

ALASKA NATIVE TRIBAL HEALTH CONSORTIUM LAND
TRANSFER ACT

DECEMBER 30, 2022.—Committed to the Committee of the Whole House on the State of the Union and ordered to be printed

Mr. GRIJALVA, from the Committee on Natural Resources,
submitted the following

REPORT

[To accompany H.R. 443]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 443) to convey land in Anchorage, Alaska, to the Alaska Native Tribal Health Consortium, and for other purposes, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

PURPOSE OF THE BILL

The purpose of H.R. 443 is to convey land in Anchorage, Alaska, to the Alaska Native Tribal Health Consortium.

BACKGROUND AND NEED FOR LEGISLATION

The Alaska Native Tribal Health Consortium (ANTHC) is a non-profit organization serving the health needs of thousands of Alaska Native and American Indian patients in south-central Alaska. Through its contracts with the Indian Health Service (IHS), ANTHC provides medical services at the Alaska Native Medical Center and supports wellness programs, disease research and prevention, rural provider trainings, as well as rural water and sanitation systems construction.

H.R. 443 will allow ANTHC to gain ownership over two parcels of land totaling 3.5 acres. The parcels are owned by the Department of Health and Human Services (HHS) and are currently being used by ANTHC for maintenance and storage. ANTHC would like to improve the properties to better utilize them but must obtain the warranty deed for the properties before making improvements.

ments, to both ensure ownership of any improvements and to obtain financing for any improvements. Transfer of the land will permit ANTHC to streamline its operations and conduct building refurbishments without reliance on the federal government.

On April 26, 2022, the House considered an amended version of H.R. 441 (also introduced by Representative Don Young) that combined the texts of H.R. 441, H.R. 442 (also Rep. Young), and H.R. 443 into a single bill. By voice vote, the House agreed to suspend the rules and pass the consolidated version of H.R. 441, including the text of H.R. 443.

On December 19, 2022, the Senate passed the consolidated version of H.R. 441, including the text of H.R. 443, without amendment by unanimous consent. As of the drafting of this report, President Biden is expected to sign the bill into law.

COMMITTEE ACTION

H.R. 443 was introduced on January 21, 2021, by Representative Don Young (R-AK). The bill was referred to the Committee on Natural Resources, and in addition to the Committee on Energy and Commerce. Within the Natural Resources Committee, the bill was referred to the Subcommittee for Indigenous Peoples of the United States. On May 5, 2021, the Natural Resources Committee met to consider the bill. The Subcommittee was discharged by unanimous consent. The bill was adopted and ordered favorably reported to the House of Representatives by unanimous consent.

HEARINGS

Regarding clause 3(c)(6) of House rule XIII, the Committee does not expect the measure to be considered pursuant to a special order of business reported by the Committee on Rules, as it has already passed House as part of another bill.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. *Cost of Legislation and the Congressional Budget Act.* With respect to the requirements of clause 3(c)(2) and (3) of rule XIII of the Rules of the House of Representatives and sections 308(a) and 402 of the Congressional Budget Act of 1974, as well as clause 3(d) of rule XIII of the Rules of the House of Representatives, the Committee has received the following estimate for the bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, May 24, 2021.

Hon. RAÚL M. GRIJALVA,
*Chairman, Committee on Natural Resources,
House of Representatives, Washington, DC.*

H.R. 443, Alaska Native Tribal Health Consortium Land Transfer Act			
As ordered reported by the House Committee on Natural Resources on May 5, 2021

* = between zero and \$500,000.

H.R. 443 would authorize the Secretary of Health and Human Services to convey a parcel of land in Anchorage, Alaska, to the Alaska Native Tribal Health Consortium (ANTHC). The conveyance would be made by a warranty deed, which is a type of deed that guarantees a clear title to the new owner of the property.

The Indian Self-Determination and Education Act (ISDEAA) allows tribal entities to assume responsibility for providing health care services funded by the Indian Health Service (IHS). The ANTHC is a nonprofit health care and social services corporation that operates facilities under the ISDEAA in communities throughout Alaska. According to IHS, the ANTHC currently does not pay rent or any other remuneration to IHS for the use of the land to be transferred. Consequently, CBO estimates that enacting H.R. 443 would not affect direct spending or revenues and would have an insignificant effect on spending subject to appropriation for IHS staff to facilitate the land transfer.

The CBO staff contact for this estimate is Robert Stewart. The estimate was reviewed by Leo Lex, Deputy Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goals and objectives of this bill are to convey land in Anchorage, Alaska, to the Alaska Native Tribal Health Consortium.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

UNFUNDED MANDATES REFORM ACT STATEMENT

According to CBO, this bill contains no unfunded mandates as defined by the Unfunded Mandates Reform Act.

EXISTING PROGRAMS

This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

PREEMPTION OF STATE, LOCAL, OR TRIBAL LAW

Any preemptive effect of this bill over state, local, or tribal law is intended to be consistent with the bill's purposes and text and the Supremacy Clause of Article VI of the U.S. Constitution.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes to existing law.
