.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer Fee and General Contractor fee, as outlined below. Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer Fees are not considered "waived fees."

Within the General Development Costs section of the Development Cost Pro Forma, there are line items for Professional Fees, Insurance(s), Local Government Fees & Taxes, FHFC Costs & Fees, and Tenant Relocation Costs. The following are examples of these costs:

- Professional Fees may include Accounting Fees, Appraisal, Architect's Fees, Capital Needs Assessment, Engineering Fees, Environmental Report, Green Building Certification/HERS Inspection Costs, Inspection Fees, Legal Fees, Market Study, Marketing/Advertising, Soil Test Report, Survey and Title Insurance & Recording Fees.
- Insurance(s) may include Builder's Risk Insurance.
- Local Government Fees & Taxes may include Building Permit, Impact Fees, Property Taxes and Utility Connection Fee.
- FHFC Costs & Fees may include the Corporation's fees such as Administrative Fee, Application Fee, Compliance Fee and PRL/Credit Underwriting Fees.

Developer Fee and General Contractor fee must be disclosed. In the event the Developer Fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer Fee, General Contractor fee, contingency reserve or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer Fee component listed in (a) and (b) below shall not exceed the respective amounts described below:

- (a) Developer Fee on Acquisition Costs, is limited to 16 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
- (b) Developer Fee on Non-Acquisition Costs, is limited to 16 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (a) or (b) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer Fee on Acquisition Costs is more than the amount allowed in (a) above, AND if the amount of Developer Fee on Non-Acquisition Costs is less than the amount allowed in (b) above, the Corporation will reduce the amount of Developer Fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Non-Acquisition Costs by the amount reduced in the Developer Fee on Acquisition Costs, up to the maximum allowed amount.
- If the amount of Developer Fee on Non-Acquisition Costs is more than the amount allowed in (b) above, AND if the amount of Developer Fee on Acquisition Costs is less than the amount allowed in (a) above, the Corporation will reduce the amount of Developer Fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Acquisition Costs by the amount reduced in the Developer Fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100 percent of the eligible Developer Fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer Fee. Consulting fees

include, but are not limited to, payments for Application consultants, construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed (a) 5 percent of hard and soft costs for Development Categories of New Construction; or (b) 15 percent of hard costs and 5 percent of soft costs for Development Categories of Rehabilitation, with or without Acquisition, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve can be included as part of Development Costs, but cannot be used in determining the maximum Developer Fee. Applicants may enter an operating deficit reserve amount that does not exceed \$3,500 per unit on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. If any reserve other than the permitted contingency reserve(s) or the maximum operating deficit reserve is identified and included in the Development Cost Pro Forma, the Corporation will reduce it to the maximum allowed during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer Fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve

account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement) whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer Fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

d. Public Housing Authority and/or an instrumentality of a Public Housing Authority

Applicants may qualify for an "Add-On Bonus" used in the Total Development Cost Per Unit Base Limitation calculation described in Item 1 of Exhibit C of the RFA, and the PHA Add-On used in the Leveraging Calculation described in Item 3 of Exhibit C if at least one of the following is met:

- (1) The Applicant has either entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or
- (2) The Applicant is associated with a Public Housing Authority and/or an instrumentality of a Public Housing Authority in the ownership structure. The Applicant should state whether any Principals of the Applicant entity are a Public Housing Authority and/or an instrumentality of a Public Housing Authority and the Public Housing Authority and/or instrumentality of a Public Housing Authority must be reflected on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019).

Note: For purposes of the "Add-On Bonus", the Public Housing Authority and/or instrumentality of a Public Housing Authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

If a Public Housing Authority has one of the above-described relationships with the Applicant, state the name of the Public Housing Authority.

11. Local Government Areas of Opportunity Designation and Goals

a. Qualifications for the Local Government Areas of Opportunity Designation

To qualify for the Local Government Areas of Opportunity Designation, demonstrate a high level of Local Government interest in the project via an increased amount of Local Government contributions in the form of cash loans and/or cash grants, as outlined below.

Limit on the number of Applications within the same Local Government

A proposed Development may only qualify where a Local Government has contributed [Local Government Areas of Opportunity Funding in the form of](#) cash loans and/or cash grants for any proposed Development applying in this RFA in an amount sufficient to qualify for the Local Government Areas of Opportunity Designation. A Local Government can only contribute [Local Government Areas of Opportunity Funding](#) to one Application that qualifies for the Local Government Areas of Opportunity Designation, regardless of how the contribution is characterized. Any single Local Government may not contribute [Local Government Areas of Opportunity Funding in the form of](#) cash loans and/or cash grants to more than one proposed Development applying for the Local Government Areas of Opportunity Designation. If multiple Applications demonstrate Local Government Areas of Opportunity Funding from the same Local Government, then all such Applications will be deemed ineligible for the Local Government Areas of Opportunity Designation, regardless of the amount of Local Government Areas of Opportunity Funding or how the contribution is characterized. However, Local Governments may pool contributions to support one Application if the proposed Development is in the jurisdiction of both Local Governments (i.e., the county and city may provide contribution to the same Development and each Local Government will submit its own form as an Attachment to the Application).

Local Governments that contribute [Local Government Areas of Opportunity Funding](#) to a proposed Development for this Goal and are awarded funding under this RFA may receive a lower funding preference for this same funding Goal in a subsequent Housing Credit RFA cycle.

[Note: If a contribution from one Local Government allows a proposed Development to qualify for the Local Government Area of Opportunity Designation AND a second Local Government is also providing a contribution to the same proposed Development, but the second Local Government does not want their contribution to be considered an LGAO contribution, enter the name of the first Local Government that has provided the funding in the “Local Government Area of Opportunity Contributors” table on the Local Gov’t Contributions tab in Exhibit A, but do NOT list the second Local Government entity. The second Local Government may contribute Local Government Areas of Opportunity Funding to another proposed Development that can then qualify for the Local Government Areas of Opportunity Designation.](#)

Local Government Areas of Opportunity Funding

The total amount of permanent funding resources, in the form of cash loans and/or cash grants from Local Government(s) [stated in the “Local Government Area of Opportunity Contributors” table on the Local Gov’t Contributions tab in Exhibit A](#) ~~sources~~ will, for purposes of this provision, be considered to be “Local Government Areas of Opportunity Funding.” This funding shall be used for the construction and/or rehabilitation of the proposed Development and shall be paid in full by the Local Government no later than 90 days following the date the proposed Development is placed in-service.

The following will not be considered Local Government Areas of Opportunity Sources of Funding:

- In-kind donations or any other donation of property or assets;
- Waiver or deferral of any fees;
- Contributions from an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer;
- A contribution from a PHA; or
- Donation of land.

Documentation required to demonstrate Local Government Areas of Opportunity Funding

In order to be eligible to be considered Local Government Areas of Opportunity Funding, [\(i\) the cash loans and/or cash grants must be demonstrated via one or both of the Florida Housing Local Government Verification of Contribution forms \(Form Rev. 07-2022\), called “Local Government Verification of Contribution – Loan” form and/or the “Local Government Verification of Contribution – Grant” form; and \(ii\) the Local Government\(s\) must be stated in the “Local Government Area of Opportunity Contributors” table on the Local Gov’t Contributions tab in Exhibit A.](#) The forms must meet the Non-Corporation Funding Proposal requirements outlined in 10.b.(2)(a) above, with one addition. The Non-Corporation Funding Proposal requirements state that the Local Government Verification of Contribution form must be dated within 12 months of the Application Deadline; however, to meet the Local Government Area of Opportunity Designation, the Local Government Verification of Contribution form must be dated within **NINE** months of the Application Deadline. Additionally, to qualify for this Designation, the qualifying funding must be reflected as a source on the Development Cost Pro Forma, and the applicable form(s) must be provided as **Attachment 11** to the Application. Applications are not required to reflect the value (difference between the face amount and the net present value of the payment streams) on any Local Government Verification forms.

If the Applicant qualifies for the Local Government Areas of Opportunity Designation and is awarded funding under this RFA, regardless of whether the Applicant is awarded under the Local Government Areas of Opportunity Funding Goal or at a different point of the funding selection process, the Applicant must provide and maintain an amount equal to or greater than the minimum qualifying amounts listed in the table below within the permanent sources of financing.

