ANNUAL
IMPACT
REPORT
FY 2020-2021

The greatest gifts are the tools to make it come true.

Your donations made a **BIG** difference during a difficult year.

52,439 times families came to us for—and were given—shelter, food and life-changing assistance.

115 children made memories to grow on in our year-round Joy, Hopes & Dreams programs.

1,500 visits were made to our Free-Store for much needed clothing and household items free of charge.

220 families were spared the trauma of being evicted from their homes.

240 long-time welfare recipients received job skills training to help them secure full-time work.

125 families – **340** individuals – rebuilt their lives in our permanent, service-enriched and affordable housing.

138 families – **271** individuals – received intensive support and lived with dignity in our emergency shelters.

Over **735,750** meals were provided through free bags of groceries from our food pantry programs; **21,744** meals to homeless individuals living at the HomeFront Family Campus; **12,633** to homeless individuals staying in local motels through our Double Helpings program.

138 735,750 **340**

220 12,633 **1,500** 21,744 **240** **125**

Dear Friend,

I can remember HomeFront staff meetings when we would get together and commiserate with each other about how challenging our work was, how each day brought new problems and how each case was always so different. Those memories were pre-COVID and they make me laugh now, albeit ruefully. In the past two years, we have had to reinvent just about everything we do and have pivoted so much that we are dizzy from it! However, I'm proud to report that we are still standing and are deeply grateful for the understanding and unwavering support of people like you that kept us going.

Our biggest COVID related heartbreak has been the return of families with children to living in the welfare motels long-term. HomeFront had spent the better part of fifteen years working to end that cruel reality. I will always remember moving that last child out of those God-forsaken motels in the summer of 2008. I can't overstate the physical, mental and emotional trauma we are seeing in these new motel kids. We have responded to this crisis by re-focusing the Joy, Hopes and Dreams program to work almost exclusively with them. We are making sure that they have the opportunity to get out of the room, play and get exercise, be tutored, attend camp and have something to look forward to. The Trenton Area Soup Kitchen, Allentown Presbyterian Church and St. Mark's Lutheran Church are making sure that they have hot meals. We will need as much support as we can find for these families in 2022 or until COVID protocols have lifted.

On a much brighter note, the New Jersey Consortium of Shelter Providers, which HomeFront has the honor of leading, has had a very productive year. Thanks to the power and focus of our collective advocacy, we were able to secure, among other things, hazardous duty pay and significant raises for our frontline workers, and priority status for PPE, COVID testing and vaccines for every NJ shelter.

I am sure that 2022 will be a better year for all of us but, if it's not, I have never been more confident that, together, we will meet whatever comes with wisdom and strength.

Our thanks,

Connie Mercer

HomeFront's mission

is to end homelessness in Central New Jersey by harnessing the caring, resources and expertise of the community.

We lessen the immediate pain of homelessness and help families become self-sufficient.

We work to give our clients the skills and opportunities to ensure adequate incomes, and we work to increase the availability of adequate, affordable housing.

We help homeless families advocate for themselves individually and collectively.

The ocean was only 58 miles away but, for Alissa, it might as well have been a million. She was able to attend HomeFront's camp this past summer, thanks to a generous donor, and when the camp field trip bus pulled up to the beach, Alissa was so overcome with wonder that she began to cry. Her tears gave way to joy and she spent the day in the surf pretending to be a dolphin.

Alissa dreams of one day becoming a counselor just like our Ms. Alexis.

Alejandro had never felt so cold in Venezuela, where he attended medical school before he came here for a better life – he felt the New Jersey winter was more than he could bear. He came to our **FreeStore** in Trenton a few years ago in desperate need of shoes, socks, and a coat. He was so grateful for the help that he became a volunteer there and we have helped him become fluent in English. He is just about to complete his residency at a local hospital.

Alejandro's dream is to be a doctor at the Children's Hospital of Philadelphia.

After years of being abused, Lydia fled from her husband when he began to turn his violence on their daughter. Now, safe at the Family Campus, Lydia's stomach has begun to unclench, her nightmares have stopped, and she races to class in the computer lab every day.

Lydia's dream is to get a job and raise her daughter to be a woman with choices in life – who will never be anyone's victim.

We know HomeFront to be the place that helps homeless families break the cycle of poverty. What is most impressive is how HomeFront is such a proven center of hope and opportunity, where every child is valued — now and in the future.

When fire engulfed Jennifer's apartment, she watched everything she and her children loved reduced to ash: toys, furniture, clothes, pictures, everything. HomeFront was there to provide intensive support and temporary housing until they found a new home. Once they were ready to move, we furnished their new apartment and made sure they had the household goods needed to make it a home, including some new toys and books.

Jennifer's dream is to provide a safe and secure home where her children can flourish.

Anna and Khloe grew up in an unstable household moving from place to place. They would often fall asleep side by side, softly crying. HomeFront's *Joy, Hopes and Dreams* program gave them the safety, stability, and sense of family that they craved and soon, the sisters began to feel like kids for the very first time in their lives.

Still a team, Anna and Khloe dream of opening their own veterinarian practice when they grow up, hoping to give animals the stability and good "caring hand" that HomeFront has given them.

Jason lived in a dangerous neighborhood and his mom enrolled him in the *Joy, Hopes, & Dreams* program to make sure he had a safe place to learn, grow and play. He flourished under the influence of the nurturing counselors and, as his confidence grew, so did his empathy for others. At the beginning of the pandemic, Jason saw many of his neighbors and family get sick. He yearned to make a difference.

Now, Jason wants to become a nurse to help the sick.

