Re: SEVIS Notice—Scheduled Maintenance Affecting Correction Requests and Upload Evidence Functionality

Number: 1803-01

General Information

This message is to inform you that the Student and Exchange Visitor Information System (SEVIS) will have maintenance to the **SEVIS Production** environment. The Student and Exchange Visitor Program (SEVP) does not anticipate any impact to system availability. However, during the maintenance window school officials should **refrain from submitting/modifying correction requests (CRs) or uploading evidence in support of CRs or Form I-17, “Petition for Approval of School for Attendance by Nonimmigrant Student,” updates** as the system will not be able to complete the process properly.

See below for the maintenance details:

- SEVP will perform maintenance to the **SEVIS Production environment on Friday, March 2, 2018, from 8 p.m. EST to Saturday, March 3, 2018, at 8 p.m. EST.**

Please continue to monitor SEVP Broadcast Messages and the SEVIS message board for additional information regarding updates to the **SEVIS Production** environment.

If you have questions, please contact the SEVP Response Center at 703-603-3400 or 800-892-4829, Monday through Friday, 8 a.m. to 6 p.m. ET, except on federal holidays.