To qualify for the Local Government Areas of Opportunity Designation, the face amounts of any cash loans and/or cash grants shown on the aforementioned Local Government Verification of Contribution form(s) [and as reflected in the Local Government Area of Opportunity Contributors table on the Local Gov’t Contributions tab in Exhibit A](#) shall be totaled and the total of these amounts must equal or be greater than the amounts listed in the table below. Applications of proposed Developments are not required to reflect the value (difference between the face amount and the net present value of the payment streams) on any Local Government Verification forms.

If the total face amounts of any cash loans and/or cash grants shown on the Local Government Verification of Contribution form(s) [and as reflected in the Local Government Area of Opportunity Contributors table on the Local Gov't Contributions tab in Exhibit A](#) total less than the amounts listed in the table below, the Application will not qualify for the Local Government Areas of Opportunity Designation.

- b. Goal to fund four Applications that qualify for the Local Government Areas of Opportunity Designation

There is a goal in the funding selection process to fund four Applications that qualify for the Local Government Areas of Opportunity Designation. Applications that qualify for this Designation may receive additional preference as outlined below.

- (1) Goal to select two Applications that demonstrate continuous Local Government Areas of Opportunity support since 2022 or earlier

As described in Section Five of the RFA, there is a goal to select two Applications that demonstrate continuous Local Government Areas of Opportunity support since 2022 or earlier. To qualify for this goal, all of the following criteria must be met:

- The question at 11.b.(1) of Exhibit A must reflect confirmation that the Development was submitted in RFA 2022-201 and RFA 2023-201, but not awarded;
- The Application in RFA 2022-201, RFA 2023-201, and the current Application must have provided a Local Government Verification of Contribution – Loan or Grant form demonstrating the minimum Local Government Areas of Opportunity Funding Amount outlined in that RFA;
- The Development must be on the List of Previously Submitted but Unfunded LGAO Applications that is posted on the RFA Webpage;
- The Application in RFA 2022-201, RFA 2023-201, and the current Application must have been designated as a Priority 1 Application;

- The Application number in RFA 2022-201 and RFA 2023-201 must be provided;
- The Demographic Commitment of the proposed Development must be identical to the Demographic Commitment as the Application submitted in RFA 2022-201 and RFA 2023-201;
- The number of units of the proposed Development must be equal to at least 90 percent of the number of units as the Application previously submitted in RFA 2021-202 and RFA 2023-201;
- The Development Location Point and, if a Scattered Sites Development, the latitude and longitude coordinates of each site submitted in RFA 2022-201 and RFA 2023-201 must be located on the same site(s) as the proposed Development. These coordinates do not need to be identical. Additionally, the size of the site(s) of the proposed Development does not need to be identical to the Application previously submitted in RFA 2022-201 or RFA 2023-201. The proposed Development site may be larger or smaller than the previously submitted Application if the other requirements are also met;
- At least one of the natural persons that is a Principal for the Applicant disclosed on the Principals Disclosure Form submitted for the proposed Development must also have been a Principal for the Applicant disclosed on the Principals Disclosure Form submitted in RFA 2022-201 and RFA 2023-201; and
- The Application submitted in RFA 2022-201 and RFA 2023-201 was not invited to enter credit underwriting.

Applications that qualify for this goal will automatically qualify for the goals outlined in (2) and (3) below.

- (2) Goal to select one Application that demonstrates continuous Local Government Areas of Opportunity support since 2023 or earlier
- The question at 11.b.(1) of Exhibit A must reflect confirmation that the Development was submitted in RFA 2023-201, but not awarded;

 - The Development must be on the List of Previously Submitted but Unfunded LGAO Applications that is posted on the RFA Webpage;
 - The Application in RFA 2023-201 and the current Application must have been designated as a Priority 1 Application;

- The Application number in RFA 2023-201 must be provided;
- The Demographic Commitment of the proposed Development must be identical to the Demographic Commitment as the Application submitted in RFA 2023-201;
- The number of units of the proposed Development must be equal to at least 90 percent of the number of units as the Application previously submitted in RFA 2023-201;
- The Development Location Point and, if a Scattered Sites Development, the latitude and longitude coordinates of each site submitted in RFA 2023-201 must be located on the same site(s) as the proposed Development. These coordinates do not need to be identical. Additionally, the size of the site(s) of the proposed Development does not need to be identical to the Application previously submitted in RFA 2023-201. The proposed Development site may be larger or smaller than the previously submitted Application if the other requirements are also met;
- At least one of the natural persons that is a Principal for the Applicant disclosed on the Principals Disclosure Form submitted for the proposed Development must also have been a Principal for the Applicant disclosed on the Principals Disclosure Form submitted in RFA 2023-201; and

Applications that qualify for this goal will automatically qualify for the goal outlined in (3) below.

- (3) Goal to select one additional Application that qualifies for the Local Government Areas of Opportunity Designation, regardless of whether the Application also demonstrates prior continuous Local Government Areas of Opportunity support

As described in Section Five of the RFA, there is a goal to select two additional Applications that qualify for the Local Government Areas of Opportunity Designation, regardless of whether the Application qualifies for the goals described in (1) or (2) above.

c. Lower Preference for Certain Local Governments

When reviewing the Local Government Verification of Contribution – Loan or Grant form submitted with an Application, the Corporation will review which Local Government executed the form. As described in the Sorting Order in Section Five of this RFA, when selecting Applications to meet the Local Government Areas of Opportunity Designation Goal, an Application will receive lower preference if the same Local Government also [\(i\)](#) executed Local Government Verification of Contribution – Loan or Grant form for an Application submitted in RFA 2022-201 or RFA 2023-201; [\(ii\) the Local](#)

[Government contributed an amount allowing the Application to be eligible for the applicable preference and goals in RFA 2022-201 and RFA 2023-201; and \(iii\) that Application both \(iA\) qualified for the Local Government Areas of Opportunity Designation Goal in RFAs 2022-201 or 2023-201; and \(iB\) was invited to enter credit underwriting. This affects the following Local Governments:](#)

From RFA 2022-201: Bay County, City of Crystal River, Lee County, Sarasota County, Volusia County.

From RFA 2023-201: City of Lake Wales, Pasco County, Citrus County, Highlands County, Charlotte County, Sumter County.

Local Governments that contribute to a proposed Development for this Goal, [are named in the “Local Government Area of Opportunity Contributors” table provided on the Local Gov’t Contributions Funding Tab of Exhibit A](#), and are awarded funding under this RFA will receive lower preference than other Local Governments competing for this funding Goal in a subsequent Housing Credit RFA cycle.

B. Selection Process

1. Goals

- a. The Corporation has a goal to select one Application proposing a Development that qualifies for the Permit Ready Goal outlined in Section Four A.7.c. of the RFA.
- b. The Corporation has a goal to fund four Applications that qualify for the Local Government Areas of Opportunity Funding Goal outlined in Section Four A.11. of the RFA, with the following preferences:
 - (1) There is a goal to fund two Applications that demonstrate continuous Local Government Areas of Opportunity support since 2022 or earlier
 - (2) There is a goal to fund one Application that demonstrates continuous Local Government Areas of Opportunity support since 2023 or earlier
 - (3) There is a goal to fund one additional Application that qualifies for the goal, regardless of whether the Application also demonstrates prior continuous Local Government Areas of Opportunity support.
- c. The Corporation has a goal to select one Development that qualifies for the SunRail Goal outlined in Section Four, A.5.e.(5) of the RFA.
- d. The Corporation has a goal to select one Medium County Application with a Demographic commitment of Family that selects and qualifies for the Geographic Areas of Opportunity / SADDA Goal outlined in Section Four A.10.a.(1)(d) of the RFA.

*Note: Applications selected to meet one goal will not count towards meeting a second goal, even if the Application meets all qualifications for multiple goals, with one exception. If an Application that was selected to meet the Permit Ready Goal or the Local Government Areas of Opportunity Designation Goal and also qualifies for the SunRail Goal, the SunRail Goal will also be considered met.

2. Application Sorting Order

- a. Sorting Order when selecting Applications to meet the Local Government Areas of Opportunity Funding Goal

The highest scoring Applications will be determined by first sorting together all eligible Priority 1 Medium County Applications that qualify for the Local Government Areas of Opportunity Designation Goal from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for Priority 2 Applications:

- (1) First, Applications that submit a Local Government Verification of Contribution - Loan Form or Local Government Verification of Contribution - Grant Form

executed by any of the following Local Governments will receive lower preference, as further described in Section Four, 11.c. of the RFA: Bay County; Charlotte County; Citrus County; City of Crystal River; Pasco County; City of Lake Wales; Highlands County; Lee County; Sarasota County; Sumter County; Volusia County. The remaining Local Governments will receive higher preference.

