

# HERSHEY GARDENS

## Hershey Gardens Fact Sheet

**DESCRIPTION:** Hershey Gardens is a 23-acre botanical display garden. The attraction offers various themed gardens, including 3,500 rose bushes and a Children's Garden with chocolate-scented, named and colored flora. The Milton & Catherine Hershey Conservatory serves as the entrance to Hershey Gardens and features a year-round, indoor tropical Butterfly Atrium, Welcome Pavilion and Educational & Horticultural Wing.

**THEMED GARDENS:**

Bill Bowman Garden	M.S. Hershey Tribute Garden
The Children's Garden	Ornamental Grass Garden
Herb Garden	Perennial Garden
High Point Garden	Rock Garden
Historic Hershey Rose Garden	Seasonal Display Gardens
Japanese Garden	

**ADDITIONAL AREAS:**

Arboretum	Oak Grove
-----------	-----------

**HISTORY:** Hershey Gardens was opened by Milton S. Hershey in 1937 as Hershey Rose Garden. Originally just 3½ acres, the Gardens reached 23 acres in 1944. It was renamed Hershey Gardens in 1979, when it boasted six themed gardens. The Children's Garden opened in 2003 and the Milton & Catherine Hershey Conservatory opened in 2016. Hershey Gardens is an operating division of the nonprofit M.S. Hershey Foundation.
