Please be advised that as of 31 March 2016, DOMAIN TRAIN, INC. (“Domain Train”) is in breach of its Registrar Accreditation Agreement (“RAA”) with the Internet Corporation for Assigned Names and Numbers (“ICANN”) dated 4 September 2015 (“RAA”). These breaches result from:

Additional Considerations

ICANN notes that Domain Train exhibits a pattern of non-responsiveness to ICANN compliance notices. In addition, ICANN staff is often unable to contact Domain Train via telephone during business hours in the United States.

ICANN requests that Domain Train cure these breaches by 21 April 2016, 21 days from the date of this letter, by taking the following actions:

1. Provide a certificate executed by the president, chief executive officer, chief financial officer or chief operating officer (or their equivalents) of Domain Train certifying compliance with the terms and conditions of the RAA;
2. Provide ICANN with corrective and preventative action(s), including implementation dates and milestones, to ensure that Domain Train will timely respond to ICANN compliance notices; and
3. Pay all past due accreditation fees.

If Domain Train fails to timely cure the breaches and provide the information requested by 21 April 2016, ICANN may commence the RAA termination process.

If you have questions or require assistance, please contact Owen Smigelski at owen.smigelski@icann.org.