- (2) Next, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (3) Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);
- (4) Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (5) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

b. Sorting Order when selecting Applications to meet the SunRail Goal

The highest scoring Priority 1 Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for Priority 2 Applications:

- (1) First, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (2) Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);
- (3) Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (4) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

- d. Sorting Order for the Permit Ready Goal and after selecting Applications to meet the Local Government Areas of Opportunity Funding Goal and SunRail Goal

The highest scoring Priority 1 Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for Priority 2 Applications:

- (1) First, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (2) Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);
- (3) Next, by the Application's eligibility for the Proximity Funding Preference which is outlined in Section Four A.5.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (4) Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (5) And finally, by lottery number, resulting in the lowest lottery number receiving preference.

3. Funding

- a. Funding Available

An estimated \$22,718,520 in Competitive Housing Credits will be made available

- \$1,676,520 - Small County
- \$21,042,000 - Medium County

- b. Funding Test

For purposes of this RFA, Funding Test means that (a) Small County Applications will be selected for funding only if there is enough Small County funding available to fully fund the Eligible Housing Credit Request Amount, and (b) Medium County Applications will be selected for funding only in there is enough Medium County funding available to fully fund the Eligible Housing Credit Request Amount.

4. County Award Tally

As each Application is selected for tentative funding, the county where the proposed Development is located will have one Application credited towards the County Award Tally.

Throughout the selection process, the Corporation will prioritize eligible unfunded Priority 1 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 1 Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority 1 Applications with a higher County Award Tally are higher ranked, and above all Priority 2 Applications.

The Corporation will prioritize eligible unfunded Priority 2 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 2 Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority 2 Applications with a higher County Award Tally are higher ranked.

5. The Funding Selection Process

a. One Application that qualifies for the Permit Ready Goal

The first Application selected for funding will be the highest ranking eligible unfunded Priority 1 Application that qualifies for the Permit Ready Goal.

If there are no eligible unfunded Priority 1 Applications that qualify for this Goal, then the highest ranking eligible unfunded Priority 2 Application that qualifies for the Permit Ready Goal will be selected.

b. Four Applications that qualify for the Local Government Areas of Opportunity Funding Goal

(1) Selection of two Applications that demonstrate continuous Local Government Areas of Opportunity support since 2022 or earlier

The first two Applications selected for funding for this goal will be the highest-ranking eligible Priority 1 Applications that qualify for the Goal, subject to the County Award Tally and Funding Test.

(2) Selection of one Application that demonstrates continuous Local Government Areas of Opportunity support since 2023 or earlier

The next Application selected for funding will be the highest-ranking eligible Priority 1 Application that qualify for the Goal, subject to the County Award Tally and Funding Test.

c. One Application that qualifies for the SunRail Goal

If an Application that was selected to meet the Permit Ready Goal or the Local Government Areas of Opportunity Designation Goal described in a. and b. above also qualifies for the SunRail Goal, this Goal will be considered met without selecting an additional Application.

If none of the Applications selected to meet the Permit Ready Goal or the Local Government Areas of Opportunity Designation Goal also qualify for the SunRail Goal, the next Application selected for funding will be the highest ranking eligible unfunded Priority 1 Application that qualifies for the SunRail Goal, subject to the Funding Test and the County Award Tally.

If there are no eligible unfunded Priority 1 Applications that qualify for this Goal, then the highest ranking eligible unfunded Priority 2 Application that qualifies for the SunRail Goal will be selected, subject to the Funding Test and the County Award Tally.

d. The next Applications selected for funding will be the highest ranking eligible unfunded Priority 1 Small County Applications that (i) can meet the Small County Funding Test and (ii) have a County Award Tally that is less than or equal to any other eligible unfunded Small County Priority 1 Applications. If Small County funding remains and no unfunded eligible Small County Priority 1 Application can meet the Small County Funding Test, then the process will continue using Priority 2 Applications until this Goal is met or until no unfunded eligible Small County Priority 2 Application can meet the Small County Funding Test.

If Small County funding remains and no unfunded eligible Small County Application can meet the Small County Funding Test, no further Small County Applications will be selected, and the remaining Small County funding will be added to the Medium County funding amount.

e. One Medium County Family Application that qualifies for the Geographic Areas of Opportunity/ HUD-designated SADDA Goal

The highest ranking eligible unfunded Priority 1 Medium County, Family Application that qualifies for the Geographic Areas of Opportunity/ HUD-designated SADDA Goal will be selected for funding, subject to the Funding Test and the County Award Tally.

If there are no eligible unfunded Priority 1 Applications that qualify for this goal, then the highest ranking eligible unfunded Priority 2 Medium County, Family Application that qualifies for the Geographic Areas of Opportunity/ HUD-designated SADDA Goal will be selected for funding, subject to the Funding Test and the County Award Tally.

f. If funding remains, continuation of funding two additional Applications that qualify for the Local Government Areas of Opportunity Funding Goal

If funding remains, the next two Applications selected for funding will be the highest-ranking eligible Priority 1 Applications that qualify for the Local Government Areas of Opportunity Funding Goal, subject to the County Award Tally and Funding Test.

If there are not enough eligible Applications that qualify for this goal, the highest-ranking eligible Priority 2 Applications that qualify for the Local Government Areas of Opportunity Funding Goal, subject to the County Award Tally and Funding Test, until this goal is met.

- g. If funding remains, continuation of funding additional Medium County Family Applications that qualify for the Geographic Areas of Opportunity/ HUD-designated SADDA Goal

The highest ranking eligible unfunded Priority 1 Medium County, Family Applications that qualify for the Geographic Areas of Opportunity/ HUD-designated SADDA Goal will be selected for funding, subject to the Funding Test and the County Award Tally.

Priority 1 Applications that can be fully funded will continue to be selected until it is determined that there are no eligible unfunded Applications that qualify for this goal. If there are no remaining eligible unfunded Priority 1 Applications that qualify for this goal, then the process will continue using Priority 2 Applications until it is determined that there are no eligible unfunded Applications that qualify for this goal.

- h. If funding remains, the next Applications selected for funding will be the highest ranking eligible unfunded Priority 1 Medium County Applications that (i) can meet the Medium County Funding Test and (ii) have a County Award Tally that is less than or equal to any other eligible unfunded Medium County Priority 1 Applications. If Medium County funding remains and no unfunded eligible Medium County Priority 1 Application can meet the Medium County Funding Test, then the process will continue using Priority 2 Applications until this Goal is met or until no unfunded eligible Medium County Priority 2 Application can meet the Medium County Funding Test.

If Medium County funding remains and no unfunded eligible Medium County Application can meet the Medium County Funding Test, no further Applications will be selected and the remaining funding will be distributed as approved by the Board.

$$[(0 \text{ NC MF Units} \times 4.374) + (0 \text{ A/R MF Units} \times 1.564) + (0 \text{ R MF Units} \times 2.754)] \times 1,000,000 / (\$0 \times 8.5) = \text{Florida Job Creation Score of } 0.00.$$

A Florida Job Creation score of 0.00 does NOT earn the Florida Job Creation Funding Preference.

The past performance record, financial capacity, and any and all other matters relating to the Development Team (which consists of Developer, Management Company, General Contractor, Architect, Attorney, and Accountant) will be reviewed during credit underwriting. The Credit Underwriter may require additional information from any member of the Development Team including, without limitation, documentation on other past projects and financials. Development Teams with an unsatisfactory past performance record, inadequate financial capacity or any other unsatisfactory matters relating to their suitability may result in a negative recommendation from the Credit Underwriter.
10. The Applicant's commitments will be included in Extended Use Agreement for the Housing Credits, and must be maintained in order for the Development to remain in compliance, unless the Board approves a change.
11. The Applicant certifies that there are no agreements, other than the letter of intent provided with this Application, the Limited Partnership Agreement, or Operating Agreement, between the Applicant and the Housing Credit Syndicator/equity provider.

