

LITTLE ROCK CENTRAL HIGH SCHOOL NATIONAL
HISTORIC SITE BOUNDARY MODIFICATION ACT

SEPTEMBER 5, 2017.—Committed to the Committee of the Whole House on the State
of the Union and ordered to be printed

Mr. BISHOP of Utah, from the Committee on Natural Resources,
submitted the following

R E P O R T

[To accompany H.R. 2611]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 2611) to modify the boundary of the Little Rock Central High School National Historic Site, and for other purposes, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of H.R. 2611 is to modify the boundary of the Little Rock Central High School National Historic Site.

BACKGROUND AND NEED FOR LEGISLATION

In a key event of the American Civil Rights movement, nine black students enrolled at formerly all-white Central High School in Little Rock, Arkansas, in September 1957, testing the landmark 1954 U.S. Supreme Court decision in *Brown v. Board of Education of Topeka* (347 U.S. 483) that declared segregation in public schools unconstitutional. The admission of the “Little Rock Nine”, as they came to be known, drew national and international attention, and was the first important test of our Nation’s resolve to enforce black civil rights in the face of significant public defiance.

In recognition of the importance of Little Rock Central High School in the history of the United States, the site was designated by the Secretary of the Interior as a National Historic Landmark in 1982, and was later designated as a national historic site in 1998 by Public Law 105-356.

In 1996, the neighborhood surrounding the high school, including seven privately owned residences on South Park Street, was listed on the National Register of Historic Places as the Central High School Neighborhood Historic District. The residences on South Park Street across from the high school are inextricably connected with the significant events of 1957, as images of the Little Rock Nine, crowds of protestors, the public, and National Guardsmen appeared in newspapers across the nation and were broadcast live through the emerging media of television.

H.R. 2611 would authorize the National Park Service (NPS) to enter into cooperative agreements with private property owners of the South Park Street properties. This authority would allow the NPS to use the site's operational funds to mark, interpret, improve, restore, and provide technical assistance for the preservation and interpretation of the properties. It would also allow the NPS to assist the homeowners in applying for federal grants.

All the property owners and several community members have expressed their support for this proposal, including the Central High Neighborhood, Inc., and Preserve Arkansas.

COMMITTEE ACTION

H.R. 2611 was introduced on May 23, 2017, by Congressman J. French Hill (R-AR). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Federal Lands. On July 25, 2017, the Natural Resources Committee met to consider the bill. No amendments were offered, and the bill was ordered favorably reported to the House of Representatives by unanimous consent on July 26, 2017.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation and the Congressional Budget Act of 1974. With respect to the requirements of clause 3(c)(2) and (3) of rule XIII of the Rules of the House of Representatives and sections 308(a) and 402 of the Congressional Budget Act of 1974, the Committee has received the enclosed cost estimate for the bill from the Director of the Congressional Budget Office:

House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 2611, the Little Rock Central High School National Historic Site Boundary Modification Act.

Enclosure.

H.R. 2611—Little Rock Central High School National Historic Site Boundary Modification Act

H.R. 2611 would modify the boundary of the Little Rock Central High School National Historic Site in Arkansas to include seven privately-owned residences. The bill also would authorize the National Park Service (NPS) to enter into cooperative agreements with the owners of those residences to provide technical assistance toward preservation and interpretation of the properties.

CBO estimates that implementing the bill would cost less than \$500,000 over the next five years, assuming availability of appropriated funds. Those costs would include updates to maps, hand-outs, and signage to reflect the new site boundary, and the provision of technical and financial assistance through the cooperative agreements. According to the NPS, the agency would not assume sole responsibility for the maintenance of the properties.

Enacting H.R. 2611 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 2611 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 2611 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Janani Shankaran. The estimate was approved by Theresa Gullo, Assistant Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to modify the boundary of the Little Rock Central High School National Historic Site.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104-4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. This bill does not contain any directed rule makings.
