

Finding property insurance can be tough. FMAP makes it easier!

Florida Market Assistance Plan (FMAP)

The FMAP is a free and convenient online referral service authorized by the Florida Legislature to match people looking for property insurance with licensed agents and insurers offering coverage in Florida.

If you're looking for coverage with your first home, your next home or just comparison shopping – FMAP helps you find insurance!

Registering is as simple as 1-2-3:

- 1 Provide your property details and contact information.
- 2 Submit your property quote request.
- 3 Agents will contact you to discuss insurance options in your area.

Getting Started

Shopping for insurance and finding an agent is easy. Take advantage of FMAP's free and convenient service today!

To register with the FMAP, you'll need some basic information about your property. Most information can be obtained from the following resources:

- Current or previous property insurance policy
- Property appraisal
- Local property appraiser website

Information needed for the FMAP quote request:

- Year property was built
- Construction type
- Square footage
- Date of last updates to:
 - Roof
 - Electrical system
 - HVAC system
- Number of miles from salt water
- Whether located within 1,000 feet of a fire hydrant
- Whether located within 5 miles of a manned fire-station
- Number of property insurance claims you filed in the last three years

After your request is submitted, you will receive a confirmation email linking to your request. You can check on the status of your request or make updates without having to log in again.