Exhibit C – Additional Information

1. Total Development Cost Limitation Test

There is a maximum Developer Fee that can be earned which is tailored for the characteristics of each Development.

a. Overview

- (1) Maximum Developer Fee based on Percentage of Development Cost as outlined in Rule 67-21, F.A.C. and/or 67-48, F.A.C.
- (2) Maximum Developer Fee Amount based on Maximum Development Cost

The Corporation will calculate the Maximum Developer Fee for each proposed Development, then compare it to the proposed Development’s stated Developer Fee. The Maximum Developer Fee Amount will be the sum of the maximum Developer Fee on non-Acquisition Costs calculated in (a) below and, if applicable, the maximum Developer Fee on Building Allocation portion of Acquisition Costs (“Building Allocation”) as calculated in (b) below.

- (a) Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs

- (i) Hard Cost Factor Per Unit Chart plus estimate of Soft Costs Per Unit

The Non-Acquisition Costs for purposes of determining the maximum Developer Fee are calculated by first selecting the applicable hard cost factor for each unit in the chart below then incorporating an estimate of soft costs per unit.

Hard costs are defined as the total of the actual construction costs (includes the General Contractor Construction Contract and any construction costs to be incurred outside of the General Contractor Construction Contract), the General Contractor Fee and the approved Hard Cost Contingency. These costs are representative of what is normally reported on lines A1.3 and A1.4 in the Development Cost Pro Forma in the Application. The Hard Cost Factor per Unit amounts in the chart are not a limit of the actual hard costs allowed in each Development. Each Development’s actual costs may exceed these amounts, but these are the maximums used in the Developer Fee calculation.

Measure	Hard Cost Factor per New Construction Unit					Hard Cost Factor per Rehabilitation Units	
	Garden Non-ESS*	Garden ESS*	Mid-Rise-Non-ESS*	Mid-Rise-ESS*	High-Rise*	Garden*	Non-Garden*
Hard Cost Factor Per Unit for all counties	\$233,000	\$258,000	\$258,000	\$285,000	\$310,000	\$106,000	\$146,000

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High-Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

If there is only one unit type for the entire proposed Development, the number in the chart associated with the unit type is the Hard Cost Factor Per Unit for the Development.

If there are multiple unit types, the amount associated for each unique unit type is multiplied by the number of units for that unit type, added together, and then divided by the total number of units (i.e. pro rata distribution). The result of that calculation is the Hard Cost Factor Per Unit for the Development.

Incorporate an Estimate of Soft Costs Per Unit

The Hard Cost Factor Per Unit for the Development is then divided by 75 percent (resulting in a maximum of hard costs and soft costs per unit when calculating the Maximum Developer Fee, prior to Add-Ons, Multipliers, and Escalation Rate.)

- (ii) Then add applicable per unit TDC Add-On(s) to the result of (i) above

None applicable to this RFA

- (iii) Then divide the result of (ii) above by the applicable TDC Multiplier(s)

Non-Geographic TDC Multiplier – Elderly-ALF Developments	95%
Non-Geographic TDC Multiplier – Any Applicant which (i) either has a land lease with a PHA for the proposed Development’s location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property which has a Declaration of Trust between the PHA and HUD; or (ii) has a PHA or an instrumentality of a PHA as a Principal	89%
Non-Geographic TDC Multiplier – For Applications that do not qualify for the PHA Multiplier and are receiving funding from the Corporation which are directly generating expenses related to Davis-Bacon costs, if applicable	89%
Geographic TDC Multiplier – Developments located north of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	65%

Geographic TDC Multiplier – Developments located south of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	50%*
--	------

*If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all the sites are located south of Tavernier Creek.

- (iv) Then multiply the result of (iii) above by the sum of 1 plus 6 percent, which represents the Escalation Factor
- (v) Then multiply this result by the total number of units within the proposed Development to achieve the Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs (“**Maximum Non-Acquisition Development Cost for Developer Fee**”).

To obtain the **Maximum Developer Fee Amount on non-Acquisition Costs**, multiply the result of (v) by the maximum Developer Fee percentage allowed in the RFA as described below:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
 - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
 - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

If there is no Building Allocation costs, this **Maximum Developer Fee Amount on non-Acquisition Costs** is also the **Development’s Maximum Developer Fee**. If there is Building Allocation costs, the result of the fee calculation above is added to the result of the fee calculation below to determine the **Development’s Maximum Developer Fee**.

- (b) Maximum Developer Fee Amount on Building Allocation costs, if applicable

The Building Allocation costs are comprised of a Building Allocation plus Other building acquisition related costs of the existing Development, together are typically represented by line B. in the Development Cost Pro Forma in the Application. The maximum Building Allocation is a structured calculation. Start by taking the lesser of either the appraised value of the entire property or the actual property purchase price. The lowest land cost allocation is then subtracted from this amount. The lowest land cost allocation methodology is determined as follows:

- (i) Appraised “as is” market value of the land, as if vacant;

- (i) Assessed value of the land as provided by the county property appraiser; or
- (iii) Discount the value provided in the option (a) above to account for the LURA/EUA rent restrictions existing on the property. This is done by taking the lesser of the subject property's acquisition price, or the subject property's appraised "as is" restricted value and dividing this amount by the "as is" market value of the property as if unrestricted. The resulting discount factor is then multiplied by the value provided in option (a).

The lesser of the result of this maximum Building Allocation calculation or the Applicant's stated Building Allocation is then added to any other separate acquisition costs associated with the Building Allocation and this total is multiplied further based on the maximum Developer Fee percentage allowed in the RFA as described below to obtain the Maximum Developer Fee Amount on Building Allocation:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
 - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
 - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

(3) Maximum TDC Component

The Maximum TDC Component equals the Maximum Non-Acquisition Development Cost for Developer Fee (as calculated in (2)(v) above) plus the maximum Developer Fee amount on non-acquisition costs (as calculated in (a) above) and then adding, if applicable, the maximum Developer Fee amount on Building Allocation (as calculated in (b) above). The Maximum TDC Component is unique to each Development and will not change once it is calculated. It will be used for calculations described in b. below. However, the maximum Developer Fee amount on Building Allocation costs, if applicable, can be updated at time of Final Cost Certification Application Package review when the Other building acquisition related costs of the existing Development have changed since credit underwriting. At no time will the proposed Developer Fee be allowed to exceed the total maximum Developer Fee.

- b. Determining whether adjustments to the Developer Fee and the Total Development Cost of the proposed Development are needed during Credit Underwriting

The Total Development Cost of the proposed Development (“TDC of the Proposed Development”) is often adjusted during credit underwriting and Final Cost Certification process. The steps below are performed first during the credit underwriting process and then a similar process is completed during the Final Cost Certification process as presented in c. below. Any such adjustments that occurred during these processes may affect the maximum Developer Fee allowed for the proposed Development to fluctuate.

(1) First Review of the Developer Fee and the TDC of the Proposed Development

To review the maximum Developer Fee for the proposed Development, the Corporation will first determine if the stated Developer Fee is in compliance with the percentage Developer Fee limit and then compare the results of the calculation in a. above to the Developer Fee stated by the Applicant.

If the maximum Developer Fee calculated by the percentage Developer Fee on stated Development Costs and the maximum Developer Fee calculated in a. above is equal to or greater than the proposed Development’s stated Developer Fee, there will be no resulting deduction to the stated Developer Fee or the TDC of the Proposed Development from this first review.

If this step creates a maximum Developer Fee that is less than the proposed Development’s stated Developer Fee, the stated Developer Fee will be reduced to the maximum Developer Fee provided in this step, and the TDC of the Proposed Development will be equally reduced to incorporate this mandated cost reduction.

(2) Second Review of the Developer Fee and the TDC of the Proposed Development

The second review will compare the proposed Development’s Maximum TDC Component and the Net TDC of the Proposed Development for these limitation purposes.

Calculating the Net TDC of the Proposed Development

The Net TDC of the Proposed Development is determined by taking the TDC of the Proposed Development (after any reduction in the initially stated Developer Fee as provided above) and deducting the following qualifying costs:

- the property acquisition price (building and land, which are subject to their own limits)
- demolition costs
- tenant relocation costs
- construction costs associated with the delivery of commercial/retail space, and
- any approved operating deficit reserves (ODR) that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee.

Comparison of the Development’s Maximum TDC Component and the Net TDC of the Proposed Development

If the proposed Development’s Maximum TDC Component is equal to or greater than the Net TDC of the Proposed Development, the review of the Developer Fee is complete and no other reduction to the proposed Development’s Developer Fee is required.

