AGENCY: Social Security Administration (SSA).

ACTION: Altered system of records, including proposed new routine uses.

SUMMARY: In accordance with the Privacy Act (5 U.S.C. 552a(e)(4) and (e)(11)), we are issuing public notice of our intent to alter an existing system of records entitled *Medicare Part D and Part D Subsidy File, 60-0321*. The proposed alterations will result in the following changes to the system of records:

(1) Expansion of the categories of individuals covered by the system to include individuals entitled to Medicare Part A, Part B and Medicare Advantage Part C; and

(2) Proposed new routine uses 17-21 providing for the release of information for purposes of efficient administration of Medicare Part A, Part B, Medicare Advantage Part C, and Medicare Part D.

We are also changing the name of the existing *Medicare Part D and Part D Subsidy File* system of records. The proposed new name is the *Medicare Database*, hereinafter referred to as the *MDB File*. The change reflects the establishment of a single repository for all Medicare-related data.

The proposed alterations are discussed in the **SUPPLEMENTARY INFORMATION** section below. We invite public comments on this proposal.

DATES: We filed a report of the proposed alteration with the Chairman of the Senate Committee on Homeland Security and Governmental Affairs, the Chairman of the House Committee on Government Reform, and the Director, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on July 18, 2006. The proposed alteration will become effective on August 26, 2006 unless we receive comments that will result in a contrary determination.

ADDRESSES: Interested individuals may comment on this publication by writing to the Executive Director, Office of Public Disclosure, Office of the General Counsel, Social Security Administration, Room 3-A-6 Operations Building, 6401 Security Boulevard, Baltimore, Maryland 21235-6401. SUPPLEMENTARY INFORMATION:

I. Background and Purpose of Proposed Alteration to the MDB File System of Records

A. General Background

On December 8, 2003, the Medicare Prescription Drug, Improvement, and Modernization Act (also known as the Medicare Modernization Act or MMA) of 2003, created a voluntary prescription drug coverage benefit program under new Part D of Medicare for all individuals eligible for Medicare Part A and/or Part B. The MMA also created a subsidy program to assist Medicare beneficiaries with limited means to pay for prescription drug coverage. The new Medicare Part D was implemented January 2006. We published a notice of system of records in the **Federal**

Register to implement the Medicare Part D coverage on December 28, 2004. The notice can be found at 70 FR 77816, December 28, 2004. Additionally, Section 811 of the MMA established a premium subsidy reduction which will result in an income-related adjustment amount being added to the standard monthly Medicare Part B premium amount.

The Medicare Part B premium subsidy reduction becomes effective January 2007. Sections 101 and 201 of the MMA changed some of the terms and definitions for Medicare Part C (now Medicare Advantage) and provided for the implementation of the Medicare Advantage program.

Medicare Part B is a voluntary program which provides medical insurance coverage for medical and health services such as physician services, diagnostic services and medical supplies. Medicare Part B beneficiaries are responsible for deductibles, co-insurance and monthly premiums towards the cost of covered services. Generally, the Part B premium covers approximately 25 percent of the Part B program costs and the remaining 75 percent of the program costs are subsidized by the Federal Government by contributions to the Federal Supplementary Medical Insurance Trust Fund. Certain Part B beneficiaries may also pay an increased premium for late reenrollment or for enrollment after a period without coverage.

Beginning January 2007, the Medicare Part B premium subsidy will result in an income-related adjustment amount being added to the standard monthly Medicare Part B premium amount for an estimated 4 to 5 percent of the approximately 40 million Part B beneficiaries who have income above an income threshold set by the MMA. Beneficiaries with modified adjusted gross income above a statutory income threshold will pay more of the cost of their Part B premiums through an income-related monthly adjustment amount. The income-related monthly adjustment amount is an additional amount of premium for Part B coverage that is added to the Part B standard monthly premium. The purpose of the income-related adjustment is to reduce the Federal subsidy to Medicare Part B beneficiaries with income above the statutory threshold.

