SUBJECT: Indian Community Development Block Grant Program Notice of Funding Opportunity (NOFO) Applicant Training

Dear Tribal Leader:

On May 15, 2024, the U.S. Department of Housing and Urban Development (HUD) published the FY 2024 Notice of Funding Opportunity (NOFO) for the Indian Community Development Block Grant (ICDBG) Program. Applicants have until 11:59:59 EDT on July 15, 2024, to submit applications via grants.gov.

Under the ICDBG Program NOFO, approximately $70 million is available to eligible Tribes and Tribal organizations for the development of viable American Indian and Alaska Native communities, including the creation of decent housing, suitable living environments, and economic opportunities primarily for people with low and moderate incomes.

The Office of Native American Programs (ONAP) will host a national virtual two-day training webinar. During the training sessions, ONAP will review the NOFO, application process, and address your questions.

Please see the times and dates below for the National Virtual Webinar training sessions.