If the proposed Development’s Maximum TDC Component is less than the Net TDC of the Proposed Development, the maximum Developer Fee will be reduced by the lesser of:

- (a) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Component,
- (b) \$750,000, or
- (c) 25 percent of the Maximum Developer Fee calculated in a. above.

If the maximum Developer Fee calculated in this step is equal to or greater than the proposed Development’s Developer Fee calculated in b.(1) above, there will be no resulting deduction to the proposed Development’s Developer Fee after step b.(1) nor to the Net TDC of the Proposed Development from this second review.

If this step causes the maximum Developer Fee to be less than the proposed Development’s Developer Fee calculated in b.(1) above, the proposed Development’s Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate the second mandated cost reduction.

This is the final review of the Developer Fee during credit underwriting.

c. Reviewing the Developer Fee and the Net TDC of the Proposed Development stated in the Final Cost Certification Application Package (“FCCAP”)

The Developer Fee and the Net TDC of the Proposed Development may be further adjusted when the FCCAP is processed. Any such adjustments that occur with the FCCAP may cause the maximum Developer Fee allowed for the proposed Development to either increase, as described in (3) below, or decrease, as described in (2) and (4) below. Any increase or decrease to the proposed Development’s Developer Fee will cause the Net TDC of the Proposed Development to be equally increased or decreased, respectively.

Before each item below, the stated/updated Developer Fee will be tested to make sure it doesn’t exceed the amount determined by multiplying the proposed Development’s stated Development Costs by the maximum Developer Fee percentage, rounded down to the nearest dollar.

- (1) First Review of the Developer Fee and the TDC of the Proposed Development
Policy when the Developer Fee was not reduced by the process described in b. above

The proposed Development’s Developer Fee initially presented in the FCCAP will be tested for compliance with the maximum Developer Fee percentage requirement.

- (a) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is less than or equal to the Maximum TDC Component calculated in a. above, no adjustment to the proposed Development's Developer Fee will be required and there will not be a need for the second review.
- (b) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is greater than the Maximum TDC Component calculated in a. above there will be a need for the second review process below.

Policy when the Developer Fee was reduced by the credit underwriting process described in b. above

- (c) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is less than or equal to the TDC reported in the final credit underwriting report, the calculations in b. above will be repeated using the Net TDC of the Proposed Development preliminarily stated in the FCCAP. This may result in an increase to the final Developer Fee from the limit imposed at time of credit underwriting during steps b.(1)-(2).
- (d) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is greater than the Net TDC of the Proposed Development reported in the final credit underwriting report, the Developer Fee stated in the FCCAP is initially capped at the maximum Developer Fee determined in b.(2) above. If the Developer Fee stated in the FCCAP is greater than the maximum Developer Fee determined in b.(2) above, the Developer Fee will be reduced to match the maximum Developer Fee and any reduction in the stated Developer Fee will have a corresponding reduction in the Net TDC of the Proposed Development. There will be a need for the second review process below.

(2) Second Review of the Developer Fee and the TDC of the Proposed Development

After the applicable step above in c.(1)(b) or c.(1)(d) is complete, the calculations described below will determine the final Developer Fee.

If the Net TDC of the Proposed Development after step (1) above is greater than the Maximum TDC Factor calculated in a. above, the maximum Developer Fee determined in b.(2) above, will be reduced by the lesser of:

- (i) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Factor,
- (ii) \$350,000, or
- (iii) 10 percent of the Maximum Developer Fee calculated in (b) above.

If the maximum Developer Fee calculated in this step is equal to or greater than the Developer Fee stated in the FCCAP after c.(1) above, there will be no resulting deduction to the stated Developer Fee or the Net TDC of the Proposed Development from this review.

If this step causes the maximum Developer Fee to be less than the Developer Fee stated in the FCCAP after c.(1) above, the stated Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate this cost reduction.

A template and training video regarding the Total Development Cost Per Unit Limitation have been made available. A link has been added to the RFA Webpage called “Total Development Cost Per Unit Limitation Information Used In RFAs”. This link will take users to a new webpage with examples of this process, as well as a template, training video, and, for assistance after the review and evaluation process as explained in Section Three, F.2. of this RFA, contact information for available Florida Housing staff.

3. Leveraging Classification

All Applications will be classified as either Group A or Group B based on the amount of total Corporation funding per set-aside unit, as outlined below. Small County Priority 1 Applications will be assigned a Leveraging Classification as outlined below first, followed by Small County Priority 2 Applications, then Medium County Priority 1 Applications, then Medium County Priority 2 Applications. The Corporation will calculate the total Corporation funding per set-aside unit for each Application as follows:

- a. The Eligible Housing Credit Request Amount will be multiplied by 8.5; and
- b. If the Applicant has either (i) entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of

Trust between the Public Housing Authority and HUD; or (ii) a PHA/instrumentality of a PHA as a Principal, the Application will qualify for the PHA Multiplier and the amount will also be multiplied by 0.93.

Note: More than one of the above may apply. For instance, if a. and b. apply, the Eligible Housing Credit Request will be multiplied by 8.5., then multiplied by 0.93.

- c. If the Development consists of any new construction units, the total Corporation funding amount calculated above will also be multiplied by a Leveraging Factor. The Leveraging Factor is calculated as follows:

Development Leveraging Multipliers							
# of new construction units	NC Garden Non-ESS	NC Garden ESS	NC Mid-Rise Non-ESS	NC Mid-Rise ESS	NC High-Rise	NC Other Non-ESS	NC Other ESS
Combined Dev Type / ESSC Multipliers	x 1.0	x 0.93	x 0.97	x 0.9021	x 0.8835	x 1.0	x 0.93
Results of multiplication of each category							

To calculate the Leveraging Factor, the chart above will be used. The number of units for each category stated at 4.e. of Exhibit A will be multiplied by the applicable multiplier. The results of the multiplication will then be added together, then divided by the total number of set-aside units in the Development. The result of this calculation is the Leveraging Factor.

The Leveraging Factor is then multiplied by the total Corporation funding amount as calculated in a. – c. above. This result is the total Corporation funding amount used in e. below.

- e. The total Corporation funding amount will then be divided by the number of Set-Aside Units, resulting in the total Corporation funding per Set-Aside Unit.
- f. All Small County Priority 1 Applications will be divided into two lists: the “New Construction List” consisting of the Applications with the Development Category of New Construction, and the “Rehabilitation List” consisting of the Applications with the Development Category of Rehabilitation and Acquisition and Rehabilitation.

(1) The New Construction List will be compiled as follows:

The Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit. If any Applications have identical total Corporation funding per set-aside unit amounts, the Applications will be further sorted using lottery number, with the HIGHEST (worst) lottery number being listed first.

The total number of Applications on the New Construction List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “New Construction First Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the New Construction First Cut-Off. The calculated Corporation Funding Per Set-Aside Amount associated with this Application will be multiplied by 1.10. The resulting figure will be rounded up to the next whole number and any Applications on the list with Corporation Funding Per Set-Aside Amount that is less than this figure will be classified as Group A and Applications below the New Construction A/B Cut-Off will be classified as Group B.

- (2) The Rehabilitation List will be compiled as follows:

The Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit. If any Applications have identical total Corporation funding per set-aside unit amounts, the Applications will be further sorted using lottery number, with the HIGHEST (worst) lottery number being listed first.

The total number of Applications on the Rehabilitation List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “Rehabilitation First Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the Rehabilitation First Cut-Off. The calculated Corporation Funding Per Set-Aside Amount associated with this Application will be multiplied by 1.10. The resulting figure will be rounded up to the next whole number and any Applications on the list with Corporation Funding Per Set-Aside Amount that is less than this figure will be classified as Group A and Applications below the Rehabilitation A/B Cut-Off will be classified as Group B.

This same process will be performed for the Small County Priority 2 Applications, followed by the Medium County Priority 1 Applications, then the Medium County Priority 2 Applications. The Applications will then be merged to form one list.

4. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application’s Florida Job Creation score, which will reflect the number of Florida jobs per \$1

million of implied eligible housing credit equity. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than the minimum requirement of 1.70.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and rehabilitation units committed to by the Applicant (as stated by the Applicant in Exhibit A);
- The applicable Florida job creation rate for the type of units:
 - Rate of 4.374 Florida Jobs per unit for proposed new construction units;
 - Rate of 1.564 Florida Jobs per unit for proposed rehabilitation units; and
- The Eligible Housing Credit Request Amount.