To implement the Medicare Part B premium subsidy reduction and establish eligibility for Part D subsidies, we must collect and maintain relevant information that will be used for these determinations. We will maintain the information in the *MDB File*. We currently maintain information about

Medicare Part A and Part C applicants and beneficiaries in other SSA systems of records (e.g., the Master Beneficiary Record and the Claims Folders System). To assist us in the efficient administration of Medicare Part A, Part B, Medicare Advantage Part C, and Medicare Part D programs, we are consolidating all of the relevant records into the *MDB File*. In addition to these changes, we are also establishing new routine use disclosures of *MDB File* information. To implement these changes, we must make alterations to the *MDB File*. The alterations are discussed in Section I, Subsections B and C below.

B. Expansion of the Categories of Individuals Covered by the MDB File System of Records

(1.) Expansion of the Categories of Individuals in the MDB File

Currently, the records in the system pertain primarily to beneficiaries with limited means to pay for prescription drug coverage under Medicare Part D. The purpose of the proposed alteration is to expand the categories of individuals covered by this system to include beneficiaries who have medical insurance under Medicare Part A, Part B, Medicare Advantage Part C, and all beneficiaries who are covered or who will be eligible for facilitated enrollment under Part D plans. See the "Categories of individuals covered by the system" in the system notice below for the inclusion of the additional categories of individuals and a full description of the information maintained therein.

(2.) Name Change for the Existing Medicare Part D and Part D Subsidy File System of Records

We propose to change the name of the existing system to the *MDB File* system of records to facilitate and reflect the formation of a single repository for the collection and maintenance of all Medicare-related data.

C. Proposed New Routine Use Disclosures of Data Maintained in the *MDB File* System of Records

1. Establishment of New Routine Uses

We are proposing to establish five new routine uses to allow disclosure of information maintained in the *MDB File*. The routine uses will facilitate disclosures to applicants, claimants, prospective applicants or claimants (other than the data subjects and their authorized representatives); the Centers for Medicare & Medicaid Services; the Railroad Retirement Board; the Office of Personnel Management; the Office of Medicare Hearings and Appeals; and the

Medicare Appeals Council in the Department of Health and Human Services, in pursuit of Part B premium reduction based on participation in a Part C Medicare Advantage Plan; Medicare Part B and Part C premium collection; all Medicare enrollment, premium collection and reduction, and Part B premium income-related monthly adjustment amount determinations and appeals of determinations.

Accordingly, proposed new routine uses numbered 17–21 that we are adding to the *MDB File* provide for the disclosure of information as follows:

17. *"To applicants, claimants, prospective applicants or claimants (other than the data subjects and their authorized representatives) to the extent necessary for the purpose of pursuing Medicare Part B premium reduction based on participation in certain Part C Medicare Advantage plans;"*

18. *"To applicants, claimants, prospective applicants or claimants (other than the data subjects and their authorized representatives) to the extent necessary for the purpose of administering Medicare Part A, Part B, Medicare Advantage Part C, and Medicare Part D, including but not limited to pursuing Medicare Part B, Part C and Part D premium collection;"*

19. *"To the Centers for Medicare & Medicaid Services (CMS), for the purpose of administering Medicare Part A, Part B, Medicare Advantage Part C, and Medicare Part D, including but not limited to: Medicare Part C enrollment and premium collection processes; Part D enrollment and premium collection processes; Medicare Part B premium reduction based on participation in a Part C plan; and Medicare Part B enrollment and income-related monthly adjustment amount determinations, appeals of determinations, and premium collection;"*

20. *"To CMS, the Railroad Retirement Board and the Office of Personnel Management for purposes of administering Part A, Part B, Medicare Advantage Part C, and Medicare Part D, including, but not limited to, collecting Medicare Part B premiums, which include an income-related monthly adjustment amount,"* and

21. *"To the Office of Medicare Hearings and Appeals and to the Medicare Appeals Council in the Department of Health and Human Services for purposes of appeals of determinations of Medicare Part B income-related monthly adjustment amount determinations made by SSA."*

2. Compatibility of Proposed New Routine Uses

The Privacy Act (5 U.S.C. 552a(b)(3)) and SSA's disclosure regulation (20 CFR Part 401) permit us to disclose information under a published routine use for a purpose that is compatible with the purpose for which we collected the information. The proposed routine uses above will ensure efficient administration of SSA programs administered through the *MDB File*. Therefore, the proposed routine uses are appropriate and meet the relevant statutory and regulatory criteria.

