Domain Name Transition Process

To protect domain name registrants, ICANN will commence the domain name transition process and will solicit bids for a qualified ICANN-accredited registrar to manage the domain names currently managed by Premium Registrations.

Following the expiration of Premium Registrations RAA, ICANN shall commence its [De-Accredited Registrar Transition Procedure](#) ("Procedure") to identify a gaining registrar for management of Premium Registrations' domain names.

ICANN reserves all its rights under the RAA. Please note the rights and obligations required to have effect after the expiration of the RAA, including but not limited to Sections 3.4 Retention of Registered Name Holder and Registration Data, 3.9 Accreditation Fees, 5.6 Resolution of Disputes Under this Agreement and 5.7 Remedies for Violations of this Agreement.

Premium Registrations has currently due accreditation fees. These fees are required to be paid to ICANN by Section 3.9 of the RAA. Please immediately submit payment to ICANN accounting.