The score for the Florida Rate of Job Creation per \$1 million of implied eligible housing credit equity will be measured using one of the following calculations:

- a. Developments consisting of only new construction units

Number of new construction units x 4.374 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 8.5) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of \$1,700,000.

$80 \times 4.374 \times 1,000,000 / 1,700,000 \times 8.5 =$ Florida Job Creation score of 24.22.

- b. Developments consisting of only rehabilitation units

Number of rehabilitation units x 1.564 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 8.5) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 140 rehabilitation units, and has an Eligible Housing Credit Request Amount of \$1,660,000.

$140 \times 1.564 \times 1,000,000 / (1,660,000 \times 8.5) =$ Florida Job Creation score of 15.52.

- c. Developments consisting of both new construction units and rehabilitation units

(Number of new construction units x 4.374 Florida Jobs per unit + number of rehabilitation units x 1.564 Florida Jobs per unit) x 1,000,000 / (the Eligible Housing Credit Request Amount x 8.5) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application B consists of 20 new construction units and 64 rehabilitation units and has an Eligible Housing Credit Request Amount of \$1,500,000.

$[(20 \times 4.374) + (64 \times 1.564)] \times 1,000,000 / (1,500,000 \times 8.5) =$ Florida Job Creation score of 14.71.

In above examples, all Applications will qualify for the Job Creation Funding Preference because each has a Florida Job Creation score that is equal to or greater than the minimum required.

5. Fees

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the funding awarded to be withdrawn as outlined in the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

Upon the Applicant's acceptance of the invitation to enter credit underwriting, the Corporation will return the Principals of the Applicant and Developer(s) Disclosure Form that was part of the Applicant's uploaded Application. The Applicant will be required to enter the applicable percentages on the form and return the completed form to the Corporation;
- k. Provide confirmation that the proposed equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria), subject to the following:
 - (1) If syndicating/selling the Housing Credits, there are two exceptions to the preceding sentence. First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15 percent of the amount of total proposed equity to be provided prior to or simultaneous with closing of construction financing, the 15 percent criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider's parent holding company, and the proposal explicitly proposes an amount to be provided prior to or simultaneous with the closing of construction financing that equals at least 15 percent of the total proposed equity to be paid stated in the equity proposal, the 15 percent criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15 percent criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or
 - (2) If not syndicating/selling the Housing Credits, proceeds from a bridge loan will not count toward meeting the 15 percent criteria;
- l. If there are existing occupied units as of Application Deadline, provide to the Credit Underwriter a plan for relocation of existing tenants. The plan shall provide information regarding the relocation site; accommodations relevant to the needs of the residents and length of time residents will be displaced; moving and storage of the contents of a resident's dwelling units; as well as the approach to inform and prepare the residents for the rehabilitation activities;

- m. If the Applicant indicated that the proposed Development is the first phase of a multiphase Development, submit to the Corporation an opinion letter by a licensed attorney that the Development meets the definition of a “multiphase project” as defined in the Federal Register. The letter must also include: (a) the name of the declared first phase Development and the Corporation-assigned Application number, (b) the total number of phases and the projected Development name for each phase, (c) the total number of buildings in each phase, (d) the expected completion date for each phase, and (e) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting;
 - n. If the Applicant indicated that the proposed Development is a subsequent phase of a multiphase Development, the Development’s status as a subsequent phase will be verified in credit underwriting. If the Development does not qualify and the Applicant’s Housing Credit request is based on such contention and, during the credit underwriting process it is determined that the proposed Development does not meet the criteria for such distinction, the Applicant’s Competitive Housing Credit award may be rescinded; and
 - o. Provide confirmation that the limited partnership agreement or limited liability operating agreement will comply with the operating deficit reserve requirement outlined in Section Four A.10.c.(4) of the RFA.
 - p. If the Applicant applied as a Non-Profit Applicant, provide the following:
 - (i) Demonstration of how the Non-Profit entity is materially and substantially participating in the predevelopment, management, and operation of the proposed Development throughout the compliance period, within the meaning of material participation as defined in 26 USC §469, 26 USC §42, by submitting the Executive Director Certification of Non-Profit Entity Material Participation form (Rev. 09-2022); and
 - (ii) Demonstration of Non-Profit entity qualifications
 - (A) The IRS determination letter* demonstrating that the Non-Profit is organized under Section 501(c)(3) or 501(c)(4) of the Internal Revenue Code; and
 - (B) The articles of incorporation demonstrating that one of the purposes of the Non-Profit entity is to foster low-income housing.
- *In the event the Non-Profit entity is subject to a group exemption under the Internal Revenue Code, provide the IRS determination letter for the parent corporation, and the list of exempt entities from the IRS which includes the Non-Profit entity in this Application. If the list of exempt entities has not yet been issued by the IRS, provide a copy of the request from the parent corporation to the IRS requesting group exemption status for the Non-Profit entity named in this Application. The IRS determination letter for the parent corporation must meet the requirements of q.(ii)(A) above.
- 4. The Preliminary Recommendation Letter (PRL) for this Development will be due to the Corporation no later than 12 weeks after the invitation to enter credit underwriting has

been issued. Pursuant to paragraph 67-48.0072(21)(c), F.A.C., the Applicant is responsible for providing the Credit Underwriter with the information necessary to complete the PRL. If the 12 week deadline cannot be met due to any delay caused by the Applicant, request an extension by submitting a written request and payment of the applicable processing fee to the Corporation;

5. The Applicant will submit the fully executed Link MOU for the Corporation's approval within nine months of the date of the invitation to enter credit underwriting, as described in Exhibit E;
6. The credit underwriting process must be complete within the timeframe outlined in Rule Chapter 67-48, F.A.C.;
7. By Certificate of Occupancy, the Applicant commits to participate in the statewide housing locator system, as required by the Corporation; and
8. The Credit Underwriter will provide an itemized list for additional documentation including, but not limited to, the following:
 - a. Information outlined in Rule Chapter 67-48.0072, F.A.C.;
 - b. If the Applicant indicated that the proposed Development will be assisted with funding under the RD 538 Program and expects to use such funding as a source of financing, the Section 538 Selection Letter sent to the Applicant by RD must be provided; and
 - c. The Construction Consultant engaged by the Corporation's credit underwriter must provide the properly completed and executed Americans with Disabilities Act Certification forms certifying that the design of the proposed Development and the completed Development includes the applicable accessibility, adaptability, Visitability and universal design features required by the Corporation and proposed by the Applicant. The Americans with Disabilities Act Certification forms (Rev. 02-20) are available on the RFA Webpage.
10. The Credit Underwriter will also verify information submitted by the Applicant, including, but not limited to the following:
 - a. The Applicant's Non-Profit status, if applicable;
 - b. Each Scattered Site meets the requirements of this RFA and Section 42 of the IRC, if applicable;
 - c. The proposed Development's ability to meet the Enhanced Structural Systems Construction qualifications;
 - d. Calculation of eligible basis which may cause a reduction in the Housing Credit Allocation. This may include review of the location of buildings and whether all buildings are eligible for the eligible basis boost, if applicable;
 - e. With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, and Applicants that select the Elderly ALF

Demographic Commitment, Developments that have a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, must demonstrate HUD approval within a Tenant Selection Plan for an owner-adopted preference or special admissions preference specifically for individuals or families who are referred by a designated Referral Agency serving the county where the Development is located;

- f. The proposed Development's first phase or subsequent phase's status; and
- g. Review of the Total Development Cost and its effect on the Total Development Cost Per Unit Limitation.

If any of these cannot be verified, all funding awarded under this RFA may be reduced or may be rescinded if the award or the Application's eligibility status was based on such information, and/or the Applicant may be determined to have made a material misrepresentation.

- 11. For 9% Housing Credit, the Carryover Allocation Agreement will provide deadlines for additional documentation.

Exhibit E – Additional requirements for the Link Units for Persons with Special Needs

The Link to Permanent Housing Strategy (Link) enhances the ability of extremely low income (ELI) households with special needs to access and retain affordable rental housing in their communities. The Corporation requires Developers to provide a specified percentage of a Development’s ELI Set-Aside units for special needs households receiving community-based supportive services who are referred by a designated supportive services agency in the community where the Development is located. All Link units must do the following:

I. Link Set-Aside Requirements

With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, and Applicants that select the Elderly ALF Demographic Commitment, for the entire Compliance Period as specified in both the regulatory agreement and as stated in the RFA, the Development shall set aside the required percentage of the ELI Set-Aside units as Link Units for Persons with Special Needs. At least one member of each Link unit’s household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation.