For many years, I have watched with affection and pride as HomeFront made the difference between tragedy and hope for so many New Jerseyans. My affection comes from their commitment to the children of the vulnerable — to their future and not just the here and now. My pride stems from watching HomeFront overcome gaps in government support with nimble ingenuity and good old-fashioned moxie. HomeFront is one-of-a-kind.

A Caring Community

These photos represent just a few of the many fun and inspiring events H

Community in Action

HomeFront and its community of supporters and volunteers host throughout the year.

When Kylie was a just a baby, her family became homeless and found their way to our Family Campus. While her parents worked to pull the pieces back together, she thrived in our Atkinson Child Development Center and found a lightness of spirit that she had never known. Her glamorous dreams are as big as her imagination.

Kylie is sure she will become a princess but, for her day job, she wants to be a singer and a dancer.

My late wife Lulie and I have been tremendously impressed with HomeFront and its leadership over the years. They have been consistently helpful to the community and especially so during the COVID crisis. I am very glad that we have been able to support them over the years and congratulate the HomeFront Board of Directors and its able staff under the leadership of Connie Mercer for making such a tremendous difference to our community.

Jacque dreams of going to Disney World one day.

Jacque and her grandmother live in a safe and dignified Home-Front affordable apartment. They both love their home and work together to keep it spotless and cheerful. Her grandmother receives supportive case management and gets help putting nourishing food on the table through our food pantry. Jacque's start in life was rocky, but thanks to her grandmother and Home-Front, her future is bright.

For years, Jodeelyn was the victim of serious trauma and eventually turned to drugs to numb the pain. When she became pregnant, she was determined to turn her life around and joined the **For My Baby and Me** program for opioid-addicted pregnant women. After her first meal at the **Family Campus**, she told Liza, our senior family advocate, that this was the first time she could remember feeling safe and at peace. She has been clean ever since, and she and her new baby are both thriving.

Jodeelyn dreams of going back to school and studying family law.

One night, Tiana and her mother fled her abusive father with nothing but the clothes they were wearing and a tattered baby doll. During their stay at the **Family Campus**, she became the beloved “big sister” of all the younger children. She also loved to hold babies during dinner time so their moms could enjoy their meals.

Tiana's dream is to be a NICU nurse so she can continue to take care of babies and make sure they are born healthy and happy.

Until last month, Carlos and his mom lived with his grandparents in a tiny apartment. Every night as he lay in bed, Carlos could hear them fighting and screaming and he would tremble under the covers. Finally, his grandfather told them to get out. They came to the **Family Campus**. HomeFront's work with this family is just beginning and Carlos no longer trembles at night.

Hopefully soon, Carlos will feel confident enough to have a dream.

I love supporting HomeFront because it's an organization that takes action by empowering people, who have fallen on hard times, by giving them the tools, support and skills they need to ensure a better life. The services and staff are incredible and I'm honored to bring HomeFront to my community and be a part of something great.

HomeFront is not only taking on poverty and homelessness, but they are resurrecting the COMMUNITY. It really does take a community to make changes in this world, and The Holy Trinity Baptist Church is here to help in every way. We all have a part in this ministry and I'm glad God has put us together.

Two years ago, Teresa was behind on rent, facing eviction and looking for discarded food to feed her son. She first came to HomeFront for emergency rental assistance, but her case manager insisted she needed a real sustainable life plan. She became certified in Microsoft Office through HomeFront's computer classes, and the Hire Expectations team worked with her on how to present herself in job interviews. She discovered a real affinity for working with the public and with HomeFront's help she got a good job as a receptionist at an insurance company.

With new confidence and skills, Teresa dreams of a job as an office manager.

AmeriCorps* Vista

From our very beginning, we've received generous support from the programs of the Corporation for National and Community Service.

AmeriCorps and AmeriCorps* VISTA members have been fundamental in establishing and maintaining life-changing programs for our families.

We are extremely grateful for over \$5,608,547 worth of goods and services given throughout the year by churches, corporations, civic groups and private citizens. These goods – furniture, appliances, automobiles, computers, clothing, food and toys and critical *pro bono* services – enrich the lives of countless families.

We are also grateful to the 2,069 donors who gave under \$100 for a total of \$88,743. All donors are listed online at homefrontnj.org. Every effort has been made to ensure the accuracy of these lists. Please direct any questions or concerns to the Development Office at 609-989-9417 x107.

Our “Building A Stronger Future” endowment campaign was created to ensure HomeFront can grow and be resilient for years to come, even in the face of economic downturns, shrinking government support, or future realities we cannot anticipate. In the past year, we’ve met our initial goal of \$5,000,000 thanks to these very special individuals.

HomeFront, Inc. Audited Statements of Financial Position Year Ended September 30, 2020

During 2020, thanks to the unselfish work of our dedicated staff, we were able to intensify our efforts to end homelessness in Mercer County. Even in the face of the advancing COVID pandemic, we were provided a critical array of services to those who are most in need. We maintained our steadfast commitment to providing safe and secure housing, tools for success, basic necessities, and a nurturing environment for children.

The community members who support us recognized the increased risk to our client families and they stepped up in remarkable ways to make it possible for us to pivot to confront the pandemic. The generosity of the many individuals, businesses, foundations, churches and congregations, schools and government agencies enabled us to invest more than \$13,500,000 to allow us to serve our families while facing even greater disruption in their lives in a year of uncertainty.

For 2020, our independent auditors again issued a clean opinion. We maintained a 4-star Charity Navigator rating while ensuring that more than 90 cents of every dollar received is spent directly supporting the families we serve.

– William F. Hackett, *Chief Financial & Administrative Officer*