II. Records Storage Medium and Safeguards for the Proposed *MDB File* System of Records

The *MDB File* is a repository of Medicare applicant and beneficiary information. Only authorized SSA personnel who have a need for the information in the performance of their official duties will be permitted access to the information. We will safeguard the security of the information by requiring the use of access codes to enter the computer systems that will maintain the data and will store computerized records in secured areas that are accessible only to employees who require the information to perform their official duties. Any manually maintained records will be kept in locked cabinets or in otherwise secure areas. Furthermore, SSA employees having access to SSA databases maintaining personal information must sign a sanction document annually, acknowledging their accountability for making unauthorized access to, or disclosure of, such information.

Contractors generally do not have access to the *MDB File*; however, should this change in the future, contractor personnel having access to data in the *MDB File* will be required to adhere to SSA rules concerning safeguards, access and use of the data.

SSA personnel having access to the data on this system will be informed of the criminal penalties of the Privacy Act for unauthorized access to or disclosure of information maintained in this system. See 5 U.S.C. 552a(i)(1).

III. Effect of the Proposed *MDB File* System of Records on the Rights of Individuals

The proposed alteration to the *MDB File* system of records pertains to SSA's responsibilities in expanding the categories of individuals maintained in the file to include beneficiaries who are eligible for Medicare Part A, Part B and Medicare Advantage Part C. We will adhere to all applicable statutory

requirements, including those under the Social Security Act and the Privacy Act, in carrying out our responsibilities. Therefore, we do not anticipate that the proposed alterations will have any unwarranted adverse effect on the rights of individuals.

IV. Change in the Name of the Existing Medicare Part D and Part D Subsidy File System of Records

We will change the name of the existing system of records to the *Medicare Database (MDB) File* to reflect the establishment of a single repository for all Medicare-related information needed to efficiently administer the Medicare Part A, Part B, Medicare Advantage Part C and Medicare Part D programs.

Safeguards for automated records have been established in accordance with the Systems Security Handbook. For computerized records, electronically transmitted between SSA's central office and field office locations (including organizations administering SSA programs under contractual agreements), safeguards include a lock/unlock password system, exclusive use of leased telephone lines, a terminal oriented transaction matrix, and an audit trail.

RETENTION AND DISPOSAL:

Pursuant to 36 CFR 1228.26, SSA will submit to NARA, for approval, a schedule for the MDB, no later than one year from implementation of this new program. Until a schedule is developed and approved, records may not be destroyed.

SUPPLEMENTARY INFORMATION:

I. Background and Purpose of the Proposed New Attorney/EDPNA 1099-MISC File System of Records

A. General Background

Under sections 206(a) and 1631(d)(2) of the Social Security Act and sections 302 and 303 of the Social Security Protection Act (SSPA) of 2004 (Pub. L. 108-203), SSA has the authority and responsibility to determine the maximum fees that claimants' representatives may charge and collect from claimants they represent before SSA, and to directly pay those fees out of claimants' past-due benefits, to attorney and EDPNA representatives. SSA is also responsible to directly pay fees awarded to an attorney by a Federal court under sections 206(b) and 1631(d)(2) of the Act. Changes in the Internal Revenue Service Federal Income Tax Regulations (26 CFR part 1), promulgated under sections 6041 and 6045 of the Internal Revenue Code (IRC) require SSA, in the course of its business, to issue 1099-MISC information returns for aggregate payments of \$600.00 or more in a calendar year. The returns must be filed whether or not the services were performed for SSA. Therefore, representatives who meet the requirements to receive representational fee payments and do not waive payment from SSA could meet the reporting requirement of the IRC. Further, when the attorney or EDPNA representative works for an employer (e.g., law firm, partnership or other business entity) and we have the employer's name, address and EIN information in our file a 1099-MISC information return will also be issued to the employer.

Further, the Debt Collection Improvement Act of 1996, 31 U.S.C. 7701, requires all persons doing business with a federal agency to provide TINs/SSNs. A person is considered to be "doing business" with an agency if the agency assesses a fee on the person. Under sections 206(d) and 1631(d)(2)(C) of the Social Security Act