II. Link Memorandum of Understanding (MOU)

The Corporation has established and maintains a list of supportive service agencies or organizations serving each county, each of which is designated as a Referral Agency. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation’s Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). These agencies are statewide, regional or local organizations that administer community-based supportive services to the populations served by Link.

The MOU is a formal agreement between the owner and a Referral Agency that specifies the intent of the Link Strategy and describes the roles and responsibilities of each party to the MOU. The MOU form to be executed shall be the version most recently provided on the Corporation’s website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/link-units-for-persons-with-special-needs-information> (also accessible by clicking [here](#)).

- A. The owner shall execute an MOU with at least one designated Referral Agency serving the county and intended population where the Development will be located and rent units to households referred by the Referral Agency with which the MOU is executed.
- B. As stated in Exhibit D, within nine months of the date of the invitation to enter credit underwriting, submit the fully executed Link MOU for the Corporation’s approval. If the owner is unable to meet the deadline, an extension may be requested from the Corporation, and a non-refundable processing fee of \$5,000 shall be charged to the owner.

- C. Prior to execution of the MOU, but not later than 10 Calendar Days before the deadline by which the fully-executed MOU shall be received by the Corporation, the MOU form stipulated in the applicable RFA shall be completed and reviewed by the owner and Referral Agency, and then submitted by the owner to the Corporation for review and preliminary approval.
- D. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the invitation to enter into credit underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.
- E. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.
- F. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at Link@floridahousing.org, within five Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.
- G. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.
- H. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before terminating the MOU. The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

III. Tenant Selection and Preferences

- A. **Leasing Activity (Lease-up and Pre-leasing):** During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household.

- B. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.
- C. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of either loan closing or site acquisition, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met. For Developments with a Housing Assistance Payment contract and/or an Annual Contributions Contract with HUD: The waiting list section of the Tenant Selection Plan shall establish selection preferences or a section for special admissions specifically for individuals or families who are referred by a designated Referral Agency. The Tenant Selection Plan shall be submitted by the owner to the Corporation for review and preliminary approval before sending to HUD. HUD approval may take several months. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.
- D. Owners that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall maintain a separate waiting list for referred applicants and prioritize these individuals for any available Link units. During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.

III. Notification of the Availability of Units for Referral of Intended Link Households

- A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.
- B. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:

1. Requests to develop MOU with Referral Agency;
 2. Draft reviews of MOUs between the parties;
 3. Final version of executed MOU;
 4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;
 5. Notifications of unit availability;
 6. Number of Calendar Days unit will be held open for referrals;
 7. Information about rental policies and eligibility criteria;
 8. Outcome of referrals;
 9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and
 10. Requests for termination of MOU.
- C. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.
- D. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three times, at intervals of no less than seven Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.
- E. The owner shall notify the Referral Agency regarding the outcome of each referral within one business day after a determination is made regarding the household's eligibility to occupy the available unit.
- F. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

IV. Link Compliance Monitoring Documentation

- A. The owner shall cause the following documentation to be maintained on file for compliance monitoring purposes. Such documents shall be made available for

inspection by Corporation personnel or its monitoring agents at any reasonable time. The owner shall provide copies of such documents, either electronic or paper, to the Corporation within three business days of any request by the Corporation for such copies.

1. A copy of all active MOUs approved by the Corporation;
 2. A copy of all terminated MOUs. Terminated MOUs shall be retained for seven years beyond the period of tenancy for any household referred under the particular MOU;
 3. A copy of any current correction period extensions granted by the Corporation; and
 4. Email communication with the Referral Agency demonstrating timely notification regarding the availability of units for the intended Link household, outcome of each referral, and, when an available unit was not rented to a Link household, the number of days the available unit was held open for intended Link household.
- B. The monthly Program Report submitted to the Corporation by the Development shall reflect the number of Link households residing in an ELI Set-Aside unit.
- C. The Compliance Period committed to in the RFA also includes the units set aside for the Demographic Commitments, which includes the commitments for Link and ELI Households. The affordability period committed to in the RFA includes the units set aside for ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in non-compliance with Section 42.

Exhibit F - Rehabilitation Scoping Process with a Capital Needs Assessment

The following is the procedure by which the scope of the rehabilitation will be determined for Applicants rehabilitating units as part of the proposed Application. This may include those with the Development Category of New Construction, if the plan includes rehabilitation of at least one existing unit.

The Flowchart attached to this Exhibit has been designed to graphically illustrate the steps described below.

1. The Pre-Application Stage (Steps 1-2)

Prior to submitting an Application, Applicants should conduct appropriate due diligence to determine whether it is physically and financially feasible to comply with the minimum requirements contained in Section Four A.8., for proposed Developments with at least one rehabilitation unit. Applicants receiving a preliminary award who are found (through the Capital Needs Assessment and Rehabilitation scoping process further described below) to be unable to meet all of the requirements of Section Four A.8.a. and c. with the sources available for the Rehabilitation will have their preliminary award of funding rescinded.

At the time of Application, Applicants proposing any rehabilitation of units will be required to certify that the contemplated budget and available sources are adequate to meet all requirements outlined in Section Four A.8. of this RFA.

2. The Capital Needs Assessment (CNA) Stage (Steps 3-7)

- a. Once the invitation to Credit Underwriting has been accepted, all Developments with at least one rehabilitation unit shall have a CNA prepared. This may include those with the Development Category of New Construction, if the plan includes rehabilitation of at least one existing unit. Due to closing deadlines outlined in Rule Chapters 67-48, F.A.C., the CNA process will run concurrently with the Credit Underwriting process (which includes the market study and PRL, if applicable).
- b. Upon receipt of the credit underwriting fee(s) and the CNA review fee, the Credit Underwriter shall obtain quotes for the CNA, and invoice the Applicant. The CNA shall be ordered by the Credit Underwriter no later than 7 Calendar Days after receiving the CNA fee deposit. The choice of the CNA provider will be left solely up to the Credit Underwriter, and shall be chosen from the Corporation's approved list of qualified providers.
- c. Once the CNA has been ordered, the CNA provider will contact the Applicant to obtain basic information regarding the current physical condition of the property. The Applicant (or designee) shall answer the CNA provider's request for information within 7 Calendar Days of receipt. Further, a physical inspection of the property shall be scheduled to take place between the CNA provider, the Applicant (or designee), the Corporation (if desired) and the Credit Underwriter (if desired), no later than 30 Calendar Days from the ordering of the CNA. No less than 7 Calendar Days prior to the physical inspection, the Applicant shall ensure that original construction plans, if available, and a history of major repair expenditures covering at least the most recent 5 years, have been delivered to the CNA provider.

- d. At a minimum, the CNA provider will:
- (1) Review available documentation from the original construction and previous rehabilitations and current or planned improvements to the greatest extent possible:
 - Site survey;
 - Appraisals;
 - As-built drawings or record drawings;

 - Preventative maintenance requirements;
 - Operations and maintenance plans;
 - Maintenance reports and contracts; and
 - Previous repairs, improvements or replacements.
 - (2) Make all appropriate inquiries to obtain and review any relevant information relating to the Property from the local governmental agencies and departments having jurisdiction over the Property. Documentation should include, to the greatest extent possible:
 - Certificates of Occupancy;
 - Inspection records and certificates;
 - Reports of existing building / fire code violations;
 - Reports of existing regulatory, health or zoning violations; and
 - Documentation of ongoing or pending litigation on Physical Conditions of the Property.
 - (3) Interview Applicant's point of contact and/or maintenance staff via a Pre-Site Visit questionnaire (Appendix E of the CNA Guide) to acquire information about preceding or pending repairs, replacements and their costs, level of preventive maintenance exercised;
 - (4) Conduct a review of the expected useful life of all equipment and building components using the Corporation's Estimated Useful Life Tables (Appendix F of the CNA Guide);
 - (5) Physically inspect the property via visual observation unless specified otherwise;
 - (6) Develop a 15-year replacement reserve table to be used in Credit Underwriting and post-rehabilitation asset management in the prescribed format indicated in Appendix K of the CNA Guide;

- (7) Review the Corporation requirements in Section Four A.8. of the RFA; and
 - (8) Consider the Applicant's scope of work preferences. (Note: The CNA provider will use his/her professional judgement in the appropriateness of items included in the Applicant's scope.)
- e. At a minimum, the physical inspection will include:
- (1) All vacant and out-of-service units;

The CNA provider should document representative conditions with photographs as prescribed in the CNA Guide and use reasonable efforts to document typical conditions present including material physical deficiencies, if any.
- g. The CNA provider shall also identify any known or observed deficiencies with the property, considering both individual units and common areas. The CNA provider should separately list in the CNA any existing conditions which threaten the life and safety of residents. Immediate needs of this nature should be brought to the attention of the property management, the Credit Underwriter, and the Corporation through the CNA report.
- h. The CNA provider shall conduct an accessibility survey using the format prescribed in Appendix B of the CNA Guide and the FHFC Accessibility requirements outlined in Sections Four A.8.a. and c. of the RFA.
- i. After the inspection and evaluation is complete, the CNA provider will deliver a CNA report to the Credit Underwriter and the Corporation. - (5) A list and associated costs of all long-term physical needs between years 1 and 15 from completion of the CNA in a format prescribed in Appendix K of the CNA Guide. The cost estimate will include both current replacement cost and inflation adjusted replacement costs using a 3% annual inflation factor;
- (6) An estimate of the “reserves necessary for replacements”;
- (7) An estimate of the cost of rehabilitation based on one or more of the following sources:
 - (a) Applicant or Owner provided unit costs;
 - (b) Owner’s historical experience costs;
 - (c) Consultant’s cost database or cost files;
 - (d) Commercially available cost information or published commercial data;

 - k. The CNA provider will opine as to the physical and financial feasibility of the inclusion of full-size ranges and ovens in all rehabilitation units. The CNA provider shall include supporting documentation (plan sketch with dimensions, photographs, etc.) that support their conclusion.
 - l. The CNA provider will opine as to the physical and financial feasibility of all of the Green Features required in Section Four A.8.e. of the RFA.
 - m. Where appropriate, the CNA provider will comment on the proportions of physical needs that have resulted from accumulated deferred maintenance, and from ordinary use and decline of a properly maintained property. If, in the CNA provider's expert opinion, the deterioration of the property has been accelerated by poor management practices, that information must be disclosed to the Credit Underwriter and the Corporation.
 - n. The CNA provider will also comment on whether rehabilitation of a particular feature ordinarily requires relocation of the tenant.
3. The Scoping Stage (Steps 8-11)
- a. The CNA provider will complete a draft of the Rehabilitation Scope of Work spreadsheet, utilizing the information gathered from steps 3-7 above and each Rehabilitation Scope of Work must include the measures listed below.  - e. Upon receipt of the CNA report and draft Scope of Work, the Credit Underwriter will forward the documents to the Applicant. The Applicant shall then have a 14 Calendar Day review period in which the Applicant may provide addition information and comment on the draft Scope of Work.

Exhibit G - Tenant Selection Requirements

A written Tenant Selection Plan must be provided that reflects the requirements described in this Exhibit which addresses the following:

- Federal Accessibility Requirements
 - Tenant Selection Criteria for All Households
- Tenant Selection Criteria for Extremely Low Income (ELI) Household
Federal Accessibility Requirements

The Tenant Selection Plan must include a statement that the Development meets the following accessibility federal requirements, incorporating the most recent amendments, regulations, and rules:

- The Fair Housing Act as implemented by 24 CFR 100
- Section 504 of the Rehabilitation Act of 1973
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35

Tenant Selection Criteria for All Households

Screening criteria for all households

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of all households applying for tenancy:

- Arrest Record: The arrest record of a household member will not be considered when determining any household's application for tenancy.
- Rental Assistance: For households with publicly funded rental assistance, the income requirement will be based on the household's paid portion of the rent.

Application for Tenancy

Applicant must include and prominently place the following information in the Development's application for tenancy packet that is provided to all interested households:

- The tenant selection approach and criteria used to evaluate and determine a household's application for tenancy. The criteria under which a household was screened and evaluated, as well as the determination, must be included in each tenant household's file.
- The approach regarding a household's notification and appeal process and timeline if the household's application is rejected or determined ineligible.
- A description of reasonable accommodations or reasonable modifications for persons with disabilities, pursuant to Section 504 of the Rehabilitation Act of 1973. The description shall include accommodations that must be considered by the Development such as physical dwelling unit modifications for greater accessibility and use, as well as individualized assessments of mitigating factors related to a disability that adversely affected a household's credit, eviction, or criminal history. The description shall also include the process for requesting a reasonable accommodation, the determination approach, and decision-making timelines.

- A description of an applying household's or existing tenant's housing protections pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA). The description will include that applying households may request that the Development conduct an individualized assessment of mitigating factors related to being a victim of domestic violence, dating violence, sexual assault, and stalking that adversely affected the household's credit, eviction, or criminal history.

Notification of Rejection or Ineligibility for Tenancy

The Applicant must, at a minimum, notify any household that their application for tenancy was rejected or determined ineligible through a documented process such as a written letter or email to the address provided by the household.

- The notification will be provided to a household within 5 business days from the day the determination is made.
- The notice must include information regarding:
 - The reasons a household's application for tenancy was rejected or determined ineligible.
 - A household's right to appeal the Development's decision, as well as complete instructions regarding how a household may appeal the decision.

Tenant Selection Criteria for Extremely Low Income (ELI) Households

Screening criteria for ELI households

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of a household applying for tenancy in a unit set aside for Extremely Low Income (ELI) Households:

- Credit History: The credit history related to medical expenses, cable and internet services will not be taken into consideration when conducting credit checks.
- Income Requirement Policy: The household monthly income must not be required to be more than two times the monthly rent. (e.g., if the monthly rent is \$500, the household monthly income will not be required to exceed \$1,000.)
- Evictions: The eviction history look-back period must not be more than 5 years. A household is permitted one eviction during the 5-year look-back period, unless the eviction was due to causing physical harm to development staff, tenants, or intentional property damage.

ELI Tenant Application Fees and Deposits

The Applicant must adhere to the following tenant application fees and deposits requirements for a household applying for tenancy in a unit set aside for extremely low-income households:

- It is prohibited to charge a fee to a household that is applying for tenancy in a unit that is set aside for extremely low-income households for the purposes of reserving or holding a unit.
- The application for tenancy fee will be no more than \$35 per adult in a household.
- A security deposit for new tenant households will be not more than the amount of one month's rent.

For Development with requirements for Link/Special Needs requirements

The Tenant Selection Plans must include a Preference in their Waiting List section. Owners must create a preference specifically for individuals or families who are referred by a Florida Housing-designated Special Needs Referral Agency. The Tenant Selection Plan must include the following language:

This Development has adopted a preference to house X number of units of the Extremely Low Income (ELI) units within the Development to be set aside for Persons with Special Needs as defined in 420.0004(13) Florida Statutes. These set aside units are known as Link units. These units shall be set aside specifically for individuals or families who are referred by a Florida Housing-designated Referral Agency. The Development must prioritize these referred individuals for an available Link unit.

- During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- The Tenant Selection Plan shall be submitted by the Applicant to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

Properties with HUD assistance, including Project-Based Assistance, Public Housing Agencies, and those administering Public Housing Programs

Properties that have contracts with HUD or Public Housing Authorities' rental assistance programs and also have the Florida Housing Link/Special Needs requirement must handle their waiting list to reflect both HUD and Florida Housing requirements. In order to do this, Florida Housing has determined that establishing an owner-adopted preference with a Florida Housing-designated Special Needs Referral Agency is the correct method for complying with Florida Housing and HUD requirements.

- The Waiting List section of the Tenant Selection Plan must include a preference for Special Needs households that are referred by a Florida Housing-designated Special Needs Household Referral Agency.
- HUD regulations require Tenant Selection Plans that implement preferences to have HUD approval. This is the case if there are new Plans in new properties, as well redevelopment, RAD conversions, or substantially rehabilitated properties.
- If a Development has an existing Tenant Selection Plan, Applicant must amend the Plan. Applicants are required to submit the amended Plan with the preferences to their account manager in the field office. The Plan must be sent to the Corporation for preliminary approval before sending to HUD.
